

EDUCATIONAL PHILOSOPHY

The Indian River School District is committed to providing each student with a quality educational experience designed to maximize the development of his/her talents and aptitudes. Vitaly concerned with the optimal academic progress of students at all ability levels, the district pledges its resources to engendering positive concepts of success for everyone.

Quality education can only be achieved in a safe, learning-conducive setting, which features a well-designed curriculum continuum, dynamic leadership, a highly effective teaching staff, competent support personnel, and informed stakeholders. Collaborative planning incorporating research-based, innovative techniques and technology monitored via continuous and critical evaluation, is encouraged and promoted.

The Indian River School District embraces the concept of the ever-broadening development of education, social, cultural and recreational activities for its entire citizenry. Hence, it believes in partnering with families to enhance student learning, and sharing its facilities with the community.
