PROVISIONS RELATING TO ALL EMPLOYEES

BOARD POLICY – LACTATION ACCOMMODATION

BP 4033

The County Board of Education and the County Superintendent of Schools recognize the immediate and long-term health benefits of breastfeeding and desires to provide a supportive environment for any SBCEO employee to express milk for an infant child upon returning to work following the birth of the child. The SBCEO prohibits discrimination, harassment, and/or retaliation against any SBCEO employee for seeking an accommodation to express breast milk for an infant child while at work.

An employee shall notify the employee’s supervisor or other appropriate personnel in advance of the intent to request an accommodation. The supervisor shall respond to the request and shall work with the employee to make arrangements. If needed, the supervisor shall address scheduling to ensure that the employee’s essential job duties are covered during the break time. Lactation accommodations shall be granted unless limited circumstances exist as specified in law. (Labor Code 1031, 1032; 29 USC 207)

Before a determination is made to deny lactation accommodations to an employee, the employee’s supervisor shall consult with the County Superintendent of Schools or designee. When lactation accommodations are denied, the Superintendent or designee shall document the options that were considered and the reasons for denying the accommodations.

The County Superintendent or designee or designee shall provide a written response to any employee who was denied the accommodation(s). (Labor Code 1034)

The SBCEO shall include this policy in its employee handbook or in any set of policies that the SBCEO makes available to employees. In addition, the County Superintendent of Schools or designee shall distribute the policy to new employees upon hire and when an employee makes an inquiry about or requests parental leave. (Labor Code 1034)

**Break Time and Location Requirements**

The SBCEO shall provide a reasonable amount of break time to accommodate an employee each time the employee has a need to express breast milk for an infant child. (Labor Code 1030)

To the extent possible, any break time granted for lactation accommodation shall run concurrently with the break time already provided to the employee. Any additional break time used by a non-exempt employee for this purpose shall be unpaid. (Labor Code 1030; 29 USC 207)

The employee shall be provided the use of a private room or location, other than a bathroom, which may be the employee’s work area or another location that is in close proximity to the employee’s work area. The room or location provided shall meet the following requirements: (Labor Code 1031; 29 USC 207)

1. Is shielded from view and free from intrusion while the employee is expressing milk

2. Is safe, clean, and free of hazardous materials, as defined in Labor Code 6382

3. Contains a place to sit and a surface to place a breast pump and personal items

4. Has access to electricity or alternative devices, including, but not limited to, extension cords or charging stations, needed to operate an electric or battery-powered breast pump
5. Has access to a sink with running water and a refrigerator or, if a refrigerator cannot be provided, another cooling device suitable for storing milk in close proximity to the employee’s workspace.

If a multipurpose room is used for lactation, among other uses, the use of the room for lactation shall take precedence over other uses for the time it is in use for lactation purposes. (Labor Code 1031)

**Dispute Resolution**

An employee may file a complaint with the Labor Commissioner at the California Department of Industrial Relations for any alleged violation of Labor Code 1030-1034. (Labor Code 1034)

REVISED:
BOARD POLICY – WORKING REMOTELY  BP 4113.5
The County Board of Education and the County Superintendent of Schools recognize that working remotely at home or at another alternative location may be necessary at times when widespread illness, natural disaster, or other emergency condition makes the school or worksite unsafe or otherwise interrupts the SBCEO's ability to effectively conduct operations at the school or worksite. A full-time, part-time, or short-term remote work arrangement may also be granted by the Superintendent or designee to an individual employee, upon request, provided that the position is suitable for remote work, the employee has consistently demonstrated the ability to work independently and meet performance expectations, and the work arrangement does not hinder SBCEO operations.

The opportunity to work remotely shall be entirely at the SBCEO's discretion, and no grievance or appeal right may arise from SBCEO denial of any employee request for remote work.

Employees approved for remote work shall comply with all SBCEO policies, administrative regulations, work schedules, and job assignments. Except when specifically agreed, approval of remote work shall not change the compensation, benefits, or other terms and conditions of employment of an employee.

Unless otherwise approved in advance by the County Superintendent of Schools or designee, employees working remotely shall do so within regular work hours established for the position. Employees are entitled and expected to take appropriate, uninterrupted meal and rest breaks, and shall keep accurate records of the hours they work. Employees shall notify their supervisor when unable to perform work assignments due to illness, equipment failure, or other unforeseen circumstances.

Employees working remotely are expected to conduct their work in a location that is safe and free of obstructions, hazards, and distractions. Such employees shall report to their supervisor any serious injury or illness occurring in the home workspace or in connection with their employment as soon as practically possible in accordance with Board policy.

The SBCEO shall provide to employees who work remotely all supplies, materials, apparatus, and equipment reasonably necessary to perform their jobs, including, as necessary, a technology device and Internet access. Employees shall use caution in accessing the Internet from public locations and in accessing information from networks outside of the SBCEO to safeguard confidential information. Employees shall be responsible for maintaining and protecting equipment on loan from the SBCEO and shall adhere to the SBCEO's Acceptable Use Agreement. The employee's personally owned equipment may only be used for SBCEO business when approved by the County Superintendent of Schools or designee.

Work done at a remote work location is considered official public business. SBCEO records and communications shall be retained and safeguarded against damage or loss, and shall be kept confidential or made accessible to the public in accordance with law.

Any employee working remotely shall be available during work hours to the employee's supervisor and other staff, students, parents/guardians, and members of the public, as appropriate, via email, phone, or other means. Lack of responsiveness on the part of the employee may result in discipline and/or termination of remote work responsibilities. Employees shall be required to attend virtual or in-person meetings when directed by their supervisor.

Employee productivity shall be evaluated on the basis of time spent on tasks and projects, task completion, and quality of job performance in the same manner as all employees in the same position at the assigned school or office.
Remote work arrangements may be discontinued at any time at the discretion of the County Superintendent of Schools or designee.

BOARD POLICY – EMPLOYEE COMPENSATION

In order to recruit and retain employees committed to the SBCEO’s goals for student learning, the County Board of Education and the County Superintendent of Schools recognize the importance of offering a competitive compensation package which includes salaries and health and welfare benefits.

The County Superintendent of Schools shall adopt separate salary schedules for certificated, classified, and supervisory and administrative personnel. These schedules shall comply with law and collective bargaining agreements and shall be printed and made available for review at the SBCEO office. (Education Code 45022, 45023, 45160, 45162, 45268)

Each certificated employee, except an employee in an administrative or supervisory position, shall be classified on the salary schedule on the basis of uniform allowance for education level and years of experience, unless the County Superintendent of Schools and employee organization negotiate and mutually agree to a salary schedule based on different criteria. Certificated employees shall not be placed in different classifications on the schedule, nor paid different salaries, solely on the basis of the grade levels at which they teach. (Education Code 45028)

Salary schedules for staff who are not a part of a bargaining unit shall be determined by the County Superintendent of Schools or designee.

The County Superintendent of Schools or designee shall determine the frequency and schedule of salary payments, including whether payments for employees who work less than 12 months per year will be made over the course of the school year or in equal installments over the calendar year. (Education Code 45038, 45039, 45048, 45165)

In extraordinary circumstances or emergency situations, the County Superintendent of Schools or designee may determine to continue to compensate employees during periods of extended closure or disruption of normal SBCEO operations when permitted by law and consistent with collective bargaining agreements and memoranda of understanding.

The County Superintendent of Schools or designee shall post a notice explaining the Fair Labor Standards Act's wage and hour provisions in a conspicuous place at each work site. (29 CFR 516.4)

Overtime Compensation

SBCEO employees shall be paid an overtime rate of not less than one and one-half times their regular rate of pay for any hours worked in excess of eight hours in one day or 40 hours in one work week, or twice their regular rate of pay for any hours worked in excess of 12 hours in one day or eight hours on the seventh consecutive day of work. However, teachers, school administrators, and other employees in positions established by the County Superintendent of Schools as executive, administrative, or professional shall be exempt from overtime rules. (Education Code 45128, 45130; 29 USC 213; 29 CFR 541.0-541.710, 553.27, 553.32)

When authorized in a collective bargaining agreement or other agreement between the SBCEO and employees, an employee may take compensatory time off in lieu of overtime compensation, provided the employee has not accrued compensatory time in excess of the limits specified in 29 USC 207. An employee who has requested the use of compensatory time shall be allowed to use such time within 12 calendar months after making the request if the use of the compensatory...
time does not unduly disrupt SBCEO operations. (Education Code 45129; 29 USC 207; 29 CFR 553.20-553.25)

For each nonexempt employee, the County Superintendent of Schools or designee shall maintain records on the employee’s wages, hours, and other information specified in 29 CFR 516.5-516.6.

