Walking and Busing Guidelines

Bus service is available for high school students who live more than 1.5 miles from the high school. Elementary and middle school students living one mile or more from their school are eligible for busing. Kindergarten students living more than 1/2 mile from their school are also bused.

Note to Parents: If walking, discuss with your child(ren) the safest route to school, taking into account traffic patterns, street crossings, side walks, etc. Consider walking with your child(ren) the first few days of school.
