## Superintendent's Report August 4, 2022 Snapshot

### Curriculum and Instruction (C&I) Division

**Computer Science:** SBCEO was awarded the regional Educator Workforce Investment Grant (EWIG) for Computer Science. As lead for our 6-county region (SBCEO, Ventura, San Luis Obispo, Kern, Los Angeles and Fresno), we will leverage our leadership in computer science (CS) training to develop and deliver training throughout the region over the next year, culminating in the "Summer of CS" for teachers and administrators. SBCEO's early efforts in building a CS network and collaboration with SCALE CS, out of UCLA, has positioned us a leader in equitable implementation of computer science.

**Local Control and Accountability Plans (LCAP):** C&I staff are reviewing all districts' LCAPs in July and August. The process includes review, clarification, and approval.

### **Credential Programs:**

**Preliminary Administrative Services Credential (PASC):** Cohort 15 of the PASC program starts this month with 16 candidates embarking on their journey to earn their administrative credential. This yearlong intensive graduate program engages candidates in coursework, fieldwork, an action research project, portfolio development and passage of the CalAPA - the Administrator Performance Assessment.

**Teacher Induction Program (TIP) and Clear Administrative Services Credential (CASC):** These two induction programs, TIP and CASC, are gearing up for the new school year. SBCEO is working with local educational agencies (LEAs) to identify the new 1<sup>st</sup> year teachers and 1<sup>st</sup> year administrators to enroll them in these programs and match them with mentors and coaches, while preparing and adjusting curriculum and program elements. Both TIP and CASC are two-year programs. We anticipate a total of about 500 new teachers and their mentors in TIP and about 50 administrators and coaches in CASC.

**Back-to-School:** C&I is supporting LEAs as they plan their back-to-school professional learning. C&I is providing customized training, data support, and facilitation for Professional Learning Communities across grades and subjects in areas including mathematics, English language development, reading, world language, arts, science, and computer science, as well as Universal Design for Learning (UDL), Social Emotional Learning (SEL), and Positive Behavior Intervention Supports (PBIS).

## **Educational Services Division**

### **Early Care and Education (ECE)**

**Back-to-School:** The ECE center (preschool and infant/toddler) program staff will participate in three days of back-to-school events, August 8-10, 2022. During the three days, the staff will engage in professional development activities, including reviewing program policies and procedures, completing a program self-evaluation, curriculum development, and engaging in team-building activities. There will also be a guest speaker, Dr. Keena Mosley, to present on the Five Behaviors of a Cohesive Team.

**Inclusion Classroom Opening:** The ECE program is scheduled to open a new inclusion classroom on August 15, 2022, at the existing Young Learners State Preschool located on La Cañada Elementary School campus in the Lompoc Unified School District. The new inclusion classroom (Young Learners B) will share a playground space with the existing Young Learners A classroom. The ECE program anticipates enrolling 48 children, eight of which will be inclusion students, in both Young Learners A and Young Learners B. The new classroom will offer two part-day programs, each program consisting of a 3-hour session. This new inclusion program has required a strong collaboration between the ECE and Special Education staff to ensure that all staff have the training, support, and resources they need to respond to the unique needs of the students.

**Just for Kids State Preschool Relocated:** The Just for Kids State Preschool program was relocated from the Hapgood Elementary School campus to the Fillmore Elementary School campus in the Lompoc Unified School District. Just for Kids is scheduled to open on August 15, 2022.

### **Juvenile Court and Community Schools (JCCS)**

**Back-to-School:** The JCCS staff will participate in a one-day back-to-school event on July 29, 2022. The staff will engage in professional development activities, including reviewing program policies, procedures, and goals. Additionally, there will be two presentations, one on career technical education, and the second on social-emotional learning using the Community Resiliency Model presented by Fighting Back Santa Maria Valley.

### **Transitional Youth Services (TYS)**

**Winner of FASFA/CADAA Challenge:** The Transitional Youth Services program was awarded \$500 as the winner of the 2021-2022 Foster Youth Free Application of Federal Student Aid (FASFA) and the California Dream Act Application (CADAA) Challenge. Due to the efforts of program staff, 88.9% of foster youth students in Santa Barbara County completed their FAFSA or CADAA applications and are better prepared to embark on their college journeys. The statewide foster youth FAFSA/CADAA completion rate was 62.6%.

## **Special Education Division**

The Special Education division is preparing to welcome instructional and related services staff back in August with new staff orientation, four back-to-school meetings, and two teacher professional development days. These meetings are held geographically throughout the county, aligning with the calendars of the districts that we serve. These meetings begin August 5 and continue through August 22.

In collaboration with Santa Maria-Bonita School District, the Special Education division is opening two new programs this fall. The first is a preschool inclusion program in the Battles Elementary School State Preschool. The second program is an expansion of the deaf education program, located at Tommy Kunst Junior High School.

## **Administrative Services Division**

### **School Business Advisory Services (SBAS)**

**Year-End Close:** SBAS staff are working with districts to close their books for the 2021-22 fiscal year. This will take until mid-September to complete.

**LCAP and Adopted Budget Reviews:** SBAS staff are reviewing all district LCAPs and budgets to ensure they meet statutory financial and fiscal solvency requirements.

