

EPISODE 13

Hi Massimo,

January is a special kind of month at Misericordia. Not only is it the start of the New Year and the Spring semester when our students come back to campus; but, it's also our mascot, Archie's Birthday! Archie turned 37 (in human years); that's 164 in cat years!

[Check out this video](#) of President Dan surprising Archie on his Birthday.

We also celebrated MLK Week by collecting items for the McAuley Market Food Drive! The McAuley Market is a food pantry on our campus that's open to all students, faculty, and staff.

[Take a look at this fun shopping excursion](#) with our President and MU students, Cliff and Allison.

In celebration of MLK Week, we also held a Community March, an Honorary MLK Week Basketball Game, a Dinner & Movie Screening of Til, and hosted Dr. Ilyasah Shabazz who delivered a powerful speech in our theater. Dr. Shabazz is the daughter of Malcolm X & Dr. Betty Shabazz. You can see some of the pics from these events [by clicking here](#).

[Check us out virtually](#) to see everything else that we have going on at MU.

Stay tuned for more fun in the next Happenings@MU email!
