**VII. Administrative Items**

**B. Action Consent Items**

- 1. ESC of NE Ohio (Capstone Academy) Contract:** The contract being recommended for approval will allow for a student to receive extended school year services through Capstone Academy, per the student's individual education program (IEP).
- 2. 2021-2022 Ohio Student Accident Insurance Program:** The Ohio Student Accident Insurance Program being recommended for approval will allow our district to continue to offer student accident insurance to parent/guardians(s) at a cost to the parent/guardian(s), not the school district.
- 3. Revised 2020-2021 School Year Calendar:** The revised 2020-2021 school year calendar being recommended for approval is to reflect that April 16 is a high school student day for only those participating in Algebra I and Geometry testing.
- 4. Educational Service Center of Medina County Agreement:** The Educational Service Center of Medina County 2021-2022 County Service Agreement being recommended for approval details the services our school district will purchase from the ESC of

Medina County for the 2021-2022 school year. Changes for next year, when compared to this year's agreement, include the following:

- Addition of hours for a behavioral technician to meet student needs (1,260 to 2,700 hours);
- Addition in the number of hours for English as a second language services to meet student needs (660 to 950 hours);
- Decrease in the hours of special education aide services (3,000 to 2,400 hours);
- Addition in the number of hours for reading specialist services to meet student needs (138 to 450 hours); and
- Increasing the elementary gifted teacher from part-time to full-time, per Goal #2 in the Curriculum/Instruction/Assessment section of the Wadsworth City School District 2021-2025 Strategic Plan.

The overall cost for services for the 2021-2022 school year will increase from \$503,884.00 to \$631,338.00. (This comparison is made between the original service agreement approved by the board of education on April 13, 2020 and does not include the addendums to the agreement that were approved during the 2020-2021 school year to increase services due to student need that are reflected in the new 2021-2022 service agreement.)

- 5. Cavanaugh Photography Service Agreement:** The School Photography Service Agreement between Cavanaugh Photography and the Wadsworth City School District Board of Education for the period of July 1, 2021 through June 30, 2022 being recommended for approval will allow Cavanaugh Photography to provide our families with school pictures and yearbooks (excluding the high school yearbook) during the 2021-2022 school year.
- 6. Board of Education Policy Revisions:** The revisions to Wadsworth City School District Board of Education policies being recommended for a second reading and approval are in response to changes in state or federal law or best practices.
- 7. Reduction in Student Instruction Hours for the 2020-2021 School Year:** The reduction in student instruction hours for the 2020-2021 school year being recommended for approval is necessary to officially adjust the board-approved 2020-2021 school calendar to account for the days without student instruction. Even with the reduction in instruction hours, we are well above the minimum number of instruction hours required in a school year by Ohio Revised Code (see chart on the following page). The required hours are as follows:

| <u>Grade Levels:</u> | <u>Hours:</u> |
|----------------------|---------------|
| K-6                  | 910           |
| 7-12                 | 1,001         |

What is allowed to "count" toward hours of instruction is defined by Ohio Revised Code and is summarized in [guidance](#) provided by the Ohio Department of Education. Each elementary school has a building schedule that is a little different. As a result, total hours of instruction vary by building, and in some cases, by grade level as well.

# ACCIDENT INSURANCE PLANS

## for all students and athletes

---

**SCHOOL-TIME STUDENT ACCIDENT COVERAGE:** Helps protect your students the entire school year, during regular school sessions, as well as participating in other school-sponsored activities requiring the attendance of the student. Also provides protection for your students while traveling directly to or from the student's Residence and school to attend or participate in school activities. The expiration date of coverage shall be the close of the regular nine month school term, except while the Insured is attending academic classroom sessions exclusively sponsored and solely supervised by the school during the summer.

**24-HOUR-A-DAY ACCIDENT COVERAGE:** Provides protection for your students 24-hours-a-day, year-round and continues until the end of the Policy Year. The student is protected AT HOME, AT SCHOOL, AT CAMP, ON VACATION. . . ANYWHERE ACCIDENTS CAN HAPPEN.

**SPORTS ACCIDENT COVERAGE:** Interscholastic sports (including practice) are covered by the School-Time and 24-Hour-A-Day Accident Coverage. Travel is also covered when going directly and uninterruptedly to and from practice or competition when traveling as a group in a Designated Vehicle. High school tackle football for grades 10 through 12 (including grade 9 if playing or practicing with grades 10 through 12) is only covered by the optional Football Only Accident Coverage, which requires an additional premium.

**FOOTBALL ONLY ACCIDENT COVERAGE:** Players in Grades 10 through 12 (including grade 9 if playing or practicing with grades 10 through 12) are covered for accidents occurring while participating in high school interscholastic tackle football practice or competition. Travel is also covered when going directly and uninterruptedly to and from such practice or competition when traveling as a group in a Designated Vehicle.

**EFFECTIVE COVERAGE DATES:** Coverage will be effective on the date of premium receipt by GTL, its representatives or school officials, or the official first day of school, whichever is later.

For interscholastic sports, coverage can pre-date the official first day of school for students who are participating in pre-school practice sessions, competition or covered travel sanctioned by the Ohio High School Athletic Association. In such cases coverage will be effective as of the date of premium receipt but only while participating in actual practice sessions, competitions or covered travel. Other aspects of coverage will not commence until the official first day of school.

Football Only Accident Coverage begins on the date of premium receipt by GTL, its representatives or school officials, but not prior to the first official date of practice and no earlier than August 1st as sanctioned by the Ohio High School Athletic Association and continues through the date of the last official game of the 2021 season, including playoffs. Other aspects of coverage will not commence until the official first day of school.

**EXCESS PROVISION:** All Covered Charges will be considered for payment on an Excess basis if any Other Valid and Collectible Insurance covers the Insured person.

Dear Parents:

Our school district has made arrangements with Student Protective Agency to provide student accident insurance for those wishing to purchase coverage this year. Please note the coverage shown on the application. Covered losses less than \$250 are paid without regard to other insurance.

Senior High football coverage requires an additional premium. All other school supervised sports are covered under the plan. On claims over \$250 this is an excess coverage policy for which benefits are payable only for that part of the loss not covered by other collectible insurance. If a person has no other insurance, the Company will pay the covered medical expenses incurred within one year, up to the specified limits of the policy.

Please note that the student applications will be available on our website. Complete the application and check the boxes for coverage desired. Tear off and keep the rest of the application, as it shows not only the coverage but the exclusions and limitations of the policy.

Mail the applications directly to Student Protective Agency, 300 Coshocton Avenue, Mount Vernon, OH 43050 along with a money order of check payable to Student Protective Agency. The school will be notified as to who takes out coverage. You can call Student Protective Agency at 800-278-2544 for more information.

In case of an accident the student or parent should immediately go to the building principal who will sign and provide the claim form if only school time coverage is taken out. 24 hour coverage needs no signature. The policy number shall be provided by the school for the claim or you can call 800-278-2544. You may give that policy number to the doctor or hospital but the bills should be sent to the parent or guardian who attach them to the claim form. Once completed, mail to the claims office at Guarantee Trust Life Insurance, PO Box 1148, Glenview, IL 60025. If you have any further questions regarding a claim, please call 1-800-622-1993. It is the responsibility of the parent or guardian to file the claim.

**RE:** Temporary Evaluation Changes During the Pandemic

The State legislature passed several bills during the spring and fall of 2020 that implemented temporary changes for principal, teacher and school counselor evaluations. The first two (2) bills, House Bill 197 & House Bill 164, were designed to help schools wrap up the 2019-20 school year amid the pandemic. House Bill 404 helped extend the temporary changes into this school year and in a few instances into next year. HB 404 was signed by the governor November, 23, 2020 and became effective immediately as an emergency measure. The following memorandum provides a summary of the changes to each of these evaluation systems.

#### A. Brief Extension to Adopt and Implement OTES 2.0 Policies

Under authority recognized in House Bill 197, the state superintendent granted a brief extension for districts not participating in an OTES 2.0 pilot to adopt an OTES 2.0 policy. The deadline changed from July 1, 2020 to September 1, 2020. HB 164 subsequently authorized a board of education to delay implementation of OTES 2.0 for one (1) year at its discretion. [HB 404 language further supported this delay. If your district was a participant in the pilot program or chose to implement 2.0 this year, the district will continue under that system. If your district elected to delay implementation of OTES 2.0, the district will implement the new system next year unless you are operating under a collective bargaining agreement that was in effect as of November 2, 2018, in which case you will not implement 2.0 until the CBA expires.](#)

#### B. Authority to Modify Deadlines and Skip Evaluations for Staff

As the pandemic unfolded in spring 2020, HB 197 permitted boards of education to declare that it was impossible or impracticable to complete evaluations for staff due to the pandemic. This authority effectively exempted boards of education from OTES, OSCES and OPES evaluations if they elected not to complete them. HB 404 further extended the authority to declare evaluations impracticable for the 2020-21 school year. A superintendent was also authorized to extend deadlines for evaluations during the 2019-20 school year only. ODE indicates that an option has been programmed into eTPES and OhioES to report an evaluation exemption. ODE has clarified that the decision to exempt an employee from an evaluation may be made on a case-by-case basis and does not have to be implemented system-wide.

It is important to recognize that the authority to skip evaluations presents school boards with an employment challenge. Each of the bills that granted the authority to skip evaluations expressly declared that a board of education electing not to evaluate staff are not in compliance with nonrenewal procedures. School boards should be extremely cautious about making this decision because it effectively removes a board of education's ability to non-renew a teacher or administrator who was not evaluated. You should consult with legal counsel to explore this decision as well as to discuss any other options that may be available.

#### C. Prohibition on Use of Student Data

House Bill 164 prohibited use of student metrics including value-added data, high quality student data (for OTES 2.0), or any other academic growth data used to measure student learning attributable to a principal or teacher for performance evaluations during the 2020-21 school year. HB 404 extended this prohibition through 2021-22, and also included school counselors evaluated under OSCES. As further support for this action, HB 404 provided express authority for school boards to evaluate principals without student growth measures for the 2019-20 and 2020-21 school years.

This legislative effort means that evaluators will evaluate principals, teachers and school counselors using only the remaining components of each evaluation system. In other words, evaluations will be strictly comprised of performance measures. Evaluators will not include student growth measures (OTES 1.0 and OPES), evidence of student learning (OTES 2.0), or metrics of student outcomes (OSCES) as components in the evaluations. Note that the temporary laws do permit an evaluator to assess how a staff member collects, analyzes and uses student data to inform instruction, practice and programming.

#### **D. Determining Evaluation Cycle Status for Staff**

HB 164 and HB 404 include language addressing what happens when a teacher does not receive a student growth measure score or was not evaluated at all due to a board declaration that evaluations are impracticable. This language is especially important for districts that permit skilled and teachers to be evaluated every other year and accomplished teachers to be evaluated every three (3) years (commonly referred to as accomplished and skilled exemptions). Districts must carefully determine where these teachers fall in their evaluation cycles for this year, next year, and potentially beyond in light of these temporary changes.

It is important to understand that the language in the bills impact OTES 1.0 teachers differently than OTES 2.0 teachers. If a teacher who is evaluated under OTES 1.0 receives a completed full evaluation in 2020-21, they will either be fully evaluated next year or alternatively will qualify for their first skilled or accomplished "off-cycle" year in 2021-22. However, if the individual was in an "off-cycle" year this year, then they automatically retain the same rating and place in the cycle next year provided that they receive a completed off-cycle evaluation this year. Teachers who are completely exempted by their board of education from evaluations this year or last year retain the same rating and place in the evaluation cycle that they were in when the last full evaluation was completed. Because of the temporary changes, it is possible that some teachers will remain "off-cycle" for up to four full years before being evaluated again. Note that ODE defines a "completed" full evaluation to consist of a growth or improvement plan, two formal observations, at least two walkthroughs, and a final summative conference. A "completed" off-cycle evaluation must consist of a growth or improvement plan, one observation and one conference. A student growth measure may not be used for these evaluations as described above.

Skilled and accomplished teachers evaluated under OTES 2.0 who receive a completed full evaluation this year may advance to an off-cycle year next year (assuming their districts have adopted the skilled and accomplished exemptions). Likewise, teachers who are in an off-cycle year this year and complete an off-cycle evaluation will continue with their regular schedule for next year. If a board declares evaluations impracticable this year, then an OTES 2.0 teacher retains the rating and evaluation cycle that they had at the start of the 2020-21 school year. If they were also exempted in 2019-20, then they remain at the same place that they were at the start of last year.

It is important to work closely with your administrators, teacher unions, and legal counsel to determine how the changes enacted by HB 197, HB 164 and HB 404 might impact current collective bargaining agreements and MOU language. While we all certainly hope that the pandemic will end soon, it is clear that we will continue to tackle its impact on staff evaluations and many other areas for several years to come.

**RE: Temporary Rule Changes for Preschool and Child Care Programs**

In August and September 2020, the State Board of Education sought emergency adoption of several regulations pertaining to operation of licensed preschool and school-age childcare programs during the pandemic. The emergency adoption requests were approved by Governor DeWine through issuance of Executive Orders 2020-34D and 2020-36D. The preschool and school-age childcare program rules were already scheduled for a five-year review in 2020 when the pandemic hit. The emergency rule changes were designed to address unique operational challenges during the 2020-21 school year due to the pandemic. Because they were approved as emergency measures, they will only remain in effect for 120 days, absent extensions. They have since been extended for an additional 120 days, and both rules will now expire on April 16, 2021.

It is important to note that school districts must continue to follow the current preschool and childcare program rules in addition to complying with the new temporary emergency rules.

#### A. School-Age Childcare Programs

Rule OAC 3301-32-06.1 was initially approved on August 10th, and amended on September 3rd, 2020. The rule temporarily permits a school district, community school or eligible nonpublic to operate during days or hours in which school-age children are participating in remote learning programs. School-age programs involve the care of children enrolled in kindergarten or above through 14 years of age (or 17 years for students with disabilities). This rule change is designed to make childcare available and accessible for parents who are struggling to find care while school operates in a remote learning model. It remains in effect until the governor rescinds the state of emergency or June 30, 2021, whichever occurs first.

Another key change in the rule was creation of a Temporary Pandemic School-Age Child Care license. This license is available to a school district board of education, a county board of developmental disabilities, an eligible nonpublic school, or a community school that did not already have a license but wanted to provide care to school-age children during the pandemic. An organization that is granted the license is authorized to accept state or federal funds available for childcare providers. Requirements for issuance of the temporary license are listed in Rule 5101:2-12-02.3 – Temporary Pandemic School-Age Child Care Centers, which was adopted by the Ohio Department of Job and Family Services ("ODJFS"). The rule summarizes the application process and places parameters around operations, including when a center may and may not operate. According to the rule, a temporary license remains valid until the governor rescinds the state of emergency or until June 30, 2021, whichever happens first. If the governor rescinds the order before June 30th, the rule clarifies that a temporary license provider must close voluntarily within 10 days or face revocation of the license.

All licensed childcare organizations, including those operating under the temporary license, must also comply with Rules 5101:2-12-02.2 - Transitional Pandemic Requirements for a Licensed Child Care Provider, which was also adopted by ODJFS. The rule specifies that operators must follow all guidelines established by the Ohio Department of Health ("ODH") and/or governor. In addition to the "regular" handwashing procedures that existed before the temporary rules were adopted, providers must also require staff to wash hands before entering a classroom and before leaving for the day. All children are required to wash their hands before leaving for the day as well. Providers may use non-permanent sinks to meet this requirement.

The provider must also ensure that all staff and students are monitored for symptoms of COVID-19, and individuals who appear symptomatic are sent home in accordance with guidelines. All staff and students are required to wear face masks/coverings that cover both the mouth and nose at all times, unless an exception applies. Students aged two or younger may not be required to wear masks. The rule authorizes use of room dividers, subject to approved specifications. Finally, the rule mandates that a provider notify the ODJFS and the ODH by the next business day after learning that a staff member tested positive. Note that the revised version of OAC 3301-32-06.1 declares that the Ohio Department of Education ("ODE") must also be notified about positive cases.

#### **B. Preschool Programs**

The state board of education emergency rule governing preschool programs is very similar to the for school-age childcare. Rule 3301-37-03.1, which was approved August 10th, declares that any daycare programs including preschools must follow the same ODJFS rule that applies to school-age childcare, 5101:2-12-02.2, while the rule remains in effect. This includes the expectations for staff and child handwashing, daily symptom checks and monitoring, face mask requirements, and COVID-19 reporting requirements as outlined above. In addition to complying with the emergency rules, preschool programs must continue to operate in compliance with existing regulations under OAC Chapter 3301-37 except where those rules differ from the temporary language in the emergency rules. The rule also mandates that the ODJFS, ODE, and ODH be notified of a positive COVID-19 test for staff and students.

For additional information and resources on school-age childcare and preschool programs during the pandemic, ODE has created a resources page. It is available at: <http://education.ohio.gov/Topics/Reset-and-Restart/Early-Learning-and-School-Readiness>.

**RE: Temporary and Permanent Changes to Licensure, Qualifications and Staff Training**

The Ohio legislature had a busy lame duck season this past fall. Several bills were recently passed that implement both temporary and permanent changes to licensure and qualifications for certain school employees, as well as staff training requirements. These changes will impact schools in the near future. The following memorandum provides a summary of these changes.

