

# FCAO PE: Activity Log

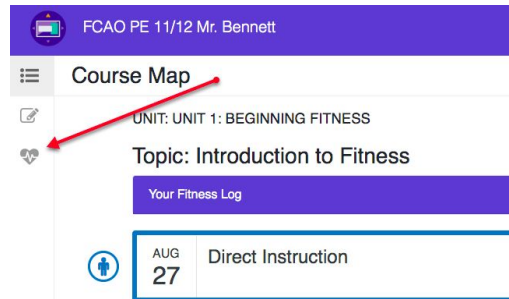

## #1 How to navigate to the Activity Log:

From your Edgenuity dashboard, click the **name** of the class:

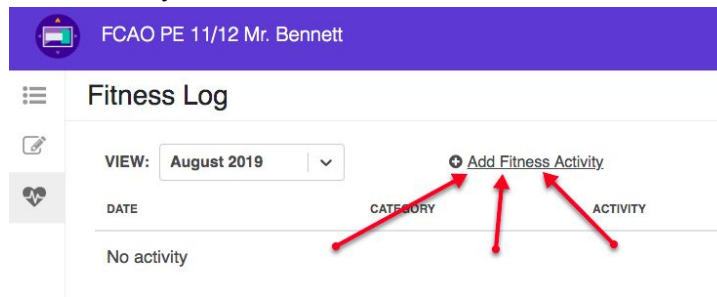

This takes you to the Course Map, which has all kinds of good information in it.

Next click the heart on the far left of the screen:

Next click + Add Fitness Activity:

Now enter your fitness activity information. Click Add when you are done.

The screenshot shows the 'Add Fitness Activity' form. It has a 'SELECT A CATEGORY' section with icons for 'strength', 'car dio', and 'flexibility'. The form includes fields for 'Activity Date:' (08/21/2019), 'Activity:', 'Duration (min):', and 'Notes:'. There are 'Cancel' and 'Add' buttons at the bottom.

## #2 How to check your Grade

The Activity Log grades are added to a category called "Additional Activities". The course is weighted as 70% online content and 30% activity log.

To check your activity log grades, go to the Course Report and scroll to the bottom of that report. The activity log grades will be listed at the bottom.

(While you're in the Course Report, check out the 3 Edgenuity grades at the top also!).

To get to the Course Report: From your dashboard, click on the *name* of the course. Then in the upper right of the screen, click the box that says Course Report.
