VII. Expenditures

The Committee met on December 8, 2016, and reviewed the report of the 2012 Election Bond Expenditures for the year ended June 30, 2016.

The California Constitution specifically limits the expenditures of bond revenues to: construction, reconstruction, rehabilitation or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities.

An itemized list of the expenditures for the year ended June 30, 2016, was provided by the District.

- The bond funds from Series A & T-1 were used to finance the design, construction, acquisition, improvement, installation, restoration, rehabilitation, modernization for school sites, school facilities, and support facilities of the District.
- The bond funds from T-1 were used to purchase classroom laptops, projectors to support One-to-One student computing.

VIII. Audit

The Committee met on March 1, 2017 and reviewed the annual independent performance audit and annual independent financial audit conducted by Daniells, Phillips, Vaughan and Bock CPAs ("the Auditors), for the calendar year ending June 30, 2016. California Senate Bill 423 requires the financial and performance audits to be submitted to the local citizens' oversight committee by March 31 of each year.

The Auditors gave an unqualified opinion in The Independent Auditor's Report on the Financial Statements for the 2013 Series A and 2015 Series B and T-1 General Obligation Bond Building Fund of Panama-Buena Vista Union School District, as of June 30, 2015, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America. Furthermore, The Independent Auditor's Report on Internal Controls did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses.

The Auditor's also conducted a Performance Audit of the 2013 Series A and 2015 Series B and T-1 General Obligation Bond Building Fund. The results of their tests indicated that the District expended the funds only for the specific projects approved by the voters, in accordance with Proposition 39 and outlined in Article XIII A, Section 1(b)(3)(C) of the California Constitution.
