Attendance

TRAVELING TO AND FROM SCHOOL

As a student at Oak you are expected to behave in a responsible manner on the way to and from school. You are expected to report directly to school after leaving home in the morning. **Parents please do not drop off students at CVS or Starbucks before School.** You are to report home after school is dismissed, unless otherwise directed by your parent/guardian or if you are participating in approved after school activities. **School rules and behavioral guidelines apply to you on your way to school as well as on your way home (including on the bus.)** If you ride a bicycle, scooter or skateboard, you are expected to ride on the right side of the street, use the designated crosswalks, and observe all rules of the road and safe bicycling procedures. Loitering (hanging out) on campus, on the outskirts of campus, in the street, or in surrounding neighborhoods is not allowed. Oak students are expected to wear and buckle bicycle helmets to and from school. If helmets are not worn, you will not be allowed to ride to or from school. **Students must leave campus immediately following dismissal unless participating in a school approved activity.**

ATTENDANCE / ABSENCE

Regular attendance is vital to a student's success in school. A student who is absent misses direct instruction that cannot be made up even though written work may be completed. The ONLY excused absences are those resulting from illness, medical/dental appointments, or death in the immediate family. ALL other absences are considered unexcused. Teachers are not required to provide homework, extend deadlines, or allow make-up work for students with unexcused absences. **Students who are absent from classes due to illness are not permitted to return to school on the same day for after school or extra-curricular events.**

When a student is absent, parents are required to call the attendance clerk (799-4740 Ext. 76001) on the day of the absence. If the absence is not verified by telephone, the student is to bring a note to the attendance clerk upon returning to school, signed by a parent, which includes the date(s) of the absence, reason for the absence, student's name, and grade. Absences will be considered unexcused if they have not been cleared within 3 school days. **Students who arrive late to school must bring a note for clearance or they will receive a detention.** If you have questions, please call 799-4740, ext. 76106 Monday-Friday from 7:30-4:00. Requests may be made for homework for absences due to illness for 3 days or more. Extended absences need to be reported by phone call, in writing, or in person to the attendance office. Emails are accepted for clearing absences. Please note that we encourage students to attend school each day. **Poor attendance will result in referrals to the State Attendance Review Team (SART), State Attendance Review Board (SARB) and/or revocation of inter-district permit.**

ARRIVE TO SCHOOL ON TIME

The first bell rings at Oak at 8:45 a.m. Students should be in class ready to learn by 8:50 a.m. Student supervision begins at 8:30 a.m. **Students are not to arrive on campus prior to that time unless they have a 0 period class, are involved in a school activity, or under the supervision of school personnel.**

TARDY POLICY

Students are expected to be on time to school and to each class. Tardiness will be excused only in the event of illness, and medical/dental appointments. Excused tardies must be verified by the parent in person, with a note, or by phone. Oversleeping, missing the bus, traffic, and completing homework are not excused tardies. Students who arrive to school after 8:50 a.m. must sign in at the attendance office. Detention will be given to students who are late to school or class without a valid reason. Excessive tardies will result in further disciplinary consequences.

TRUANCY

According to the Education Code of the State of California, any pupil who is absent from school without a valid excuse, or tardy in excess of 30 minutes on each of more than three days in one school year, is truant and shall be reported to the administration. Students who are truant are assigned detention or Saturday School. The following are considered truanancies: 1) Absence from school without the knowledge and consent of the parent; 2) Absence from school without a valid excuse; 3) Leaving school grounds during the day without permission, and 4) Staying out of class without permission.

HOMEWORK REQUESTS

Students are given the opportunity to make up schoolwork missed because of excused absences. Full credit is given if the work is returned promptly to the teacher. **It is the responsibility of the student to check the Google Classroom, or get make up work from the teachers upon returning to school.** Teacher web pages and Aeries (ABI) are good resources for this. Parents may make a request for homework in the event of anticipated extended absences by calling the attendance office before 9:00 a.m. (799-4740 ext. 76106). **Homework requests made before 12:00 p.m. will be ready for pickup on the following day between 3:30 p.m. and 4:00 p.m.** If a student is absent for fewer than three days, the student should keep up with assignments by calling a "Homework Buddy" or by checking teachers' web pages.

