

## EVALUATION OF THE SUPERINTENDENT

Using the Superintendent's job description, the Indian River Board of Education shall annually assess in August the performance of the Superintendent. Further, the Board shall critically examine progress towards agreed-upon goals and expectations.

The purpose of the evaluation shall be to communicate suitable commendations and recommendations. Priorities may be established as appropriate.

The conference will be held at a closed session to include only the Board and the Superintendent. Agreements on action will be reached and reduced to writing.
