

## PREGNANT STUDENTS

The Indian River School District shall not apply any rule concerning a student's actual or potential family or marriage status that treats students differently on the basis of sex.

A student shall not be discriminated against nor excluded from the education program or activities, including any class or extracurricular activity, on the basis of such student's pregnancy, termination of pregnancy, or recovery therefrom, unless the student requests voluntarily to participate in a separate portion of the education program or activity of the school. Pregnancy must be accommodated in the same manner as any other temporary disability. The policy shall apply equally to all students.
