### 2300 Board Member Conduct

#### *2301 Conflict of Interest*

Board members take an oath of public office requiring that they faithfully discharge their duties to the best of their abilities. Board members must act in the District's best interests and avoid any actual or perceived conflict of interest in the performance of their public duties. Board members will not misuse their public office to solicit, accept, obtain, or produce a substantial direct or indirect benefit for themselves or a family member.

A. "Family member" as used in this Policy means that term as defined in Revised School Code Sections 1203 and 634.

B. Statutory Conflict of Interest

1. When a Board member believes or has reason to believe that the Board member has a conflict of interest, as described in Revised School Code Section 1203, as to a contract or other financial transaction that requires Board approval, the Board member will: (a) abstain from voting on the contract or other financial transaction, and (b) disclose the specific conflict of interest. If a majority of Board members are required to abstain from voting under this section, the special quorum and voting rules prescribed in Revised School Code Section 1203 will apply.
2. A Board member is presumed to have a conflict of interest if the Board member or the Board member's family member has a financial interest or a competing financial interest in the contract or other financial transaction or is a District employee.

C. Substantial Conflict of Interest

1. The Board will not enter into a proposed contract in which a Board member or administrator has a substantial conflict of interest.
2. A Board member, like an administrator (see Policy 4201), is prohibited from entering into a proposed contract in which the Board member has a substantial conflict of interest.
3. For purposes of this Policy, a "substantial conflict of interest" means a conflict of interest on the part of a Board member or administrator as to a contract with the District that is of such substance as to induce action on the Board member's or administrator's part to promote the contract for his or her own personal benefit. Excluded from a substantial conflict of interest are the circumstances described in Revised School Code Section 634(5).

D. Contracts of Public Servants with Public Entities

1. Affected Contracts Defined

For purposes of this Policy, an affected contract means a contract between the District and any of the following:

- a. a Board member;
  - b. any firm, meaning a co-partnership or other unincorporated association, of which a Board member is a partner, member, or employee;
  - c. any private corporation in which a Board member is a stockholder owning more than 1% of the total outstanding stock of any class if the stock is not listed on a stock exchange, or stock with a present total market value in excess of \$25,000 if the stock is listed on a stock exchange, or of which a Board member is a director, officer, or employee; or
  - d. any trust of which a Board member is a beneficiary or trustee.
2. Board members will comply with the disclosure and voting abstention requirements of the Contracts of Public Servants with Public Entities Act for affected contracts, unless there is a substantial conflict of interest under Revised School Code Section 634(5) that prohibits the Board from entering into the contract.
  3. A Board member will not do either of the following concerning an affected contract in which that Board member has a direct or indirect financial interest:
    - a. take any part in the negotiation, renegotiation, amendment, or approval of the affected contract; or
    - b. represent either party in the transaction.
  4. Disclosure Requirements - General

Board members will comply with the following disclosure requirements concerning an affected contract. Disclosures will be recorded in the Board's minutes. If a Board member recommends, negotiates, or is authorized to sign a contract on behalf of the District, the disclosure requirements in section E of this Policy also apply.

a. Nominal Benefit or Emergency

If the Board member files a sworn affidavit with the Board attesting that the Board member will directly benefit from the affected contract in an amount less than \$250 and less than 5% of the public cost of the affected contract, or if the affected contract is for emergency repairs or services, the disclosure will be made as follows:

- i. the disclosure may be made less than 7 calendar days before the meeting at which a vote will be taken on the affected contract; and

- ii. the sworn affidavit or grounds to determine the need for an emergency repair or service will be recorded in the Board minutes.

**b. Benefit Equals or Exceeds \$250 But Does Not Exceed \$5,000**

If a Board member will directly benefit from the affected contract in an amount equal to or exceeding \$250 (but not more than \$5,000) or equal to or more than 5% of the public cost of the affected contract, and if the affected contract is not for emergency repairs or services, the disclosure will be made in either of the following ways:

- i. at least 7 calendar days before the meeting at which a vote will be taken on the affected contract, the Board member will promptly disclose in writing the financial interest in the affected contract to the President (or other presiding officer), or to the Secretary if the President is the Board member that will directly benefit from the affected contract. This disclosure will be made public in the same manner as a public meeting notice; or
- ii. the Board member will disclose the financial interest at a public meeting of the Board; provided that the vote on the affected contract will be taken at a subsequent Board meeting held at least 7 calendar days after the meeting at which the disclosure is made.

**c. Benefit Exceeds \$5,000**

If the amount of the direct benefit to the Board member is more than \$5,000, disclosure must be made at a public meeting of the Board and the vote on the affected contract will be taken at a subsequent public Board meeting held at least 7 calendar days after the meeting at which the disclosure is first made.

**5. Abstention Requirements**

A Board member must abstain from voting on an affected contract in which the Board member has a financial interest.

**E. Additional Disclosure Requirements – Recommendation, Negotiation, or Authorized Signatory**

- 1. If a Board member, administrator, or employee (see Policy 4201) who recommends, negotiates, or is authorized to sign a contract on behalf of the District is employed by or under contract with a business enterprise with which the Board is considering entering into a contract, or the Board member, administrator, or employee knows that he or she has a family member who has an ownership interest in or is employed by a business enterprise with which the District is considering entering into a contract, the Board member, administrator, or employee must disclose this fact to the Board at a public meeting of the Board before the Board enters into the contract.

2. If the Board receives a disclosure described in section E.1 of this Policy or in Policy 4201, the Board must vote at a public meeting of the Board whether it considers the relationship described in the disclosure to be a conflict of interest and must not enter into the contract without first voting at a public meeting of the Board to enter into the contract.

#### **F. Incompatible Public Office**

A Board member will not hold 2 or more incompatible public offices, as defined by Michigan law.
