Katya is an engineer who was selected to fly on billionaire, Jeff Bezos' Blue Origin rocket. She travelled as the fifth group of passengers who travelled to Space with Bezzos. Katya applied to one of the six seats through a nonprofit called [Space for Humanity](#), and was selected!

## M-STEP

We have approximately 35 days before Michigan's annual six-week testing season begins in April. M-Step is a high stakes assessment! Attendance, daily instruction, tutoring and intervention will be critical. Let's be focused and ready to take action everyday! The results of the various assessments can influence college admissions, teacher evaluations, and whether third-graders are promoted.
