Superintendent's Report July 7, 2022 Snapshot

Curriculum and Instruction (C&I) Division

Credential Programs:

Bilingual Authorization Program (BAP): SBCEO submitted our initial application for our fourth accredited program to the California Commission on Teacher Credentialing (CTC) on June 30. This Bilingual Authorization Program will allow us to authorize credentialed teachers the certification to teach in Spanish and English in our Dual Language Immersion programs. We are expecting the accreditation to be complete in June 2023 and enroll our first cohort next summer. Dr. Carlos Pagán is leading the effort.

Preliminary Administrative Services Credential (PASC): SBCEO hired a new Preliminary Administrative Services Credential Director, Elsy Villanueva, who will begin on Tuesday, July 5. Elsy worked as a middle school principal and assistant principal, as an English Learner coordinator, as a Special Education teacher, and was in Teach for America after living in Europe. She speaks four languages. Our 15th PASC Cohort begins August 14. We have an outstanding and diverse cohort of 15 eager leaders ready to take on the challenge of preparing to become administrators.

Computer Science: Our team of Lauren Aranguren and Matt Zuchowicz completed the statewide training in Computer Science for administrators called "Summer of CS". This is a training that they developed and has been replicated throughout the state. Lauren submitted our application to be the regional lead for Computer Science for our 6-county region (Santa Barbara, Ventura, Kern, San Luis Obispo, Los Angeles, and Fresno). We have been leading Computer Science implementation at the county, regional and state level for 3 years. SBCEO is being highlighted as a case study by SCALE CS @ UCLA for our equity driven leadership in the area of Computer Science Standards implementation. Awards will be announced mid-August.

Local Control and Accountability Plans (LCAP): All 20 districts completed their public hearings and board adoptions by June 30 and have sent us their adopted LCAPs. C&I and School Business Advisory Services (SBAS) have worked collaboratively to develop and refine our review and clarification process to approve all 20 LCAPs. Our team will be reviewing LCAPs in the coming weeks and will notify districts of their approval status.

Gearing Up for Back to School: We are continuing to develop contracts and work plans for customized professional learning and systems analysis for many of our districts and individual schools. Areas of support requested by our partner districts include English Language Development, mathematics, student engagement and empowerment, Social Emotional Learning, Computer Science, assessment and data use, pathways and program analysis in mathematics and science.

Educational Services Division

Children's Creative Project (CCP):

I Madonnari: CCP successfully hosted the 36th Annual I Madonnari Festival, which raises funds for arts education in our public schools. In addition to student artists participating from many different schools (elementary and secondary), there were several youth musicians who took to the stage as well. This year, in partnership with One Community Bridge Project, CCP highlighted a beautiful work of art done by students of the MEChA Club at San Marcos High School. The piece was created in response to a call for student artwork by the California Association for Bilingual Education. This piece, titled "Solidarity," was recreated as a chalk painting at the I Madonnari Festival. CCP also sold merchandise with this image as a fundraiser to give back to San Marcos High School MEChA Club.

Summer Art Programs and Fall Planning: CCP has been working strategically with community partnerships to expand program offerings for summer school (current year), after school and in-school learning at new sites for the upcoming 2022-2023 school year. The goal is to provide equitable access to quality arts education that is in alignment with CA Art Standards.

Career Technical Education (CTE) Partners with Allan Hancock College: This past spring, the CTE Department participated in Allan Hancock's Career Carnival and Career Expo events, working together with Allan Hancock's Career Center staff at the "True Colors" booth. The CTE coordinator had the opportunity to speak to middle school

students from Guadalupe, Santa Maria-Bonita, and Buellton school districts, and high school students from Cuyama, Lompoc, Orcutt, Santa Maria Joint, and Santa Ynez Valley school districts about potential jobs, careers, and post-secondary choices based on their strengths/interests.

Juvenile Court & Community Schools (JCCS) Job Readiness Academy: In partnership with CTE & Partners in Education, Los Robles High School had eight students complete the Summer Fast Track 2022 Job Readiness Academy. These students are now eligible for a paid internship with Partners in Education during the 2022-23 school year.

A New School Year for Court Schools: Both court schools began a new school year, on July 1, 2022. Current enrollment is six students at Los Robles High School and 26 students at Dos Puertas School.

Transitional Youth Services (TYS) New Staff: Transitional Youth Services onboarded two new staff, one in Santa Maria and one in Santa Barbara, who will facilitate best interest determination meetings to help students in foster care maintain stable school placement and ensure the timely transfer of educational records.

Special Education Division

Extended School Year (ESY) continues through July 8. We are preparing our New Staff Orientation, Back to School, and Professional Development meetings to begin the 2022-23 school year. There are a total of 9 meetings, beginning August 5 and ending August 22. Our staff calendars align with the calendars of the districts that we serve, which means our staff return at different times during the month of August. As part of this calendar alignment, we coordinate the scheduling of the SBCEO Back to School and Professional Development meetings with the Back to School meetings at the three Direct Service Districts to ensure that our staff is able to participate in the district meetings.

