

CHAPTER 7.00 - BUSINESS SERVICES

SALE OF EQUIPMENT AND SUPPLIES

7.22

- I. The Board authorizes the Superintendent to grant permission for the operation of stores selling merchandise that is needed by pupils to facilitate classroom instruction. School stores shall operate as a convenience to the students and shall not in any way interfere with the educational process or cause any student to be in class less than the minimum number of hours in the Board approved day.
- II. Separate records, subject to audit, shall be kept for school stores, and profits derived from sales shall be used for general items supporting the school as a whole.
