Organizational Structure

The School Board and the Superintendent value an organizational structure and two-way system of communication whereby there is an open, orderly and constructive exchange of ideas, information and assistance among employees at every level. The organizational structure of the School Division shall include organizational charts wherein each employee may identify his/her relationship with other employees. The charts should show the line of authority (chain of command) and, where possible, the secondary lines of cooperation expected across various positions.

The organizational charts shall be a graphic interpretation of the lines of responsibility guidelines established in School Board Regulation 2-14.2.