House Bill 409 was signed by the governor on [January 8, 2021](#). The bill allows an individual who does not hold a post-secondary degree to serve as a substitute teacher for the 2020-21 school year only. The individual must meet all other qualifications to be a substitute teacher, including the requirement to complete and pass a background check and be of good moral character. The state board of education is required to issue a temporary license to qualified applicants who meet these standards. HB 409 was passed as an emergency measure and became effective immediately when the governor signed it into law.

Several permanent changes to licensure were implemented by House Bill 442, including licensure requirements for pupil services personnel. The bill was signed by the governor on [January 8, 2021](#) and will become effective in ninety days. Under prior law, pupil services personnel were required to hold dual licenses issued by both a governing licensure board such as the Board of Nursing, Board of Speech-Language Pathology and Audiology, etc., and the state board of education. The dual licensure requirement has made it difficult for school districts to find qualified personnel in some instances. The changes will hopefully provide some additional flexibility to schools that have struggled to find qualified employees such as school nurses.

HB 442 specifically prohibits the state board of education and any public school district from requiring a separate pupil services license that has been issued by the state board of education as a credential for working in a public school. This mandate applies to the following positions:

- Speech language pathologists
- Audiologists
- Registered nurses
- Physical therapists
- Occupational therapists
- Physical therapy assistants
- Occupational therapy assistants
- Social Workers

Rather than require a separate license from the Ohio Department of Education ("ODE"), license holders will instead be required to simply register with the ODE. The registration remains valid for five years. As a condition for registration, an individual is required to submit to a criminal background check. Individuals who wish to substitute or obtain a temporary license for pupil services must register with the ODE as well. To align these changes with state law, the bill repealed the statute that has previously governed substitute pupil services teaching licenses (R.C. §3319.2210).

In addition to changing pupil services licensure requirements, the bill also eliminated the one-year temporary educator license for superintendents and other administrators. This license, previously governed by R.C. §3319.225, was superseded by the alternative administrator license for superintendents, other administrators and principals which is currently available.

HB 442 also modified the resident educator program, reducing the program from four to two years. This change will reduce the length of the resident educator license to two years as well. Finally, HB 442 exempts a career technical teacher with an alternative resident educator license from taking any performance-based assessment. They had previously been exempted from taking the tests that the state board mandated for resident educators.

It is interesting to note that an earlier version of HB 442 included language that would have eliminated licensure requirements for school treasurers and business managers. Industry leaders widely opposed this provision and advocated opposition to the language. These efforts were successful and the language was eventually removed from the final version of the bill.

The licensure changes included in Senate Bill 89 focus specifically on career technical instructors. These changes become effective March 2, 2021. The bill authorizes an individual who holds a substitute career-technical teaching license to teach outside the individual's career field for up to one semester. The bill further declares that an individual who holds an adult education permit may be employed by any district, not just the district that recommended employment at the time the permit was issued. An adult education permit holder may also now work as a substitute teacher in a high school career-technical class that is offered by the instructor's district employer. Additionally, the law indicates that the state board of education must issue renewable 12-hour and 40-hour career-technical teaching permits for individuals who are not licensed teachers. Eligible permit holders must have "significant" career-technical experience related to the teaching subject. Finally, the law requires the state board of education to issue a 40-hour teaching permit to an individual who is teaching a career-technical course in which students may earn an industry-recognized credential at a dropout prevention and recovery community school.

House Bill 123 was signed by the governor in December and becomes effective March 20, 2021. The bill requires building administrators to incorporate a threat assessment plan into the building's emergency management plan. As part of the plan, school buildings must establish a threat assessment team by 2023 for grades 6-12. Team members must receive certification which includes a mandatory training that is completed at least every three years. The board of education and team members receive civil immunity from acts arising out of the member's participation on the team. Districts must continue to provide youth suicide awareness and prevention in-service training to nurses, teachers, counselors, school psychologists, administrators any other designated personnel under R.C. §3319.073. Under a revised version of the law enacted by HB 123, schools may use curriculum that is aligned to the ODE's new training programs or develop its own curriculum in consultation with other public agencies.

Along these lines, the ODE must approve training for suicide awareness, violence prevention and social inclusion. Suicide awareness training must cover the following topics:

- How to instruct school personnel to identify the signs and symptoms of depression, suicide, and self-harm in students;
- How to instruct students to identify the signs and symptoms of depression, suicide, and self-harm in their peers;
- How to identify appropriate mental health services within schools and within larger communities, and when and how to refer youth and their families to those services;
- How to teach students about mental health and depression, warning signs of suicide, and the importance of and processes for seeking help on behalf of self and peers and reporting of these behaviors;
- How to identify observable warning signs and signals of individuals who may be a threat to themselves or others;
- The importance of taking threats seriously and seeking help; and
- How students can report dangerous, violent, threatening, harmful, or potentially harmful activity, including the use of the district's chosen anonymous reporting program.

Social inclusion training must likewise cover these topics:

- What social isolation is and how to identify it in others;
- What social inclusion is and the importance of establishing connections with peers;
- When and how to seek help for peers who may be socially isolated; and
- How to utilize strategies for more social inclusion in classrooms and the school community.

The ODE, in consultation with the Department of Public Safety and the Department of Mental Health will maintain a list of approved training programs on its website. The list must include at least one option in each category that is free/at no-cost to schools.

House Bill 436 was enacted by the legislature and signed by the governor on January 9, 2021. The bill adopted a number of new requirements regarding how schools identify, monitor and provide interventions for students with dyslexia. By 2022-23, districts must establish a multi-sensory structured literacy certification process for k-3 teachers which aligns with a guidebook that will be produced by the newly established Ohio dyslexia committee in collaboration with the ODE. Districts will be required to establish multi-disciplinary teams to administer screenings, analyze results and provide interventions to students. No later than 2023-24, all

kindergarten and first grade teachers including intervention specialists will be required to complete a professional development which is focused on identifying students with dyslexia. By 2024-25, second and third grade teachers will be required to complete the professional development. Finally, by 2025-26, teachers in grades 4-12 will be required to complete the professional development. The Ohio dyslexia committee has been tasked with prescribing the number of clock hours that are required to fulfill the PD requirements, and the ODE is required to maintain a list of approved courses.

Finally, HB 231 which was signed by the governor on January 6, 2021, requires the ODE to notify school districts about any low or no cost programs offering epinephrine auto injection devices, otherwise known as epi-pens. The bill permits districts to provide training to staff about food allergies, signs and symptoms of anaphylaxis, prevention of allergic reactions, management and administration of epinephrine, and follow up reporting requirements. If provided, the training will qualify as an approved activity to fulfill professional development requirements for renewal of educator licenses. As an added layer of liability protection, the bill includes language that declares a school district and any school employees shall not be liable for an act associated with the training as long as individuals are not engaged in willful or wanton misconduct.

#### **RE: Important Questions about COVID-19 Vaccination Programs**

On January 7<sup>th</sup>, 2021, Governor DeWine announced that Ohio teachers and school staff will begin to receive COVID-19 vaccines as early as February 1<sup>st</sup>. The Ohio Department of Education subsequently published a notice and a form soliciting superintendents to declare their commitment to return to in-person or hybrid learning by March 1<sup>st</sup> as a condition to receive vaccines.

With the state rollout of COVID-19 vaccinations well underway, school district employers should begin to explore important questions about what the availability of the vaccine might mean for employees and school operations.

#### **Question 1: Should a vaccination program be voluntary or mandatory?**

One of the main considerations for employers is whether staff will be required to obtain a vaccination, or alternatively whether vaccines will be completely voluntary. The Equal Employment Opportunity Commission ("EEOC") issued an updated guidance on December 16, 2020 titled What You Should Know about COVID-19 and the ADA, the Rehabilitation Act, and Other EEO Laws. The guidance appears to support a conclusion that an employer may require staff to obtain a vaccination. However, the EEOC notes that the distribution of vaccines may present implications for a number of federal laws, including the Americans with Disabilities Act ("ADA"), the Rehabilitation Act, GINA and Title VII including the Pregnancy Discrimination Act.

To justify mandating vaccinations, an argument could be made that schools have a business necessity for the requirement, specifically that the vaccinations will play an important role in helping schools to resume and maintain an in-person education program. Certainly, the governor's prioritization of school employees in the vaccination plan demonstrates his focus on resuming K-12 school operations as soon as possible. Public and private organizations across the country including the Centers for Disease Control as well as the Ohio and U.S. Departments of Education have likewise presented data that there is a compelling need to resume educational programs as soon as practicable.

However, school employers who mandate must also anticipate what happens if an employee refuses to be vaccinated. What is an acceptable response? In the event refusal by an employee will result in discipline, districts must be prepared to defend the choice. Schools should also confirm that the employee is not entitled to any type of accommodation (religious or medical) before imposing discipline. This situation may be particularly problematic for staffing and operations if a large number of employees refuse.

The EEOC clarified that an employer may need to grant an exception to a mandatory vaccination requirement as an accommodation for qualified individuals with disabilities under the ADA, unless the employer is able to establish that an unvaccinated employee poses a significant risk of substantial harm to others by not being vaccinated. Accommodations may also need to be made if an employee refuses the vaccine because of a sincerely held religious belief or other another legally protected reason. Districts should train staff who may receive requests for exceptions about how to proceed in order to avoid potential liability.

If an employer requires vaccination, it is recommended that they require documentation. Documentation of vaccinations should be maintained in a confidential file.

We recognize that mandating vaccinations is likely to be a "bridge too far" for most districts, particularly since at the time of this alert, the availability of vaccine doses appears well short of the amount needed to cover all school employees in the first instance. In addition, since most will avail themselves of this protection, the employer's argument for need to mandated vaccinations begins to

weaken as more are vaccinated. It is not insignificant that a number of hospitals – all of whom are at the forefront of fighting the virus – generally do not mandate vaccinations for their staff at this time.

Rather than mandate vaccinations, a school employer may simply elect to make vaccinations voluntary. This decision could result in fewer employees being vaccinated but may reduce the risk of human resource/labor issues and reduce exposure to liability.

To increase participation, employers may consider incentives to encourage and facilitate vaccinations. Employers should discuss this topic with union representation and consider solidifying any program parameters, including any vaccine incentives, in a formal agreement such as a memorandum of understanding. This MOU should be approved by the board of education to support any audit concerns.

### **Question 2: Who should administer vaccinations?**

The EEOC guidance explores how a mandatory or voluntary vaccination program may be governed by the ADA. The ADA permits an employer to require a medical examination if it is job related and consistent with a business necessity. In analyzing a vaccination program, the EEOC concluded that the vaccination itself is not considered a medical examination because the employer is not seeking information about an individual's impairments or current health situation. However, prescreening questions asked by an employer while it administers a vaccination program may elicit information about an employee's disability. Therefore, an employer has the burden of proving that the questions are job related and consistent with a business necessity to comply with the ADA.

Employers are also required to treat any medical information obtained from a disability-related inquiry or medical examination as a confidential medical record. The EEOC further concluded that the ADA restrictions on medical examinations do not apply if the vaccine is given by a third party that does not have a contractual relationship with the employer, such as a pharmacy or health care provider. Further, if an employer offers vaccines to employees on a voluntary basis and the employee is not required to answer prescreening questions, the ADA would also not be implicated.

### **Question 3: Will vaccines be administered to employees and/or the public on school property?**

Another consideration is whether school premises will be used to administer vaccinations. If a school district will be a distribution location, districts will need to consider many logistical elements of administration. For instance, plans should be made about who will administer the vaccines. In some instances, a local health department plans to provide staff for administration. In other counties, health departments may request that school personnel such as school nurses administer them. If school personnel will be used for administration, there may be collective bargaining implications and training needs that must be addressed.

Keep in mind that there are safety considerations to be aware of. Districts should work closely with their local health department, first responders and medical professionals to determine what measures should be taken so that personnel are able to effectively respond in the event that the vaccine triggers a health emergency such as an anaphylactic response. Also note that an employer should be careful to ensure staff do not ask personal questions which may violate federal laws as described above.

Additionally, school districts should discuss liability implications of providing vaccines on campus with their insurance carriers. It is highly recommended that schools discuss vaccine programs with their legal counsel.

**Re:** Use of Facial Recognition Technology in School Settings

**Date:** January 2021

Neola last amended Policy 7440.01 – Video Surveillance and Electronic Monitoring in 2009. As part of the Winter 2021 Update, Neola re-examined Policy 7440.01 to determine whether it needed to be updated given the technological changes that have occurred in the past 10+ years. Upon review, the only recommended changes have to do with the potential use of video-recordings for evaluation purposes associated with individuals working remotely with students (e.g., teachers engaged in remote instruction) or otherwise performing their responsibilities remotely (e.g., through teleworking).

As we reviewed the Policy and analyzed the current state of the law, however, we discovered a significant amount of literature concerning the use of facial recognition technology in school settings. While Neola considered adding language to Policy 7440.01, or developing a separate policy, to address the use of facial recognition technology in schools, ultimately, Neola determined it is premature to add such language or develop such a policy. Nevertheless, there are a number of issues that boards of education should consider when deciding whether to deploy facial recognition technology in their school buildings. Below is an overview of some of the most relevant issues.

To begin, the topic of using facial recognition technology in school settings is particularly timely this year as a number of vendors are marketing products to school districts – under the guise of technology geared to assisting the districts in their efforts to re-open and stay-open during the COVID-19 pandemic – that incorporate or afford the opportunity to deploy facial recognition technology. For example, many districts have invested in products that facilitate the taking of temperatures of a large number of students as they enter the building. What board members may not know, however, is that a number of these products include optional components/features that provide for implementation of facial recognition software. While these features may be left off, it may be tempting to turn them on, thinking the district is getting something “free” from its investment in the temperature-taking products. Standalone facial recognition technology – which has been offered to schools for at least two or three years – has also been pushed in the second half of 2020 as additional funds have been made available both at the federal and state levels to assist school districts in addressing the numerous issues that have arisen because of the pandemic and the ongoing focus on enhancing schools’ security.

Before implementing facial recognition technology, a board of education should (1) clearly articulate the reason it is doing so (i.e., the purpose for using it) and (2) be prepared to respond to objections that might arise from individuals who are concerned about the use of such technology in a school setting.

The primary reason many schools state for deploying facial recognition technology is enhanced security. Vendors market the products as a means of verifying only authorized individuals are on school property – i.e., quickly determining whether a person in the building has a criminal background or restraining order that prevents the person from being on school property, or whether students who have been suspended or expelled are impermissibly at school. While many districts in recent years have implemented procedures to check guests’ IDs (e.g., driver licenses) before permitting them to enter school buildings, the facial recognition vendors claim that their products automate this process, making it more efficient and adding an additional layer of protection by constantly scanning the faces of the individuals on school property. These vendors also claim their products help

to keep staff and students safe by allowing the administration and security personnel to monitor who is on school grounds. (Whether this is true is up for debate, including whether use of such technology actually serves as a deterrent that will help to reduce the chances of violence occurring on school property.)

Other schools elect to use facial recognition technology for purposes of operational efficiencies; specifically, they use the software as a means of taking attendance, tracking where students are when they are supposed to be in class, and/or as a means of allowing students to pay for meals without having money, with minimal physical interaction (i.e., “touch-less” transactions) and without the district incurring the payroll costs associated with employing cashiers.

With regard to the use of facial recognition technology in the school setting, there are a number of issues that school districts will want to take into consideration before deciding whether to utilize such technology. One of the primary questions that is often raised with respect to facial recognition technology is whether the software might mis-identify certain individuals. Recent research indicates that African Americans, Asian Americans, and women are much more likely to be falsely identified than white men by many of the products on the market. The higher mis-identification rates also apply to children as opposed to adults. Rates of misidentification are important because they heighten the risk that people in those groups that are habitually misidentified may be targeted and subjected to discrimination.

Another area of concern has to do with potential violations of students’ privacy rights. Critics of the software complain it goes too far by collecting data on students who have done nothing wrong. Given that schools are increasingly the target of hackers, individuals are also concerned such biometric data could be stolen, which puts students’ privacy and identities at risk.

Finally, there is a concern about whether it is appropriate to increase the use what might be seen as a tool of law enforcement in a school setting.

Once the board resolves to its satisfaction the tension between protecting students’ physical safety versus their privacy rights, and assesses whether the technology is effective and equitable, the board can finalize its decision to deploy facial recognition technology. At this point it should also articulate for the relevant stakeholders (e.g., staff, parents, students) the rationale its decision. Next, the board will want to thoroughly vet the potential vendors – exercising due diligence in selecting both the vendor and the technology.

Based on some of the potential concerns mentioned above, school boards may want to ask the following questions and/or discussing the following topics with the vendors of the various facial recognition products that they are considering:

- A. Has the manufacturer commissioned a third party to test the accuracy of its system, or has it simply tested the product itself, and what are the results of such testing – i.e., how many false positives and how many false negatives are they experiencing. (A false positive consists of identifying someone as a match who is not, and a false negative is when the software fails to identify someone as a match who is). It is particularly important to assess how accurate the system is for children as opposed to adults, women/girls as opposed to men/boys, and persons of color as opposed to whites;
- B. Given the outcome the board has identified as the reason for implementing facial recognition technology (see discussion above), the board should inform the vendor of that purpose and ask the vendor to explain how its product will help the district achieve that outcome. The discussion should focus on having the vendor explain why its product is the least intrusive, most effective means of achieving that outcome; and
- C. What type of ongoing updating and maintenance is going to be required and who will be responsible for keeping the system up to date (how much work will it entail and what will be the personnel costs of performing such work).

