

Come play field hockey this spring and summer at our various clinics hosted by our High School Field Hockey Team and Booster Club!

All welcome- Kindergarten through 6th Grade!

www.pioneerfieldhockeyclub.com

We are so excited to offer one clinic each month from April through July. These clinics will be for all skill levels- beginner through advanced. Equipment is available to borrow!

Our first clinic is going to be the weekend of April 14th and 15th. We will hold a 2 day indoor mini clinic for any player kindergarten through 6th grade. Times will be Friday April 14th from 6:30-8pm and Saturday morning from 10am-12noon in the Hans Herr gym. Cost for the clinic will be \$30 a kid.

The annual May clinic will be Monday May 22nd - Thursday May 25th immediately after school. A member of the coaching staff will pick up the players at their elementary schools and escort them to the turf stadium. The clinic will conclude at 5pm each day; pick up will be at the turf stadium. This clinic is for kindergarten through 6th graders. We will learn new skills, play small-sided games, and get into the nitty gritty of the game of field hockey. Cost is \$50 per player.

Finally- our summer tune up clinics are back! We will be hosting two mini tune up clinics- the first will be June 26th, 27th, and 28th from 6:00-7:30pm and the second is July 24th, 25th, and 26th from 6-7:30pm. Cost for each mini clinic will be \$30. Again, these clinics are for any player going into kindergarten through players going into 6th grade. We will focus on skills, drills, games, and fun!

You can register for each clinic on our field hockey website:
