ARTICLE II RECOGNITION OF EXCLUSIVE REPRESENTATIVE

Section 1. Recognition: In accordance with the P.E.L.R.A. the School District recognizes the Centennial Education Association as the exclusive representative of teachers employed by the school district of Independent School District 12, which exclusive representative shall have those rights and duties as prescribed by the P.E.L.R.A. and as described in the provisions of this Agreement.

Section 2. Appropriate Unit: The exclusive representative shall represent all the teachers of the district as defined in this Agreement and in the P.E.L.R.A.

ARTICLE III DEFINITIONS

Section 1. Terms and Conditions of Employment: Terms and conditions of employment means the hours of employment, the compensation therefor, including fringe benefits, except retirement contributions or benefits, and the employer's personnel policies affecting the working conditions of the employees. In the case of professional employees, the term does not mean educational policies of a school district. The terms in both cases are subject to the provisions of P.E.L.R.A. regarding the rights of public employers and the scope of negotiations.

Section 2. Teacher: The term "teacher" shall mean all persons in the appropriate unit employed by the school district in a position for which licensure is required by the Board of Teaching or the State Board of Education, or in a position of physical therapy or occupational therapy, except superintendent, assistant superintendents, principals and associate principals who divide more than fifty percent (50%) of their time to administrative or supervisory duties, confidential employees, supervisory employees and daily substitute teachers who do not replace the same teacher for more than thirty (30) working days.

ARTICLE IV SCHOOL BOARD RIGHTS

Section 1. Inherent Managerial Rights: The exclusive representative recognizes that the School District is not required to meet and negotiate on matters of inherent managerial policy, which include, but are not limited to, such areas of discretion or policy as the functions and programs of the employer, its overall budget, utilization of technology, the organizational structure and selection and direction and number of personnel.

Section 2. Management Responsibilities: The parties recognize the right and obligation of the School District to efficiently manage and conduct the operation of the school district within its legal limitations and with its primary obligation to provide educational opportunity for the students of the school district and all management rights and functions not expressly delegated in this Agreement are reserved to the school district.

Section 3. Section 19. Donation of Paid Personal or Sick Leave

The District and CEA recognize the stress and strain put on a Teacher and family when a serious illness or injury strikes the employee. A catastrophic illness or injury can result in the loss of time and wages depending on the individual Teacher’s situation. In support of the Teacher and in acknowledgement of the value of that staff person to the District, the District and the CEA have developed an emergency sick leave pool where Teachers who have exhausted their leave options may apply for additional days available as part of the pool. The pool will be filled by donations made by members of the CEA employee unit to support colleagues experiencing such circumstances.

Subd. 1. Purpose. The purpose of this section is to provide Teacher the opportunity to voluntarily donate paid personal or sick leave to Teacher that has been diagnosed with a catastrophic illness or injury.

The purpose of the donation process is to help the employee who has exhausted all earned paid leaves of absence including paid personal days, paid personal days with a substitute teacher substitute deduction, and sick leave days until the employee is eligible for Long Term Disability (LTD) Insurance payments.

Catastrophic Illness or Injury Defined: Catastrophic illness or injury is defined according to the current LTD provider.

Employees need to donate at the time of hire or make an initial donation to be eligible to participate. Once the sick leave bank reaches 500 days, donations are no longer needed until the bank is reduced to 50 days (unless the employee is new and wants to participate in the program). All days donated to the pool are non-returnable.
5. Eligibility for the leave donation ends when the CEA Member becomes eligible for long-term disability or 30 days, whichever is less.
6. Be available to the employee for the employee's own illness.

Subd. 3. Donation Details.

2. Notification. Upon receipt of an eligible teacher's request for donated sick leave, the Human Resources Director, with two (2) of the unit's representatives, one of whom will be the President or his/her designee, determine eligibility. The decision on approval on individual requests is final and is not subject to the grievance process.
3. Value: The value of a donated day will be equal to the employee's regular daily rate of pay. Donated days will be deducted in whole, not partial days.
4. Status of Donated Days. Once donated time has been transferred to the donation bank, the donor has no rights to that time for any reason and the time will be treated as if the donor utilized the time.

5. Allowance: The maximum number of days that an eligible employee may access the donation bank is 30 days in any 3-year period.
6. Process: Donated days will go directly into the eligible employee's sick leave bank (Aesop) or whatever service is used. The Human Resources Director will be in charge of depositing the approved allotted days into the eligible employee's sick leave bank.

Section 20. Reinstatement from a Leave of Absence: The school board shall not be obligated to reinstate any teacher who is on an extended leave of absence, unless the teacher advises the school board in writing of their intention to return before March 1st in the school year preceding the school year in which the teacher wishes to return, or by March 1st in the calendar year in which the leave is scheduled to terminate.

3. A combination of the early retirement incentive program and 403B program as listed in Section 2 of this article.

Teachers eligible to make the election must have been eligible for the Old Severance Program, and must not have been eligible for any previous once in a career severance pay election.

Subd. 2. The requirements governing the combination program shall be those

as listed in this article and in the school district 403B Plan Document.

Subd. 3. The career cumulative school district 403B matching contributions at the time of the teacher's retirement shall be deducted from the teacher's total early retirement incentive pay.

Subd. 4. One percent (1.00%) of the career school district 403B matching contributions at the time of the teacher's retirement shall be deducted from the teacher's total early retirement incentive pay.

Section 3. Early Retirement Incentive Program (Old Severance Program):

Subd. 1. Full-time teachers who are at least fifty (50) years of age and have completed fifteen (15) years of full-time service in the Centennial School District shall be eligible for severance pay pursuant to the provisions of this Article upon submission of a written resignation accepted by the School Board.

Subd. 5. A teacher shall be eligible for severance pay as defined and limited in Subd. 3 upon retirement. If a new duty year has started and the retirement will be effective at the conclusion of the regular school year, then the severance pay shall be calculated based on the daily rate earned by the teacher on the last day that the teacher provided services.

Subd. 6. In determining the severance amount calculation the following criteria shall be applied: Full-time teachers who are in either the Combination Severance program or the "old severance" plan who are eligible to receive a severance benefit per Article XII must irrevocably choose within 90 days prior to their eligibility one of the

two methods of calculating their severance payment at time of retirement:

- Choice 1 – the number of days accumulated in Subd. 3 shall be taken from the teachers accumulated sick leave days x the daily rate of pay (not to exceed 150 days or \$60,000)
- Choice 2 – apply the formula in Subd. 3 with no use of accumulated sick leave days.

Subd. 7. Severance, if any, shall be paid by the School District directly into the employee's Internal Revenue Code § 403B account in three (3) equal installments within two calendar years, beginning on June 15 in the year of separation. The second installment shall be paid on September 15 immediately following the first installment payment. The third and final installment shall be paid on the following September 15. The School District shall make these payments directly into an Internal Revenue Code § 403B plan selected by the employee from among those plans offered by vendors approved by the School Board. If after termination of employment the teacher dies before the payment has been made, the balance due shall be paid to a named beneficiary or lacking name to the estate of the deceased. In order to be paid severance pay, a teacher must fulfill their current contract with the school district (i.e., they must work or be on authorized leave for the last day prior to retirement).

Subd. 8. Severance pay shall not be granted to a teacher whose employment is terminated pursuant to M.S. 122A.40, Subd. 9.

Subd. 9. For those teachers who chose to remain in the "old severance" plan prior to the 1999-2001 contract shall have a one-time opportunity to elect to join the Combination Severance program. This choice must have been made on or before December 31, 2001.

1. the early retirement incentive program as listed in Section 3 of this article, **or**

2. the 403B program as listed in Section 4.

Subd. 2. The requirements governing the 403B program shall be those as listed in this article and in the school district 403B Plan Document.

Subd. 8. Job share denials are not subject to the grievance procedure.

ARTICLE XIV GRIEVANCE PROCEDURE

Section 1. **Grievance Definition:** A "grievance" shall mean an allegation by a teacher or a group of teachers resulting from a dispute or disagreement as to the interpretation or application of any term or terms of this Agreement.