Finally, boards that are exploring the possibility of implementing facial recognition technology in their school buildings may want to wait another year (i.e., until the summer of 2022) to take advantage of a study that is underway in New York to study the efficacy of facial recognition technology. The State of New York recently passed legislation that has temporarily banned facial recognition in schools; as part of the new law that halts the use of biometric identifying technology in schools, the state education department has been ordered to evaluate the privacy implications of such tools – specifically, the education commissioner is tasked with evaluating how accurate the technology is in differentiating individuals of different races, national origins, genders, ages, and other identifying factors; how costly it is; and whether it is effective for school security. Reviewing the outcome of this study may assist the board in determining whether facial recognition technology is right – both financially and otherwise – for their schools.

**Re:** Legal Issues That School Officials and Employees Need To Be Aware Of When Using Social Media

**Date:** January 2021

A couple of years ago, Neola issued Policy 7544 – Use of Social Media to address the circumstances under which school staff may use social media for work-related purposes. The document, along with the corresponding administrative guideline, expressly recognize that employees may use social media for personal reasons:

The District neither encourages nor discourages employees' use of social media for personal reasons. The District regulates employees use of social media for purposes related to their District assignment to the same extent as it regulates any other form of employee communication in that regard.

Since the release of Policy 7544, courts have continued to decide cases that recognize limitations or restrictions on school officials' and/or school employees' use of social media and determining when it is appropriate to impose consequences for such conduct.

**When may a school official's use of social media be considered a public forum?**

In January of 2019, the Fourth Circuit Court of Appeals issued its decision in Davison v. Randall, Case No. 17-2002. Davison involves a claim that a public official violated the First Amendment rights of one of her constituents when she banned the constituent from a Facebook page that she created.

The Defendant, Phyllis Randall, was elected the Chair of the Loudoun County, Virginia, Board of Supervisors ("Loudoun Board") in 2015; the day before she was sworn in, she created the "Chair Phyllis J. Randall" Facebook page ("Chair's Facebook page"). She also designated the Chair's Facebook page as a "governmental official" page and listed her County office address and other contact information on it. She further publicized the Chair's Facebook page in her official government newsletter, which was prepared by County employees, hosted on the County's website, and distributed to Loudoun County citizens using Randall's office County email account.

Randall and her Chief of Staff shared administrative control over the Chair's Facebook page, although Randall maintained almost exclusive controls over the page's content. Randall also had a campaign page on Facebook on which she specifically indicated that she wanted to hear from "ANY Loudoun citizen on ANY issue, request, criticism, compliment, or just your thoughts." She further stated she preferred to keep back and forth conversations (as opposed to one-time information items) on the Chair's Facebook page. Randall thus used the Chair's Facebook page to coordinate her communications with her constituents, including providing updates on board meetings and other aspects of Loudoun County business. Randall's posts on the Chair's Facebook page principally addressed her official responsibilities but occasionally included topics that were less closely related to her official duties. Members of the public often "liked" or commented on Randall's posts.

The Plaintiff, Brian Davison, was one of the individuals who often commented on Randall's posts. Many of Davison's comments were critical of the Loudoun Board and Randall based on actions that they or she had taken in their official capacities.

On February 3, 2021, Davison attended a Loudoun Town Hall meeting at which he submitted a question that implied certain School Board members had acted unethically in approving certain financial transactions. During the meeting, Randall answered the question, which prompted Davison to post a message on Twitter that tagged Randall. Following the meeting, Randall published a post on the Chair's Facebook page about the Town Hall meeting in which she described what was generally discussed at the meeting. In response, Davison used a Facebook page he manages through his personal Facebook profile – "Virginia SGP" – to comment on Randall's post. In his comment, Davison accused some of the board members of "taking kickback money." When she read it, Randall decided to delete the entire post, including her original post, Davison's comment and replies to the comment, and other individuals' comments to her original post. By way of explanation, Randall stated that she had no idea if any of the accusations were correct and so she did not think it was appropriate to keep the content on the Chair's Facebook page.

Randall, however, when a step further and banned Davison's Virginia SGP page from the Chair's Facebook page, which precluded Davison from using his Virginia SGP page to post comments on the Chair's Facebook page. The following day, Randall reconsidered her actions and unbanned Davison's Virginia SGP page. Nevertheless, Davison filed a lawsuit seeking declaratory and injunctive relief against Randall in her official and individual capacities, and the Loudoun Board alleging the removal of his comment and banning his account from the Chair's Facebook page constituted unconstitutional viewpoint discrimination.

After thoroughly analyzing the totality of the circumstances surrounding Randall's creation and administration of the Chair's Facebook page and her banning of Davison from that page, the district court concluded that Randall acted under color of state law and in an impermissible manner. Specifically, the court found that Randall clothed the Chair's Facebook page in the power and prestige of her state office and created and administered the page to perform actual or apparent duties of her office.

Turning to the determinative legal issue – whether Randall engaged in unconstitutional viewpoint discrimination – the Fourth Circuit relied upon the long-established First Amendment principle that governmental entities are "strictly limited" in their ability to regulate private speech in a public forum. Given the lower court's findings that: (1) Randall "intentionally opened" the public comment section of the Chair's Facebook page for public discourse – inviting any Loudoun citizen to make posts to the comment section; (2) the page had an interactive component which Randall she sought to use to engage in a back and forth with her constituents; and (3) Randall placed no restrictions on the public's access to the page or the use of the interactive component of the Chair's Facebook page, the Court concluded that the page constituted a public forum and therefore Randall was prohibited from engaging in viewpoint discrimination when she ran across a comment that was contrary to her own opinion.

Importantly, the Court acknowledged, however, that Randall retained the right to control the content that she posted on the page, including which other pages, personal profiles, and websites to linked to, as such decisions amounted to protected government speech. The Court thus limited its decision of wrongdoing to Randall's conduct associated with removing a constituent's comment to one of her posts and banning Davison from the site because those actions amounted to viewpoint discrimination in violation of the First Amendment.

A few months after Davison was decided, the Fifth Circuit Court of Appeals issued a decision in *Robinson v. Hunt County Texas, et al.*, Case. No. 18-10238. Robinson involves an allegation that the Hunt County Sheriff's Office ("HCSO") engaged in unconstitutional censorship on the HCSO Facebook page. The facts of this case are closely analogous to those in Davison in that the Sheriff's Office maintained a Facebook page that "welcomed" visitors to the "official Hunt County Sheriff's Office Facebook page." The page further stated: "We welcome your input and POSITIVE comments regarding the Hunt County Sheriff's Office." The page's description also stated: "The purpose of this site is to present matters of public interest within Hunt County, Texas. We encourage you to submit comments, but please note that this is NOT a public forum."

On January 18, 2017, the HCSO posted a message on its Facebook page related to an incident the previous day when a North Texas Police Officer was murdered, and the County received several anti-police calls in the office as well as people posting comments degrading or insulting police officers on the HCSO Facebook page. The HCSO responded to those postings by publishing a post that stated: "ANY post filled with foul language, hate speech of all types and comments that are considered inappropriate will be removed and the user banned."

The plaintiff, Deanna Robinson, alleged that the HCSO Facebook page is a public forum and that the HCSO's January 18, 2017 posting reflected a "deliberately overbroad and vague stated procedure and/or policy intended to chill critical, unpopular, or unfavorable speech from the public on the HCSO Facebook page." After seeing the HCSO's January 18, 2017 post, Robinson posted a comment on the HCSO Facebook page criticizing the Office's "policy of deleting and censoring protected speech." Specifically, she stated that "degrading or insulting police officers is not illegal, and in fact has been ruled time and time again, by multiple U.S. courts as protected First Amendment speech" and "just because you consider a comment to be 'inappropriate' doesn't give you the legal right to delete it or ban a private citizen from commenting on this TAX PAYER funded social media site."

Robinson further alleges that shortly after posting the preceding comment the defendants removed her comment and banned her from the HCSO Facebook page. The defendants also allegedly "removed several other public comments that expressed viewpoints critical of the defendants' stated policy of deleting and censoring protected speech, as well as other viewpoints unfavorable to the defendants."

The Fifth Circuit ultimately ruled that the Hunt County Sheriff's Department engaged in viewpoint discrimination in violation of the First Amendment. In issuing its ruling, the Court recognized that "under our Constitution, the public expression of ideas may not be prohibited merely because the ideas themselves are offensive to some of their hearers." Further, "official censorship based on a state actor's subjective judgment that the content of protected speech is offensive or inappropriate is viewpoint discrimination." The Fifth Circuit expressly acknowledged the Fourth Circuit's Davison decision when it determined the HCSO Facebook page was a public forum subject to First Amendment protection. The Court looked to the fact that the HCSO Facebook page invites input in the form of comments regarding the Sheriff's Office which means that any policy involving the deletion of "inappropriate" comments constitutes viewpoint discrimination.

A third federal circuit court issued a decision in 2019 concerning whether a government official operating a social media account that is directly tied to the individual's governmental responsibilities opens a public forum for which the government official may not ban individuals from participating in the interactive components of the platform. On July 9, 2019, the Second Circuit Court of Appeals issued its decision in *Knight First Amendment Institute at Columbia University, et. al., v. Trump*, Case No. 18-1691. This case involved seven individuals who are social media users who were blocked from accessing and interacting with President Trump's Twitter account because they expressed views he disliked. The Second Circuit reviewed and affirmed a decision of the District Court of the Southern District of New York that found that "the interactive space" in the President's account is a public forum and that excluding a user from that space was unconstitutional viewpoint discrimination.

The salient issues cited by the Court in *Knight First Amendment Institute* involved the President's decision to use Twitter to conduct official business and interact with the public. The parties stipulated to the material facts in the case: (1) So long as President Trump is in office his personal social media account is not a private social media account given the way he uses it; (2) The account was one of the White House's main vehicles for conducting official business and both the President and his aides characterized tweets from the account as official statements of the President; (3) The National Archives concluded that the President's tweets are official records; (4) As a result of being blocked, the individual plaintiffs were burdened in their ability to view or directly reply to the President's tweets and to participate in the common threads associated with the President's tweets; and (5) The reason the President blocked the individual users was because they posted tweets that criticized him or his policies.

The Court ultimately ruled the "First Amendment does not permit a public official who utilizes a social media account for all manner of official purposes to exclude persons from an otherwise-open online dialogue because they expressed views with which the official disagrees." In rendering its decision, the Court describes in great detail how Twitter operates and how both the account owner as well as followers of a specific social media account are able to respond to messages, republish messages of others, and convey approval or acknowledgment of another's message by liking a message.

The dispute, in this case, focused exclusively on the President's use of the blocking function. After describing the impact on the seven users of the President's decision to block their access to his official account, the Court found that such conduct imposes an impermissible burden on the plaintiffs and constituted viewpoint-based discrimination in violation of the First Amendment.

Both the District Court and the Circuit Court held that the "interactive space" associated with each tweet constituted a public forum for First Amendment purposes because it was a forum "in which other users may directly interact with the content of the tweets by "replying to, retweeting or liking the tweet." The Second Circuit found that the President acts in his official capacity when he both tweets and when he blocks those who disagree with him. The Second Circuit looked to both *Davison* and *Robinson* for support for the legal proposition that it is impermissible to block disfavored voices from an interactive feature of a social media account when the social media account is operated by a public official as a governmental account. The Court emphasized the account was intentionally open for public discussion when the President repeatedly used the account as an official vehicle for governance and made its interactive features accessible to the public without limitation. As such he created a public forum and viewpoint discrimination is prohibited.

The preceding cases are relevant to both board members who maintain social media accounts that they use primarily for purposes associated with being a board member as well as school officials who operate school social media accounts.

With regard to board members, while Policy 7544 does not expressly address their use of social media, the preceding cases impose limitations on how they use their social media accounts. To begin, it is permissible for a board member to select a social media platform that allows the board member to publish posts but does not permit members of the public to post comments to their postings – i.e., a board member does not have to offer an online interactive means for constituents to engage with the member.

On the other hand, if a board member chooses to use a social media platform that provides for public comment to posts if the board member uses the account either entirely or principally for purposes of communicating with the board member's constituents concerning his/her conduct associated with being a board member, there is a strong argument that the board member should refrain from deleting or otherwise altering comments, which do not run afoul of the social media platforms terms of service.

Additionally, a board member is permitted to maintain a private social media account on which he/she occasionally posts about his/her governmental official responsibilities, without opening a public forum. However, if the board member later decides to

use the account as a principal means of communicating with constituents the account may transform into a public forum in which case the board member would be prohibited from engaging in viewpoint discrimination.

Further, nothing herein would prevent a board member, as part of setting up an account, to delineate the topics the board member intends to use the account to address (i.e., limiting the account to specific topics). Then, so long as the board member does not discriminate based on a viewpoint associated with a post on a permitted topic, the board member could delete or remove comments that are "not on topic." The key is for the board member to clearly spell out the terms under which the board member is operating the limited purpose public forum.

Likewise, with respect to government employees who are operating official school social media accounts, again if they elect to use a platform such as Facebook, Twitter or Instagram that allows for individuals to post comments associated with official posts from the district – while an account can be limited to specific topics – once the permitted topics are defined, so long as the person posting a comment stays within the scope of the permitted topics – the school is prohibited from deleting or removing such content and comments. To do otherwise the school would be engaging in impermissible viewpoint discrimination in violation of the First Amendment.

### **When can a school employee's private use of social media result in disciplinary action by the board of education?**

Another area where school employees often experience trouble associated with the use of social media is when they use a private social media account as a form of personal expression, but the resulting speech impacts the employees' ability to fulfill their responsibilities as public employees or cause the employer to question their fitness to hold a position of responsibility in a public-school setting.

Last fall, the Sixth Circuit Court of Appeals (which has jurisdiction over Ohio) issued a significant decision – *Bennett v. Metropolitan Government of Nashville & Davidson County, Tennessee*, Case No. 19-5818 (Oct. 6, 2020) – on this topic. Specifically, the Court considered whether "a public employee's use of a racial slur when discussing politics on Facebook is sufficiently protected by the First Amendment to outweigh a government agency's interest in having an efficient workplace and effectively serving the public."

Bennett arose when the plaintiff was terminated from her position at the Emergency Communication Center ("ECC") of the Metropolitan Government of Nashville ("Metro") for a Facebook comment she made the night of the 2016 presidential election. Specifically, Bennett replied to another person's comment using some of the commenter's words, including some racially charged language. Several employees and a member of the public complained to the ECC leadership and the Mayor's office. Ultimately, the Metro officials determined that Bennett violated three Civil Service Rules and terminated her from her position. She then sued Metro for retaliation under the First Amendment. While Bennett prevailed at the district court level, the Sixth Circuit reversed the district court's decision and remanded the case for further proceedings.

The Plaintiff, Bennett, had been employed by Metro for approximately 16 years. On the evening of November 8, 2016 – Election Day – Bennett anxiously awaited the results of the presidential election hoping for a win for the candidate she supported, Donald Trump. Late that evening she made a Facebook post from her public facing Facebook profile of an image of an electoral map revealing Trump as the winner. Shortly thereafter she received a notification from a person she did not know who had commented on her post, writing that "Redneck states voted for Trump, niggaz and latinos states voted for Hillary." Bennett replied, "Thank god we have more America loving rednecks. Red spread across all America. Even niggaz and latinos voted for trump too!"

The following morning, Bennett received a notification from a friend who commented on her post and indicated that she found it offensive. Bennett replied to that comment and then there were several other comments demonstrating offense to Bennett's use of the racial slur. Eventually, Bennett deleted the entire Facebook post.

That same day, Ms. Bennett's Facebook comment became an issue at the ECC office. Initially, the Department of Human Resources received complaints about her post and later an individual in the Mayor's office reported that people found her public post "racially offensive" and "degrading" towards both African Americans and Caucasians. As the Department of HR investigated the matter, it learned that Bennett not only identified herself as a Metro employee in her Facebook profile but also as an ECC employee and a Metro Police Department employee. The Department of HR quickly became concerned about the potential impact Bennett's use of racially charged language could have on the workforce and determined that they needed to speak with Bennett. Throughout the day the Department received additional complaints, including comments from the chief union steward indicating that she had also received multiple complaints both in person and over text messages from individuals complaining about Bennett's comment and the use of the racial slur. The union steward also conveyed to her supervisor that she was shocked, hurt, and disgusted by Bennett's post.

Following an investigation – which included an opportunity for Ms. Bennett to explain her comment at a hearing – the Department determined to terminate her employment due to her violation of Civil Service Rules as well as her lack of remorse about the language she used (she failed to acknowledge that it was an issue).

When Neola developed Policy 7544, it intentionally included a statement that makes clear that ordinarily schools are not concerned with monitoring or regulating the private speech of its employees on their personal social media accounts. However, Policy 7544 advises that depending on the nature of the social media posting there could in fact be an impact on an employee's job if the administration determines the employee engaged in an inappropriate communication.

The trial court in Bennett applied the balancing test outlined in the U.S. Supreme Court's *Pickering v. Board of Education* decision to determine whether there were grounds for the public employer to impose disciplinary consequences for the employee's private speech. As you may recall, after Neola issued Policy 7544, it published a Toolkit to assist districts in developing their district-specific documents. As part of the Toolkit there is a discussion of a handful of leading cases that address the circumstances under which a public employer may discipline a public employee for his/her private speech without violating the First Amendment.

To determine whether a public employee violated the First Amendment, the Sixth Circuit Court of Appeals applied the two-step analysis laid out in *Connick v. Myers*. That analysis requires a court to first determine whether the statement in question constitutes speech as a matter of public concern. If it does, the court then applies the *Pickering* balancing test to determine whether the plaintiff's interest in commenting on matters of public concern "outweighs the interest of Metro, an employer, in promoting efficiency of the public services it performs through its employees." In Bennett's situation, the Court easily determined that Ms. Bennett's speech was protected, but then turned its attention to analyzing the degree of protection the speech warrants, which is determined by the level of importance the speech has in the community. In considering the context of the speech for which Metro fired Bennett, the Court agreed with Metro's contention that while the statement in question was political in nature, it was not "purely political" and thus it was not entitled to the heightened level of protection the district court had granted it.

Ultimately, the Sixth Circuit Court of Appeals determined Bennett's speech was not entitled to the highest rung of protected speech. The Court reached this conclusion because the testimony and facts in the case established that Ms. Bennett was fired because of her use of a racial slur, her lack of regret for doing so, and the disruption it caused, not because of the political nature of her original post. The Court, while recognizing that the speech in question was couched in terms of political debate, made in response to another post in which she was repeating back the words of another person, and the plaintiff used a more casual version of an offensive slur, the speech nevertheless did not warrant the higher level of protection that the district court assigned to it. Consequently, the balancing test required less of a showing of disruption and other factors than the district court required (in *Connick*, the Supreme Court held that the greater the extent to which the speech involves a public concern, the stronger the viewing of disruption necessary).

In the case of Bennett's Facebook post, the evidence of disruption caused by her language was substantial. Using the *Pickering* test, courts look to whether the employee's free speech interest outweighs the efficiency interest of the government employer; pertinent considerations for the balancing test are whether the statement impairs discipline by superiors or harmony among coworkers, has a detrimental impact on close working relationships for which for which personal loyalty and confidence are necessary, impedes the performance of a speaker's duties or interferes with the regular operation of the enterprise, or undermines the employer's mission. In other words, courts recognize that avoiding interference with the functioning of the government office can be a strong state interest.

In Bennett, the Court had no difficulty determining that the harmony of the office was disrupted; as evidence, the Court looked to the fact that the employer needed to bring in a counselor to address the office and that Bennett's lack of display of remorse and recognition that there was a problem with regard to her conduct caused the situation to be fraught with conflict if she was to be returned to her work environment. The Court also emphasized that Bennett's public comments disturbed the ECC because they displayed racial bias without a disclaimer that the views were hers alone. Here, the Court considered that where a government employee's job quintessentially involves public contact, the government may consider the public's perception of that employee's expressive act in determining whether those acts are disruptive to the government's operations along with considering that a part of a public servant's job is to "safeguard the public's opinion of them." The Court found that even the threat of deteriorated community trust grants greater discretion to the employer.

The Court, in Bennett, also found material the fact that the plaintiff violated three Civil Service Rules and those violations served as evidence that she had engaged in conduct that was a disruption to the office environment. Because of evidence of sufficient disruption, the *Pickering* balance test moved toward the employer. As a result, the Court upheld the decision to terminate her.

Bennett is particularly relevant to teachers and school administrators; in particular, it is critical that such school employees understand that there are limits to their First Amendment rights of free speech as pertains to speech they engage in on private social media accounts, which are openly available to the public to view. In particular, even when they engage in political speech, if they use highly offensive racial slurs their employer may determine the private speech that is publicly available serves to undermine their authority and position as a role model for young people, resulting in the board of education acting to terminate the individual's employment or otherwise disciplining the employee for speech that in other situations – i.e., if they were not employed in a position of public trust – the public employer would not be able to discipline the employee for, without violating the First Amendment.

Given the heated rhetoric that has been evident this school year in matters related to the presidential election and other political topics, it is important for both employees and employers to recognize the limits on each of their roles when it comes to employees engaging in private speech utilizing a public social media account and that the employee's First Amendment rights are not without limitation and therefore they need to exercise appropriate judgment in order not to either disrupt their work environment or otherwise damage their standing with the students and families that are entrusted to their care during the school day.

Another point of interest with respect to the Bennett case is the Court's commentary that if Ms. Bennett's profile had been "private" (i.e., only accessible to "friends" and not generally accessible) or if she had not indicated she worked for a specific public employer, Metro's argument for terminating her may not have been as strong and her private speech rights might have insulated her from the discipline that ultimately was imposed; however, given that she clearly identified herself as a Metro employee and her comments were publicly available and served to discredit the ECC, and she did not have any type of disclaimer on her website page indicating that the views were hers and hers alone, and she did nothing to distance herself from her employment by a public employer, those factors all contributed to its determination that it was appropriate for her employer to recognize that there is an interest of a governmental entity in preserving the appearance of impartiality which Ms. Bennett violated by using a highly offensive racial slur.

We prefer to have the original materials returned after you have marked them indicating which changes and additions you choose to have/not have for your District. If a District decides not to adopt a policy or an administrative guideline, the District is still obligated to follow applicable Federal and State laws relating to that section.

The proposed new, revised, and replacement policies, administrative guidelines, and forms included in this update have been thoughtfully prepared and reviewed by Neola's legal counsel for statutory compliance. If you make changes or substitute in its entirety policies or other materials of your own drafting, those materials should be reviewed by your legal counsel to verify compliance. Neola does not review district-specific edits to update materials or District-specific policies for statutory compliance.

If a policy or guideline is marked as a revision, the changes have been marked in bold (to add material) and crossed out (to delete material). As you review a revised policy or guideline, you may choose to accept one, many or all of the changes provided. If a policy or guideline is marked as a replacement, that means there have been enough changes made that justify a complete, clean replacement copy. As you review a replacement policy or guideline, you should also check the materials you have in your current policy or guideline to see if there is some specific wording you want to include in the replacement policy. If so, any text from the current policy should be added using "Track Changes" or the editing tools in the BoardDocs platform in the replacement policy or guideline before returning it electronically to the Coshocton office for processing.

If the District authors language and adds it to a policy template or deletes content that is not marked as a choice in the policy template, then these actions will constitute District-specific edits.

Policies that are to be deleted from the policy manual require Board action to rescind the policy.

- B. Schedule an appointment date/time to review the update or policy templates via virtual meeting, such as Google Meeting or other electronic options.

While "in-person" consultation sessions are the preferred method for Neola Update "visits", the means by which you and your Neola associate accomplish this review should be mutually determined based on availability and level of comfort with the consultation

process. Overall, health and safety are the primary concerns. Your Neola associate will be in contact with you soon to discuss these options with you.

### **Processing Update Materials**

If you will be making changes to these Update documents electronically, use “Track Changes” or the editing tool in the BoardDocs platform to mark the Neola materials indicating which of the proposed revisions and additions you choose to include or not include for your District, or to make additional edits, before returning them electronically for processing. Be sure to leave the “track changes” and marked up version as the one you submit to the production office in Coshocton, Ohio.

### **District-Specific Material**

If the District chooses, during any step of the Update process, to incorporate District-specific material into a new policy or guideline that has been proposed or to insert District-specific material into a current policy or guideline for which revisions have been proposed in an update issued by Neola, then the District agrees to hold Neola harmless for those District-specific edits and acknowledges that Neola’s warranty for legal challenges to that District-specific language in that policy or guideline will not be in effect. In addition, Neola retains ownership of the text from the original policy template that remains in a policy to which District-specific material has been added. District-specific materials include the following:

- A. Materials from the District’s existing materials that the District requests be incorporated during the drafting process;
- B. New materials that the District develops in their entirety and exclusive of Neola; and
- C. Revisions or deletions that substantively depart from Neola’s templates.

Further, Neola does not recommend the use or incorporation of District-specific materials. Neola will, at the request of the District, incorporate District-specific materials into the licensed materials, with the implicit understanding that the District bears all risks associated with the District’s decision to request that such District-specific materials be incorporated. Neola reserves the right to but is not obligated to, advise the District to seek its own legal review of District-specific materials.

### **Social Media (Policy/AG 7544) Revisited**

In January 2019 a collection of policies were prepared by a team of twenty-two (22) lawyers, IT experts and Neola staff to provide Districts with a means to establish controls that govern the use of social media in their District. These policies and related documents were released in the Volume 37 Number 2 (Social Media) update in January 2019 along with a toolkit for use with these policies in Volume 38 Number 1 (Social Media Toolkit) in August 2019.

Although regulating an employee’s personal use of social media is possible only in the narrowest of circumstances, establishing rules about employees’ use of social media as it relates to communication regarding the business of the District is something that schools can, and in Neola’s judgment, can do and should do.

Three existing policies were also suggested for revision in the Social Media Special Update. A comprehensive definition of “social media” was added to Bylaw 0100 Definitions and the definition of “apps and services” was revised as well. Additionally, revisions were proposed for Policy 7540 Technology to replace the previous definition of “social media” and finally, revisions to Policy 7540.04 Staff Technology Acceptable Use and Safety so that the language is current and compliant with the new social media policy.

While the suggested revisions were put in place before a global pandemic pushed Districts to utilize on-line learning platforms and more virtual methods of engagement with students, parents, and the community, such use makes consideration of these materials even more important today.

Although the new and revised policies have been thoughtfully prepared and reviewed by Neola’s legal counsel for statutory compliance, each District must decide what specific language to include in its own unique policy collection.

It is highly recommended that at this juncture the District reevaluate the materials in the updates referenced above that are still available on each District’s BoardDocs platform. While much thought will be necessary to consider these new materials and revised policies each District should take the time necessary to be sure that there is adequate policy guidance provided for current use of social media technology and applications.

In the next update, Neola will revisit Policy 5722 – School Sponsored Publications and Productions and issue a revised document and toolkit. The social media policy materials issued in January 2019 played a large role in the development of the revised Policy 5722 materials.

Therefore, it is highly recommended that at this juncture the District reevaluate the materials in the update from January 2019 that is still available on each District's BoardDocs platform and consider the District and school level application of these technologies.

### **Notice Regarding Legal Accuracy**

Neola is vigilant in providing policy language to clients that has been vetted for legal accuracy by outside legal counsel. Should questions arise as to the legal compliance or accuracy of Neola materials, it is our expectation that Neola's counsel would have the opportunity to assist in the resolution of such a claim. Please notify the Neola corporate office if an issue arises in which such a review or assistance is necessary.

Policies in this update have been reviewed by either Ennis Britton Co., L.P.A. or Peters Kalail & Markakis Co., L.P.A. for consistency with Federal and State law.

### **Reminders**

- A. Ohio's minimum wage increased to \$8.80 per hour, effective January 1, 2021, for non-tipped employees. For "employees" under the age of 16, the state minimum wage matches the Federal minimum wage of \$7.25 per hour. This rate is adjusted annually based on the U.S. Consumer Price Index.
- B. The Internal Revenue Service (IRS) issued Notice 2020-279 which provides the 2021 mileage rate at 56 cents per mile for business travel (1.5 less than 2020 rate).
- C. The U.S. Department of Labor maintains regulatory authority over State and local government employers, including public school districts. Note that the following Federal laws have poster requirements which apply to school districts (no federal or federally-assisted contracts or subcontracts):
  - 1. The Employee Polygraph Protection Act (EPPA)
  - 2. The Fair Labor Standards Act (FLSA) Minimum Wage Notification
  - 3. The Family and Medical Leave Act (FMLA)
  - 4. Uniformed Services Employment and Reemployment Rights Act (USERRA)
  - 5. Occupational Safety and Health Act (Workplace Safety)
  - 6. Whistleblower Protections

In addition, certain organizations may be required to display posters that can only be obtained from DOL's Office of Workers' Compensation Programs (OWCP). More information on these posters is available. Links to all Federal employment posters are always available on the Poster Page as are answers to frequently asked questions. Note that school districts with federal or federally-assisted contracts or subcontracts may have additional requirements.

### **Legal Alerts**

Included with this update are several legal alerts. These include:

- 3. Temporary Evaluation Changes during the Pandemic
- 4. Temporary Rule Changes for Preschool and Child Care Programs
- 5. Temporary and Permanent Changes to Licensure, Qualifications, and Staff Training

**BYLAWS AND POLICIES****Policy 2240 - Controversial Issues (Revised)**

This policy has been revised because of changes enacted by H.B. 164. The new law defines religious expression to include prayer, religious gatherings such as prayer groups, distribution of written materials or literature of a religious nature, and "any other activity of a religious nature, including wearing symbolic clothing or expression of a religious viewpoint" as long as the expression is not vulgar, obscene, indecent, or offensively lewd. Boards are no longer permitted to restrict student exercise of religion to lunch periods or other noninstructional time periods. Finally, the law declares that a school district may not prohibit a student from engaging in religious expression when completing homework, artwork, or other type of classroom assignment. Rather, the assignments must be graded or scored using ordinary academic standards and shall neither reward or penalize a student based on the religious content.

This revised policy reflects current Ohio law and should be adopted to maintain accurate policies.

**Policy 2260.01 – Section 504/ADA Prohibition Against Discrimination Based on Disability (Revised)**

Policy #2260.01 places particular emphasis on protections for students who are identified under Section 504 and ADA, including accessibility to qualified individuals with regard to facilities, programs and activities according to federal law. Revisions to this policy are based on recent Office for Civil Rights (OCR) investigations and reviews of compliance issues, particularly related to vocational education/Career-Technical education programs with particular emphasis on vocational education.

These revisions should be adopted and implemented in order to maintain compliance under Section 504 and ADA.

**Policy 2266 – Nondiscrimination on the Basis of Sex in Education Programs or Activities (Revised)**

This policy has been revised to reflect the recognized definition of "Rape" as of January 2021, deleting the original reference to the definition required by the Clery Act at the time of the release of the regulations in May 2020. The revised definition is that provided by the National Incident-Based Reporting System (NIBRS). Also, there is a suggested revision in the Appeals section of the policy. While the current regulation does not specifically address the implementation of remedies during the appeals process, it seems to be inappropriate to impose disciplinary sanctions while an appeal is pending.

These revisions are recommended for adoption.

**Policy 6144 - Investments (Revised)**

This policy has been further revised to include the provisions of H.B. 251, to increase from five to ten years the maturity period of certain political subdivision's bonds and obligations eligible for investment of a district's interim monies. Only certain investments are eligible for up to a ten-year maturity period; most investments are limited to a five-year maturity period.

This revised policy reflects current Ohio law and should be adopted to maintain accurate policies if the District wishes to take advantage of such investments.

**Policy 6146 – Post-Issuance Compliance for Tax-Exempt and Tax-Advantaged Obligations (Revised)**

This policy (and corresponding administrative guideline), originally released in 2012 as "upon request", is included for clients in response to audit questions. The new policy was not widely adopted by Ohio districts at that time and, therefore, may not be need to be revised or considered at this time unless there is a need for such financing guidance.

Revisions to this policy (and guideline) are a result of the U. S. Securities and Exchange Commission's (SEC's) Municipalities Continuing Disclosure Cooperation Initiative (the "MCDC Initiative").

These revisions are recommended for consideration and adoption, if needed.

**Policy 6220 – Budget Preparation (Revised)**

This policy has been revised and retitled based on client requests for language dealing with budget reserve provisions. The Neola template has included language allowing for such budget restrictions. This revision expands such an option.

This revision expands options to consider regarding budget reserve provisions.

#### **Policy 6600 – Deposit of Public Funds: Cash Collection Points (Revised)**

Revisions to this policy are based on client requests in response to audit questions. The revision provides direction regarding discrepancies at cash collection points. Further language was added to prohibit cash-back payment for check or credit card overpayments.

These revisions are recommended for consideration and adoption.

#### **Policy 7440.01 – Video Surveillance and Electronic Monitoring (Revised)**

Due to the significant increase in the use of virtual/on-line learning, this policy has been revised to allow a District to use prerecorded lessons or observations of on-line or virtual learning sessions as part of an employee's evaluation, in accordance with a collective bargaining agreement or Memorandum of Understanding approved by the Board.

These revisions are provided to enable expanded use of technology monitoring for appropriate purposes.

#### **Policy 8450.01 – Protective Facial Coverings During Pandemic/Epidemic Events (Revised)**

This policy (new in August 2020) is revised to reflect the changes in recommended exemptions enacted by the Ohio Department of Health (ODH) and the Center for Disease Control and Prevention (CDC) in September 2020. The guidance and content of this revised policy may be included in the District's Restart/Reopening plan for the 2020-21 school year. The policy provides coverage for students, district employees, and volunteers/visitors.

This revised policy is not currently required by statute or regulation, however is provided for district consideration.

#### **Policy 8500 – Food Services (Revised)**

This policy has been revised to add the emphasis being sought by the United States Department of Agriculture (USDA) to prohibit stigmatizing students who lack the funds to pay for their meal or with unpaid meal charges.

This revision is recommended for adoption.