BOARD POLICY – HEALTH AND WELFARE BENEFITS

The County Board of Education and the County Superintendent of Schools recognize that health and welfare benefits are essential to promote employee health and productivity and are an important part of the compensation offered to employees. The SBCEO shall provide health and welfare benefits for employees in accordance with state and federal law and subject to negotiated employee agreements.

Certificated management, administrative, and supervisory employees who are not in bargaining units shall receive the same health and welfare benefits as those specified in the collective bargaining agreement for certificated employees. Classified management, administrative, and supervisory employees who are not in bargaining units shall receive the same health and welfare benefits as those specified in the collective bargaining agreement for classified employees.

For purposes of granting benefits, a registered domestic partner and the registered domestic partner's child shall have the same rights, protections, and benefits as a spouse and spouse's child. (Family Code 297.5, 300)

The SBCEO shall offer full-time employees who work an average of 35 hours or more per week and their dependents up to age 26 years a health insurance plan that includes coverage for essential health benefits, pays at least 60 percent of the medical expenses covered under the terms of the plan, and meets all other requirements of the federal Patient Protection and Affordable Care Act.

With respect to eligibility to participate in the health benefits plan or the level of health benefits provided, the SBCEO shall not discriminate in favor of employees who are among the highest paid 25 percent of all SBCEO employees. (26 USC 105; 42 USC 300gg-16)

Continuation of Coverage

Retired certificated employees, other employees who would otherwise lose coverage due to a qualifying event specified in law and administrative regulation, and their qualified beneficiaries may continue to participate in the SBCEO’s group health and welfare benefits in accordance with state and federal law.

Unless otherwise provided for in the applicable collective bargaining agreement, covered employees and their qualified beneficiaries may receive continuation coverage by paying the premiums, dues, and other charges, including any increases in premiums, dues, and costs incurred by the SBCEO in administering the program.

Confidentiality

The County Superintendent or designee shall not use or disclose any employee’s medical information the SBCEO possesses without the employee's authorization obtained in accordance with Civil Code 56.21, except for the purpose of administering and maintaining employee benefit plans and for other purposes specified in law. BOARD POLICY – CATASTROPHIC LEAVE PROGRAM   BP 4161.9

The County Board of Education and the County Superintendent of Schools recognizes that SBCEO employees may desire to assist other employees who have an urgent need for a leave of absence but do not have sufficient accrued leave to cover their absence. The Superintendent or designee shall establish a catastrophic leave program by which employees may donate accrued vacation and/or sick leave credits, which shall be placed into a pool for use by eligible employees.

Donations made under the catastrophic leave program shall be strictly voluntary.

The SBCEO’s policy and procedures regarding catastrophic leave shall be included in the employee handbook. The County Superintendent of Schools or designee may notify employees annually, or more frequently if the need arises, of the process for donating leave for this purpose.

An employee may apply to use donated leave credits in accordance with the accompanying administrative regulation when the employee has exhausted all applicable paid leaves of absence and a catastrophic illness or injury incapacitates the employee or a member of the employee’s family for an extended period of time. BOARD POLICY – CLASSIFIED PERSONNEL  BP 4200

The County Board of Education adopted the Merit System as provided for in the California Education Code Article 6 commencing with Section 45240 of Chapter 5, Part 25, Title 2, due to the County of Santa Barbara having a merit system (civil service) in effect. At the time of adoption in 1975, certain duties and functions were transferred by the Santa Barbara County Board of Supervisors to the County Board of Education, pursuant to Education Code Section 1080 and as provided for in Education Code Section 1310.

The County Board of Education, the Personnel Commission, and the County Superintendent of Schools recognize that classified personnel provide essential services that support and enhance the SBCEO’s educational program. The County Superintendent of Schools shall fill each of its classified positions with qualified persons, consistent with position requirements and personnel commission rules.

The County Superintendent of Schools shall classify all employees and positions within the jurisdiction of the commission, except for those employees and positions exempt from classified service, as the classified service. (Education Code 45256)

Individuals who possess certification qualifications shall not be prohibited from being employed in a classified position. (Education Code 45104)

The commission shall prescribe, amend, and interpret, subject to this article, such rules as may be necessary to insure the efficiency of the service and the selection and retention of employees upon a basis of merit and fitness. (Education Code 45260)

The commission rules shall provide for the procedures to be followed by the County Superintendent of Schools as they pertain to the classified service regarding applications, examinations, eligibility, appointments, promotions, demotions, transfers, dismissals, resignations, layoffs, reemployment, vacations, leaves of absence, compensation within classification, job analyses and specifications, performance evaluations, public advertisement of examinations, rejection of unfit applicants without competition, and any other matters necessary to carry out the provisions and purposes of this article. (Education Code 45261)

With respect to those matters which are a subject of negotiation under the provisions of Section 3543.2 of the Government Code, such rules as apply to each bargaining unit shall be in accordance with the negotiated agreement, if any, between the exclusive representative for that unit and the public school employer. PROVISIONS RELATING TO ALL EMPLOYEES

BOARD POLICY – WORKING REMOTELY

The County Board of Education and the County Superintendent of Schools recognize that working remotely at home or at another alternative location may be necessary at times when widespread illness, natural disaster, or other emergency condition makes the school or worksite unsafe or otherwise interrupts the SBCEO's ability to effectively conduct operations at the school or worksite. A full-time, part-time, or short-term remote work arrangement may also be granted by the Superintendent or designee to an individual employee, upon request, provided that the position is suitable for remote work, the employee has consistently demonstrated the ability to work independently and meet performance expectations, and the work arrangement does not hinder SBCEO operations.

The opportunity to work remotely shall be entirely at the SBCEO's discretion, and no grievance or appeal right may arise from SBCEO denial of any employee request for remote work.

Employees approved for remote work shall comply with all SBCEO policies, administrative regulations, work schedules, and job assignments. Except when specifically agreed, approval of remote work shall not change the compensation, benefits, or other terms and conditions of employment of an employee.

Unless otherwise approved in advance by the County Superintendent of Schools or designee, employees working remotely shall do so within regular work hours established for the position. Employees are entitled and expected to take appropriate, uninterrupted meal and rest breaks, and shall keep accurate records of the hours they work. Employees shall notify their supervisor when unable to perform work assignments due to illness, equipment failure, or other unforeseen circumstances.

Employees working remotely are expected to conduct their work in a location that is safe and free of obstructions, hazards, and distractions. Such employees shall report to their supervisor any serious injury or illness occurring in the home workspace or in connection with their employment as soon as practically possible in accordance with Board policy.

The SBCEO shall provide to employees who work remotely all supplies, materials, apparatus, and equipment reasonably necessary to perform their jobs, including, as necessary, a technology device and Internet access. Employees shall use caution in accessing the Internet from public locations and in accessing information from networks outside of the SBCEO in order to safeguard confidential information. Employees shall be responsible for maintaining and protecting equipment on loan from the SBCEO and shall adhere to the SBCEO's Acceptable Use Agreement. The employee's personally owned equipment may only be used for SBCEO business when approved by the County Superintendent of Schools or designee.

Work done at a remote work location is considered official public business. SBCEO records and communications shall be retained and safeguarded against damage or loss, and shall be kept confidential or made accessible to the public in accordance with law.

Any employee working remotely shall be available during work hours to the employee's supervisor and other staff, students, parents/guardians, and members of the public, as appropriate, via email, phone, or other means. Lack of responsiveness on the part of the employee may result in discipline and/or termination of remote work responsibilities. Employees shall be required to attend virtual or in-person meetings when directed by their supervisor.

Employee productivity shall be evaluated on the basis of time spent on tasks and projects, task completion, and quality of job performance in the same manner as all employees in the same position at the assigned school or office.
Remote work arrangements may be discontinued at any time at the discretion of the County Superintendent of Schools or designee.

Working Remotely – Board Policy 4213.5
PROVISIONS RELATING TO ALL EMPLOYEES

BOARD POLICY – EVALUATION/SUPERVISION

The County Board of Education and the County Superintendent of Schools recognize that appropriate supervision and regular, comprehensive evaluations can help employees to continually improve in the performance of their responsibilities. Evaluations shall be made in accordance with procedures specified in negotiated contracts and based on job-specific standards of performance. The County Superintendent of Schools expects supervisors to gauge employees' on-the-job effectiveness and skills in a fair, objective, and consistent manner. Evaluations shall address the competence and care with which the employee executes their assigned responsibilities. As appropriate, evaluations also may address the extent to which the employee works cooperatively with others and observes school or SBCEO rules and regulations.