Section 2. **Representative:** The employee may be represented during any step of this procedure by the Association. The School District may be represented during any step of this procedure by its designated representative. Copies of all correspondence between the School District and the grievant shall be sent to the Chairperson of the

Association's Teachers Rights Committee.

Section 3. Definitions and Interpretations:

- Subd. 1. The term "teacher", except where otherwise indicated, is considered to apply to all members of the appropriate unit.
- Subd. 2. An "aggrieved teacher" or "grievant" is the teacher or teachers making the claim.
- Subd. 3. The time limits provided in the grievance procedure shall be strictly observed but may be extended by written agreement of the parties concerned. In the event a grievance is filed after May 1st of any year, and strict adherence to the time limits may result in hardship to any party, the parties shall make reasonable efforts to process such grievance prior to the end of the school year.
- Subd. 4. Reference to "days" regarding time periods in this procedure shall refer to calendar days.
- Subd. 5. In computing any period of time prescribed or allowed by procedures herein, the date of the act, event, or default from which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted, unless it is a Saturday, a Sunday, or a school holiday, in which event the period runs until the end of the next day which is not a Saturday, Sunday or school holiday.
- Subd. 6. The filing of service of any notice or document herein shall be timely if it is personally served or if it bears a certified post-mark of the United States Postal Service within the time period.
- Subd. 7. A form which must be used for filing of grievances shall be provided by the School District (Attachment A). Such form shall be readily accessible in all school buildings.

Section 4. Adjustment of Grievance, Time Limitation and Waiver: The parties shall attempt to adjust all grievances which may arise during the course of employment of any teacher within the School District in the following manner: If a teacher believes there has been a grievance, he/she shall discuss the matter with the responsible administrator in an attempt to arrive at a satisfactory solution. If the grievance is not resolved as a result of this meeting, the grievance shall be reduced to writing, setting forth the facts and the specific provisions of the Agreement allegedly violated, and the particular relief sought. An alleged grievance must be presented in writing as promptly as possible and within twenty (20) days of the occurrence of the act or within twenty (20) days after the employee acquired or should, through the use of

reasonable diligence, have acquired knowledge of the alleged violation. Failure to file a grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the periods hereafter provided shall also constitute a waiver of the grievance.

Subd. 1. Level I. The written grievance, signed by the teacher involved must be presented to a responsible administrator within the time limits provided in Section 4. The responsible administrator shall meet with the teacher within seven (7) days after receipt of the written grievance and given a written answer to the grievance within five (5) days of the meeting. The teacher has five (5) days in which to either accept the answer or appeal it in writing to the next level.

Subd. 2. Level II. If the grievance has not been resolved in Level I, it may then be processed to Level II by presenting the written grievance to the Superintendent. The Superintendent or his/her designee shall meet within ten (10) days after receipt of the written appeal to discuss the problem with the teacher. Within ten (10) days of the meeting the Superintendent or his/her designee shall submit his/her written answer to the grievant. The teacher has five (5) days in which to either accept the answer or appeal it in writing to the next level. Such appeal shall be served in the Office of the Superintendent.

Subd. 3. Level III. If the grievance has not been resolved at Level II, the grievance may be presented to the School Board for consideration. The School Board reserves the right to review or not to review the grievance but must make that decision within fifteen (15) days after receipt of the written appeal. In the event the School Board chooses to review a grievance, the Board or a committee thereof shall, within fifteen (15) days, meet to hear the grievance. After this meeting, the Board shall have a maximum of fifteen (15) days in which to answer the grievance in writing. If the matter is not resolved at this level, the teacher has five (5) days in which to either accept the answer or appeal it to arbitration by filing such appeal in the Office of the Superintendent. The School Board reserves the right at its own instance to review any decision under Level I or Level II of this procedure, provided the School Board serves such notice within fifteen (15) days after the decision is issued. In the event the School Board reviews a grievance under this subdivision, the School Board reserves the right to affirm, reverse, or modify such decision.

Subd. 4. Denial of Grievance: Failure by the School District to issue a decision within the time periods provided herein shall constitute a denial of the grievance, and the teacher may appeal it to the next level. This shall not negate the obligation of the School District to respond in writing at each level of this procedure.