#### **Policy 8510 - Wellness (Revised)**

Revisions to this policy reflect updated requirements for evaluation and review of district wellness policies (at least every three years) and the updated regulations issued by the U.S. Department of Agriculture (USDA). These regulations provide the basis for USDA review and monitoring of district compliance with the Health and Hunger-Free Kids Act. WELLSAT:3.0 is the assessment tool widely used to audit school wellness policies.

These revisions reflect the updated USDA regulations and are recommended for adoption.

### **ADMINISTRATIVE GUIDELINES**

#### **AG 6146 – Post-Issuance Compliance for Tax-Exempt and Tax-Advantaged Obligations (Revised)**

See note on Policy 6146.

#### **AG 8500D – Procedure for the Collection and Payment for Charged Meals (Revised)**

See note on Policy 8500.

### **COMMENTS**

#### **Reviewing Board Minutes**

A feature of your subscription to the Update Service is the review of your District's Board minutes to identify action that results in new policy or revision to existing policy. If such action has been taken and copies of the related materials have not been submitted to the Coshocton Office, the District will be contacted and additional information regarding the action will be requested. Please take advantage of this valuable service by sending copies of your Board minutes to the Coshocton Office for review.

#### OVERVIEW AND COMMENTS

In December 2014, the U.S. Department of Education (ED) released the newly updated Education Department General Administrative Regulations (EDGAR). This major rewrite of the regulations was issued after nearly 40 years of very little change in the compliance measures that federally funded programs must meet. The regulations covered the application process, financial management, procurement, inventory management, time and effort accountability, cost allowability, record retention, and program oversight.

The Office of Management and Budget (OMB) has now revised sections of OMB Guidance for Grants and Agreements, also known as Uniform Grant Guidance (UGG). Proposed changes to 2 C.F.R Part 200 were published in the Federal Register in January 2020, comments closed on March 23, 2020, and Final Revisions were published in August 2020. Despite the intervening pandemic, OMB released its final revisions to the Uniform Grants Guidance (2 CFR Part 200) right on schedule! The revisions continue the OMB's push for results-oriented accountability for grants, significantly rewrite the sections on procurement, and attempt to clarify prior requirements, including provisions related to period of performance and indirect costs. The revised rules are effective November 12, 2020.

These revisions reflect changes outlined in the President's Management Agenda (PMA). This guidance is intended to focus on improved stewardship and ensuring that the American people are receiving value for funds spent on grant programs. The revisions are limited in scope to support implementation of statutory requirements, alignment of these provisions with other Federal requirements, and clarification of existing requirements to minimize risk in financial transactions.

These new regulations will require some revision to current policies. The greatest focus, however, will continue to be on compliant written procedures relative to many of the financial and program management functions. These procedures will necessarily be district-specific, providing a clear picture of how these functions are carried out in the District.

Neola has conducted a thorough review of policy and administrative guidelines templates and will be providing appropriate revisions and additions in this special update and in future updates to assist districts in meeting compliance standards put forth by EDGAR. Policy documents in this special update – EDGAR 2.0 (OH) - have been reviewed by Brustein & Manasevit, PLLC Attorneys at Law and by Ennis Britton Co., L.P.A. for consistency with Federal and State law, respectively.

Significant work, however, will be necessary for each district to draft the required procedures for a variety of functions. Neola will, upon request, process and post districts' procedures/manuals as electronic links to provide for convenient flow from policy to administrative guidelines to district procedure.

The update includes the following documents:

- **Policy 6114 - Cost Principles - Spending Federal Funds (Revised - October 2020)**
- **Policy 6325 - Procurement - Federal Grants/Funds (Revised - October 2020)**
- **Policy 7450 - Property Inventory (Revised)**
- **Policy 7455 - Accounting System for Capital Assets (Revised)**

### OVERVIEW AND COMMENTS

These policies have been revised to reflect changes in terminology and definitions, terms, and processes that are consistent with the latest regulations released by the United States Department of Education (USDOE), specifically Title IX regulations released in May 2020 (effective August 2020).

While these revisions are substantially technical in nature, they should be considered as policy revisions. It may be easier to work in the Neola revised template for these policies. In accepting revised language, it is important to consider options and district-specific information contained in current District versions of the policies, such as:

- ( ) The District will offer counseling services to any person found to have been subjected to unlawful harassment, and, where appropriate, the person(s) who committed the unlawful harassment. (1662/3362/4362)
- Name and contact information for Compliance Officers.
- Location of Postings.
- Designation of Superintendent or Board as final decision.
- Options regarding Investigatory Records.

Your Neola associate is ready to assist you in processing and adopting these revisions.

The update includes the following documents:

- **Policy 1422/3122/4122 - Nondiscrimination and Equal Employment Opportunity (Revised)**
- **Policy 1623/3123/4123 - Section 504/ADA Prohibition Against Disability Discrimination Based in Employment (Revised)**
- **Policy 1662/3362/4362 - Anti-Harassment (Revised)**
- **Policy 2260 - Nondiscrimination and Access to Equal Educational Opportunity (Revised)**
- **Policy 5517 - Anti-Harassment (Revised)**

The Board designates the following individuals to serve as the District's "Compliance Officers" (also known as "Civil Rights Coordinators") (hereinafter referred to as the "COs").

~~**DRAFTING [NOTE: Neola suggests the Board School Districts are advised to appoint both a male and a female CO in order to provide complainants with the option to report their concerns to an individual of the gender with which they feel most comfortable. The COs may also serve as the District's Section 504 Compliance Officer/ADA Coordinator and Title IX Coordinator. ### Reports and Complaints of Unlawful Discrimination and Retaliation

Employees are required to ~~encouraged to promptly~~ report incidents of unlawful discrimination and/or retaliation to an administrator, supervisor, or other District-level official so that the Board may address the conduct. Any administrator, supervisor, or other District-level ~~employee or~~ official who receives such a report ~~complaint~~ shall file it with the CO ~~(-)~~ at his/her first convenience ~~(-)~~ within two (2) ~~school~~ days.

Employees who believe they have been unlawfully discriminated/retaliated against are entitled to utilize the complaint process set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the Complainant's ~~complaining individual's~~

employment. While there are no time limits for initiating complaints under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

The COs will be available during regular school/work hours to discuss concerns related to unlawful discrimination/retaliation. COs shall accept reports/complaints of unlawful discrimination/retaliation directly from any member of the School District community or a Third Party, or receive reports that are initially filed with another Board employee, visitor to the District, or receive complaints that are initially filed with a school building administrator. Upon receipt of a complaint, either directly or through a school building administrator, a CO will begin either an informal or formal process (depending on the request of the person alleging the discrimination/retaliation or the nature of the alleged discrimination/retaliation). Upon receipt of a report of alleged discrimination/retaliation, the CO will contact the Complainant and begin either an informal or formal complaint process (depending on the Complainant's request and the nature of the alleged discrimination/retaliation), or the CO will designate a specific individual to conduct such a process. The CO will provide a copy of this policy to the Complainant and the Respondent. ~~any person who files a complaint.~~ In the case of a formal complaint, the CO will prepare recommendations for the Superintendent or oversee the preparation of such recommendations by a designee. All members of the School District community must report incidents of discrimination/retaliation that are reported to them to the CO within two (2) business days of learning of the incident/conduct.

Any Board employee who directly observes unlawful discrimination/retaliation is obligated, in accordance with this policy, to report such observations to one of the COs within two (2) business days. Additionally, any Board employee who observes an act of unlawful discrimination/retaliation is expected to intervene to stop the misconduct, unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Board employees and/or local law enforcement officials, as necessary, to stop the misconduct. Thereafter, the CO or designee must contact the employee/Complainant within two (2) business days to advise ~~him/her~~ of the Board's intent to investigate the alleged wrongdoing.

### Investigation and Complaint Procedure (See Form 1422 F2)

Except for sex discrimination and/or Sexual Harassment that is covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities, any employee who alleges to have been ~~Any employee who believes that s/he has been~~ subjected to unlawful discrimination or retaliation may seek resolution of the his/her complaint through the procedures described below. The formal complaint procedures involve an investigation of the individual's claims of discrimination/retaliation and a process for rendering a decision regarding whether the charges are substantiated.

Due to the sensitivity surrounding complaints of unlawful discrimination or retaliation, timelines are flexible for initiating the complaint process; however, individuals are encouraged ~~should make every effort~~ to file a complaint within thirty (30) calendar days after the conduct occurs. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of unlawful discrimination or retaliation with the United States Department of Education Office for Civil Rights, the Ohio Civil Rights Commission ("OCRC") or Equal Employment Opportunity Commission ("EEOC").

### Informal Complaint Procedure

The goal of the informal complaint procedure is to promptly stop ~~stop quickly~~ inappropriate behavior and facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for an employee who alleges unlawful discrimination or retaliation. ~~believes s/he has been unlawfully discriminated or retaliated against.~~ This informal procedure is not required as a precursor to the filing of a formal complaint. The informal process is only available in those circumstances where the Complainant and the Respondent mutually ~~parties (the alleged target of the discrimination/retaliation and individual(s) alleged to have engaged in the discrimination)~~ agree to participate in it.

The Complainant ~~Employees who believe that they have been unlawfully discriminated/retaliated against~~ may proceed immediately to the formal complaint process and individuals who participate in ~~seek resolution through~~ the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complaints involving a District employee or any other adult member of the School District community and ~~against~~ a student will be formally investigated.

As an initial course of action, if a Complainant feels comfortable and safe ~~an individual feels that s/he is being unlawfully discriminated/retaliated against and s/he is able and feels safe~~ doing so, the individual should tell or otherwise inform the Respondent that ~~person who engaged in~~ the allegedly discriminatory/retaliatory conduct that it is inappropriate and must stop. The Complainant/complaining individual ~~individuals~~ should address the alleged misconduct as soon after it occurs as possible. The COs are available to support and counsel the Complainant ~~individuals~~ when taking this initial step or to intervene on behalf of the individual if requested to do so. A Complainant ~~An individual~~ who is uncomfortable or unwilling to directly approach the Respondent about the inappropriate conduct may file ~~inform the person who allegedly engaged in the unlawful misconduct of his/her concerns is not prohibited from otherwise filing~~ an informal or a formal complaint. In addition, with regard to certain types of unlawful discrimination (e.g., sex discrimination), ~~such as sexual discrimination~~, the CO may advise against the use of the informal complaint process.

~~An individual who believes s/he has been unlawfully discriminated/retaliated against~~ A Complainant who alleges unlawful discrimination/retaliation may make an informal complaint, either orally or in writing: 1) to a building administrator; 2) directly to one of the COs; and/or 3) to the Superintendent or other District-level employee.

All informal complaints must be reported to one of the COs who will either facilitate an informal resolution as described below, or appoint another individual to facilitate an informal resolution.

The School District's informal complaint procedure is designed to provide the Complainant ~~employees who believe they are being unlawfully discriminated/retaliated against~~ with a range of options aimed at bringing about a prompt resolution of their concerns. Depending upon the nature of the complaint and the wishes of the Complainant, ~~individual claiming unlawful discrimination/retaliation~~, informal resolution may involve, but not be limited to, one or more of the following:

- A. Advising the Complainant ~~individual~~ about how to communicate ~~his/her~~ concerns to the Respondent ~~person who allegedly engaged in the discriminatory/retaliatory behavior~~.
- B. Distributing a copy of Policy 1422 - Non-Discrimination and Equal Employment Opportunity ~~a reminder~~ to the individuals in the school building or office where the Respondent ~~individual whose behavior is being questioned~~ works.
- C. If both parties agree, the CO may arrange and facilitate a meeting or mediation between the Complainant and the Respondent to work out a mutual resolution ~~between the individual claiming discrimination/retaliation and the individual accused of engaging in the misconduct to work out a mutual resolution~~.

While there are no set time limits within which an informal complaint must be resolved, the CO or designee is directed ~~will exercise his/her authority~~ to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint. If the Complainant is ~~Parties who are~~ dissatisfied with ~~the results of~~ the informal complaint process, the Complainant may proceed to file a formal complaint and, as stated above, either party ~~parties~~ may request that the informal process be terminated at any time to move to the formal complaint process.

### Formal Complaint Procedure

If a complaint is not resolved through the informal complaint process, if one of the parties requested that the informal complaint process be terminated to move to the formal complaint process, or if the Complainant, from the outset, elects to file a formal complaint, or the Compliance Officer(s) determines the allegations are not appropriate for resolution through the informal process, ~~individual elects to file a formal complaint initially~~, the formal complaint process shall be implemented.

A Complainant ~~An individual who believes s/he has been subjected to unlawful discrimination/retaliation (hereinafter referred to as the "Complainant")~~, may file a formal complaint, either orally or in writing, with a Principal, the CO, Superintendent, or other District official-level employee. Due to the sensitivity surrounding complaints of unlawful discrimination and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a formal complaint within thirty (30) calendar days after the conduct occurs. If a Complainant informs a Principal, Superintendent, or other District official-level employee, either orally or in writing, about any complaint of discrimination/retaliation, that employee must report such information to the CO within two (2) business days.

Throughout the course of the process, the CO should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All formal complaints must include the following information to the extent known ~~it is available~~: the identity of the Respondent ~~individual believed to have engaged in, or be engaging in, the discriminatory/retaliatory conduct~~; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter, the CO will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a formal complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the Complainant from further discrimination or retaliation, including, but not limited to, a change of work assignment or schedule for the Complainant and/or the Respondent ~~person who allegedly engaged in the misconduct~~. In making such a determination, the CO should consult the Complainant to assess whether the individual agrees with his/her agreement to the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO may still take whatever actions deemed ~~s/he deems~~ appropriate in consultation with the Superintendent.

Within two (2) business days of receiving the complaint, the CO or designee will initiate a formal investigation to determine whether the Complainant has been subjected to unlawful discrimination/retaliation.

Simultaneously, the CO will inform the Respondent that a formal individual alleged to have engaged in the discriminatory or retaliatory conduct (hereinafter referred to as the "Respondent"), that a complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including Policy 1422 - Non-Discrimination and Equal Employment Opportunity. The Respondent must also be informed of the opportunity to submit a written response to the complaint within five (5) business days.

Although certain cases may require additional time, the CO or a designee will attempt to complete an investigation into the allegations of discrimination/retaliation within fifteen (15) business days of receiving the formal complaint. The investigation will include:

- A. interviews with the Complainant;
- B. interviews with the Respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations;
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the CO or the designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful discrimination/retaliation as provided in Board policy and State and Federal law as to whether the Respondent has engaged in unlawful discrimination/retaliation of the Complainant. ~~Complainant has been subjected to unlawful discrimination/retaliation.~~ The CO's recommendations must be based upon the totality of the circumstances. In determining if discrimination or retaliation occurred, a preponderance of evidence standard will be used. ↔ The CO may consult with the Board's legal counsel before finalizing the report to the Superintendent.

Absent extenuating circumstances, within five (5) business days of receiving the report of the CO or the designee, the Superintendent must either issue a written final decision regarding whether the charges have been substantiated or request further investigation. A copy of the Superintendent's final decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the Superintendent must issue a final written decision as described above.

If the Superintendent determines the Respondent engaged in unlawful discrimination/retaliation toward the Complainant, the Superintendent ~~Complainant was subjected to unlawful discrimination/retaliation, she/he~~ must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate, and effective, and tailored to the specific situation.

~~[ ] The decision of the Superintendent shall be final.~~  
~~OR~~

**[ X ]** A Complainant or Respondent who is dissatisfied with the final decision of the Superintendent may appeal through a signed written statement to the Board within five (5) business days of the party's his/her receipt of the Superintendent's ~~final~~ decision. The written statement of appeal must be submitted to the Treasurer/CFO.

In an attempt to resolve the complaint, the Board shall meet with the concerned parties and their representatives within twenty (20) business days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each concerned party within ten (10) business days of this meeting. The decision of the Board will be final.

#### **~~{END OF OPTIONS}~~**

The Board reserves the right to investigate and resolve a complaint or report of unlawful discrimination/retaliation regardless of whether the employee alleging the unlawful discrimination/retaliation pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

The parties ~~Complainant~~ may be represented, at their ~~his/her~~ own cost, at any of the above-described meetings/hearings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies. ~~The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights or the filing of a court case. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.~~

### Privacy/Confidentiality

The ~~School~~ District will employ all reasonable efforts to protect the rights of the Complainant, the Respondent(s), and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the Respondent must be provided the Complainant's identity. ~~All Complainants proceeding through the formal investigation process will be advised that their identities may be disclosed to the Respondent(s).~~

During the course of a formal investigation, the CO or designee will instruct each person who is interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to third parties any information that is learned or provided ~~s/he learns and/or provides~~ during the course of the investigation.

### Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against unlawful discrimination/retaliation by taking appropriate action reasonably calculated to stop and prevent further misconduct. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter. In those cases where unlawful discrimination/retaliation is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).

Where the Board becomes aware that a prior remedial action has been taken against an employee, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effect.

### Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

~~Retaliation against a person who makes a report or files a complaint alleging unlawful discrimination/retaliation, or participates as a witness in an investigation is prohibited. Specifically, the Board will not retaliate against, coerce, intimidate, threaten or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a charge, testified, assisted or participated in any manner in an investigation, proceeding, or hearing under those laws, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws.~~

### Education and Training

In support of this policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Superintendent ~~or designee~~ shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District students and staff where appropriate.

