Agenda Detail

- 5. Ms. Fuller is being recommended to be recalled from the recall list to a special education aide position that exceeds the 3 hours she was reduced from at the June 11, 2018 Board of Education meeting. While the Collective Bargaining Agreement does not allow an employee to be recalled to a position with more hours, Ms. Fuller went through the bid process detailed in the Collective Bargaining Agreement for this position. As a result of being awarded this position through the bid process, the board has met its obligations in recalling her to her original three hours.