Subd. 5. Step 3 Waiver: Provided both parties agree in writing, Subd. 3 of this grievance procedures may be by-passed and the grievance taken directly to arbitration.

Section 5. Arbitration:

Subd. 1. Procedure: In the event that the parties are unable to resolve a grievance it may be submitted to arbitration as defined herein.

Subd. 2. Selection of Arbitrator: Upon submission of a grievance to arbitration under the terms of this procedure the parties shall, within five (5) days after the request to arbitrate, attempt to agree upon the selection of an arbitrator. If no agreement on an arbitrator is reached after five (5) days, either party may request the Minnesota Bureau of Mediation Services to appoint an arbitrator, pursuant to M.S. 179A.21, Subd. 2, provided such request is made within ten (10) days after request for arbitration. The request shall ask that the appointment be made within ten (10) days after receipt of said request. Failure to request an arbitrator from the bureau within the time periods provided herein shall constitute a waiver of the grievance.

Subd. 3. Submission of Grievance Information:

1. Upon appointment of the arbitrator, the appealing party shall, within five (5) days after notice of appointment, forward to the arbitrator, with a copy to the Superintendent, the submission of the grievance which shall include the following:
 - a. The issues involved
 - b. Statement of the facts.
 - c. Position of the grievant.
 - d. The written documents relating to Section 4 of this Article.
2. The School District shall make a similar submission of information relating to the grievance either before or at the time of the hearing.

Subd. 4. Hearing: The grievance shall be heard by a single arbitrator. The grievant may be represented by Association Representative(s) and the parties shall have the right to a hearing at which time both parties will have the opportunity to submit evidence, offer testimony, present witnesses and make oral or written arguments relating to the issues before the arbitrator.

Subd. 5. Decision: The decision by the arbitrator shall be rendered within thirty (30) days after the close of the hearing. Decisions by the

arbitrator in cases properly before him/her shall be final and binding upon the parties, subject, however, to the limitations of arbitration decisions as provided by the Act.

Subd. 6. Expenses: Each party shall bear its own expenses in connection with arbitration, including expenses relating to the party's representatives, witnesses, and any other expenses which the party incurs in connection with presenting its case in arbitration. A transcript or recording shall be made of the hearing at the request of either party. The parties shall share equally fees and expenses of the arbitrator, the cost of the transcript or recording if requested by either or both parties, and any other expenses which the parties mutually agree are necessary for the conduct of the arbitration. However, the party ordering a copy of the transcript shall pay for such copy.

Subd. 7. Restriction on Arbitrator: The arbitrator shall not have the power to add to, subtract from, or to modify the terms of the Agreement.

ARTICLE XV UNREQUESTED LEAVE OF ABSENCE AND SENIORITY POLICY

Section 1. Purpose: The purpose of this Article is to implement the provisions of M.S. 122A.40, Subd. 10.

Section 2. Consultation: In the event that unrequested leaves of absence are contemplated, the Association shall be consulted in an effort to minimize the impact on the teaching staff and the education program of the School District. In determining the number of teachers to be placed on unrequested leave, the Board shall first ascertain the status of all teachers for the next school year, including teachers on leave of absence and teachers intending to resign or retire.

Section 3. Posting: In the event it becomes necessary to place teachers on unrequested leave of absence, the areas of certification affected shall be posted in each building and a copy will be sent to the Association.

Section 4. Seniority:
Subd. 1. Each teacher shall have seniority based on total experience in the School District from the first day of contracted service. Contract service, including part-time contract service, during the school year shall be counted. Service in summer school, driver training, curriculum work or extra-curricular activities, or adult education shall not be counted. If long-term substitute services were performed immediately preceding contractual service, it shall be counted toward seniority.

- Subd. 2. Time spent on approved leaves of absence from which the teacher returns to service in the School District shall be counted when determining seniority.
- Subd. 3. A teacher who accepts another licensed position in District 12 outside the bargaining unit shall retain seniority status.
- Subd. 4. The seniority status of all teachers shall be maintained within the teacher's area of certification and shall be available to teachers upon request. The list shall be posted on the School District Intranet by February 15 of each year, with a printed copy for posting provided to the CEA president and to each building principal.
- Subd. 5. The original seniority date shall be retained by any teacher whose employment was legally terminated at the end of one school year but whose employment was subsequently reinstated by the School District by October 1 of the immediate succeeding school year. Such teachers shall retain any accrued leave benefits they had prior to termination and subsequent rehiring.