LEAVING DURING THE SCHOOL DAY

A parent or another adult listed on the Emergency Card MUST sign a student out at the attendance office before the student can be released from school/class. All adults listed on the emergency card must be 18 years or older and provide valid identification. **Students may not sign themselves out of school for any reason, even if a parent gives verbal or written permission.** Students will meet the adult in the attendance office for pick up.

FORGOTTEN MATERIALS

It is the students' responsibility to remember all books, lunches, and assignments. Students may not make phone calls from the office to have parents bring forgotten items. **In an emergency,** parents may leave items in the attendance office for students to pick up during a passing period or lunch. **No deliveries will be made to students during instructional time.**

INDEPENDENT STUDY

In the event that a family (and therefore a student) is required to travel and/or take leave during the school year in excess of five (5) days, the school can provide an independent study contract to the student. The independent study contract will ensure that a student continues to make progress towards grade level content during their extended break. If you are considering an extended leave during the school year, please contact the attendance office **at least 2 weeks before your scheduled departure** so that arrangements can be made.

Health / Emergency Information

HEALTH

Students who appear ill or have a rash should not be sent to school. If a child has had a fever, they should be kept home for at least 24 hours after the temperature has returned to normal. Students who become ill or injured at school will be isolated from others as soon as the accident or illness is noted. Your child will be sent home from school if they have a fever while at school. In case of accident or illness at school, a qualified person will administer first aid and the parents will be notified. Except for first aid at the time of a school injury, the health office staff cannot treat chronic or severe injuries. If it is necessary for a student to go home because of an illness or injury, it will be the responsibility of the parent or guardian to pick up the child from school as soon as possible. In the case of long-term medical problems, a

credentialed school nurse (CSN) is available to coordinate the support of students with chronic or long-term health issues. The CSN also arranges for hearing and vision screening necessary for the health of all children. These state mandated screenings are scheduled periodically throughout the year for designated grade levels. The credentialed school nurse also serves as a consultant to parents, teachers and administrators in regards to the health needs of the children.

FOOD ALLERGIES

Please be aware there are students with life-threatening food allergies. We have peanut and fish free tables in the lunch areas. Students bringing any peanut or nut products are encouraged to use hand wipes after eating. Parents may not bring treats to classrooms. We appreciate your cooperation in our endeavor to keep all students safe.

Students with special diets requiring reasonable accommodations in the cafeteria due to a disability or medical condition are required to submit a Medical Statement to Request Special Meals (found in the menu page/tab). For more information, please go to the Food Services website or call (562) 799-4592 x81115.

COMMUNICABLE DISEASE CONTROL

Parents are urged to adhere to the California Health and Safety Codes. IT IS THE RESPONSIBILITY OF THE PARENT TO NOTIFY THE SCHOOL IMMEDIATELY WHEN A COMMUNICABLE DISEASE IS SUSPECTED OR DIAGNOSED. This is an important step in the control of disease. Examples of infectious conditions, which should be reported immediately, are head lice, chicken pox, measles, mumps, pertussis and impetigo.

READMISSION FOLLOWING COMMUNICABLE ILLNESS –The school office must clear children before being allowed to re-enter the classroom.

LICE – Head lice do not transmit disease, but they are a nuisance. Parents can find it upsetting to learn that their child or a classmate has become infested with lice, but having head lice is a fairly common problem and has nothing to do with hygiene or good parenting. In fact, good health and hygiene habits or a clean house or school, have nothing to do with getting head lice. If you or your child has head lice, it is important to treat right away. If you discover that your child has head lice, please notify the school health office. If your child has live lice, please do not send them to school. Treat their hair with a pediculicide (products like RID, NIX or Ovide) and notify the school. Your student may attend school after being treated. Ongoing daily nit removal at home is expected. Home treatment guidelines and resources can be obtained on the California Department of Public Health website or from your school health office. Please call the health office if you have any questions or concerns. The Health office will discretely monitor students with a recent case for 1-2 weeks following and until occurrence has cleared.

