

# Welcome to Food Service

It's a new beginning, a fresh, bright year, and we're more excited than ever to welcome you back! We've been refining and improving your favorite foods and creating delicious, exciting new chef-inspired meals that we can't wait to share with you! Along with your breakfast, lunch, and ala carte features, we will be hosting fun and exciting special events. Check your menus monthly to learn more and how you can participate!

We know you have tough decisions to make every day, let us help by providing school breakfast and lunch for you. There are multiple advantages:

**SAVE MONEY** – Groceries at home can add up, our buying power means we get quality food at cost effective pricing.

**SAVE TIME** – No more morning rush to pack lunch!

**VARIETY** – You can choose from multiple options on the serving line every day.

**BALANCED NUTRITION** – School meals are nutritious and are based on USDA guidelines.

We're ready for the best year yet! Our simple mission continues to shine through every aspect of our business: Caring for People. Serving Great Food.

Sincerely,