Section 5. Provisions: Any non-probationary teacher whose contract is not renewed for the following school year due to discontinuance of position, lack of pupils, financial limitations or merger of classes caused by consolidation of districts, shall be placed on unrequested leave of absence in the following order from among all teachers in the School District so certified.

1. Teachers with lesser seniority status.
2. In the event of a staff reduction, action affecting teachers whose first date of employment commenced on the same date and have equal seniority, the selection of the teacher for purposes of discontinuance shall be in order of the following criteria:
 - a. Previous teaching experience (excluding substitute teacher experience) within or outside of Minnesota while holding a valid teaching license;
 - b. Lower file folder number as shown on the teacher's current Minnesota teaching license.
3. Teachers having more than one area of certification who are or are about to be placed on unrequested leave according to the provisions of this Article, shall have the right to take another position for which they are certified, within the bargaining unit, provided that the teacher's seniority status shall be greater than another teacher in such area and that such position is not more than the greater of the highest level of previous employment or a .7 contract. It is assumed that teachers to be placed on unrequested leave will exercise their right to displace teachers lower on the seniority list who are employed in positions for which both are certified unless such teachers notify the Human Resources Office in writing that they do not intend to exercise their rights.

4. Only licenses on file with the district Human Resources Office by January 15th shall be considered while implementing unrequested leaves effective the following June.
5. Case law stemming from M.S. 122A.40, Subd. 11, (including any possible requirement that teachers must be involuntarily transferred to facilitate the retention or recall of a senior teacher in the unrequested leave process) shall not apply. Provided, however, a teacher may not be involuntarily transferred to teach in a different area of licensure if such transfer would alter the order of unrequested leave placement of teachers within the next calendar year.

Section 6. Reinstatement:

Subd. 1. Teachers who are placed on unrequested leave shall be reinstated in the inverse seniority order in which they were placed on unrequested leave in other available positions for which they are licensed including long-term substitute positions known in advance to be more than 30 working days. Teachers reinstated under this sub-division will receive regular teaching contracts and full fringe benefits. If a teacher accepts reinstatement to a part-time position of lesser employment status than previously held, and subsequently a position of greater employment status becomes available, the teacher shall be offered such position at any time prior to October 1, and after October 1, the teacher shall be offered such position at semester break, provided that when recalling a teacher from unrequested leave, the District shall not be required to employ the teacher to a greater extent than provided in the greater of a .7 contract or as provided in the greatest of the teacher's prior individual contracts. Teachers recalled to such lesser employment status than previously held shall simultaneously be placed on unpaid leave for the remainder of their employment entitlement for the balance of the school year.

Subd. 2. When placed on unrequested leave, a teacher shall file name and address with the school district Human Resources Office to which any notice of reinstatement or availability of position shall be mailed. It shall be the responsibility of any teacher on unrequested leave to provide for forwarding of mail or for address changes. Any notification to such teachers shall be certified by mail. Failure of a notice to reach a teacher shall not be the responsibility of the school district if any notice has been mailed as provided herein.

Subd. 3. If a position becomes available for a teacher on unrequested leave, the school district shall mail the notice to the five (5) most senior teachers on unrequested leave certified for such position. The teachers will be asked to respond in fifteen (15) days whether or not they will accept such position if the order of seniority makes them eligible for the position. Failure to reply in writing within such fifteen (15) day

period shall constitute waiver on the part of such teacher regarding the position offered.

Subd. 4. Reinstatement rights shall automatically cease five (5) years from the date unrequested leave was commenced and no further rights to reinstatement shall exist unless extended by written mutual consent of both parties.

Subd. 5. A teacher reinstated under this Article shall have rights to seniority, fringe benefits, and leaves of absence and placement on the salary schedule restored. Accumulated experience during an unrequested leave of absence will be counted towards salary schedule placement.

