**Narrative:**

KIDSAFE CT has been working to prevent and intervene in child abuse or neglect through education and support services since 1981. KIDSAFE programs help parents develop positive ways of managing emotional and behavioral health challenges and stresses so they can become effective and nurturing caregivers. We also refer parents to more intense therapeutic services if need is indicated, and identify resources to help with other basic needs.

If awarded, the grant would establish a scholarship fund to assist non-custodial parents who cannot afford the fees for court-ordered supervised visitation with their children. **MARC, Inc. of Manchester**  
**Account Code 1110456226**

**Narrative:**

MARC, Inc. believes that all people should have the opportunity to live, work, and enjoy and contribute to their community, according to their individual choices and abilities. In order to make that vision a reality for an aging population of people served in Vernon and beyond, that means adapting support services to meet changing and growing needs. But state funding alone simply cannot allow us to meet the individual needs of our people served. We need the continued support of the Town of Vernon to facilitate the kind of services, opportunities, and continuous growth our people and Vernon residents deserve. Funds are sought for MARC's Day Services and Respite programs, which are the programs serving the Vernon residents in MARC's care.

**Major Objectives:**

- Employment specialists and community support assistants provide job training, transportation, ongoing support for work-related issues, social interactions, and recreational activities. In-home supports aid with shopping, organizational skills, budgeting, housekeeping, navigating interpersonal relationships, and other related issues.
