

SHS Weekly News

March 17, 2023

A Message from Mr. Kruse, Principal

Students and Families,

I hope you and your families are well. Winter is nearly over and we are approaching the end of Third Quarter. Let's have a strong end to next week before we head off to enjoy Spring Break at the end of the month.

Congratulations again to all who were honored at the Pep Assembly yesterday. We celebrated SHS winning the 2023 State of Wisconsin Spirit of Excellence Award and the many talented people involved in our athletics and activities. SHS is the only school in the state to receive this award three times. We have so many talented students and staff here at SHS and it was a great afternoon to recognize them. GO VIKINGS!!

Have a wonderful and safe weekend,
MJK

Positive Digital Citizenship Reminder

As new social media challenges and apps are constantly being created that students are exposed to, we ask that parents join us in continuing the discussion of positive digital citizenship and the seriousness of inappropriate behavior online. We expect students to respect one another and demonstrate good citizenship both at school and within the community.

Thank you for your partnership as we work to ensure a safe, secure, and positive learning environment for our students.

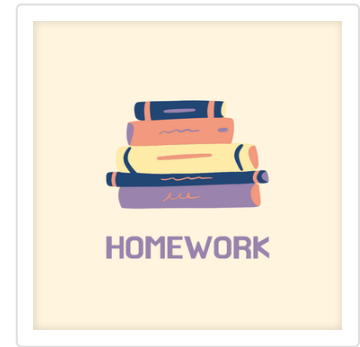

SHS ACADEMICS

Homework Club

Academic Coaching will be after school until 4:45pm in the SHS library on the following dates in March:

- Tuesday, March 23

SASD, SHS, & STOUGHTON COMMUNITY INFORMATION

Testing Services Ending April 28, 2023

The Wisconsin Department of Health Services has recently announced their phased step-down of the K-12 COVID-19 School Testing Program. This state-wide program was created to support staff and students for in-person learning and was extended for the 22-23 school year. However, DHS has announced their testing program will close at the end of April 2023. SASD has reviewed our testing services and the participation levels of our testing site and due to limited staffing and resources, **our last day of testing services will be April 28, 2023. Testing hours are 7:30 AM - 12:30 PM.**

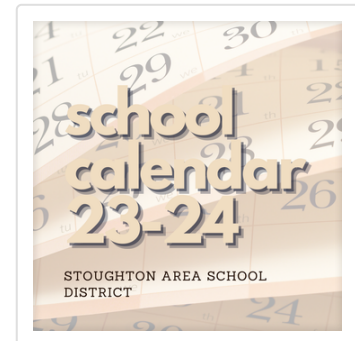

COVID-19 at-home antigen tests are still available at each school. Please reach out to your building's health staff to arrange pick-up. Please note that tests are unable to be sent home with students.

If you are interested in ordering a free at-home test kit, [Say Yes! COVID Test](#) is offering test kits to residents of eligible communities. Please note the FDA has provided a list of updated expiration dates for authorized at-home test kits. [Please click here for more information.](#)

If you have any questions, please reach out to SASD District Nurse Laurel Gretebeck for more information at laurel.gretebeck@stoughton.k12.wi.us or (608) 877-5405.

School Calendar 2023-2024

The 2023-24 School Calendar has been approved and is now available on the web under [Our Families / Calendars](#). Note that school will start AFTER Labor Day on September 5.