ILLNESS AT SCHOOL

Any student feeling ill should inform the teacher and ask for a pass to the office. Students feeling weak or faint will be accompanied to the office. If it appears that students are going to require longer than a 15-minute rest, the parents will be contacted and asked to come and pick up their child so they can receive proper care at home under adult supervision. No student will be allowed to remain in school with a fever or any contagious disease. If your student shows symptoms of illness during the night, please keep him/her home from school. Students who stay home at the onset of illness recuperate faster and miss fewer days of school overall. When the body is trying to fight an illness, it is more likely to pick up other germs and remain sick for a longer period of time. Everyone enjoys better health when the number of sick people that others are exposed to is reduced. Throughout the year, students are frequently exposed to upper respiratory infections and other illnesses. Your child should not be sent to school or will be sent home if the following are present:

1. A temperature of 100° or above (orally) or 99° or above (under the arm) within the last 24 hours.
2. Vomiting (2 or more times in a 24-hour period, or with associated fever and illness).
3. Diarrhea when unable to contain watery stools in the toilet until condition resolves. If child wears a diaper must not be in school with watery stools, increased frequency and when associated with fever and behavior changes that indicate illness.
4. Red eyes with purulent (whitish/yellow mucus) eye drainage. A child may return to school when the eyes are clear and/or there is a note from the doctor indicating that the condition is non-infectious or that treatment has begun.
5. A rash. A child may return to school when the rash has cleared or there is a note from the doctor indicating that the condition is not contagious or that appropriate treatment has begun. Some rashes will need to be covered at school even after treatment.
6. Head lice. Request "[Parent Guidelines for Treating Head Lice](#)" from the office. Parents are expected to treat their child's head the same day, and students will be checked the following day and monitored for 1-2 weeks following or until occurrence has cleared.

If your child complains of feeling ill or seems "not themselves," please keep them home. You can observe your child and contact your family physician if the symptoms do not subside.

INJURY OR ACCIDENT AT SCHOOL

Every effort is made to provide for your child's safety and comfort at school. If your child should have an accident or injury at school, first aid will be given immediately to make the child as comfortable as possible. If an injury is more serious than a simple bruise or scrape, parents will be called. It is, therefore, extremely important that current Emergency Contact phone numbers are up-to-date in Aeries and/or on file in the school office. **Please update the school office if this information changes mid-school year.** If parents are unavailable in the event of an emergency paramedics will be called.

MEDICATION

The following information related to the administration of medication in the Los Alamitos Unified School District in accordance with California Education Code (Sec. 49423). Medical treatment is the responsibility of the parent and the physician. Medications are rarely given in school. The only exceptions involve special or serious problems where it is deemed absolutely necessary to give the medication during school hours, and where it is not possible for the parent to administer it to their child. Consequently, the parent is urged, with the help of the physician, to work out a schedule of giving medication outside school hours. The school nurse serves all the district schools and is not available every day to administer medication to every child who must receive it. Therefore, the school office staff (clerks, secretary, or principal) might be the person to administer it. They cannot be expected to assume this responsibility unless it is necessary.

*****All medications must be kept in the Health Office. This includes over-the-counter medication such as aspirin and cough drops. No medication will be dispensed without proper release forms that can be obtained from the office.**

In order for school staff to administer any medication (prescription or over-the-counter) to any student, specific orders must be written and signed by your child's physician on the "Physician's Request for Administration of Medication" form which is available at the school or on-line. This request must clearly specify the name of the medication, the reason for the medication, dose to be given, and the time it is to be administered. Whenever the medication, the dosage, or the time to administer is changed, a

new form is required. Additionally, a signed agreement from the parent section (at the top of the page) is also required. You are strongly advised to teach your child to assume responsibility for coming to the health office to receive the medication at the appropriate time. Medication should be delivered to the school and taken home by the parent or responsible adult. Medication must be in an original prescription container, properly labeled by the pharmacist with the child's name, doctor's name, name of the medication, dosage, time or administration, and route (such as oral, topical or other site for administration). You may request two containers from the pharmacist, one for school and one for home. If a child gets more than one type of medication, each type must be in a separately labeled container. We cannot accept envelopes, zip-lock bags or other types of containers. The parent is responsible for cutting pills in half. Children may not carry their own medications on campus. Please do not send pills, cough syrup, or any other medicine in your child's lunch.