Section 7. Continuation of Insurance: The school district shall provide insurance benefits as provided in Article X until the beginning of the following school year to all teachers who are placed on unrequested leave of absence according to the provisions of this Article. While on unrequested leave, teachers may continue any of the insurance programs at their expense as a member of the group.

Section 8. Concurrent Leaves: An unrequested leave of absence may run concurrently with any other leave granted in accordance with this Master Agreement or in accordance with Minnesota law.

ARTICLE XVI TEACHER TRANSFER AND ASSIGNMENT

Section 1. Notice of Vacancies: Whenever a teaching vacancy arises the School District shall post a notice of vacancy, including a description on the District Intranet. Effective March 1, 2006, the District shall also notify licensed staff and the Association via e-mail that a vacancy has been posted on the Intranet. This shall be done not less than five (5) calendar days prior to the filling of the vacancy during the school year and 7 calendar days in the summer. Teachers wishing to be notified of specific teaching vacancies for which they are qualified throughout the summer shall leave self-addressed, stamped envelopes with the district office for this purpose.

Section 2. Transfers: Teacher transfers from one work site to another work site are controlled by school board transfer policy 5010, which is attached to this Agreement. The senior high school shall be defined as one work site.

Subd. 1. Voluntary Transfer: Teachers who wish to be considered for other teaching positions in the school district shall notify the Director of Human Resources in writing. Requests for transfer will be considered by the school district subject to established district policy.

Subd. 2. Involuntary Transfer: An involuntary transfer shall be made only after a meeting between the teacher involved and the Superintendent,

or his/her designee, subject to established district policy. Whenever practicable, notice of involuntary transfers shall be given by June 1.

ARTICLE XVII PROGRESSIVE EMPLOYEE DISCIPLINE

Section 1. Objective: The School District intends to follow a policy of progressive discipline to provide an orderly means of assisting teachers to grow individually in their professional responsibilities.

Section 2. Sequence: The normal sequence of discipline would be:

1. Conference With The Employee: The first step in resolving most discipline situations is through a teacher/supervisor conference.
2. Verbal Reprimand: When a supervisor issues a verbal reprimand to a teacher, the supervisor shall inform the teacher that the statement is a verbal reprimand; however, failure of a supervisor to inform the teacher that the statement is a verbal reprimand is not subject to Article XIV, Grievance Procedure.
3. Discipline: If after meeting with the teacher the supervisor believes and/or recommends that discipline (i.e. a letter of reprimand, suspension with or without pay, discharge, etc.) may be appropriate, he/she will immediately notify the Superintendent and/or his/her designee.

The supervisor shall reduce to writing all information he/she has relating to the incident(s) and forward it to the Superintendent and/or his designee.

After receiving the information, the Superintendent and/or his/her designee shall review it with the employee's supervisor.

If it is the opinion of the Superintendent and/or his/her designee additional information may be gathered via the supervisor, Superintendent and/or his/her designee.

If at any point the Superintendent and/or his/her designee believes that students may be at risk due to the continued employment of the employee being investigated, the Superintendent will suspend the employee with pay until a complete investigation of the matter can be completed as in accordance with M.S. 122A.40.

Prior to any discipline action, the Superintendent and/or his/her designee shall confer with the employee. The initial conference shall be for the purpose of informing the teacher that a potentially serious allegation(s) has/have been made against them and at this time the Superintendent and/or his/her designee may or may not impose a suspension with pay. If any disciplinary action is to occur during this conference the

teacher shall be informed, prior to the conference, of his/her rights of representation.

Prior to any formal disciplinary action, the Association's Teacher Rights Chair(s) shall be notified that the progressive discipline system is being followed.

The School District will then proceed with all due haste to complete a thorough and complete investigation. Upon completion of the investigation, the Superintendent and/or his/her designee shall confer with the teacher and provide him/her with an opportunity to respond to the information collected.

Based on the teacher response and the information gathered, the Superintendent and/or his/her designee shall administer appropriate discipline. This may include a letter of reprimand, suspension without pay, recommendation for discharge or dropping of charges with a letter of clarification. Before any suspension occurs the teacher and the Association will be notified of this decision at least five (5) days prior to the effective date of the suspension. No teacher will be suspended without pay unless there is just cause.