The County Superintendent of Schools or designee shall ensure that evaluation ratings have uniform meaning throughout the SBCEO.

Evaluations shall be used to recognize the exemplary skills and accomplishments of staff and to identify areas needing improvement. When the evaluation indicates areas needing improvement, the County Superintendent of Schools expects employees to accept responsibility and take initiative to improve their performance. The Superintendent or designee shall assist employees in obtaining needed job skills.

The evaluation shall be dated and signed by both the employee and the supervisor. The County Superintendent of Schools or designee shall ensure that classified employees have access to rules and procedures related to performance evaluations.

BOARD POLICY – SEXUAL HARASSMENT

The following policy shall apply to all SBCEO employees, interns, volunteers, contractors, job applicants, and other persons with an employment relationship with the SBCEO.

The County Board of Education and the County Superintendent of Schools are committed to providing a safe work environment that is free of harassment and intimidation. The County Board of Education and the County Superintendent of Schools prohibit sexual harassment against SBCEO employees and retaliatory behavior or action against any person who complains, testifies, or otherwise participates in the complaint process established for the purpose of this policy. Sexual harassment includes, but is not limited to, harassment that is based on the sex, gender, gender identity, gender expression, or sexual orientation of the victim and harassment based on pregnancy, childbirth, or related medical conditions. The County Superintendent of Schools or designee shall take all actions necessary to ensure the prevention, investigation, and correction of sexual harassment, including but not limited to:

1. Providing training to employees in accordance with law and administrative regulation
2. Publicizing and disseminating the SBCEO's sexual harassment policy to employees and others to whom the policy may apply
3. Ensuring prompt, thorough, fair, and equitable investigation of complaints
4. Taking timely and appropriate corrective/remedial action(s), which may require interim separation of the complainant and the alleged harasser and subsequent monitoring of developments

Sexual Harassment Reports and Complaints

SBCEO employees who feel that they have been sexually harassed in the performance of their SBCEO responsibilities or who have knowledge of any incident of sexual harassment by or against another employee shall immediately report the incident to their direct supervisor, an SBCEO administrator, or the SBCEO's Title IX Coordinator. Employees may bypass their supervisor in filing a complaint if the supervisor is the subject of the complaint. A supervisor or administrator who receives a harassment complaint shall promptly notify the Title IX Coordinator.

Once notified, the Title IX Coordinator shall ensure the complaint or allegation is addressed through AR 4119.12/4219.12/4319.12 - Title IX Sexual Harassment Complaint Procedures or AR 4030 - Nondiscrimination in Employment, as applicable. Because a complaint or allegation that is dismissed or denied under the Title IX complaint procedure may still be subject to consideration under state law, the Title IX Coordinator shall ensure that any implementation of AR 4119.12/4219.12/4319.12 concurrently meets the requirements of AR 4030.

The Title IX Coordinator shall offer supportive measures to the complainant and respondent, as deemed appropriate under the circumstances. Upon investigation of a sexual harassment complaint, any SBCEO employee found to have engaged or participated in sexual harassment or to have aided, abetted, incited, compelled, or
coerced another to commit sexual harassment in violation of this policy shall be subject to disciplinary action, up to and including dismissal, in accordance with law and the applicable collective bargaining agreement.

PROVISIONS RELATING TO ALL EMPLOYEES

BOARD POLICY – NONSCHOOL EMPLOYMENT

BP 4236

In order to help maintain public trust in the integrity of SBCEO operations, the County Board of Education and the County Superintendent of Schools expect all employees to give the responsibility of their positions precedence over any other outside employment. An SBCEO employee may receive compensation for outside activities as long as these activities are not inconsistent, incompatible, in conflict with, or inimical to the employee’s SBCEO duties. An outside activity shall be considered inconsistent, incompatible, or inimical to SBCEO employment when such activity: (Government Code 1126)

1. Requires time periods that interfere with the proper, efficient discharge of the employee's duties

2. Entails compensation from an outside source for activities which are part of the employee’s regular duties

3. Involves using the SBCEO’s name, prestige, time, facilities, equipment, or supplies for private gain

4. Involves service which will be wholly or in part subject to the approval or control of another SBCEO employee or Board member

An employee wishing to accept outside employment that may be inconsistent, incompatible, in conflict with, or inimical to the employee’s duties shall file a written request with the employee’s immediate supervisor describing the nature of the employment and the time required. The supervisor shall evaluate each request based on the employee’s specific duties within the SBCEO and determine whether to grant authorization for such employment.

The supervisor shall inform the employee whether the outside employment is prohibited. The employee may appeal a supervisor's denial of authorization to the County Superintendent of Schools or designee. An employee who continues to pursue a prohibited activity may be subject to disciplinary action.

Tutoring

A certificated employee shall not accept any compensation or other benefit for tutoring a student enrolled in the certificated employee’s class(es). An employee who wishes to tutor another SBCEO student shall first request authorization from the employee’s supervisor in accordance with this Board policy. If authorization is granted, the employee shall not use SBCEO facilities, equipment, or supplies when providing the tutoring service.

The County Superintendent of Schools prohibits retaliation against complainants. The Superintendent or designee may keep a complainant's identity confidential, except to the extent necessary to investigate the complaint.

All matters related to a complaint shall be kept confidential and any document, communication, or record regarding the complaint shall be placed in a separate file and shall not be placed in an employee's personnel file.

PROVISIONS RELATING TO ALL EMPLOYEES

BOARD POLICY – EMPLOYEE COMPENSATION

BP 4251

In order to recruit and retain employees committed to the SBCEO's goals for student learning, the County Board of Education and the County Superintendent of Schools recognize the importance of offering a competitive compensation package which includes salaries and health and welfare benefits.

The County Superintendent of Schools shall adopt separate salary schedules for certificated, classified, and supervisory and administrative personnel. These schedules shall comply with law and collective bargaining agreements and shall be printed and made available for review at the SBCEO office. (Education Code 45022, 45023, 45160, 45162, 45268)

Each certificated employee, except an employee in an administrative or supervisory position, shall be classified on the salary schedule on the basis of uniform allowance for education level and years of experience, unless the County Superintendent of Schools or designee and employee organization negotiate and mutually agree to a salary schedule based on different criteria. Certificated employees shall not be placed in different classifications on the schedule, nor paid different salaries, solely on the basis of the grade levels at which they teach. (Education Code 45028)

Salary schedules for staff who are not a part of a bargaining unit shall be determined by the County Superintendent of Schools or designee. The County Superintendent of Schools or designee shall determine the frequency and schedule of salary payments, including whether payments for employees who work less than 12 months per year will be made over the course of the school year or in equal installments over the calendar year. (Education Code 45038, 45039, 45048, 45165)

In extraordinary circumstances or emergency situations, the County Superintendent of Schools or designee may determine to continue to compensate employees during periods of extended closure or disruption of normal SBCEO operations when permitted by law and consistent with collective bargaining agreements and memoranda of understanding. The County Superintendent of Schools or designee shall post a notice explaining the Fair Labor Standards Act's wage and hour provisions in a conspicuous place at each work site. (29 CFR 516.4)

Overtime Compensation

SBCEO employees shall be paid an overtime rate of not less than one and one-half times their regular rate of pay for any hours worked in excess of eight hours in one day or 40 hours in one work week, or twice their regular rate of pay for any hours worked in excess of 12 hours in one day or eight hours on the seventh consecutive day of work. However, teachers, school administrators, and other employees in positions established by the County Superintendent of Schools as executive, administrative, or professional shall be exempt from overtime rules. (Education Code 45128, 45130; 29 USC 213; 29 CFR 541.0-541.710, 553.27, 553.32)

When authorized in a collective bargaining agreement or other agreement between the SBCEO and employees, an employee may take compensatory time off in lieu of overtime compensation, provided the employee has not accrued compensatory time in excess of the limits specified in 29 USC 207. An employee who has requested the use of compensatory time shall be allowed to use such time within 12 calendar months after making the request if the use of the compensatory
time does not unduly disrupt SBCEO operations. (Education Code 45129; 29 USC 207; 29 CFR 553.20-553.25)

For each nonexempt employee, the County Superintendent of Schools or designee shall maintain records on the employee’s wages, hours, and other information specified in 29 CFR 516.5-516.6.

BOARD POLICY – CATASTROPHIC LEAVE PROGRAM

The County Board of Education and the County Superintendent of Schools recognizes that SBCEO employees may desire to assist other employees who have an urgent need for a leave of absence but do not have sufficient accrued leave to cover their absence. The County Superintendent of Schools or designee shall establish a catastrophic leave program by which employees may donate accrued vacation and/or sick leave credits, which shall be placed into a pool for use by eligible employees.

