

## EPISODE 14 - MISERICORDIA ♡

Hi Alexandra,

Love was in the air on Misericordia's campus this past February. [Check out this video](#) of Pres. Dan (aka Captain Pink) and our mascot, Archie, as they passed out Valentine's Day treats to MU students and employees!

Have you ever seen a Cougar on ice?

If you come to MU, then you will soon! Misericordia has just announced the addition of Men's Ice Hockey starting in the Fall 2024 semester!

This is just one of the cool new things that are coming to MU in the very near future.

Speaking of cool things on ice, [take a look at this video](#) of

Archie attending the birthday party of Tux, the Wilkes-Barre/Scranton Penguins Team Mascot, at the local Mohegan Sun Arena. Archie stole the show, giving out high fives and hugs all around.

Come to our **Open House on April 22** to see everything else that we have going on at MU. [Click here to register.](#)

Stay tuned for more fun in the next Happenings@MU email!