Section 3. Appeal: The employee may appeal the School District's decision to suspend without pay directly to arbitration. (Section V. of the Grievance Procedure.)

Section 4. Follow-up Conference: A conference shall be held after a reasonable time, but in no event later than one (1) year, to review the circumstances of the written reprimand. If at this conference, the decision is made that the problem has been resolved, a written statement indicating such shall be placed in the teacher's personnel file.

Section 5. Representation: The teacher is entitled to request representation at any meeting with the Superintendent and/or his/her designee when the possibility of a written reprimand notice of deficiency or suspension without pay will be discussed. The Superintendent and/or his/her designee will advise the teacher of this right prior to the start of any meeting.

Section 6. Effective Date: Any suspension under this Article shall be effective upon acquiescence by the employee or completion of the appeal process as indicated in Section 3.

Section 7. Length of Suspension: The Superintendent shall be able to suspend a employee without pay for a maximum of five (5) working days.

ARTICLE XVIII MISCELLANEOUS

Section 1. Cancellation of Leave Benefits: Upon termination of a teacher's employment, for any reason, all leave benefits, current or cumulative, shall be immediately and automatically canceled.

- Section 2. Deduction for Absence: Teachers absent in excess of leave provisions during the school year shall have their salary reduced by the fractional amount of 1/183 of their total annual salary for the 2021-2022 or 2022-2023 school years.
- Section 3. Health Requirements: A new teacher's commencement of service in the school district may be contingent upon prior medical certification of his/her satisfactory health. Such physical examination shall be at the teacher's expense and shall be reported on appropriate forms provided through the human resources office.
- Section 4. Experience Credit: In any case in this Agreement where there is reference to a year of service or experience, a year shall not be considered unless the teacher has completed at least 135 days of service during the regular school year within the school district.
- Section 5. Publication of the Agreement: Copies of this Agreement shall be provided electronically to all members of the appropriate unit within thirty (30) teacher working days after the Agreement is executed. Long-Term Substitute Compensation: A substitute teacher who works more than thirty (30) days in the same assignment shall, commencing the thirty-first (31st) day, be compensated consistent with the school district practice of teacher placement on the salary schedule. If the school district has reasonable knowledge that the long-term substitute teacher will be employed a minimum of one hundred thirty-five days (135) or more in the same assignment, the teacher shall be compensated consistent with the school district practice of teacher placement on the salary schedule commencing day one (1) of the assignment.
- Section 7. Retention of License: In order to retain employment, teachers are required to maintain the license(s) in the area(s) in which they are currently teaching.
- Section 8. Renewal of License: A teacher must have their license renewal submitted to the appropriate State agency by the last business day in July. Failure to submit by that date may result in up to a one school year suspension without pay. This does not constitute a break in employment.

ARTICLE XIX DURATION

- Section 1. Term and Reopening Negotiations: This Agreement shall remain in full force and effect for a period commencing on July 1, 2021, through June 30, 2023, and thereafter until modifications are made pursuant to the P.E.L.R.A. SCHOOL TRANSFERS AND TEACHING ASSIGNMENTS

ATTACHMENT TO THE 2021-2023 AGREEMENT BETWEEN CENTENNIAL SCHOOL DISTRICT 12 AND CENTENNIAL EDUCATION ASSOCIATION

Rules and Procedures

VOLUNTARY TRANSFERS BETWEEN BUILDINGS

STEP #1

On/or before April 1st each year, the principals will recommend to the Director of Human Resources the voluntary transfer of teachers currently on the principal's teaching staff to different teaching positions on the same staff. Requests for such voluntary transfers must be made in writing to the principal on/or before March 15th for the succeeding year. The principal will respond in writing to each voluntary request on/or before April 1st. Since the decision for the transfer of special education staff is shared by the principals and directors of instruction and human resources, special education staff requesting voluntary transfers must complete Step #3 of these procedures.