Donations made under the catastrophic leave program shall be strictly voluntary.

The SBCEO’s policy and procedures regarding catastrophic leave shall be included in the employee handbook. The County Superintendent of Schools or designee may notify employees annually, or more frequently if the need arises, of the process for donating leave for this purpose.

An employee may apply to use donated leave credits in accordance with the accompanying administrative regulation when the employee has exhausted all applicable paid leaves of absence and a catastrophic illness or injury incapacitates the employee or a member of the employee’s family for an extended period of time. PROVISIONS RELATING TO ALL EMPLOYEES

BOARD POLICY – WORKING REMOTELY

The County Board of Education and the County Superintendent of Schools recognize that working remotely at home or at another alternative location may be necessary at times when widespread illness, natural disaster, or other emergency condition makes the school or worksite unsafe or otherwise interrupts the SBCEO's ability to effectively conduct operations at the school or worksite. A full-time, part-time, or short-term remote work arrangement may also be granted by the County Superintendent of Schools or designee to an individual employee, upon request, provided that the position is suitable for remote work, the employee has consistently demonstrated the ability to work independently and meet performance expectations, and the work arrangement does not hinder SBCEO operations.

The opportunity to work remotely shall be entirely at the SBCEO's discretion, and no grievance or appeal right may arise from SBCEO denial of any employee request for remote work.

Employees approved for remote work shall comply with all SBCEO policies, administrative regulations, work schedules, and job assignments. Except when specifically agreed, approval of remote work shall not change the compensation, benefits, or other terms and conditions of employment of an employee.

Unless otherwise approved in advance by the County Superintendent of Schools or designee, employees working remotely shall do so within regular work hours established for the position. Employees are entitled and expected to take appropriate, uninterrupted meal and rest breaks, and shall keep accurate records of the hours they work. Employees shall notify their supervisor when unable to perform work assignments due to illness, equipment failure, or other unforeseen circumstances.

Employees working remotely are expected to conduct their work in a location that is safe and free of obstructions, hazards, and distractions. Such employees shall report to their supervisor any serious injury or illness occurring in the home workspace or in connection with their employment as soon as practically possible in accordance with Board policy.

The SBCEO shall provide to employees who work remotely all supplies, materials, apparatus, and equipment reasonably necessary to perform their jobs, including, as necessary, a technology device and Internet access. Employees shall use caution in accessing the Internet from public locations and in accessing information from networks outside of the SBCEO in order to safeguard confidential information. Employees shall be responsible for maintaining and protecting equipment on loan from the SBCEO and shall adhere to the SBCEO's Acceptable Use Agreement. The employee's personally owned equipment may only be used for SBCEO business when approved by the County Superintendent of Schools or designee.

Work done at a remote work location is considered official public business. SBCEO records and communications shall be retained and safeguarded against damage or loss, and shall be kept confidential or made accessible to the public in accordance with law.

Any employee working remotely shall be available during work hours to the employee's supervisor and other staff, students, parents/guardians, and members of the public, as appropriate, via email, phone, or other means. Lack of responsiveness on the part of the employee may result in discipline and/or termination of remote work responsibilities. Employees shall be required to attend virtual or in-person meetings when directed by their supervisor.

Employee productivity shall be evaluated on the basis of time spent on tasks and projects, task completion, and quality of job performance in the same manner as all employees in the same position at the assigned school or office.
Remote work arrangements may be discontinued at any time at the discretion of the County Superintendent of Schools or designee.

BOARD POLICY – EVALUATION/SUPERVISION

The County Board of Education and the County Superintendent of Schools believe that regular, comprehensive evaluations designed to hold administrative and supervisory staff accountable for their performance are key to improving their instructional leadership and management skills. Evaluations shall be linked to the SBCEO’s vision and goals and school improvement plans.

Evaluations shall be used to recognize the exemplary skills and accomplishments of administrative and supervisory employees, serve as a criterion for contract renewals, and identify areas needing improvement. The County Superintendent of Schools or designee shall establish clear, objective criteria for evaluation based on the job responsibilities of each administrative or supervisory position. 2. Effective and comprehensive teacher evaluations, including, but not limited to, curricular and management leadership, ongoing professional development, teacher-principal teamwork, and professional learning communities

3. Culturally responsive instructional strategies to address and eliminate the achievement gap

4. The ability to analyze quality instructional strategies and provide effective feedback that leads to instructional improvement
5. High expectations for all students and leadership to ensure active student engagement and learning

6. Collaborative professional practices for improving instructional strategies

7. Effective school management, including personnel and resource management, organizational leadership, sound fiscal practices, a safe campus environment, and appropriate student behavior

8. Meaningful self-assessment to improve as a professional educator, which may include, but not be limited to, a self-assessment based on the CPSEL and the identification of areas of strengths and areas for professional growth to engage in activities to foster professional growth

9. Consistent and effective relationships with students, parents/guardians, teachers, staff, and other administrators

The evaluation shall be dated and signed by the employee and evaluator. The employee may respond in writing to the evaluation within a reasonable time after receiving a copy of the evaluation. The response shall be attached to the evaluation and placed in the employee's personnel file.

PROVISIONS RELATING TO ALL EMPLOYEES

BOARD POLICY – SEXUAL HARASSMENT

The following policy shall apply to all SBCEO employees, interns, volunteers, contractors, job applicants, and other persons with an employment relationship with the SBCEO.

The County Board of Education and the County Superintendent of Schools are committed to providing a safe work environment that is free of harassment and intimidation. The County Board of Education and the County Superintendent of Schools prohibit sexual harassment against SBCEO employees and retaliatory behavior or action against any person who complains, testifies, or otherwise participates in the complaint process established for the purpose of this policy. Sexual harassment includes, but is not limited to, harassment that is based on the sex, gender, gender identity, gender expression, or sexual orientation of the victim and harassment based on pregnancy, childbirth, or related medical conditions. The County Superintendent of Schools or designee shall take all actions necessary to ensure the prevention, investigation, and correction of sexual harassment, including but not limited to:

1. Providing training to employees in accordance with law and administrative regulation

2. Publicizing and disseminating the SBCEO's sexual harassment policy to employees and others to whom the policy may apply

3. Ensuring prompt, thorough, fair, and equitable investigation of complaints

4. Taking timely and appropriate corrective/remedial action(s), which may require interim separation of the complainant and the alleged harasser and subsequent monitoring of developments

The County Superintendent of Schools or designee shall periodically evaluate the effectiveness of the SBCEO's strategies to prevent and address harassment. Such evaluation may involve conducting regular anonymous employee surveys to assess whether harassment is occurring or is perceived to be tolerated, partnering with researchers or other agencies with the needed expertise to evaluate the SBCEO's prevention strategies, and using any other effective tool for receiving feedback on systems and/or processes. As necessary, changes shall be made to the harassment policy, complaint procedures, or training.

Sexual Harassment Reports and Complaints
SBCEO employees who feel that they have been sexually harassed in the performance of their SBCEO responsibilities or who have knowledge of any incident of sexual harassment by or against another employee shall immediately report the incident to their direct supervisor, a SBCEO administrator, or the SBCEO's Title IX Coordinator. Employees may bypass their supervisor in filing a complaint if the supervisor is the subject of the complaint. A supervisor or administrator who receives a harassment complaint shall promptly notify the Title IX Coordinator.

Once notified, the Title IX Coordinator shall ensure the complaint or allegation is addressed through AR 4119.12/4219.12/4319.12 - Title IX Sexual Harassment Complaint Procedures or AR 4030 - Nondiscrimination in Employment, as applicable. Because a complaint or allegation that is dismissed or denied under the Title IX complaint procedure may still be subject to consideration
under state law, the Title IX Coordinator shall ensure that any implementation of AR 4119.12/4219.12/4319.12 concurrently meets the requirements of AR 4030.

The Title IX Coordinator shall offer supportive measures to the complainant and respondent, as deemed appropriate under the circumstances.

Upon investigation of a sexual harassment complaint, any SBCEO employee found to have engaged or participated in sexual harassment or to have aided, abetted, incited, compelled, or coerced another to commit sexual harassment in violation of this policy shall be subject to disciplinary action, up to and including dismissal, in accordance with law and the applicable collective bargaining agreement.