HEALTH SERVICES

The Health Services Department for the Los Alamitos Unified School District consists of two credentialed school nurses (CSN) who share responsibility for all students in the district, and part-time school-based licensed and unlicensed health office staff members. The CSNs oversee the operation of the Health Offices at each school site and work to standardize health practices in the district. They serve as consultants to parents, teachers and administrators concerning the health needs of all students and coordinate state mandated screenings of Hearing and Vision. The screenings are scheduled periodically throughout the year for designated grade levels.

Health office clerks and LVNs maintain current training in CPR and first aid. They take care of health records, medication administration and minor injuries that may occur during school hours. In case of an accident or illness at school, a qualified person, such as the health clerk or the front office staff, will administer first aid and the parents will be notified. Except for first aid at the time of a school injury, the health clerk cannot treat, diagnose or provide on-going medical care for chronic or severe injuries or conditions. Please seek the advice of a medical doctor for this.

If it is necessary for a student to go home because of an illness or injury, it will be the responsibility of the parent or guardian to pick the child up from school as soon as possible.

Medication should be taken at home with parent supervision whenever possible. Prescriptive and non-prescriptive medication may be taken at school only under supervision of school personnel. Parents must deliver medication to the health office in the original container. **UNDER CALIFORNIA LAW, A MEDICATION FORM WHICH INCLUDES DOSAGE INSTRUCTIONS MUST BE COMPLETED BY THE PARENT AND THE PHYSICIAN BEFORE ANY MEDICATION CAN BE ADMINISTERED AT SCHOOL.** These forms are available in the health office.

CHANGE OF ADDRESS OR TELEPHONE

It is very important that parents report any change of address, telephone number and email. It is imperative that we have up-to-date numbers in case of illness or emergency. If you move or change your number or email, please contact the Main Office.

EMERGENCY PREPAREDNESS

Oak has a complete emergency plan. Staff members have been trained in first aid, search and rescue, student safety, and procedures for releasing students. Teachers have established personal home management plans and are prepared to stay on campus for as long as their assistance is needed. The District Emergency Preparedness Plan states: If conditions appear safe at the end of the students' regular school day, they will be sent home in their normal manner. If conditions are not considered safe, students will be held until a responsible adult can pick them

up. The adult taking the student will sign the student out and will indicate the departure time and location where they are going.

FIRE / EARTHQUAKE / MAJOR DISASTER

Always stay calm and follow your teacher's instructions. Should the fire drill, earthquake, or emergency occur before school, during passing periods, at lunch, or after school, follow the guidelines:

Before school: Go to first period teacher's area.

Passing period: Go back to the last class attended.

Lunch: 6th gr. to fourth period teacher's area

7th/8th gr. to 5th period teacher's area

After school: Go to seventh period teacher's area.

ID CARDS

All students are provided an Oak Middle School ID card **which must be carried with them at all times.** If lost or defaced, the replacement cost is \$5.00. These cards are required to use to check out books or for use in the media center, to determine if students may take the bus, and to purchase lunch and snacks. These cards are also used to check out equipment at lunch. Upon the request of school personnel, students are required to present their ID card.

REPORT CARDS / PROGRESS REPORTS

Progress reports will be available every six weeks and can be viewed on Aeries for the 2022-2023 school year

RETENTION

Grade 8 students with more than two semester F's in any core academic class (English, Reading, Social Science, Math or Science) may not be allowed to participate in 8th grade end of the year activities.

