

# FAMILY TALK: What's Happening To Me?

A fun guided  
conversation for  
families with children  
in 4th, 5th & 6 grades!

Private Online Webinar!  
**Monday, April 3**  
**at 6:00pm - 7:30pm**

Family Talk: What's Happening To Me? is a 90 minute guided conversation about bodies, and the changes that happen to them during puberty. Families will engage via anonymous chats, polls, and short private talks with each other. This talk can be the foundation of subsequent conversations about sexual health and promotes comfort, connection, and confidence between children and their trusted adult/s.
