DISCUSSION ITEM

3. Salary adjustment for represented employees, non-represented employees, and management employees
   (Attachment)
In 2020, SBCEO settled on negotiated salary increases for all employees, including our two bargaining units: Santa Barbara County Education Association (SBCEA - certificated employees) and California School Employees Association (CSEA - classified employees).

The negotiated salary increases were for a period of 3 fiscal years:
2021-22: +3.5%
2022-23: +1.0%
2023-24: 0%

After 9 years without increases to SBCEO’s Local Control Funding Formula ("flat funded" status), the state modified its funding formula this year. Beginning in 2022-2023, SBCEO will realize an increase in the LCFF base.

SBCEO, SBCEA, and CSEA have drafted Memorandums of Understanding (MOUs) to add an additional 4% for 2022-2023 (retroactive to July 1, 2022) and for 2023-2024. The MOUs are attached and will be included in the board packet in November. We expect to begin negotiations for a new, three-year term sometime in 2023-2024.

SBCEO staff will present the Board Salary Committee with data and information related to 4% increases across all employee groups at SBCEO.

Information will include:
- Memorandums of Understanding (MOUs) with SBCEA and CSEA for salary changes only for 2022-23 and 2023-24
- The cost to SBCEO for the salary increases for 2023-23 and 2023-24
- Recent adjustments made to classified and certificated salary schedules and health benefits
- 2022-23 adjustments for management and assistant superintendent salary schedules
- Comparisons to other county offices of education, school districts, and county positions