In the spring of 1999, the LAUSD, Board of Education adopted a Student Promotion/Retention Policy, as mandated by the state legislature (AB 1626/AB 1693). The intent of the legislation is to ensure that students meet essential grade level standards before being promoted to the next grade. Students must progress through the grade levels by demonstrating growth in learning and meeting grade-level standards of expected student achievement. At the end of the first semester, students who have received an "F" grade in any core academic class (English, Social Science, Math, Science or Reading) will receive a remediation plan that may include opportunities for additional instruction and learning time. Failure to make adequate progress toward remediation plan may result in a loss of 8th grade promotion and activities.

PROMOTION TO NINTH GRADE

At the end of eighth grade, the student's educational career is not complete. Therefore, it is appropriate to consider the move to high school as a promotion rather than a "graduation". The privilege to participate in special activities is earned. **Students must maintain academic, behavior, attendance standards, return all books, and pay any outstanding fines in order to participate. Students may be excluded for repeated misbehavior, suspension, poor attendance, or academic failure.** The attire for the promotion ceremony must comply with school dress code guidelines. **STUDENTS SHOULD NOT WEAR JEANS/SHORTS, T-SHIRTS, FORMAL GOWNS OR TUXEDOS, BACKLESS, STRAPLESS, LOW-CUT, OR HALTER DRESSES.**

DEMERITS / EIGHTH GRADE END OF YEAR ACTIVITIES

Oak school assigns students demerits for unsatisfactory behavior as evidenced by:

Consequence

<u>Consequence</u>	<u>Demerit</u>
Detention	1
2 Hr. Saturday School	2
4 Hr. Saturday School	3
"N" in Citizenship (on progress or grade report)	1
"U" in Citizenship (on progress or grade report)	3
Suspension	3-5

Students are unable to work off demerits. Second semester demerits will affect participation in end of the year activities and assemblies. Eighth grade students with 10 or more demerits at the end of the year are excluded from participation in all eighth grade activities, excluding promotion, providing the student has successfully passed his/her classes. Suspensions may also result in being excluded from participating in 8th grade activities including promotion.

SCHEDULE / CLASS CHANGES

If you and your child have a concern about a particular class or teacher, the first step is to address the issue with the teacher. If questions or concerns remain, the next step is to contact the counseling office to discuss the problem or schedule a meeting. It is our policy to schedule a meeting including the parent, student, counselor, and teacher prior to any change being instituted. Please contact Ms. Reynolds, our school counselor, at (562) 799-4740 ext. 76103.

STUDENT ASSISTANCE

Sometimes students may feel they need advice or help in dealing with a difficult situation. When this happens, it is important they seek out a trusted adult. Parents, relatives, or a close adult friend are good sources of help for a student. At school, students may fill out a green slip to see an administrator or counselor, or to speak to a teacher or other member of the school staff. Green slips and additional resources are available in our main office. Students may also visit The Den in Room 33 before school, during school and after school for brief counseling or to use self-care tools.

STUDENT ACTIVITIES

ACTIVITIES

Oak Middle School is your school – get involved! The qualifications for participation in school activities are interest and enthusiasm. There are dances, lunchtime activities, intramural sports, and clubs. Information concerning school activities is announced in the daily announcements.

- CLUBS – Interest clubs meet during lunch, before, or after school under the direction of Oak staff. Listen to the morning announcements for sign-ups and meeting dates.
- DANCES – Students attending dances must arrive promptly at the start time and remain at the dance the entire time. Students are required to bring school identification cards and a signed dance ticket. The school dress code applies.
*Students who do not attend school due to personal business or illness on the day of a dance may not attend the dance.
- INTRAMURAL SPORTS – Intramural sports are played during lunch period. Each sports competition is announced in the daily student bulletin.

Students not meeting citizenship or academic requirements, including not maintaining passing grades or having incomplete assignments, may be excluded from extra-curricular activities.

PARENT INVOLVEMENT

Several parent organizations and committees, such as PTA and School Site Council, provide valuable volunteer time, financial support, and advice for the overall improvement of our school. School effectiveness is positively impacted by regular parent participation. Meetings are publicized weekly in the Lions Roar. The Lions Roar is a weekly newsletter that is sent electronically every Sunday at 7:00 pm. Parents please make sure your email is current.