1.) Los Prietos Boys Camp and 2.) Federal Impact Aid: I'll report on any new information to-date during the Santa Barbara County Board of Education meeting.

Resolution No. 2301

Resolution to Proceed With Joint Use Classroom Lease Agreement

WHEREAS, the Santa Barbara County Education Office ("SBCEO") has two portable classrooms on-site at 4400 Cathedral Oaks Road, Santa Barbara, CA, one of which is currently vacant;

WHEREAS, the SBCEO desires to enter into a Joint Use Lease Agreement with Cathedral Oaks Children's Center ("CCOC") to lease one of the vacant portables and surrounding area, which will allow CCOC and the SBCEO to make joint use of SBCEO facilities;

WHEREAS, pursuant to Education Code section 17527(a), the Santa Barbara County Board of Education ("Board") may enter into an agreement to make vacant classrooms or other space in operating school buildings available for rent or lease to other school districts, educational agencies, except private education institutions which maintain kindergarten or grades 1 to 12 inclusive, governmental units, nonprofit organizations, community agencies, professional agencies, commercial and noncommercial firms, corporations, partnerships, businesses, and individuals, including during normal school hours if the school is in session;

WHEREAS, CCOC is a preschool that fits within the groups described in Education Code section 17527(a) above who qualify for a Joint Use Lease;

WHEREAS, Education Code section 17527(b) requires first priority be given to educational agencies for conducting special education programs and second priority to other educational agencies;

WHEREAS, no educational agencies conducting special education programs have expressed an interest in the vacant portable;

WHEREAS, Education Code section 17529 requires that, prior to entering into a lease, the Board must determine that the proposed joint occupancy and use of the school district property or buildings will not (a) interfere with the educational program or activities of any school or class conducted upon the real property or in any building; (b) unduly disrupt the residents in the surrounding neighborhood; (c) jeopardize the safety of the children of the school;

WHEREAS, pursuant to Education Code section 17531, the leased space cannot exceed 45% of the total classroom space of the school site and 30% of the district's total school space in operating schools;

WHEREAS, pursuant to Education Code section 17543, the Joint Use Lease Agreement must not exceed five (5) years;

WHEREAS, pursuant to Education Code section 17535, the vacant portable must not rent for less than fair market value for comparable facilities;

WHEREAS, the SBCEO desires to obtain the Board's approval to proceed with the negotiation and preparation of a Joint Use Lease Agreement with CCOC for the vacant portable on-site at 4400 Cathedral Oaks Road, Santa Barbara, CA;

Resolution No. 2302

Recognizing a State of Emergency and Reauthorizing Teleconferenced Meetings

WHEREAS, in response to the novel coronavirus (“COVID-19”) pandemic, Governor Newsom adopted a series of Executive Orders allowing the legislative bodies of local governments to meet remotely via teleconference so long as other provisions of the Ralph M. Brown Act (“Brown Act”) were followed; and

WHEREAS, on September 16, 2021, Governor Newsom signed AB 361, which immediately amended the Brown Act allowing governing boards to continue holding virtual meetings outside the teleconferencing requirements of Government Code section 54953(b), if the board makes a finding that there is a proclaimed State of Emergency, and either (1) state or local officials have imposed or recommended social distancing measures, or (2) meeting in person would present imminent risks to the health or safety of attendees due to the emergency; and

WHEREAS, on March 4, 2020, Governor Newsom declared a statewide emergency arising from COVID-19 pursuant to Government Code section 8625; and

WHEREAS, on June 2, 2022, the Santa Barbara County Board of Education passed resolution No. 2220 authorizing virtual board meetings for at least 30 days; and

WHEREAS, AB 361 requires governing boards to make findings every 30 days that the board has reconsidered the circumstances of the State of Emergency and that either the State of Emergency continues to directly impact the ability of the members to meet safely in person, or state or local officials continue to impose or recommend measures to promote social distancing; and

WHEREAS, social distancing measures continue to be recommended by the Santa Barbara County Public Health Department to mitigate the spread of COVID-19; and

WHEREAS, the Santa Barbara County Board of Education is committed to open and transparent governance in compliance with the Brown Act; and

WHEREAS, the Santa Barbara County Board of Education is conducting virtual meetings by way of telephonic and/or internet-based services as to allow members of the public to fully participate in meetings and offer public comment.

NOW THEREFORE, BE IT RESOLVED, by the Santa Barbara County Board of Education:

1. The Santa Barbara County Board of Education has reconsidered the circumstances of the State of Emergency and recognizes that the State of Emergency in the State of California continues to exist due to the COVID-19 pandemic;
2. The Santa Barbara County Board of Education recognizes that social distancing measures remain recommended by state and local officials;
3. The Santa Barbara County Board of Education authorizes the use of teleconferencing for all meetings in accordance with Government Code section 54953(e) and all other applicable provisions of the Brown Act, for a period of thirty (30) days from the adoption of this resolution, or such a time that the Governing Board adopts a subsequent resolution in accordance with Government Code section 54953(e)(3).
