# DOLLAR BILL KIDS CLUB

## Learn. Save. Grow.

Teaching Financial Literacy through  
Community, Relationships and Fun.

## Central Bank

Strong roots. Endless possibilities.™

Member FDIC

## DOLLAR BILL DAY

Learn to save, and have fun doing it!

Club members learn the basics of banking through Dollar Bill Day.

The 3rd Friday and Saturday of the month, club members can stop by any of our participating branches to deposit money into their account. Members will receive an activity sheet and a prize for making deposits into their savings account.

This gives children a chance to meet bank staff and develop relationships with people in their community.

## The Benefits of Saving Early

Opening a savings account at a young age not only teaches children how to save money, but also the basics of banking.

Saving now will create long-term habits that will send your child off into a financially responsible future. The best financial lessons come from every day life. Look for opportunities to talk about money with your kids throughout the day, and turn to your local bankers whenever you have questions.

## HOW TO JOIN

To join the Dollar Bill Kids Club, children ages 17 and under must enroll in a Youth Savings Account with a minimum deposit of \$25.00.
