Community

As part of our continued community outreach and service, Mercer Island Rotary wishes to support our Mercer Island students who have shown the potential to thrive and excel in an environment that allows for diversity, ability, commitment, and challenge.

We, as members of Mercer Island Rotary, will award a scholarship in the amount of \$10,000 to a deserving Mercer Island student. The recipient will be a high school senior who currently resides on Mercer Island and attends any local high school or lives off-island and attends Mercer Island High School. The goal of the award is to contribute towards an accredited post high school educational or career training opportunity. Apply now as the deadline is imminent. The application is a one page, easy-to-do, process. Don't miss this.

Applications: <https://mirotary.org/>

Attention Seniors: Cap and Gown distribution will be in the Commons during both lunches today in the main entryway.

Seniors: Please plan to attend Islander Hour this week March 22. The senior class will be taking their senior class picture in the amphitheater. This class picture will be featured in the yearbook. So wear MI gear and attend Islander Hour next week.

The Connections Club is hosting a food drive, and is looking for spare pasta boxes and pasta sauce jars. Drop-off can be found at the front of the school until April 14th.

Seniors, now that it's almost March, the remainder of senior year will FLY by! And speaking of, flying by, the PTSA would like to introduce the theme for the 2023 Senior Graduation Party.

BLAST OFF: Never say the sky's the limit when there are footprints on the moon!

The PTSA has been busy planning an exciting night for all the seniors! We've collected feedback from past seniors, engaged the current seniors and decided to TAKE THE PARTY TO THE NEXT LEVEL. We have 2 new and special venues and have planned additional activities, everything from a Zipline rope course to Lazer tag to Karaoke and a few surprise activities. Ticket sales will start on March 6th and will have a table set up every Friday after that for the seniors to pick up flyers with a QR code and register. After registering and paying, seniors will get to select the bus THEY want to ride on with their friends and receive a color-coded commemorative wrist band to wear this Spring! Get excited for a fun night with your friends!

There has been an increase in parking issues. If you do not have a parking pass you may not park on campus. If you have a parking pass you must park in the lot that you have been assigned to you. You may not park in any other lot or in the Staff Lots. There is no reason that any students should be in the Band Lot other than getting dropped off. That lot is 100% staff parking now. Tickets will be given and fines will be enforced.

Did you know? Fun Fact

Did you know that when Mr. Laughary was in high school he held the record for most penalized placekicker (football) in GSL (Greater Spokane League) history.
