

Park Hill Junior School Merits

10/03/23

**Golden Rules** - Do be kind and helpful/Do be gentle/ Do listen/ Do concentrate/ Do be honest/Do look after property

**Learning Behaviour** - Respectful/Resilient/Resourceful/Reflective/Relationships

Class	Child's Name	Type of Merit	Merit
3E			
3G			
3U	Harmony	Reflective, Responsible	Harmony has been fully focused on her learning this week in all of her lessons. She has taken part fully in our English and thrown herself into being creative in these lessons.
	Nikki, Ali Raza, Mishika and Harshitha	Resourceful, Reflective and Creative!	This week the year 3s were building a home for a character in our book. This team managed to be creative and to work together to build a tortoise a detailed home, his special treasure (a skateboard) and then to explain it to the class clearly.

4L	Sanvika	Resilient	Sanvika always tries her best in lessons, gave a great argument in our rainforest debate today and has been very helpful to the teachers over the past week. Thank you.
	Zunash	Resilient	Zunash has really impressed me with her resilience in learning about fractions this week. She has given a number of good answers and explanations to the teacher to show her learning. Zunash also gave an interesting point in our debate against deforestation. A great effort!
4P	Elijah	Respect	We have noticed a big change in Elijah' attitude recently in dealing with different situations both in and out of the classroom. This has been noticed by many of the staff members and it is fantastic that Elijah is using the 5Rs, in particular respect in his days at school. Well done Elijah!
	Aaron	Resilience	Aaron has demonstrated some fantastic resilient attitude this week - in particular through his Maths booster classes. Aaron has entered Maths lessons showing that even if some questions are tricky, he can follow the steps to success and answer them accurately. This has been wonderful to see, 4P are very proud of you!

5I	Noah	Reflective	Noah has come so far in his learning this term. He really is trying his best to complete it to a great standard. Mrs Iwin was so pleased with his prior knowledge in a recent Jigsaw lesson. Noah was able to explain and demonstrate to the class how the recovery position is completed and the importance of being calm.
	Vihaana	Relationship	Vihaana was absolutely amazing when visiting the Royal Observatory in Greenwich. She was so engaged and always put her hand up to share her AMAZING SPACE knowledge. She even surprised the physicist with her knowledge about planets. <i>It was a stroke of VENUS (Get it!)</i>
	Samanta and Erin	Resourceful/ Resilience	These girls used the teachers feedback and upleveled their amazing news scripts this week. Mrs Iwin was able to see great stage directions used ,which made it very effective.