### **SUPERINTENDENT'S REPORT**

#### **7. Superintendent's Report**

The superintendent's report was included in the board book and was presented as an information item. Dr. Salcido also shared two additional information items:

- Apprenticeship Initiative Grant – Assistant Superintendent of Educational Services Bridget Baublits reported that SBCEO received the California Apprenticeship Initiative Grant for the Early Care & Education (ECE) program. The amount of funding is \$500,000 for 5 years. It will fund 25 apprentices in Early Care & Education to earn credits towards their positions. The positions are associate teachers, preschool teachers, and site supervisors. It covers tuition, books, and pay increases as the teachers earn additional units. SBCEO is working with the Division of Apprenticeship Standards to ensure the apprenticeships will be registered

apprenticeships. The funding will be received in October 2022. SBCEO also received \$100,000 from the Santa Barbara Foundation to support this work. The apprenticeship grant will start with SBCEO positions and then hopefully expand externally.

- California teacher assignment data – The superintendent reported that the state of California just released teacher assignment data. In the data is phrasing and labeling such as “ineffective teacher,” or “incomplete assignment.” These labels are provided by the federal government for California to use but they don’t yet align with what California uses. Additionally, the data is not quite accurate yet. California allows local educational agencies to have some local options that aren’t recognized by the system yet.

The superintendent provided additional information on two items in the written report:

- Los Prietos Boys Camp – Dr. Salcido shared that she is working on arranging visits, for the board, to Dos Puertas School and FitzGerald Community School, but not Los Prietos Boys Camp (Los Robles High School) due to the transition of the Los Prietos program to the Santa Maria Juvenile Justice Center in 2023. There are no new changes regarding the camp to report. County Probation hosted some forums for the community to participate and engage in regarding the transition. SBCEO is seeking to be very collaborative on the education portion. If there is another forum announced, SBCEO will share it with the board.
- Federal Impact Aid – Assistant Superintendent of Administrative Services Bill Ridgeway reported that there are three local educational agencies (LEAs) in Santa Barbara County that are receiving Impact Aid from the federal government: College School District, Lompoc Unified School District, and Manzanita Public Charter School. There are two main areas of federal Impact Aid. The first is federal property Impact Aid, which helps make-up for the reduction in property taxes because land designated in school district boundaries is federal and therefore non-taxable. The second is basic funding for federally connected students. LEAs receive an annual amount, and it changes annually. Payments are not fully funded, they are deficated.

Lastly, the superintendent reported that two meetings would be scheduled this year, 2022, for the Board Policy Committee, and next year, 2023, quarterly meetings would be scheduled.

## Resolution No. 2303

### Recognizing a State of Emergency and Reauthorizing Teleconferenced Meetings

**WHEREAS**, in response to the novel coronavirus ("COVID-19") pandemic, Governor Newsom adopted a series of Executive Orders allowing the legislative bodies of local governments to meet remotely via teleconference so long as other provisions of the Ralph M. Brown Act ("Brown Act") were followed; and

**WHEREAS**, on September 16, 2021, Governor Newsom signed AB 361, which immediately amended the Brown Act allowing governing boards to continue holding virtual meetings outside the teleconferencing requirements of Government Code section 54953(b), if the board makes a finding that there is a proclaimed State of Emergency, and either (1) state or local officials have imposed or recommended social distancing measures, or (2) meeting in person would present imminent risks to the health or safety of attendees due to the emergency; and

**WHEREAS**, on March 4, 2020, Governor Newsom declared a statewide emergency arising from COVID-19 pursuant to Government Code section 8625; and

**WHEREAS**, on July 7, 2022, the Santa Barbara County Board of Education passed resolution No. 2302 authorizing virtual board meetings for at least 30 days; and

**WHEREAS**, AB 361 requires governing boards to make findings every 30 days that the board has reconsidered the circumstances of the State of Emergency and that either the State of Emergency continues to directly impact the ability of the members to meet safely in person, or state or local officials continue to impose or recommend measures to promote social distancing; and

**WHEREAS**, social distancing measures continue to be recommended by the Santa Barbara County Public Health Department to mitigate the spread of COVID-19; and

**WHEREAS**, the Santa Barbara County Board of Education is committed to open and transparent governance in compliance with the Brown Act; and

**WHEREAS**, the Santa Barbara County Board of Education is conducting virtual meetings by way of telephonic and/or internet-based services as to allow members of the public to fully participate in meetings and offer public comment.

**NOW THEREFORE, BE IT RESOLVED**, by the Santa Barbara County Board of Education:

1. The Santa Barbara County Board of Education has reconsidered the circumstances of the State of Emergency and recognizes that the State of Emergency in the State of California continues to exist due to the COVID-19 pandemic;
2. The Santa Barbara County Board of Education recognizes that social distancing measures remain recommended by state and local officials;
3. The Santa Barbara County Board of Education authorizes the use of teleconferencing for all meetings in accordance with Government Code section 54953(e) and all other applicable provisions of the Brown Act, for a period of thirty (30) days from the adoption of this resolution, or such a time that the Governing Board adopts a subsequent resolution in accordance with Government Code section 54953(e)(3).
