

Innovate DP 2022-23

A **different** way to do school.

What is different?

- **Personalized Learning**
 - Workshops
 - Self-Directed Learning
 - Habits of Heart
- **Mastery Learning**
- **Community**
 - Coaching
 - Cohort Model
 - Counseling

Workshops

- Earn credits in multiple courses
- 4 weeks long, each workshop selected by **the students**

	Monday	Tuesday	Wednesday	Thursday	Friday
Period 1	Innovate Day: Coaching w/ Kuga Self Directed Learning Family Time <i>ALEKS personalized math</i>	Workshop: <input checked="" type="checkbox"/> Constitutional Rights <input type="checkbox"/> Linear Functions <i>ALEKS personalized math</i>	Workshop: <input checked="" type="checkbox"/> Constitutional Rights <input type="checkbox"/> Linear Functions <i>ALEKS personalized math</i>	Workshop: <input checked="" type="checkbox"/> Constitutional Rights <input type="checkbox"/> Linear Functions <i>ALEKS personalized math</i>	Workshop: <input checked="" type="checkbox"/> Constitutional Rights <input type="checkbox"/> Linear Functions <i>ALEKS personalized math</i>
Period 2	Innovate Day: Work Room/Fun Room Guided Studies <i>Independent Reading</i>	Workshop: <input checked="" type="checkbox"/> Designer Babies <input type="checkbox"/> Campus Mental Health <i>Independent Reading</i>	Workshop: <input checked="" type="checkbox"/> Designer Babies <input type="checkbox"/> Campus Mental Health <i>Independent Reading</i>	Workshop: <input checked="" type="checkbox"/> Designer Babies <input type="checkbox"/> Campus Mental Health <i>Independent Reading</i>	Workshop: <input checked="" type="checkbox"/> Designer Babies <input type="checkbox"/> Campus Mental Health <i>Independent Reading</i>

Period 3	Elective or PE	Elective or PE	Elective or PE	Elective or PE	Elective or PE
Period 4	Elective or sport	Elective or sport	Elective or sport	Elective or sport	Elective or sport

Mastery Learning

Students are assessed on their skill development

- Grades: 2 (Foundational Knowledge), 3 (Proficient Knowledge), or 4 (Extension of Knowledge)
- Students who do not show foundational knowledge will be asked to revise or continue learning until successful.
- Honors credit available in English and Math based on evidence of learning.

Self-Directed Learning/Guided Studies

- Supervised time to complete your work independently or in small groups
- Learn organizational skills and time management
- Tutors available to help you
- Personalized learning in math and literacy skills

Community

- Coaching
 - You will have a dedicated teacher-coach throughout the program
 - Meet regularly to set goals both academically and personally and to assess growth in those areas
- Cohort Model
 - Build relationships with a team of teachers and a small group of your peers.
- Counseling
 - Dedicated school counselor to help with academics
 - Optional support through therapists and life coaches

Habits of Heart

- We explicitly teach these critical life skills:

Persistence

Self-regulation

Planning for Success

Community

Flexibility

Resilience

Self-awareness

Growth Mindset

Problem Solving

Empathy & Grace

- Students will show growth in selected Habits of Heart as a requirement for the completion of the program

Results

- 100% of our students have the required 60 or more credits (average = 77 credits)
- 72% of our students are A-G eligible
- In the Innovate program, we had 58 incompletes at the end of Term 1 and only 1 at the end of Term 4
- Average GPA is 3.12 and 100% attend regularly
- 9th graders are the lowest number of students monitored by the MTSS team
