Kelly Choi, Dos Pueblos High School teacher and director of the Innovate program, will provide a presentation to the board about the program. Mrs. Choi may be joined by Innovate students. Mrs. Choi is a former Santa Barbara County Teacher of the Year.

Synthesized from Kelly Choi: "Innovate DP was established in 2021 as an evolution of The Academy for Success, which had been highly successful for over a decade. Through our experiences, we became passionate about changing school, not only for our most marginalized, but for all students. We focused on the students who were consistently truant, experiencing frequent discipline issues when they did attend school, and were receiving Ds and Fs in their classes. We invited students to join our program and all invited students said yes. The program began as Innovate DP with an academic plan enhanced by teachers building personal relationships with the students. 100% of our students finished their year on track to graduate and 72% are on track to enroll in a four-year college."