PROVISIONS RELATING TO ALL EMPLOYEES

BOARD POLICY – NONSCHOOL EMPLOYMENT

In order to help maintain public trust in the integrity of district operations, the County Board of Education and the County Superintendent of Schools expect all employees to give the responsibility of their positions precedence over any other outside employment. An SBCEO employee may receive compensation for outside activities as long as these activities are not inconsistent, incompatible, in conflict with, or inimical to his/her district duties. An outside activity shall be considered inconsistent, incompatible, or inimical to SBCEO employment when such activity: (Government Code 1126)

1. Requires time periods that interfere with the proper, efficient discharge of the employee's duties

2. Entails compensation from an outside source for activities which are part of the employee's regular duties

3. Involves using the district's name, prestige, time, facilities, equipment, or supplies for private gain

4. Involves service which will be wholly or in part subject to the approval or control of another SBCEO employee or County Board of Education member

An employee wishing to accept outside employment that may be inconsistent, incompatible, in conflict with, or inimical to the employee's duties shall file a written request with the employee's immediate supervisor describing the nature of the employment and the time required. The supervisor shall evaluate each request based on the employee's specific duties within the SBCEO and determine whether to grant authorization for such employment. The supervisor shall inform the employee whether the outside employment is prohibited. The employee may appeal a supervisor's denial of authorization to the County Superintendent of School or designee. An employee who continues to pursue a prohibited activity may be subject to disciplinary action.

Tutoring

A certificated employee shall not accept any compensation or other benefit for tutoring a student enrolled in the employee's class(es). An employee who wishes to tutor another SBCEO student shall first request authorization from the employee's supervisor in accordance with this Board policy. If authorization is granted, the employee shall not use SBCEO facilities, equipment, or supplies when providing the tutoring service.

BOARD POLICY – COMPLAINTS

The County Board of Education and the County Superintendent of Schools recognize the need to establish a process to allow employees and job applicants to have their concerns heard in an expeditious and unbiased manner. The County Superintendent of Schools expects that employees will make every effort to resolve complaints and disagreements informally before filing a formal complaint. The County Superintendent of Schools prohibits retaliation against complainants. The Superintendent or designee may keep a complainant's identity confidential, except to the extent necessary to investigate the complaint.

All matters related to a complaint shall be kept confidential and any document, communication, or record regarding the complaint shall be placed in a separate file and shall not be placed in an employee's personnel file.

Complaints – Board Policy 4344
PROVISIONS RELATING TO ALL EMPLOYEES

BOARD POLICY – EMPLOYEE COMPENSATION

In order to recruit and retain employees committed to the SBCEO’s goals for student learning, the County Board of Education and the County Superintendent of Schools recognize the importance of offering a competitive compensation package which includes salaries and health and welfare benefits.

The County Superintendent of Schools shall adopt separate salary schedules for certificated, classified, and supervisory and administrative personnel. These schedules shall comply with law and collective bargaining agreements and shall be printed and made available for review at the SBCEO office. (Education Code 45022, 45023, 45160, 45162, 45268)

Each certificated employee, except an employee in an administrative or supervisory position, shall be classified on the salary schedule on the basis of uniform allowance for education level and years of experience, unless the County Superintendent of Schools and employee organization negotiate and mutually agree to a salary schedule based on different criteria. Certificated employees shall not be placed in different classifications on the schedule, nor paid different salaries, solely on the basis of the grade levels at which they teach. (Education Code 45028)

Salary schedules for staff who are not a part of a bargaining unit shall be determined by the County Superintendent of Schools or designee.

The County Superintendent of Schools or designee shall determine the frequency and schedule of salary payments, including whether payments for employees who work less than 12 months per year will be made over the course of the school year or in equal installments over the calendar year. (Education Code 45038, 45039, 45048, 45165)

In extraordinary circumstances or emergency situations, the County Superintendent of Schools or designee may determine to continue to compensate employees during periods of extended closure or disruption of normal SBCEO operations when permitted by law and consistent with collective bargaining agreements and memoranda of understanding.

The County Superintendent of Schools or designee shall post a notice explaining the Fair Labor Standards Act's wage and hour provisions in a conspicuous place at each work site. (29 CFR 516.4)

Overtime Compensation

SBCEO employees shall be paid an overtime rate of not less than one and one-half times their regular rate of pay for any hours worked in excess of eight hours in one day or 40 hours in one work week, or twice their regular rate of pay for any hours worked in excess of 12 hours in one day or eight hours on the seventh consecutive day of work. However, teachers, school administrators, and other employees in positions established by the County Superintendent of Schools as executive, administrative, or professional shall be exempt from overtime rules. (Education Code 45128, 45130; 29 USC 213; 29 CFR 541.0-541.710, 553.27, 553.32)

When authorized in a collective bargaining agreement or other agreement between the SBCEO and employees, an employee may take compensatory time off in lieu of overtime compensation, provided the employee has not accrued compensatory time in excess of the limits specified in 29 USC 207. An employee who has requested the use of compensatory time shall be allowed to use such time within 12 calendar months after making the request if the use of the compensatory time does not unduly disrupt SBCEO operations. (Education Code 45129; 29 USC 207; 29 CFR 553.20-553.25)
For each nonexempt employee, the County Superintendent of Schools or designee shall maintain records on the employee's wages, hours, and other information specified in 29 CFR 516.5-516.6.

Employee Compensation – Board Policy 4351
PROVISIONS RELATING TO ALL EMPLOYEES

BOARD POLICY – HEALTH AND WELFARE BENEFITS

BP 4354

The County Board of Education and the County Superintendent of Schools recognize that health and welfare benefits are essential to promote employee health and productivity and are an important part of the compensation offered to employees. The SBCEO shall provide health and welfare benefits for employees in accordance with state and federal law and subject to negotiated employee agreements.

Certificated management, administrative, and supervisory employees who are not in bargaining units shall receive the same health and welfare benefits as those specified in the collective bargaining agreement for certificated employees. Classified management, administrative, and supervisory employees who are not in bargaining units shall receive the same health and welfare benefits as those specified in the collective bargaining agreement for classified employees.

For purposes of granting benefits, a registered domestic partner and the registered domestic partner’s child shall have the same rights, protections, and benefits as a spouse and spouse’s child. (Family Code 297.5, 300)

The SBCEO shall offer full-time employees who work an average of 35 hours or more per week and their dependents up to age 26 years a health insurance plan that includes coverage for essential health benefits, pays at least 60 percent of the medical expenses covered under the terms of the plan, and meets all other requirements of the federal Patient Protection and Affordable Care Act.

With respect to eligibility to participate in the health benefits plan or the level of health benefits provided, the SBCEO shall not discriminate in favor of employees who are among the highest paid 25 percent of all SBCEO employees. (26 USC 105; 42 USC 300gg-16)

Continuation of Coverage

Retired certificated employees, other employees who would otherwise lose coverage due to a qualifying event specified in law and administrative regulation, and their qualified beneficiaries may continue to participate in the SBCEO’s group health and welfare benefits in accordance with state and federal law.

Unless otherwise provided for in the applicable collective bargaining agreement, covered employees and their qualified beneficiaries may receive continuation coverage by paying the premiums, dues, and other charges, including any increases in premiums, dues, and costs incurred by the SBCEO in administering the program.

Confidentiality

The County Superintendent or designee shall not use or disclose any employee’s medical information the SBCEO possesses without the employee’s authorization obtained in accordance with Civil Code 56.21, except for the purpose of administering and maintaining employee benefit plans and for other purposes specified in law. BOARD POLICY – CATASTROPHIC LEAVE PROGRAM

The County Board of Education and the County Superintendent of Schools recognizes that SBCEO employees may desire to assist other employees who have an urgent need for a leave of absence but do not have sufficient accrued leave to cover their absence. The County Superintendent of Schools or designee shall establish a catastrophic leave program by which employees may donate accrued vacation and/or sick leave credits, which shall be placed into a pool for use by eligible employees.

Donations made under the catastrophic leave program shall be strictly voluntary.

The SBCEO’s policy and procedures regarding catastrophic leave shall be included in the employee handbook. The County Superintendent of Schools or designee may notify employees annually, or more frequently if the need arises, of the process for donating leave for this purpose.

An employee may apply to use donated leave credits in accordance with the accompanying administrative regulation when the employee has exhausted all applicable paid leaves of absence and a catastrophic illness or injury incapacitates the employee or a member of the employee’s family for an extended period of time. An employee shall abide by the terms of this policy and shall notify the SBCEO within five days of their conviction for violation in the workplace of any criminal drug statute. (Government Code 8355; 41 USC 8103)

The County Superintendent of Schools or designee shall notify the appropriate federal granting or contracting agency within 10 days after receiving notification, from an employee or otherwise, of any conviction for a violation occurring in the workplace. (41 USC 8103)

In accordance with law and the SBCEO's collective bargaining agreements, the County Superintendent of Schools or designee shall take appropriate disciplinary action, up to and including termination, against an employee for violating the terms of this policy and/or shall require the employee to satisfactorily participate in and complete a drug assistance or rehabilitation program approved by a federal, state, or local public health or law enforcement agency or other appropriate agency.