All training, as well as all information provided regarding the Board's policy and discrimination in general, will be age and content appropriate.

## 1623 - SECTION 504/ADA PROHIBITION AGAINST DISABILITY DISCRIMINATION IN EMPLOYMENT

The Board of Education prohibits discrimination against any employee or applicant based upon his/her disability. As such, the Board will not engage in employment practices or adopt policies that discriminate on the basis of disability, or otherwise discriminate against qualified individuals with disabilities in regard to job application procedures, the hiring, advancement or discharge of employees, employee compensation, job training, or other terms, conditions and privileges of employment. The Board further will not limit, segregate or classify applicants or employees in any way that adversely affects their opportunities or status because of disability. Additionally, the Board will not participate in any contractual or other relationships that have the effect of subjecting qualified individuals with disabilities who are applicants or employees to discrimination on the basis of disability.

"An individual with a disability" means a person who has, had a record of, or is regarded as having, a physical or mental impairment that substantially limits one or more major life activities. Major life activities are functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, eating, sleeping, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, sitting, reaching, interacting with others, and working.

Major life activities also include the operation of a major bodily function, including, but not limited to, functions of the immune system, special sense organs and skin, normal cell growth, and digestive, genitourinary, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, hemic, lymphatic, musculoskeletal and reproductive functions. The operation of a major bodily function includes the operation of an individual organ within a body system.

An impairment that is episodic in nature or in remission is considered a disability if it would substantially limit a major life activity when active.

The determination of whether an impairment substantially limits a major life activity must be made without regard to the ameliorative effects of mitigating measures such as medication, medical supplies, equipment or appliances, low-vision devices (defined as devices that magnify, enhance, or otherwise augment a visual image, but not including ordinary eyeglasses or contact lenses), prosthetics (including limbs and devices), hearing aid(s) and cochlear implant(s) or other implantable hearing devices, mobility devices, oxygen therapy equipment or supplies, use of assistive technology, reasonable accommodations or "auxiliary aids or services," learned behavioral or adaptive neurological modifications, psychotherapy, behavioral therapy, or physical therapy.

A qualified person with a disability means the individual satisfies the requisite skill, experience, education and other job-related requirements of the employment position such individual holds or desires and, with or without reasonable accommodation, can perform the essential functions of the job in question.

The Board will provide a reasonable accommodation to a qualified individual who has an actual disability or who has a record of a disability, unless the accommodation would impose an undue hardship on the operation of the District's program and/or activities. A reasonable accommodation is not required for an individual who is merely regarded as having a disability.

Any Board employee who directly observes unlawful harassment of a student is obligated, in accordance with this policy, to report such observations to one of the Compliance Officers within two (2) business days. Additionally, any Board employee who observes an act of unlawful harassment is expected to intervene to stop the harassment, unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Board employees and/or local law enforcement officials, as necessary, to stop the harassment. Thereafter, the Compliance Officer or designee must contact the student, if age eighteen (18) or older, or the student's parents if under the age eighteen (18), within two (2) business days to advise s/he/them of the Board's intent to investigate the alleged misconduct, including the obligation of the Compliance Officer or designee to conduct an investigation following all the procedures outlined for a formal complaint.~~

### Investigation and Complaint Procedure (See Form 1662 F1)

Except for Sexual Harassment that is covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities, anyAny employee or other member of the School District community or Third Party~~third-party~~ (e.g., visitor to the District) who believes that they have~~s/he has~~ been subjected to unlawful harassment or retaliation may seek resolution of the~~his/her~~ complaint through the procedures described below. The formal complaint process involves an investigation of the Complainant's claims of harassment or retaliation and a process for rendering a decision regarding whether the charges are substantiated.~~either the informal or formal procedures as described below. Further, a process for investigating claims of harassment or retaliation and a process for rendering a decision regarding whether the claim of legally prohibited harassment or retaliation, was substantiated are set forth below.~~

Due to the sensitivity surrounding complaints of unlawful harassment or retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) ~~calendar~~ days after the conduct occurs while the facts are known and potential witnesses are available. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

The ~~informal and formal~~ procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of unlawful harassment or retaliation with the United States Department of Education Office for Civil Rights, the Ohio Civil Rights Commission ("OCRC") and/or Equal Employment Opportunity Commission ("EEOC").

### Informal Complaint Procedure

The goal of the informal complaint procedure is promptly to stop inappropriate behavior and to ~~investigate and~~ facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for a student, other member of the School District community, or Third Party who alleges unlawful harassment or retaliation.~~third-party who believes s/he has been unlawfully harassed or retaliated against.~~ This informal procedure is not required as a precursor to the filing of a formal complaint. The informal process is only available in those circumstances where the Complainant and the Respondent mutually agree to participate in it, and will only be utilized where the parties (alleged target of harassment and alleged harasser(s)) agree to participate in such process.

The Complainant~~Employees, other members of the School District community, or third parties who believe that they have been unlawfully harassed or retaliated against~~ may proceed immediately to the formal complaint process and individuals who seek resolution through the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complainants involving a District employee, any other adult member of the School District community, or a Third Party and a student will be formally investigated.~~However, all complaints of harassment involving a District employee, any other adult member of the School District community, or a third party against a student will be formally investigated. Similarly, any allegations of sexual violence will be formally investigated.~~

As an initial course of action, if a Complainant feels comfortable and safe in~~an individual feels that s/he is being unlawfully harassed and s/he is able and feels safe~~ doing so, the individual should tell or otherwise inform the Respondent that the alleged harassing~~harasser that the~~ conduct is ~~unwelcome inappropriate~~ and must stop. ~~Such direct communication should not be utilized in circumstances involving sexual violence.~~ The Complainant~~complaining individual~~ should address the allegedly harassing conduct as

soon after it occurs as possible. The Compliance Officers are available to support and counsel individuals when taking this initial step or to intervene on behalf of the Complainant~~individual~~ if requested to do so. A Complainant~~An individual~~ who is uncomfortable or unwilling to directly approach the Respondent about the alleged inappropriate conduct may file~~inform the harasser of his/her complaint is not prohibited from otherwise filing~~ an informal or a formal complaint. In addition, with regard to certain types of unlawful harassment, such as sexual harassment, the Compliance Officer may advise against the use of the informal complaint process.

A Complainant~~An individual who believes s/he has been unlawfully harassed~~ may make an informal complaint, either orally or in writing: 1) to a teacher, other employee, or building administrator; 2) directly to one of the Compliance Officers; and/or 3) to the Superintendent or other District-level employee.

All informal complaints must be reported to one of the Compliance Officers who will either facilitate an informal resolution as described below ~~on his/her own~~, or appoint another individual to facilitate an informal resolution.

The ~~Board's School District's~~ informal complaint procedure is designed to provide employees, other members of the School District community, or third parties who believe they are being unlawfully harassed with a range of options designed to bring about a resolution of their concerns. Depending upon the nature of the complaint and the wishes of the Complainant~~individual claiming unlawful harassment~~, informal resolution may involve, but not be limited to, one or more of the following:

- A. Advising the Complainant~~individual~~ about how to communicate the unwelcome nature of the behavior to the Respondent~~alleged harasser~~.
- B. Distributing a copy of this~~the anti-harassment~~ policy as a reminder to the individuals in the school building or office where the Respondent works or attends~~individual whose behavior is being questioned works or attends~~.
- C. If both parties agree, the Compliance Officer may arrange and facilitate a meeting or mediation between the Complainant and the Respondent to work out a mutual resolution~~between the individual claiming harassment and the individual accused of harassment to work out a mutual resolution. Such a meeting is not appropriate in circumstances involving sexual violence~~.

While there are no set time limits within which an informal complaint must be resolved, the Compliance Officer ~~/or designee is~~ directed~~will exercise his/her authority~~ to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint. If the Complainant is~~Parties who are~~ dissatisfied with the ~~results of the~~ informal complaint process, the Complainant may proceed to file a formal complaint and, as stated above, either party~~parties~~ may request that the informal process be terminated at any time to move to the formal complaint process.

### Formal Complaint Procedure

If a complaint is not resolved through the informal complaint process, if one of the parties has requested that the informal complaint process be terminated to move to the formal complaint process, or the Complainant, from the outset, elects to file a formal complaint, or the CO determines the allegations are not appropriate for resolution through the informal process~~, if the individual elects to file a formal complaint initially~~, the formal complaint process shall be implemented.

The Complainant~~An individual who believes s/he has been subjected to offensive conduct/harassment/retaliation hereinafter referred to as the "Complainant"~~, may file a formal complaint, either orally or in writing, with a teacher, Principal, the Compliance Officer, Superintendent, or other District official~~employee~~. Due to the sensitivity surrounding complaints of unlawful harassment and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a formal complaint within thirty (30) ~~calendar~~ days after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a teacher, Principal, Superintendent, or other District official~~employee~~, either orally or in writing, about any complaint of harassment or retaliation, that employee must report such information to the Compliance Officer ~~or designee~~ within two (2) business days.

Throughout the course of the process, the Compliance Officer should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All formal complaints must include the following information to the extent known~~it is available~~: the identity of the Respondent~~individual believed to have engaged in, or be engaging in, offensive conduct/harassment/retaliation~~; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the Compliance Officer shall ask for such details in an oral interview. Thereafter, the Compliance Officer will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a formal complaint, the Compliance Officer will consider whether any action should be taken in the investigatory phase to protect the Complainant from further harassment or retaliation, including, but not limited to, a change of work assignment or schedule for the Complainant and/or the ~~Respondent~~~~alleged harasser~~. In making such a determination, the Compliance Officer should consult the Complainant to assess ~~whether the individual agrees with his/her agreement to~~ the proposed action. If the Complainant is unwilling to consent to the proposed change, the Compliance Officer may still take whatever actions ~~deemed~~~~s/he deems~~ appropriate in consultation with the Superintendent.

Within two (2) business days of receiving the complaint, the Compliance Officer~~/or a~~ designee will initiate a formal investigation to determine whether the Complainant has been subjected to offensive conduct/harassment/retaliation. ~~(-)>A~~ The Principal will not conduct an investigation unless directed to do so by the Compliance Officer.

Simultaneously, the Compliance Officer will inform the ~~Respondent that a formal individual alleged to have engaged in the harassing or retaliatory conduct, hereinafter referred to as the "Respondent", that a~~ complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant ~~policies and/or administrative guidelines~~, including the Board's Anti-Harassment Policy. The Respondent must also be informed of the opportunity to submit a written response to the complaint within five (5) business days.

Although certain cases may require additional time, the Compliance Officer~~/or a~~ designee will attempt to complete an investigation into the allegations of harassment/retaliation within fifteen (15) business days of receiving the formal complaint. The investigation will include:

- A. interviews with the Complainant;
- B. interviews with the Respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations;
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the Compliance Officer or the designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful harassment as provided in Board policy and State and Federal law as to whether the Complainant has been subjected to unlawful harassment. The Compliance Officer's recommendations must be based upon the totality of the circumstances, ~~including the ages and maturity levels of those involved~~. In determining if discriminatory harassment or retaliation occurred, a preponderance of evidence standard will be used. ~~(-)>~~ The Compliance Officer may consult with the Board's legal counsel before finalizing the report to the Superintendent.

Absent extenuating circumstances, within five (5) business days of receiving the report of the Compliance Officer~~/or the~~ designee, the Superintendent must either issue a ~~final~~ written decision regarding whether the complaint of harassment has been substantiated or request further investigation. A copy of the Superintendent's final decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the Superintendent must issue a ~~final~~ written decision as described above.

~~{ } The decision of the Superintendent shall be final.~~  
~~OR~~

**{ X }** A Complainant or Respondent who is dissatisfied with the final decision of the Superintendent may appeal through a signed written statement to the Board within five (5) business days of ~~the party's his/her~~ receipt of the Superintendent's ~~final~~ decision. The written statement of appeal must be submitted to the Treasurer/CFO.

In an attempt to resolve the complaint, the Board shall meet with the concerned parties and their representative within twenty (20) business days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each ~~concerned~~ party within ten (10) business days of this meeting. The decision of the Board will be final.

**{END OF OPTIONS}**

The Board reserves the right to investigate and resolve a complaint or report of unlawful harassment/retaliation regardless of whether the member of the School District community or ~~Third Party~~~~third party~~ alleging the unlawful harassment/retaliation pursues

the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

The parties may be represented, at their own cost, at any of the above-described meetings/hearings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies.

### **Privacy/Confidentiality**

The ~~School~~ District will employ all reasonable efforts to protect the rights of the Complainant, the ~~Respondent individual(s) against whom the complaint is filed~~, and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. All records generated under the terms of this policy and related administrative guidelines shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the Respondent must be provided the Complainant's identity. ~~All Complainants proceeding through the formal investigation process will be advised that their identities may be disclosed to the Respondent.~~

During the course of a formal investigation, the Compliance Officer ~~/or his/her~~ designee will instruct all members of the School District community and third parties who are interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of a harassment investigation is expected not to disclose any information that is learned or provided ~~s/he learns or that s/he provides~~ during the course of the investigation.

### **Sanctions and Monitoring**

The Board shall vigorously enforce its prohibitions against unlawful harassment /retaliation by taking appropriate action reasonably calculated to stop the harassment and prevent further such harassment. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter, ~~including the ages and maturity levels of those involved~~. In those cases where unlawful harassment is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).

Where the Board becomes aware that a prior remedial action has been taken against a member of the School District community, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effects.

### **Retaliation**

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a report, formal complaint testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person from making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in imposition of disciplinary sanction/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

~~Any act of retaliation against a person who has made a report or filed a complaint alleging unlawful harassment, or who has participated as a witness in a harassment investigation is prohibited.~~

### **Allegations Constituting Criminal Conduct: Child Abuse/Sexual Misconduct**

State law requires any school teacher or school employee who knows or suspects that a child with a disability under the age of twenty-one (21) or that a child under the age of eighteen (18) has suffered or faces a threat of suffering a physical or mental wound, disability or condition of a nature that reasonably indicates abuse or neglect of a child to immediately report that knowledge or suspicion to the county children's services agency. If, during the course of a harassment investigation, the Compliance Officer or a

designee has reason to believe or suspect that the alleged conduct reasonably indicates abuse or neglect of the Complainant, a report of such knowledge must be made in accordance with State law and Board Policy.

State law defines certain contact between a teacher and a student as "sexual battery." If the Compliance Officer or a designee has reason to believe that the Complainant has been the victim of criminal conduct as defined in Ohio's Criminal Code, such knowledge should be immediately reported to local law enforcement.

Any reports made to a county children's services agency or to local law enforcement shall not terminate the Compliance Officer or a designee's obligation and responsibility to continue to investigate a complaint of harassment. While the Compliance Officer or a designee may work cooperatively with outside agencies to conduct concurrent investigations, in no event shall the harassment investigation be inhibited by the involvement of outside agencies without good cause after consultation with the Superintendent.

### **Allegations Involving Conduct Unbecoming the Teaching Profession/Suspension**

The Superintendent will report to the Ohio Department of Education, on forms provided for that purpose, matters of misconduct on the part of licensed professional staff members convicted of sexual battery, and will, in accordance with Policy 8141, suspend such employee from all duties that concern or involve the care, custody, or control of a child during the pendency of any criminal action for which that person has been arrested, summoned and/or indicted in that regard.

### **Education and Training**

In support of this Anti-Harassment Policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Superintendent ~~or designee~~ shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District students and staff where appropriate. All training, as well as all information provided regarding the Board's policy and harassment in general, will be age and content appropriate.

### **Retention of Investigatory Records and Materials**

The Compliance Officer(s) is responsible for overseeing retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy shall retain all documents, electronically stored information ("ESI"), and electronic media (as defined in Policy 8315) created and/or received as part of an investigation, which may include but not be limited to:

- K. documentation of all actions taken, both individual and systemic, to stop the discrimination or harassment, prevent its recurrence, eliminate any hostile environment, and remedy its discriminatory effects;
- L. copies of the Board policy and/or procedures/guidelines used by the District to conduct the investigation, and any documents used by the District at the time of the alleged violation to communicate the Board's expectations to students and staff with respect to the subject of this policy (e.g., Student Code of Conduct and/or Employee Handbooks ~~or Codes of Conduct~~);

## 2240 - **CONTROVERSIAL ISSUES**

The Board of Education believes that the consideration of controversial issues has a legitimate place in the instructional program of the schools.

[ ☒ ] Properly introduced and conducted, the consideration of such issues can help students learn to identify important issues, explore fully and fairly all sides of an issue, weigh carefully the values and factors involved, and develop techniques for formulating and evaluating positions.

For purposes of this policy, a controversial issue is a topic

(☒ ) on which opposing points of view have been promulgated by responsible opinion.

(☒ ) likely to arouse both support and opposition in the community.

The Board will permit the introduction and proper educational use of controversial issues provided that their use in the instructional program:

- A. (☒ ) is related to the instructional goals of the course of study and level of maturity of the students;
- B. (☒ ) does not tend to indoctrinate or persuade students to a particular point of view;
- C. (☒ ) encourages open-mindedness and is conducted in a spirit of scholarly inquiry.

Controversial issues related to the program may be initiated by the students themselves provided they are presented in the ordinary course of classroom instruction and it is not substantially disruptive to the educational setting.

