Instructional priorities

Reading, writing, and discussion in all content areas to provide cohesive instruction and opportunities for productive struggle.

Provide effective feedback to students that affirms what they have done well and guides them toward academic improvement and achievement of learning goals.

Study and leverage student-level data on a regular and consistent basis to identify learning opportunities and create plans to address them.

Use rubrics as tools to provide a shared language with clear guidelines and expectations to provide a measure, adjust, and evaluate learning

Huge Shout Out to Officer Moore and Officer Pinchum who patrols the area and supports Loving Academy to ensure Staff, students, and families are safe while on campus daily. Also, select students were taken on a field trip to watch a movie and get to know the officers in our precinct. The students won prizes and had a great time!