Drug-Free Awareness Program

The County Superintendent of Schools or designee shall establish a drug-free awareness program to inform employees about: (Government Code 8355; 41 USC 8103)

1. The dangers of drug abuse in the workplace

PROVISIONS RELATING TO ALL EMPLOYEES

BOARD POLICY – NONDISCRIMINATION IN EMPLOYMENT

BP 4030

The County Board of Education and the County Superintendent of Schools are determined to provide a safe, positive environment where all SBCEO employees are assured of full and equal employment access and opportunities, protection from harassment and intimidation, and freedom from any fear of reprisal or retribution for asserting their employment rights in accordance with law. For purposes of this policy, employees include job applicants, interns, volunteers, and persons who contracted with the SBCEO to provide services, as applicable.

No SBCEO employee shall be discriminated against or harassed by any co-worker, supervisor, manager, or other person with whom the employee comes in contact in the course of employment, on the basis of the employee’s actual or perceived race, color, ancestry, national origin, age, religious creed, marital status, pregnancy, physical or mental disability, medical condition, genetic information, veteran or military status, sex, sexual orientation, gender, gender identity, gender expression, or association with a person or group with one or more of these actual or perceived characteristics.

The SBCEO shall not inquire into any employee's immigration status nor discriminate against an employee on the basis of immigration status, unless there is clear and convincing evidence that the SBCEO is required to do so in order to comply with federal immigration law. (2 CCR 11028)

Discrimination in employment based on the characteristics listed above is prohibited in all areas of employment and in all employment-related practices, including the following:

1. Hiring, compensation, terms, conditions, and other privileges of employment

2. Taking of adverse employment actions such as termination or denial of employment, promotion, job assignment, or training

3. Unwelcome conduct, whether verbal, physical, or visual, that is so severe or pervasive as to adversely affect an employee's employment opportunities or that has the purpose or effect of unreasonably interfering with the employee's work performance or creating an intimidating, hostile, or offensive work environment

4. Actions and practices identified as unlawful or discriminatory pursuant to Government Code 12940 or 2 CCR 11006-11086, such as:

   a. Sex discrimination based on an employee's pregnancy, childbirth, breastfeeding, or any related medical condition or on an employee's gender, gender expression, or gender identity, including transgender status

   b. Religious creed discrimination based on an employee's religious belief or observance, including religious dress or grooming practices, or based on the SBCEO's failure or refusal to use reasonable means to accommodate an employee's religious belief, observance, or practice which conflicts with an employment requirement
c. Requiring medical or psychological examination of a job applicant or making an inquiry into whether a job applicant has a mental or physical disability or a medical condition or as to the severity of any such disability or condition, without the showing of a job-related need or business necessity

d. Failure to make reasonable accommodation for the known physical or mental disability of an employee or to engage in a timely, good faith, interactive process with an employee who has requested such accommodations in order to determine the effective reasonable accommodations, if any, to be provided to the employee

The County Board of Education and the County Superintendent of Schools also prohibit retaliation against any SBCEO employee who opposes any discriminatory employment practice by the SBCEO or its employees, agents, or representatives or who complains, reports an incident, testifies, assists, or in any way participates in the SBCEO's complaint process pursuant to this policy. No employee who requests an accommodation for any protected characteristic listed in this policy shall be subjected to any punishment or sanction, regardless of whether the request was granted. (Government Code 12940; 2 CCR 11028)

No employee shall, in exchange for a raise or bonus or as a condition of employment or continued employment, be required to sign a release of the employee's claim or right to file a claim against the SBCEO or a non-disparagement agreement or other document that has the purpose or effect of preventing the employee from disclosing information about harassment, discrimination, or other unlawful acts in the workplace, including any conduct that the employee has reasonable cause to believe is unlawful. (Government Code 12964.5)

Complaints concerning employment discrimination, harassment, or retaliation shall immediately be investigated in accordance with procedures specified in the accompanying administrative regulation.

Any supervisory or management employee who observes or has knowledge of an incident of prohibited discrimination or harassment, including harassment of an employee by a nonemployee, shall report the incident to the County Superintendent of Schools or designated SBCEO coordinator as soon as practical after the incident. All other employees are encouraged to report such incidents to their supervisor immediately.

The County Superintendent of Schools or designee shall use all appropriate means to reinforce the SBCEO's nondiscrimination policy, including providing training and information to employees about how to recognize harassment, discrimination, or other prohibited conduct, how to respond appropriately, and components of the SBCEO's policies and regulations regarding discrimination. The County Superintendent of Schools or designee shall regularly review the SBCEO's employment practices and, as necessary, shall take action to ensure SBCEO compliance with the nondiscrimination laws.

Any SBCEO employee who engages in prohibited discrimination, harassment, or retaliation or who aids, abets, incites, compels, or coerces another to engage or attempt to engage in such behavior in violation of this policy shall be subject to disciplinary action, up to and including dismissal.

The SBCEO shall maintain and preserve all applications, personnel, membership, or employment referral records and files for at least four years after the records are initially created or received or, for an applicant or a terminated employee, for four years after the date the employment action was taken. However, when the SBCEO is notified that a complaint has been filed with the
California Department of Fair Employment and Housing, records related to the employee involved shall be maintained and preserved until the later of the first date after the time for filing a civil action has expired or the first date after the complaint has been fully and finally disposed of and all administrative proceedings, civil actions, appeals, or related proceedings have been terminated. (Government Code 12946)

ADOPTED BY COUNTY BOARD: July 3, 1975
PROVISIONS RELATING TO ALL EMPLOYEES

BOARD POLICY – EVALUATION/SUPERVISION

The County Board of Education and the County Superintendent of Schools believe that regular, comprehensive evaluations designed to hold instructional staff accountable for their performance are key to improving their teaching skills and raising students' levels of achievement.

Evaluations shall be used to recognize the exemplary skills and accomplishments of staff and to identify areas needing improvement. When areas needing improvement are identified, the Board expects employees to accept responsibility for improving their performance and encourages them to take initiative to request assistance as necessary, including participation in appropriate staff development and/or individualized teacher support and guidance programs.

The County Superintendent of Schools or designee shall assess the performance of certificated instructional staff as it reasonably relates to the following criteria: (Education Code 44662)

1. Students' progress toward meeting SBCEO standards of expected achievement for their grade level in each area of study and, if applicable, towards the state-adopted content standards as measured by state-adopted criterion-referenced assessments

2. The instructional techniques and strategies used by the employee

3. The employee's adherence to curricular objectives

4. The establishment and maintenance of a suitable learning environment within the scope of the employee's responsibilities

With the agreement of the exclusive representative of the certificated staff when applicable, the County Superintendent of Schools or designee may incorporate objective standards from the National Board for Professional Teaching Standards and/or the California Standards for the Teaching Profession into SBCEO evaluation standards.

The evaluation of certificated employee performance shall not include the use of publishers' norms established by standardized tests. (Education Code 44662)

Noninstructional certificated employees shall be evaluated on their performance in fulfilling their defined job responsibilities. (Education Code 44662)

The County Superintendent of Schools or designee shall ensure that evaluation ratings have uniform meaning and are uniformly applied throughout the SBCEO.

ADOPTED BY COUNTY BOARD: July 3, 1975  
REVISED: May 7, 1992, April 7, 1994, PENDING
The following policy shall apply to all SBCEO employees, interns, volunteers, contractors, job applicants, and other persons with an employment relationship with the SBCEO.

The County Board of Education and the County Superintendent of Schools are committed to providing a safe work environment that is free of harassment and intimidation. The County Board of Education and the County Superintendent of Schools prohibit sexual harassment against SBCEO employees and retaliatory behavior or action against any person who complains, testifies, or otherwise participates in the complaint process established for the purpose of this policy.

Sexual harassment includes, but is not limited to, harassment that is based on the sex, gender, gender identity, gender expression, or sexual orientation of the victim and harassment based on pregnancy, childbirth, or related medical conditions.

