

## CHAPTER 8.00 - AUXILIARY SERVICES

### INSPECTION

8.14

As part of a comprehensive safety and loss control program, the Board requires that all school-owned property be inspected regularly for potential safety hazards. These inspections should be conducted by the person responsible for managing the site. Hazardous conditions identified within the inspection report should be reported to the maintenance department or other appropriate staff for correction. A written report of all safety inspections shall be submitted to the Superintendent and placed on file.