It is required by law that parents volunteering in classrooms at least once a month present a certificate of being free of active tuberculosis. Please bring in a copy of your TB clearance to the main office. Parents are welcome at school. As a courtesy, such visits should be planned 24 hours in advance with the teacher or the office. This will assist in providing minimal interruption to the instructional program. Observations must be arranged in advance and cannot last longer than 30 minutes. To ensure the safety of our students, all visitors are required to check in through the attendance office before proceeding to a classroom. All parents must have a valid driver's license and or California ID.

Oak is a GREEN campus and we expect all of our students to support our recycle program by properly sorting their waste.

Students may possess cell phones at school but their use, including checking the time and taking photographs, is prohibited once they enter the campus until the end of the school day. **Cell phones must be turned off and are not to be seen, used, or heard during school hours unless authorized by a staff member for a specific instructional task. CLASSROOM BEHAVIOR PLANS

Each teacher has a behavior management plan and rules for his/her classroom. His/her plans reflect the overall school plan listed in this manual. Teachers will review their plan during the first week of school and have it posted in the room throughout the school year. Make sure that you read it and understand it; if you have questions ask your teacher. This plan will be shared with parents at Back-to-School Night.

CLOSED CAMPUS

Oak Middle School is a closed campus, and students may not leave the campus once they arrive until the school day ends. Students may only leave campus if they are signed out by a parent or an adult designated by a parent or legal guardian that is in Aeries. Lunch passes are not issued at Oak. Also, please do not bring lunch for your student and ask them to meet you at the gate at lunchtime. For safety purposes, please bring the lunch to the attendance office and we will make sure they receive it. **ALL visitors must be cleared by the main office to be on the school grounds during school hours.**

CONSEQUENCES

The following consequences may occur if you make a negative choice that violates the rights of others, threatens the safety of students, staff or property, or violates school standards and/or education code requirements:

1. **Counseling** – A student discusses his/her behavior with a teacher and/or administrator. The focus of counseling is to assist students to identify more appropriate choices and realize what future consequences could occur.
2. **Loss of Privileges/Logical Consequences** – Students may lose school privileges such as eating in the lunch area or participation in school/class activities. A student who litters may be assigned clean-up duties in addition to losing privileges, etc.
3. **Detention** – Students may be required to remain at school after the normal dismissal time (See Detention section).
4. **Saturday School** – Truancy, leaving campus without permission, inappropriate or dangerous behavior, failure to serve a detention, or excessive unexcused absences or tardies will result in assignment to Saturday School. Saturday School is held from 8 a.m. to 12 noon on

designated Saturdays. A student will be suspended if he/she fails to serve a Saturday School consequence.

5. **Parent/Teacher/Administrator Conferences** – Students demonstrating severe behaviors or repeated behavior challenges may be directed to attend a meeting with teachers, parents, and/or administrators to discuss their choices and future actions.
6. **Referral to another teacher's classroom** – Students who misbehave and keep other students from learning may be assigned to another teacher's classroom or the office.
7. **On-Campus Suspension** – When a teacher or administrator views a student's behavioral choice to be distracting, dangerous, or willfully disobedient, yet does not see it as being severe enough for formal suspension, a student may be suspended from the classroom for a class period or the remainder of that day.
8. **Formal Suspension** – (See further description on pg. 11).
9. **Expulsion** – Students may be recommended for expulsion from the district when their behavior threatens the health, safety and welfare of others as well as for other reasons defined in the California Education Code. This recommendation must be acted upon by the District Board of Education prior to being administered as a consequence.

The above consequences are not in a priority order. Generally, a student will progress through these in this order. More severe repeated behavior violations will primarily result in removal from the classroom to another teacher's classroom or to the office. All negative consequences and sanctions are preceded by counseling and discussion with the teacher or administrator as well as parent contacts.

