TO: Parent/Guardian/Staff Member

The Healthy Schools Act of 2000 requires all schools to provide parents or guardians of students with annual written notification of expected pesticide use on school sites. The notification will identify the active ingredient or ingredients in each pesticide product and will include the Internet address <http://www.cdpr.ca.gov> for further information on pesticides and their alternatives.

Parents or guardians may request prior notification of individual pesticide applications at the school site. People listed on this registry will be notified at least 72 hours before pesticides are applied. If you would like to be notified in advance of pesticide applications, please complete and return the form below.

If you have any questions, please contact Mr. Brad Aycock at (661) 397-2200 or aycock@pbvusd.net.

Sincerely,

Kevin Silberberg, Ed.D.
Superintendent