STEP #2

On/or about April 1st each year, the Director of Human Resources will post all known teaching positions. "Teaching positions" shall include Teacher on Special Assignment (TOSA) positions. The posted positions will include all known new teaching positions, positions which have been vacated in writing for the succeeding school year and the school location of the positions. The posting will exclude positions voluntarily transferred by principals within their own buildings – refer to Step #1. If positions will be eliminated or reduced at a school, the principal at the location will ensure that the impact of the eliminated or reduced positions will be communicated to the teaching staff on or about April 1st each year.

STEP #3

On/or about May 1st each year, all qualified current staff who responded in writing to the April 1st posting will be interviewed. *Qualified* shall mean that the teacher will be appropriately licensed. This step must be completed by teachers who are requesting a transfer to another building or by special education staff requesting a non-special education assignment within or between buildings. Selection of teachers by the administration for transfer will be based on, but not limited to, the following criteria: multiple licensure, post-graduate training, teaching experience, specialized

training/development, classroom teaching style, adult relationships, leadership experience and teaching evaluations.

ATTACHMENT B

SCHOOL TRANSFERS AND TEACHING ASSIGNMENTS (CONT.)

STEP #4

For the positions posted on/or about April 1st, all current employed qualified teachers requesting a transfer to another school, shall be interviewed by the principal of the school to which the teacher is requesting transfer. The principal shall inform the teacher of the principal's decision to recommend or not recommend transfer prior to the interviewing of applicants for the same position who are not currently employed by the school district.

INVOLUNTARY TRANSFERS BETWEEN BUILDINGS

STEP #1

The Human Resource Office will internally post the affected position.

STEP #2

If no teacher applies for the position or the administration does not select any teacher who applied for the position, a teacher may be involuntarily transferred to fill the position.

STEP #3

An administrator will meet with the teacher who the administration intends to involuntarily transfer before the teacher is reassigned to discuss the transfer.

STEP #4

Once the decision is made by the administration to involuntarily transfer a teacher, the affected teacher shall be afforded an opportunity to share any concerns with the administrator of the school to which the administration is transferring the teacher or with the Superintendent prior to the reassignment. The Superintendent will furnish the teacher with the reasons in writing if the teacher requests the reason in writing.

TEACHING ASSIGNMENT

On or before the last working day of the current school year, the principal at each school shall inform teachers of their tentative assignment for the next school year.

F – RETIREMENT PAY

MEMORANDUM OF UNDERSTANDING

Between
Centennial School District 12
And
Centennial Education Association

Whereas, as part of the 2007-2009 collective bargaining agreement (“CBA”), the Centennial Education Association (“Union”) and the Centennial School District (“School District”) agreed to replace the severance benefit with a 403(b) retirement payment; and

Whereas, this payment will be extended over the course of two tax years, made in three equal installments, as permitted by law; and

Whereas, this extended payment delays receipt of this retirement income over the one lump sum payment provided for in the 2003-2005 CBA and its predecessors; and

Whereas, the parties wish to ease the transition to the extended payout system for those who retire prior to June 30, 2006; and

Whereas, the parties wish to retain the provisions of this Memorandum of Understanding during the 2021-2023 collective bargaining agreement;

Be it therefore resolved that the School District and Union agree to the following:

1. Notwithstanding the parties’ agreement to extend the retirement 403(b) payments as discussed above, and subject to the limitations listed below, the School District will contribute an amount equal to the value of the amount provided in Article XII, Section 2 and 3 of the CBA, directly into the retiree’s 403(b) account. The retiree will not receive any direct payment from the School District for severance pay.
2. This payment structure will apply to all teachers retiring prior to June 30, 2006. No retiree will have the option to select any other method of payment.
3. The School District’s annual contribution into the retiree’s 403(b) account must not exceed the IRS contribution limit. If the amount calculated in paragraph #1 exceeds the available limits in the year of separation, the School District will make a contribution up to the IRS maximum into the retiree’s 403(b) account in the following year(s).
4. This is the full and complete agreement of the School District and the Union on this issue. There are no other oral or implied agreements.
5. This agreement does not set any precedent for any future issue.

6. The School District and the Union intend for this agreement to amend the CBA. The terms of this agreement will not be subject to the grievance procedure.