Controversial issues may not be initiated by a source outside the schools unless prior approval has been given by the principal.

When controversial issues have not been specified in the course of study, the Board will permit the instructional use of only those issues which

(☒ ) have been approved by the Superintendent.

( ☒ ) who shall report periodically such approval to the Board for their review.

( ) ~~have been approved by the~~  
~~( ) principal.~~  
~~( ) department head.~~

~~[ ] In the discussion of any issue, a teacher may express a personal opinion, but shall identify it as such, and must not express such an opinion for the purpose of persuading students to his/her point of view.~~

No classroom teacher shall be prohibited from providing reasonable periods of time for activities of a moral, philosophical, or patriotic theme. No student shall be required to participate in such activities if they are contrary to the religious convictions of the student or his/her parents or guardians.

The Board acknowledges that it may not adopt any policy or rule respecting or promoting an establishment of religion or prohibiting any student from the free, individual, and voluntary exercise or expression of the student's religious beliefs. ~~However, such exercise or expression (-) may (-) shall be limited to lunch periods or other noninstructional time periods when students are free to associate.~~

The Board also recognizes that a course of study or certain instructional materials may contain content and/or activities that some parents find objectionable. If after careful, personal review of the program lessons and/or materials, a parent indicates to the school that either the content or activities conflicts with his/her religious beliefs or value system, the school will honor a written request for his/her child to be excused from a particular class for specified reasons. The student, however, will not be excused from participating in the course and will be provided alternate learning activities during times of such parent requested absences.

~~The Superintendent shall develop administrative guidelines for dealing with controversial issues and with parental concerns about program content or the use of particular materials.~~

## 2260 - **NONDISCRIMINATION AND ACCESS TO EQUAL EDUCATIONAL OPPORTUNITY**

Any form of discrimination or harassment can be devastating to an individual's academic progress, social relationship and/or personal sense of self-worth. As such, the Board of Education does not discriminate on the basis of race, color, national origin, sex (including sexual orientation or ~~trans~~gender identity), disability, age (except as authorized by law), religion, military status, ancestry, or genetic information (collectively, "Protected Classes") in its educational programs or activities.

The Board also does not discriminate on the basis of Protected Classes in its employment policies and practices as they relate to students, and does not tolerate harassment of any kind.

Equal educational opportunities shall be available to all students, without regard to the Protected Classes, age (unless age is a factor necessary to the normal operation or the achievement of any legitimate objective of the program/activity), place of residence within the boundaries of the District, or social or economic background, to learn through the curriculum offered in this District. Educational programs shall be designed to meet the varying needs of all students.

In order to achieve the aforesaid goal, the Superintendent shall:

### **A. Curriculum Content**

review current and proposed courses of study and textbooks to detect any bias based upon the Protected Classes; ascertaining whether or not supplemental materials, singly or taken as a whole, fairly depict the contribution of both genders, various races, ethnic groups, etc. toward the development of human society;

### **B. Staff Training**

develop an ongoing program of in-service training for school personnel designed to identify and solve problems of bias based upon the Protected Classes in all aspects of the program;

### **C. Student Access**

1. review current and proposed programs, activities, facilities, and practices to verify that all students have equal access thereto and are not segregated on the basis of the Protected Classes in any duty, work, play, classroom, or school practice, except as may be permitted under State and Federal laws and regulations;
2. verify that facilities are made available, in accordance with Board Policy 7510 - Use of District Premises, for non-curricular student activities that are initiated by parents or other members of the community, including but not limited to any group officially affiliated with the Boy Scouts of America or any other youth group listed in Title 36 of the United States Code as a patriotic society;

### **D. District Support**

verify that like aspects of the District program receive like support as to staff size and compensation, purchase and maintenance of facilities and equipment, access to such facilities and equipment, and related matters;

**E. Student Evaluation**

verify that tests, procedures, and guidance and counseling materials, which are designed to evaluate student progress, rate aptitudes, analyze personality, or in any manner establish or tend to establish a category by which a student may be judged, are not differentiated or stereotyped on the basis of the Protected Classes.

**Definitions:**

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

**Complainant** is the individual who alleges, or is alleged, to have been subjected to unlawful discrimination/retaliation, regardless of whether the person files a formal complaint or is pursuing an informal resolution to the alleged discrimination/retaliation.

**Respondent** is the individual who has been alleged to have engaged in unlawful discrimination/retaliation, regardless of whether the Reporting Party files a formal complaint or is seeking an informal resolution to the alleged discrimination/retaliation.

**School District community** means students and Board employees (i.e., administrators, and professional and classified staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

**Third Parties** include, but are not limited to, guests and/or visitors on School District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with, the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

**Day(s):** Unless expressly stated otherwise, the term "day" or "days" as used in this policy means a business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday - Friday, excluding State-recognized holidays).

**District Compliance Officers**

The Board designates the following individuals to serve as the District's "Compliance Officers" (also known as "Civil Rights Coordinators") (hereinafter referred to as the "COs").

~~{NOTE: Neola suggests the Board School Districts are advised to appoint both a male and a female CO in order to provide Co-complainants with the option to report their concerns to an individual of the gender with which they feel most comfortable. The COs may also serve as the District's Section 504 Compliance Officer/ADA Coordinator and Title IX Coordinator. Additionally, by appointing two (2) COs, there should always be a CO available to investigate a claim of discrimination that pertains to the other CO.}~~

The Board is committed to educating (or providing for the education of) each qualified person with a disability with persons who are not disabled to the maximum extent appropriate. Generally, the District will place a person with a disability in the regular educational environment unless it is demonstrated that the education of the person in the regular environment, even with the use of supplementary aids and services cannot be achieved satisfactorily. If the Board operates a separate class or facility that is identifiable as being for persons with disabilities, the facility, program, and activities and services must be comparable to the facilities, programs, and activities and services offered to students without a disability.

In addition, the Superintendent shall establish procedures to identify students who are Limited English Proficient (LEP), including immigrant children and youth, to assess their ability to participate in District programs, and develop and administer a program that meets the English language and academic needs of these students. This program shall include procedures for student placement, services, evaluation, and exit guidelines and shall be designed to provide students with effective instruction that leads to academic achievement and timely acquisition of proficiency in English. As a part of this program, the District will evaluate the progress of students in achieving English language proficiency in the areas of listening, speaking, reading and writing, on an annual basis (see AG 2260F). The Superintendent is responsible for verifying that a concentration of students who are Limited English Proficient (LEP) in one (1) or more programs is not the result of discrimination.

### Reports and Complaints of Unlawful Discrimination and Retaliation

Students and Board employees are required, and all other members of the School District community and ~~T~~third ~~P~~parties are encouraged to promptly report incidents of unlawful discrimination and/or retaliation to a teacher, administrator, supervisor, or other District official so that the Board may address the conduct. Any teacher, administrator, supervisor, or other District employee or official who receives such a complaint shall file it with the CO ~~(-- at his/her first convenience (--) within two (2)-school~~ days.

Members of the School District community, which includes students or ~~T~~third ~~P~~parties, who believe they have been unlawfully discriminated/retaliated against are entitled to utilize the complaint process set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the Complainant's ~~complaining individual's~~ employment or participation in educational or extra-

curricular programs. While there are no time limits for initiating complaints under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

If, during an investigation of alleged bullying, aggressive behavior and/or harassment in accordance with Policy 5517.01 - Bullying and Other Forms of Aggressive Behavior, the Principal believes that the reported misconduct may constitute unlawful discrimination based on a Protected Class, the Principal shall report the act to one of the COs who shall investigate the allegation in accordance with this policy. While the CO investigates the allegation, the Principal shall suspend ~~the his/her~~ Policy 5517.01 investigation to await the CO's written report. The CO shall keep the Principal informed of the status of the Policy 2260 investigation and provide the Principal ~~him/her~~ with a copy of the resulting written report.

The COs will be available during regular school/work hours to discuss concerns related to unlawful discrimination/retaliation. COs shall accept ~~reports/complaints~~ of unlawful discrimination/retaliation directly from any member of the School District community or a ~~Third Party, or receive reports that are initially filed with another Board employee, visitor to the District, or receive complaints that are initially filed with a school building administrator. Upon receipt of a~~ Upon receipt of a report of alleged discrimination/retaliation, the CO will contact the Complainant and begin either an informal or formal complaint process (depending on the Complainant's request and the nature of the alleged discrimination/retaliation), ~~complaint either directly or through a school building administrator, a CO will begin either an informal or formal process (depending on the request of the person alleging the discrimination/retaliation or the nature of the alleged discrimination/retaliation),~~ or the CO will designate a specific individual to conduct such a process. The CO will provide a copy of this policy to the Complainant and the Respondent, ~~any person who files a complaint~~. In the case of a formal complaint, the CO will prepare recommendations for the Superintendent or oversee the preparation of such recommendations by a designee. All members of the School District community must report incidents of discrimination/retaliation that are reported to them to the CO within two (2) ~~business~~ days of learning of the incident/conduct.

Any Board employee who directly observes unlawful discrimination/retaliation of a student is obligated, in accordance with this policy, to report such observations to one of the COs within two (2) business days. Additionally, any Board employee who observes an act of unlawful discrimination/retaliation is expected to intervene to stop the misconduct, unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Board employees and/or local law enforcement officials, as necessary, to stop the misconduct. Thereafter, the CO ~~/or~~ designee must contact the Complainant ~~student~~, if age eighteen (18) or older, or the Complainant's ~~student's~~ parents/guardians if the Complainant ~~student~~ is under the age eighteen (18), within two (2) ~~school~~ days to advise ~~s/he/them~~ of the Board's intent to investigate the alleged wrongdoing.

## Investigation and Complaint Procedure

Except for sex discrimination and/or Sexual Harassment that is covered by Policy 2266 – Nondiscrimination on the Basis of Sex in Education Programs or Activities, any student who alleges to have been ~~Any student who believes that s/he has been~~ subjected to unlawful discrimination or retaliation may seek resolution of ~~the his/her~~ complaint through the procedures described below. The formal complaint procedures involve an investigation of the individual's claims of discrimination/retaliation and a process for rendering a decision regarding whether the charges are substantiated.

Due to the sensitivity surrounding complaints of unlawful discrimination or retaliation, timelines are flexible for initiating the complaint process; however, individuals are encouraged ~~should make every effort~~ to file a complaint within thirty (30) ~~calendar~~ days after the conduct occurs. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of a student to pursue a complaint of unlawful discrimination or retaliation with the United States Department of Education Office for Civil Rights ("OCR"). The Cleveland Office of the OCR can be reached at 1350 Euclid Avenue, Suite 325, Cleveland, Ohio 44115; Telephone: (216) 522-4970; Fax: (216) 522-2573; TDD: (216) 522-4944; E-mail: ocr.cleveland@ed.gov; Web: <http://www.ed.gov/ocr>.

## Informal Complaint Procedure

The goal of the informal complaint procedure is to promptly ~~quickly~~ stop inappropriate behavior and facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for a student who alleges unlawful discrimination or retaliation, ~~believes s/he has been unlawfully discriminated or retaliated against~~. This informal procedure is not required as a precursor to the filing of a formal complaint.

The informal process is only available in those circumstances where the Complainant and the Respondent mutually ~~parties (the alleged target of the discrimination and individual(s) alleged to have engaged in the discrimination)~~ agree to participate in it.

The Complainant ~~Students who believe that they have been unlawfully discriminated/retaliated against~~ may proceed immediately to the formal complaint process and individuals who participate in ~~seek resolution through~~ the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complaints involving a District employee or any other adults when taking this initial step or to intervene on behalf of the individual if requested to do so. A Complainant ~~An individual~~ who is uncomfortable or unwilling to directly approach the Respondent about the

~~inappropriate conduct may file~~inform the person who allegedly engaged in the unlawful conduct of his/her concerns is not prohibited from otherwise filing an informal or a formal complaint. In addition, with regard to certain types of unlawful discrimination (e.g., sex discrimination), ~~such as sexual discrimination~~, the CO may advise against the use of the informal complaint process.

As an initial course of action, if a Complainant feels comfortable and safe ~~student feels that s/he is being unlawfully discriminated/retaliated against and s/he is able and feels safe~~ doing so, the individual should tell or otherwise inform the Respondent that the alleged harassing person who engaged in the allegedly discriminatory/retaliatory conduct that it is inappropriate/unwelcome and must stop. The Complainant/complaining individual should address the ~~alleged-allegedly harassing~~ misconduct conduct as soon after it occurs as possible. The COs/Compliance Officers are available to support and counsel individuals when taking this initial step or to intervene on behalf of the Complainant individual if requested to do so. ~~An individual~~ A Complainant who is uncomfortable or unwilling to directly approach the Respondent about the alleged inappropriate conduct may file ~~inform the person who allegedly engaged in the unlawful conduct of his/her concerns is not prohibited from otherwise filing~~ an informal or a formal complaint. In addition, with regard to certain types of unlawful harassment/discrimination, such as sexual ~~discrimination~~, harassment the ~~CO/Compliance Officer~~ may advise against the use of the informal complaint process.

~~A student who believes s/he has been unlawfully discriminated/retaliated against~~ A Complainant who alleges unlawful discrimination/retaliation may make an informal complaint, either orally or in writing: 1) to a teacher, other employee, or building administrator in the school the student attends; 2) to the Superintendent or other District-level employee; and/or 3) directly to one of the COs.

All informal complaints must be reported to one of the COs who will either facilitate an informal resolution as described below, or appoint another individual to facilitate an informal resolution.

The School District's informal complaint procedure is designed to provide the Complainant ~~students who believe they are being unlawfully discriminated/retaliated against~~ with a range of options aimed at bringing about a prompt resolution of their concerns. Depending upon the nature of the complaint and the Complainant's wishes, ~~wishes of the student claiming unlawful discrimination/retaliation~~, informal resolution may involve, but not be limited to, one or more of the following:

- A. Advising the Complainant/student about how to communicate ~~his/her~~ concerns to the Respondent ~~person who allegedly engaged in the discriminatory/retaliatory behavior~~.
- B. Distributing a copy of Policy 2260 - Non-Discrimination and Access to Equal Educational Opportunity ~~as a reminder~~ to the individuals in the school building or office where the Respondent ~~individual whose behavior is being questioned~~ works or attends.
- C. If both parties agree, the CO may arrange and facilitate a meeting or mediation between the Complainant and the Respondent to work out a mutual resolution ~~between the student claiming discrimination/retaliation and the individual accused of engaging in the misconduct to work out a mutual resolution~~.

While there are no set time limits within which an informal complaint must be resolved, the CO or designee is directed ~~will exercise his/her authority~~ to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint. If the Complainant is ~~Parties who are~~ dissatisfied with ~~the results of~~ the informal complaint process, the Complainant may proceed to file a formal complaint and, as stated above, either party/parties may request that the informal process be terminated at any time to move to the formal complaint process.

## Formal Complaint Procedure

If a complaint is not resolved through the informal complaint process, if one of the parties requested that the informal complaint process be terminated to move to the formal complaint process, or if the Complainant, from the outset, elects to file a formal complaint, or the Compliance Officer(s) determines the allegations are not appropriate for resolution through the informal process, ~~student elects to file a formal complaint initially~~, the formal complaint process shall be implemented.

The Complainant ~~A student who believes s/he has been subjected to unlawful discrimination/retaliation (hereinafter referred to as the "Complainant")~~ may file a formal complaint, either orally or in writing, with a teacher, Principal, or other District official ~~employee~~ at the student's school, the CO, Superintendent, or another District official ~~employee~~ who works at another school or at the District level. Due to the sensitivity surrounding complaints of unlawful discrimination, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a formal complaint within thirty (30) ~~calendar~~ days after the conduct occurs. If a Complainant informs a teacher, Principal, or other District official ~~employee~~ at the student's school, Superintendent, or other District employee, either orally or in writing, about any complaint of discrimination/retaliation, that employee must report such information to the CO within two (2) business days.

Throughout the course of the process, the CO should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All formal complaints must include the following information to the extent ~~known it is available~~: the identity of the ~~Respondent individual believed to have engaged in, or be engaging in, the discriminatory/retaliatory conduct~~; a detailed description of the facts upon which the complaint is based ~~(i.e., when, where, and what occurred)~~; a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter, the CO will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a formal complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the Complainant from further discrimination or retaliation, including, but not limited to, a change of work assignment or schedule for the Complainant and/or the ~~Respondent person alleged to have engaged in the misconduct~~. In making such a determination, the CO should consult the Complainant to assess ~~whether the individual agrees with his/her agreement to~~ the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO may still take whatever actions ~~deemed/he deems~~ appropriate in consultation with the Superintendent.

Within two (2) business days of receiving the complaint, the CO or designee will initiate a formal investigation to determine whether the Complainant has been subjected to unlawful discrimination/retaliation. ~~(→) The~~ A Principal will not conduct an investigation unless directed to do so by the CO.

Simultaneously, the CO will inform the ~~Respondent that a formal individual alleged to have engaged in the discriminatory or retaliatory conduct (hereinafter referred to as the "Respondent") that a~~ complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including Policy 2260 - Non-Discrimination and Access to Equal Educational Opportunity. The Respondent must also be informed of the opportunity to submit a written response to the complaint within five (5) business days.