DETENTIONS

A school-wide after school detention system reinforces our high standards of behavior and helps students accept responsibility for their decisions. A detention will be issued for the following infractions:

- Unexcused tardies
- Inappropriate, vulgar, or profane language

- Playing on the stair case rails

Students must report to detention on time with the parent-signed detention form. Students who are absent on the day they are to serve an assigned detention will be expected to make-up this detention upon their return. A student who does not serve an assigned detention may not participate in that day's extra-curricular activities, including dances, sports, or special events. Failure to serve two school-wide detentions will result in a two-hour Saturday School.

FAMILIARITY

Students must refrain from familiar contact at school, such as kissing, hugging, etc. Parents will be notified in cases when students violate this rule and a consequence will be issued.

The Los Alamitos Unified School District shall comply with all state and federal laws and regulations. The district shall follow uniform complaint procedures when addressing complaints alleging unlawful discrimination based on ethnic group identification, religion, age, gender, sexual orientation, sex, race, ancestry, national origin, color, or physical or mental disability in any program or activity that receives or benefits from state financial assistance. Uniform complaint procedures (as set forth in California Code of Regulations, Title 5, Sections 4600-4671) shall also be used when addressing complaints alleging failure to comply with state and/or federal law in: adult education, consolidated categorical aid programs, migrant education, vocational education, child care and development programs, child nutrition programs and special education programs. The Board encourages the early, informal resolution of complaints at the site level whenever possible. The Board recognizes that a neutral mediator can often suggest an early compromise that is agreeable to all parties in a dispute. In accordance with uniform complaint procedures, whenever all parties to a complaint agree to try resolving their problem through mediation, the Superintendent or designee shall initiate a mediation. The Superintendent or designee shall ensure that mediation results are consistent with state and federal laws and regulations. The Board prohibits retaliation in any form for the participation in a complaint procedure, including but not limited to the filing of a complaint or the reporting of instances of discrimination. Such participation shall not in any way affect the status, grades, or work assignments of the complainant. The Board acknowledges and respects student and employee rights to privacy. Discrimination complaints shall be investigated in a manner that protects the confidentiality of the parties and the facts. This includes keeping the identity of the complainant confidential except to the extent necessary to carry out the investigation or proceedings, as determined by the Superintendent or designee on a case-by-case basis. A complaint shall be filed with the Assistant Superintendent of Instructional Services who will then refer it to

the staff member responsible for the program(s) in question. This staff member shall be knowledgeable about the laws and/or program in question.

VOLUNTARY DRUG TESTING

The L.A.U.S.D. Voluntary Drug Testing Program is designed to support students in a positive manner by enlisting the aid of the parents/guardians to help their children overcome peer pressure. Stating to their peers that they are involved in a voluntary drug testing program gives them the power to say “no” without experiencing the peer pressure that is normally associated with the use of these illegal substances. Drug testing is a proven form of deterrence. This program is not designed to keep students out of athletics or other school activities. **No school administrators, teachers, law enforcement or coaches will have knowledge of the test results. All results are kept strictly confidential.** Any problem or positive test result will be resolved between the parent and student. A form to designate parents’ choice of participation in the program along with additional information is issued to all students during their enrollment procedures

DRUG CANINE DETECTION

To deter students from bringing illegal substances to campus, Oak Middle School will utilize detection canines to detect the presence of contraband on campus. They will specifically be used in communal areas, classrooms, and lockers. The detection canine searches will be random and the canine will not be used to search students. The detection canines are very friendly, non-aggressive retrieving breeds. They are trained to discriminate specific “scents” of contraband items and passively indicate the area where the scent is detected. If an illegal substance is detected and found, appropriate disciplinary action will be initiated. The goal of this program is to deter unwanted contraband on campus and provide a school atmosphere that is conducive to learning while minimizing the safety and security concerns associated with the presence of illegal narcotics, alcohol, weapons and prescription medications.

PLEASE UNDERSTAND THAT DUE TO THE UNCERTAINTY OF POSSIBLE GUIDELINES AND RESTRICTIONS FROM COVID-19 ALL ACTIVITIES AND EVENTS ARE SUBJECT TO CHANGE.