The County Superintendent of Schools or designee shall take all actions necessary to ensure the prevention, investigation, and correction of sexual harassment, including but not limited to:

1. Providing training to employees in accordance with law and administrative regulation
2. Publicizing and disseminating the SBCEO's sexual harassment policy to employees and others to whom the policy may apply
3. Ensuring prompt, thorough, fair, and equitable investigation of complaints
4. Taking timely and appropriate corrective/remedial action(s), which may require interim separation of the complainant and the alleged harasser and subsequent monitoring of developments

Sexual Harassment Reports and Complaints
SBCEO employees who feel that they have been sexually harassed in the performance of their SBCEO responsibilities or who have knowledge of any incident of sexual harassment by or against another employee shall immediately report the incident to their direct supervisor, a SBCEO administrator, or the SBCEO's Title IX Coordinator. Employees may bypass their supervisor in filing a complaint if the supervisor is the subject of the complaint. A supervisor or administrator who receives a harassment complaint shall promptly notify the Title IX Coordinator.

Once notified, the Title IX Coordinator shall ensure the complaint or allegation is addressed through AR 4119.12/4219.12/4319.12 - Title IX Sexual Harassment Complaint Procedures or AR 4030 - Nondiscrimination in Employment, as applicable. Because a complaint or allegation that is dismissed or denied under the Title IX complaint procedure may still be subject to consideration under state law, the Title IX Coordinator shall ensure that any implementation of AR 4119.12/4219.12/4319.12 concurrently meets the requirements of AR 4030.

The Title IX Coordinator shall offer supportive measures to the complainant and respondent, as deemed appropriate under the circumstances.

Upon investigation of a sexual harassment complaint, any SBCEO employee found to have engaged or participated in sexual harassment or to have aided, abetted, incited, compelled, or
coerced another to commit sexual harassment in violation of this policy shall be subject to disciplinary action, up to and including dismissal, in accordance with law and the applicable collective bargaining agreement.

The County Superintendent of Schools or designee shall involve teachers, site and SBCEO administrators, and others, as appropriate, in the development of the SBCEO's staff development program. The County Superintendent of Schools or designee shall ensure that the SBCEO's staff development program is aligned with SBCEO priorities for student achievement, school improvement objectives, the local control and accountability plan, and other SBCEO and school plans.

The SBCEO's staff development program shall assist certificated staff in developing knowledge and skills, including, but not limited to:

10. Knowledge of topics related to student health, safety, and welfare
11. Knowledge of topics related to employee health, safety, and security
The County Superintendent of Schools or designee shall, in conjunction with teachers, interns, and administrators, as appropriate, develop an individualized program of professional growth to increase competence, performance, and effectiveness in teaching and classroom management and, as necessary, to assist them in meeting state or federal requirements to be fully qualified for their positions.

Professional learning opportunities offered by the SBCEO shall be evaluated based on the criteria specified in Education Code 44277. Such opportunities may be part of a coherent plan that combines school activities within a school, including lesson study or co-teaching, and external learning opportunities that are related to academic subjects taught, provide time to meet and work with other teachers, and support instruction and student learning. Learning activities may include, but are not limited to, mentoring projects for new teachers, extra support for teachers to improve practice, and collaboration time for teachers to develop new instructional lessons, select or develop common formative assessments, or analyze student data. (Education Code 44277)

PROVISIONS RELATING TO ALL EMPLOYEES

BOARD POLICY – NONSCHOOL EMPLOYMENT  BP 4136
In order to help maintain public trust in the integrity of SBCEO operations, the County Board of Education and the County Superintendent of Schools expect all employees to give the responsibility of their positions precedence over any other outside employment. An SBCEO employee may receive compensation for outside activities as long as these activities are not inconsistent, incompatible, in conflict with, or inimical to the employee’s SBCEO duties. An outside activity shall be considered inconsistent, incompatible, or inimical to SBCEO employment when such activity: (Government Code 1126)

1. Requires time periods that interfere with the proper, efficient discharge of the employee's duties

2. Entails compensation from an outside source for activities which are part of the employee's regular duties

3. Involves using the SBCEO's name, prestige, time, facilities, equipment, or supplies for private gain

4. Involves service which will be wholly or in part subject to the approval or control of another SBCEO employee or Board member

An employee wishing to accept outside employment that may be inconsistent, incompatible, in conflict with, or inimical to the employee's duties shall file a written request with the employee's immediate supervisor describing the nature of the employment and the time required. The supervisor shall evaluate each request based on the employee's specific duties within the SBCEO and determine whether to grant authorization for such employment.

The supervisor shall inform the employee whether the outside employment is prohibited. The employee may appeal a supervisor's denial of authorization to the County Superintendent of Schools or designee. An employee who continues to pursue a prohibited activity may be subject to disciplinary action.

Tutoring
A certificated employee shall not accept any compensation or other benefit for tutoring a student enrolled in the certificated employee’s class(es). An employee who wishes to tutor another SBCEO student shall first request authorization from the employee’s supervisor in accordance with this Board policy. If authorization is granted, the employee shall not use SBCEO facilities, equipment, or supplies when providing the tutoring service.

ADOPTED BY COUNTY BOARD: May 6, 1982
REVISED: May 7, 1992, April 7, 1994, PENDING
The County Board of Education and the County Superintendent of Schools recognize that health and welfare benefits are essential to promote employee health and productivity and are an important part of the compensation offered to employees. The SBCEO shall provide health and welfare benefits for employees in accordance with state and federal law and subject to negotiated employee agreements.

Certificated management, administrative, and supervisory employees who are not in bargaining units shall receive the same health and welfare benefits as those specified in the collective bargaining agreement for certificated employees. Classified management, administrative, and supervisory employees who are not in bargaining units shall receive the same health and welfare benefits as those specified in the collective bargaining agreement for classified employees.

For purposes of granting benefits, a registered domestic partner and the registered domestic partner's child shall have the same rights, protections, and benefits as a spouse and spouse's child. (Family Code 297.5, 300)

The SBCEO shall offer full-time employees who work an average of 35 hours or more per week and their dependents up to age 26 years a health insurance plan that includes coverage for essential health benefits, pays at least 60 percent of the medical expenses covered under the terms of the plan, and meets all other requirements of the federal Patient Protection and Affordable Care Act.

With respect to eligibility to participate in the health benefits plan or the level of health benefits provided, the SBCEO shall not discriminate in favor of employees who are among the highest paid 25 percent of all SBCEO employees. (26 USC 105; 42 USC 300gg-16)

**Continuation of Coverage**

Retired certificated employees, other employees who would otherwise lose coverage due to a qualifying event specified in law and administrative regulation, and their qualified beneficiaries may continue to participate in the SBCEO’s group health and welfare benefits in accordance with state and federal law.

Unless otherwise provided for in the applicable collective bargaining agreement, covered employees and their qualified beneficiaries may receive continuation coverage by paying the premiums, dues, and other charges, including any increases in premiums, dues, and costs incurred by the SBCEO in administering the program.

**Confidentiality**

ADOPTED BY COUNTY BOARD: May 1, 1980
REVISED: May 7, 1992, April 7, 1994, PENDING
STUDENTS

POLICY – ADMINISTERING MEDICATION AND MONITORING HEALTH CONDITIONS

The County Board believes that regular school attendance is critical to student learning and that students who need to take medication prescribed or ordered for them by their authorized health care providers should have an opportunity to participate in the educational program.

Any medication prescribed for a student with a disability who is qualified to receive services under the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act of 1973 shall be administered in accordance with the student's individualized education program or Section 504 services plan, as applicable.

For the administration of medication to other students during school or school-related activities, the County Superintendent or designee shall develop protocols which shall include options for allowing a parent/guardian to administer medication to their child at school, designate other individuals to do so on the parent/guardian's behalf, and, with the child's authorized health care provider's approval, request the County Education Office's permission for the parent/guardian's child to self-administer a medication or self-monitor and/or self-test for a medical condition. Such processes shall be implemented in a manner that preserves campus security, minimizes instructional interruptions, and promotes student safety and privacy.

The County Superintendent or designee shall make epinephrine auto-injectors available at each school for providing emergency medical aid to any person suffering, or reasonably believed to be suffering, from an anaphylactic reaction. (Education Code 49414)

The County Superintendent or designee shall make naloxone hydrochloride or another opioid antagonist available for emergency medical aid to any person suffering, or reasonably believed to be suffering, from an opioid overdose. (Education Code 49414.3)

Because of the conflict between state and federal law regarding the legality of medicinal cannabis, the County Board prohibits the administration of medicinal cannabis to students on school grounds by parents/guardians or school personnel.

The County Superintendent or designee shall collaborate with city and county emergency responders, including local public health administrators, to design procedures or measures for addressing an emergency such as a public disaster or epidemic.

