Indian Head Elementary School

Message from the Principal

We are halfway through March and Spring Break is right around the corner! It is hard to believe we are approaching the end of the third quarter. Our students and teachers are all looking forward to a nice break so we can refresh and refocus for the fourth quarter. Over the next two weeks we will be reviewing the 3 Rs and school rules frequently. Please take some time to discuss appropriate school behavior at home.

Our Boosterthon Fun Run fundraiser is coming up on March 29th! Be on the lookout for fliers on how to register your child to help raise funds for materials of instruction and incentives. We will also need volunteers on the day of the run. If you are interested in volunteering, please email Marissa Ackerman at mackerman@ccboe.com

Ms. Shane Blandford, Principal

Monthly Core Value

Forgiveness. Have you noticed hidden in the middle is the word “give”? Forgiveness is a gift that has to be given away. Deciding that someone who has wronged you doesn't have to pay is a true gift. It's a gift for the person receiving it. They are probably expecting judgement, grudges, or possibly worse but forgiveness is the one thing they weren't expecting. It's also a gift for you. There's no greater feeling than giving someone a gift you know they're going to like. We could all stand to show a little forgiveness

FORGIVENESS

Deciding that someone who has wronged you doesn't have to pay

HOW YOU CAN SHOW FORGIVENESS:

- Think about a time that you were forgiven.
- Remember to be slow to anger and choose forgiveness.
- Find examples of forgiveness in books, TV shows, or movies you watch with your family.
