

## CHAPTER 6.00 – HUMAN RESOURCES

### EMPLOYMENT

6.10

- I. All personnel shall be appointed or re-appointed as prescribed by Alabama law and in conformance with applicable State Board of Education and School Board rules.
- II. All personnel except the Chief School Financial Officer shall be recommended by the Superintendent in writing for School Board approval.
- III. The Superintendent is directed to develop appropriate employment procedures governing the recruitment, screening, selection, appointment and employment of all personnel. Employment qualifications and other criteria will be listed in job descriptions for each position within the school system.
- IV. Notwithstanding anything else to the contrary, the Superintendent shall be authorized to assign and delegate duties to and from any position as needed and according to the Superintendent's best judgment.