Administration of Medication by School Personnel

When allowed by law, medication prescribed to a student by an authorized health care provider may be administered by a school nurse or, when a school nurse or other
medically licensed person is unavailable and the physician has authorized administration of medication by unlicensed personnel for a particular student, by other designated school personnel with appropriate training. School nurses and other designated school personnel shall administer medications to students in accordance with law, board policy, administrative regulation, and, as applicable, the written statement provided by the student's parent/guardian and authorized health care provider. Such personnel shall be afforded appropriate liability protection.

The County Superintendent or designee shall ensure that school personnel designated to administer any medication receive appropriate training and, as necessary, retraining from qualified medical personnel before any medication is administered. At a minimum, the training shall cover how and when such medication should be administered, the recognition of symptoms and treatment, emergency follow-up procedures, and the proper documentation and storage of medication. Such trained, unlicensed designated school personnel shall be supervised by, and provided with immediate communication access to, a school nurse, physician, or other appropriate individual. (Education Code 49414, 49414.3, 49414.5, 49423, 49423.1)

The County Superintendent or designee shall maintain documentation of the training and ongoing supervision, as well as annual written verification of competency of other designated school personnel.

Criteria for consideration in Appeals:

1. (B) add language: The transfer of a student who is the child of an active military parent may not be prohibited.
2. (E) add language: The impacted district(s) must demonstrate in writing that the student’s transfer would result in undue hardship on the district’s resident students in terms of overcrowding and/or would be a violation of district policy or a collective bargaining agreement regarding class size goals.
3. (F) a specialized and specific academic program or service, unavailable in the district of residence, but necessary to the student’s career or academic objectives or academic advancement and not based solely on the student’s interest or desires, or extracurricular activities or athletics.
4. (G) The student’s plan to move in the near future and desire to begin the semester or school year in his or her new school district. The student and his/her parent/guardian must offer written proof of their plan to move into the district of proposed attendance; such written proof may be a rental agreement, a contract to purchase new property, or similar document.
5. (H) Other exceptional or extraordinary circumstances which would weigh heavily in favor of the appellant student or the affected school district. The parent/guardian or school district must specify and describe the type of exceptional or extraordinary circumstances and its effect on the appellant or the resident students of the district.
6. (I) Failure to qualify for any of the above listed criteria shall result in denial of the appeal.
The following documents were presented as is, to the County Board on June 2, 2022.
STUDENTS

POLICY -- INTERDISTRICT ATTENDANCE APPEALS

In accordance with the provisions of California Education Code section 46601, the County Board of Education will consider appeals following the failure or refusal of a school district to issue an inter-district attendance permit or to enter into an agreement allowing inter-district attendance. Any such appeal must be submitted in writing by a person having legal custody of the student denied inter-district attendance and must be filed within thirty (30) calendar days of the failure or refusal of the school district to issue a permit. Failure to appeal within the required time is good cause for denial of the appeal. An appeal shall be accepted only upon verification by the County Superintendent of Schools or designee that appeals within the districts have been exhausted.

Within thirty (30) calendar days of receipt of a written appeal, the County Board of Education will determine whether the student should be permitted to attend in the district in which the student desires to attend and the applicable period of time. The County Superintendent or designee may, for good cause, extend this thirty-day period for an additional five (5) school days if the time requirement for an appeal hearing is impractical for the County Board of Education. Additionally, the County Superintendent or designee may grant a continuance of any applicable time requirement for a specified number of days for any other reason upon good cause shown.

Upon receiving the concurrence of the County Board of Education President, the County Superintendent may assign appeal hearings to one or more administrative panel(s) authorized to conduct hearings on its behalf. The panel(s) must consist of at least three (3) impartial and certificated members appointed by the County Board of Education. No member of the impartial administrative panel(s) shall be a member of the County Board of Education, nor be employed by the school district of residence or the district of desired attendance. The administrative panel(s) shall render a recommendation within three (3) school days after the hearing and the County Board of Education shall render a final decision within ten (10) school days of the administrative panel’s recommendation.

Inter-district transfer appeals may be heard in closed session if necessary, to protect pupil confidentiality, as long as to do so would not violate the Brown Act. The County Board of Education shall deliberate in closed session if the appeal is heard in closed session. In such cases, the decision of the County Board of Education and the vote of each member shall be announced in open session immediately following the closed session.

Families with appeals for multiple children may have the appeals heard separately or as one. The County Board of Education will conduct a separate vote on the appeal of each child.

Adequate notice shall be provided to all parties of the date and time of any hearing scheduled, and of the opportunity to submit written statements and documentation and to be heard on the matter. All written statements and supporting documentation must be
attached to the appeal or the response to the appeal so that the County Board of Education and the parties have ample time to prepare for the appeal hearing. The County Board of Education may, in its discretion, permit parties to present additional written documentation at the time of the hearing. In exercising that discretion the County Board of Education may consider factors that it deems relevant including but not limited to the following: (1) whether the opposing party will be unfairly prejudiced by the late submission of the additional documentation because it will be unable to adequately respond to the additional documentation; (2) the reasons why the party offering the additional documentation did not timely submit that documentation with their appeal or response; and (3) whether acceptance of the additional documentation will unduly delay the hearing on the appeal or the ability of the County Board of Education to timely rule on the merits of the appeal. An appeal may be remanded for further consideration if local remedies at the district level have not been exhausted or new evidence or grounds for request are produced.

The County Board of Education, in its discretion, may decide to limit the time each party has to present their position at the appeal hearing. The parties will be notified in advance of the hearing of any time limit imposed by the County Board of Education.

Each party to the appeal or their counsel may present oral statements to the County Board of Education. Each party may also present the oral statements of witnesses having knowledge of the facts relating to the appeal. The statements of parties and witnesses shall be taken in a narrative form and the parties and witnesses shall not be administered an oath prior to making their statements. No party shall have the right to examine or question the witnesses of the other party. The County Board of Education may do so at its discretion.

The County Superintendent, or designee, shall investigate to determine whether local remedies in the matter have been exhausted and to provide any additional information deemed useful to the County Board of Education in reaching a decision.

Students who are under consideration for expulsion or who have been expelled may not appeal inter-district attendance denials or rescissions while expulsion proceedings are pending, or during the term of the expulsion.

Although the County Board of Education has broad discretion, disposition of inter-district attendance appeals will generally be based upon the presumptions that: (a) the pupil is normally required to attend school in the district of residence of either the parent or the legal guardian; (b) such issues should be settled by the governing boards of the district(s) involved; and (c) only in extraordinary situations would the County Board of Education reverse the decisions of the local school board(s). The County Board of Education’s scope of review of an inter-district appeal includes determining whether the subject school

district(s) acted in compliance with the Education Code regarding inter-district transfers.

The County Board does not conduct the appeal hearing de novo. Instead it acts as an appellate body and examines the record before it to ascertain whether:

(1) The district’s policy was adhered to and consistently applied; and
(2) The district’s decision is supported by substantial evidence;

The County Board grants deference to the decision of governing board and existing district policies where the decision being appealed was made by the governing board and was adequately explained to the parent or guardian and will not override a lawful district policy absent a showing of substantial harm to the student.

In determining whether the appeal presents an extraordinary situation exists that supports a reversal of the decision of the governing board, the County Board may consider the following factors:

(a) A substantial danger to the student’s health or safety. There must be evidence of threats or injuries to the student or evidence that the student’s health, welfare or safety is otherwise in clear, present, and continuing jeopardy or danger at the school of required attendance.
(b) A severe hardship to parents or guardians, which is substantially greater than inconvenience, which would negatively affect the student’s success in school. The parent or guardian must specify and describe the type of hardship in writing.
(c) Continuity of attendance involving situations where a student has been allowed to attend a school in a district of non-residency, but the district alters policy.
(d) The negative financial impact of educating the student (district of desired attendance) or losing the student (district of residence).
(e) Overcrowding/Lack of space for the student in the receiving district, or evidence that the educational goals of the district will be otherwise impaired if it was required to admit the student and similarly situated students.

In applying these factors, the County Board may give them the weight it considers appropriate under the circumstances of each case.

The County Board ordinarily will not consider the following factors in determining whether an extraordinary situation exists:

(a) The academic performance or reputation of a district or school;
(b) Matters of preference or inconvenience to parents, the student, or the students’ siblings caused by the parents’ place of employment, transportation, child care or the availability of after-school options (unless considered under the district’s policy)
that will occur if the student is required to attend school in the student’s district of residence.

The County Board’s discretion is limited to granting or denying an appeal to attend in a particular district and not with regard to an individual school. The inter-district attendance appeal shall be denied unless the majority of all of the members of the County Board of Education (regardless of the number of members hearing the appeal) vote to grant the appeal. Once the County Board of Education has ruled on an appeal, it may not reconsider that ruling at a subsequent meeting.