Although certain cases may require additional time, the CO or designee will attempt to complete an investigation into the allegations of discrimination/retaliation within fifteen (15) business days of receiving the formal complaint. The investigation will include:

- A. interviews with the Complainant;
- B. interviews with the Respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations;
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the CO or designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful discrimination/retaliation as provided in Board policy and State and Federal law as to whether the Respondent has engaged in unlawful discrimination/retaliation of the Complainant. ~~Complainant has been subjected to unlawful discrimination/retaliation~~. The CO's recommendations must be based upon the totality of the circumstances, including the ages and maturity levels of those involved. In determining if unlawful discrimination or retaliation occurred, a preponderance of evidence standard will be used. ~~(→)~~ The CO may consult with the Board's legal counsel before finalizing the report to the Superintendent.

Absent extenuating circumstances, within five (5) business days of receiving the report of the CO or designee, the Superintendent must either issue a written final decision regarding whether the charges have been substantiated or request further investigation. A copy of the Superintendent's final decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) days. At the conclusion of the additional investigation, the Superintendent shall issue a final written decision as described above.

If the Superintendent determines the Respondent engaged in unlawful discrimination/retaliation toward the Complainant, the Superintendent ~~Complainant was subjected to unlawful discrimination/retaliation, she/he~~ must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate and effective, and tailored to the specific situation.

~~[ ] The decision of the Superintendent shall be final.~~  
**OR**

[ X ] A Complainant or Respondent who is dissatisfied with the final decision of the Superintendent may appeal through a signed written statement to the Board within five (5) business days of ~~the party's his/her~~ receipt of the Superintendent's ~~final~~ decision. The written statement of appeal must be submitted to the Treasurer/CFO.

In an attempt to resolve the complaint, the Board shall meet with the concerned parties and their representatives within twenty (20) business days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each concerned party within ten (10) business days of this meeting. The decision of the Board will be final.

#### [END OF OPTIONS]

The Board reserves the right to investigate and resolve a complaint or report of unlawful discrimination/retaliation regardless of whether the student alleging the unlawful discrimination/retaliation pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

The ~~parties~~ ~~Complainant~~ may be represented, at ~~their~~ ~~his/her~~ own cost, at any of the above-described meetings/hearings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies.  
~~The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a Complaint with the Office for Civil Rights or the filing of a court case. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.~~

#### Privacy/Confidentiality

The ~~School~~ District will employ all reasonable efforts to protect the rights of the Complainant, the Respondent(s), and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the Respondent must be provided the Complainant's identity. ~~All Complainants proceeding through the formal investigation process will be advised that their identities may be disclosed to the Respondent(s).~~

During the course of a formal investigation, the CO or designee will instruct each person who is interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to third parties any information that is learned or provided ~~s/he learns and/or provides~~ during the course of the investigation.

#### Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against unlawful discrimination/retaliation by taking appropriate action reasonably calculated to stop and prevent further misconduct. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter, including the ages and maturity levels of those involved. In those cases where unlawful discrimination/retaliation is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).

Where the Board becomes aware that a prior remedial action has been taken against a member of the School District community, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its reoccurrence, and remedy its effects.

#### Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

~~Retaliation against a person who makes a report or files a complaint alleging unlawful discrimination, or participates as a witness in an investigation is prohibited. Specifically, the Board will not retaliate against, coerce, intimidate, threaten or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a charge, testified, assisted or participated in any manner in an investigation, proceeding, or hearing under those laws, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws.~~

## Education and Training

In support of this policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Superintendent ~~or designee~~ shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District students and staff where appropriate. All training, as well as all information, provided regarding the Board's policy and discrimination in general, will be age and content appropriate.

## 2260.01 - SECTION 504/ADA PROHIBITION AGAINST DISCRIMINATION BASED ON DISABILITY

Pursuant to Section 504 of the Rehabilitation Act of 1973 ("Section 504"), the Americans with Disabilities Act of 1990, as amended ("ADA"), and the implementing regulations (collectively "Section 504/ADA"), no otherwise qualified individual with a disability shall, solely by reason of his/her disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance. The Board of Education does not discriminate in admission or access to, or participation or treatment in its programs or activities. As such, the Board's policies and practices will not discriminate against students with disabilities and the Board will make its facilities, programs, and activities accessible to qualified individuals with disabilities. ~~will make accessible to qualified individuals with disabilities its facilities, programs, and activities.~~ No discrimination will be knowingly permitted against any individual with a disability on the sole basis of that disability in any of the programs, activities, policies, and/or practices in the District.

"An individual with a disability" means a person who has, had a record of, or is regarded as having, a physical or mental impairment that substantially limits one or more major life activities. Major life activities are functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, eating, sleeping, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, and working.

Major life activities also include the operation of a major bodily function, including, but not limited to, functions of the immune system, normal cell growth, digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproductive functions.

An impairment that is episodic in nature or in remission is considered a disability if it would substantially limit a major life activity when active.

The determination of whether an impairment substantially limits a major life activity must be made without regard to the ameliorative effects of mitigating measures such as medication, medical supplies, equipment or appliances, low-vision devices (not including ordinary eyeglasses or contact lenses), prosthetics (including limbs and devices), hearing aids and cochlear implants or other implantable hearing devices, mobility devices, oxygen therapy equipment or supplies, assistive technology, reasonable accommodations or auxiliary aids or services, or learned behavioral or adaptive neurological modifications.

With respect to public preschool, elementary and secondary educational services, a qualified person with a disability means a disabled person:

- A. who is of an age during which nondisabled persons are provided educational services;
- B. who is of any age during which it is mandatory under Ohio law to provide educational services to disabled persons; or
- C. to whom the State is required to provide a free appropriate public education pursuant to the Individuals with Disabilities Education Improvement Act (IDEIA).

With respect to vocational education services, a qualified person with a disability means a person with a disability ~~disabled person~~ who meets the academic and technical standards requisite to admission or participation in the vocational program or activity. The Board will not deny a student with disabilities access to its vocational education programs or courses due to architectural and/or equipment barriers, or because the student needs related aids or services to receive an appropriate education.

Building Directors shall serve as Building Section 504/ADA Compliance Officer(s) ("Building Compliance Officers").

The District Compliance Officer(s) ~~( )~~ **is ( X )** are responsible for coordinating the District's efforts to comply with and fulfill its responsibilities under Section 504 and Title II of the ADA. A copy of Section 504 and the ADA, including copies of their implementing regulations, may be obtained from the District Compliance Officer.

The District Compliance Officer(s) will oversee the investigation of any complaints of discrimination based on disability, which may be filed pursuant to the Board's adopted internal complaint procedure, and will attempt to resolve such complaints.

The Board will provide for the prompt and equitable resolution of complaints alleging violations of Section 504/ADA. See below. The Board will further establish and implement a system of procedural safeguards in accordance with Section 504, including the right to an impartial due process hearing. See AG 2260.01B.

## Training

The District Compliance Officer(s) will also oversee the training of employees in the District so that all employees understand their rights and responsibilities under Section 504 and the ADA, and are informed of the Board's policies, administrative guidelines and practices with respect to fully implementing and complying with the requirements of Section 504/ADA.

The Board will provide in-service training and consultation to staff responsible for the education of persons with disabilities, as necessary and appropriate.

## Facilities

No qualified person with a disability will, because the District's facilities are inaccessible to or unusable by persons with disabilities, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity to which Section 504/ADA applies.

For facilities constructed or altered after June 3, 1977, the District will comply with applicable accessibility standards. For those existing facilities constructed prior to June 3, 1977, the District is committed to operating its programs and activities so that they are readily accessible to persons with disabilities. This includes, but is not limited to, providing accommodations to parents with disabilities who desire access to their child's educational program or meetings pertinent thereto. Programs and activities will be designed and scheduled so that the location and nature of the facility or area will not deny a student with a disability the opportunity to participate on the same basis as students without disabilities.

## Education

The Board is committed to identifying, evaluating, and providing a free appropriate public education (FAPE) to students within its jurisdiction who have a physical or mental impairment that substantially limits one or more major life activities, regardless of the nature or severity of their disabilities.

An appropriate education may include regular or special education and related aids and services to accommodate the unique needs of students with disabilities. For ~~disabled students~~ students with disabilities who are not eligible for specially designed instruction under the IDEIA, the special education and related aids and services (including accommodations/modifications/interventions) they need in order to have their needs met as adequately as the needs of nondisabled students are met, shall be delineated, along with their placement, in a Section 504 Plan (Form 2260.01A F13). Parents/guardians/custodians ("parents") are invited and encouraged to participate fully in the evaluation process and development of a Section 504 Plan. The quality of education services provided to students with disabilities will be equal to the quality of services provided to students without disabilities.

The Board is committed to educating (or providing for the education of) each qualified person with a disability who resides within the District with persons who are not disabled to the maximum extent appropriate. Generally, the District will place a person with a disability in the regular educational environment unless it is demonstrated that the education of the person in the regular environment, even with the use of supplementary aids and services cannot be achieved satisfactorily. If the District places a person in a setting other than the regular educational environment, it shall take into account the proximity of the alternate setting to the person's home. If the Board operates a separate class or facility that is identifiable as being for persons with disabilities, the facility, program, and activities and services must be comparable to the facilities, programs, and activities and services offered to students without a disability.

The Board will provide non-academic extracurricular services and activities in such a manner as is necessary to afford qualified persons with disabilities an equal opportunity for participation in such services and activities. Non-academic and extracurricular services and activities may include counseling services, physical recreational athletics, transportation, health services, recreational activities, special interest groups or clubs sponsored by the District, referrals to agencies that provide assistance to persons with disabilities, and employment of students. In providing or arranging for the provision of meals and recess periods, and non-academic and extracurricular services and activities, including those listed above, the District will verify that persons with disabilities participate with persons without disabilities in such services and activities to the maximum extent appropriate.

## Notice

Notice of the Board's policy on nondiscrimination in education practices and the identity of the District's Compliance Officer(s) will be published on the District's website and posted throughout the District and ~~included~~ published in the District's recruitment statements or general information publications.

## Complaint Procedures

If a person believes that s/he has been discriminated against on the basis of his/her disability, the person may utilize the following complaint procedures as a means of reaching, at the lowest possible administrative level, a prompt and equitable resolution of the matter.

In accordance with Section 504 of the Rehabilitation Act of 1973 and its implementing regulations ("Section 504"), parents and students will be notified of their right to file an internal complaint regarding an alleged violation, misinterpretation or misapplication of Section 504. In addition, students and their parents will be notified of their right to file a complaint with the U.S. Department of Education's Office for Civil Rights. Finally, students and parents will be advised of their right to request a due process hearing before an Impartial Hearing Officer (IHO) regarding the identification, evaluation or educational placement of persons with disabilities, and their right to examine relevant education records.

Internal complaints and requests for due process hearings must be put in writing and must identify the specific circumstances or areas of dispute that have given rise to the complaint or the request for a hearing, and offer possible solutions to the dispute. The complaint or request for due process hearing must be filed with a District Compliance Officer within specified time limits. The District's Compliance Officer is available to assist individuals in filing a complaint or request.

Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).

## Internal Complaint Procedures

An internal complaint may be filed by a student and/or parent. A student and/or parent may initiate the internal complaint procedure when s/he/they believe that a violation, misapplication or misinterpretation of Section 504 has occurred. Additionally, the following procedure may be used for any disagreement with respect to actions regarding the identification, evaluation, or educational program or placement of students who are identified as disabled or believed to be disabled pursuant to Section 504, and are not eligible under the IDEIA, except in the case of disciplinary actions where the provisions of the Student Code of Conduct apply. Use of the internal complaint procedure is not a prerequisite to the pursuit of other remedies, including the filing of a complaint with the U.S. Department of Education's Office for Civil Rights or requesting a due process hearing.

### Step 1

Investigation by the Building Compliance Officer: A student or parent may initiate an investigation by filing a written internal complaint with the Building Compliance Officer. The complaint should fully describe the circumstances giving rise to the dispute and how the child is adversely affected. The complaint must be filed as soon as possible, but not longer than thirty (30) ~~calendar~~ days after disclosure of the facts giving rise to the complaint. The Building Compliance Officer shall conduct an impartial investigation of the complaint. As part of the investigation, the Building Compliance Officer shall permit the complainant to present witnesses and other evidence in support of the complaint. The investigation shall be completed within fifteen (15) ~~school~~ days of the written complaint being filed. The Building Compliance Officer will notify the complainant in writing of his/her decision.

### Step 2

Appeal to the District Compliance Officer: If the complaint is not resolved satisfactorily at Step 1, the student or parent may appeal the Building Compliance Officer's decision in writing to the District Compliance Officer. The appeal must be made within five (5) ~~school~~ days following receipt of the Building Compliance Officer's decision. The District Compliance Officer will review the case, may conduct an informal hearing, and will notify all parties in writing of his/her decision within ten (10) ~~school~~ days of receiving the appeal.

### Step 3

If the complaint is not resolved satisfactorily at Step 2, the student or parent may request a due process hearing, provided the complaint involves an issue related to the identification, evaluation, or placement of the student.

If it is determined that the Complainant was subjected to unlawful discrimination, the Building and District Compliance Officers ~~COs~~ must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate and effective, and tailored to the specific situation.

## OCR Complaint

At any time, if a student or parent believes that s/he has been subjected to discrimination based upon his/her disability in violation of Section 504 or the ADA, the individual may file a complaint with the U.S. Department of Education's Office for Civil Rights ("OCR"). The OCR can be reached at:

U.S. Department of Education  
Office for Civil Rights  
Cleveland Office  
1350 Euclid Avenue, Suite 325  
Cleveland, Ohio 44115  
(216) 522-4970  
FAX: (216) 522-2573  
TDD: (216) 522-4944  
E-mail: OCR.Cleveland@ed.gov  
Web: <http://www.ed.gov/ocr>

Except in extraordinary circumstances, the OCR does not review the result of individual placement and other educational decisions, so long as the District complies with the "process" requirements of Subpart D of Section 504.

## Retaliation

~~Retaliation against a person who makes a report or files a complaint alleging unlawful discrimination, or participates as a witness in an investigation, is prohibited. Specifically, the Board will not retaliate against, coerce, intimidate, threaten or interfere with any individual because the person opposed any act or practice made unlawful by Section 504 or the ADA, or because that individual made a charge, testified, assisted or participated in any manner in an investigation, proceeding, or hearing under those laws, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws.~~

Retaliation against a person who makes a report or files a complaint alleging unlawful discrimination/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by Section 504 or the ADA, or because that individual made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

## 2266 - NONDISCRIMINATION ON THE BASIS OF SEX IN EDUCATION PROGRAMS OR ACTIVITIES

### Introduction

The Board of Education of the Wadsworth City School District (hereinafter referred to as "the Board" or "the District") does not discriminate on the basis of sex (including sexual orientation or gender identity), in its education programs or activities, and is required by Title IX of the Education Amendments Act of 1972, and its implementing regulations, not to discriminate in such a manner. The requirement not to discriminate in its education program or activity extends to admission and employment.

~~{DRAFTING NOTE: In the new Title IX regulations, the term "admission" refers to admission to postsecondary institutions (i.e., institutions of graduate higher education, institutions of undergraduate higher education, institutions of professional education, and institutions of vocational education); thus, if a K-12 school does not operate a vocational program (e.g., a school or institution that has as its primary purpose preparation of students to pursue a technical, skilled, or semiskilled occupation or trade, or to pursue study in a technical field, whether or not the school or institution offers certificates, diplomas, or degrees and whether or not it offers fulltime study), the K-12 school does not officially need to include "admission and" in the preceding sentence (and where that phrase is used throughout this policy); Neola, however, has elected to include it because all K-12 schools "enroll" students and often the term "enroll" is viewed as synonymous with the term "admit." Since K-12 schools cannot discriminate when enrolling students into the education programs or activities that they operate, it seems appropriate to include the term "admission."}~~ The Board is committed to maintaining an education and work environment that is free from discrimination based on sex, including sexual harassment.

The Board prohibits Sexual Harassment that occurs within its education programs and activities. When the District has actual knowledge of Sexual Harassment in its education program or activity against a person in the United States, it shall promptly respond in a manner that is not deliberately indifferent.

Pursuant to its Title IX obligations, the Board is committed to eliminating Sexual Harassment and will take appropriate action when an individual is determined responsible for violating this policy. Board employees, students, ~~third party~~ Third Party vendors and contractors, guests, and other members of the School District community who commit Sexual Harassment are subject to the full range of disciplinary sanctions set forth in this policy. The Board will provide persons who have experienced Sexual Harassment ongoing remedies as reasonably necessary to restore or preserve access to the District's education programs and activities.

### Coverage

This policy applies to Sexual Harassment that occurs within the District's education programs and activities and that is committed by a member of the School District community or a Third Party.

This policy does not apply to Sexual Harassment that occurs off school grounds, in a private setting, and outside the scope of the District's education programs and activities; such Sexual Misconduct/Sexual Activity may be prohibited by the Student Code of Conduct if committed by a student, or by Board policies and administrative guidelines, applicable State and/or Federal laws ~~(-) and/or Employee/Administrator Handbook(s) [END OF OPTION]~~ if committed by a Board employee.

Consistent with the U.S. Department of Education's implementing regulations for Title IX, this policy does not apply to Sexual Harassment that occurs outside the geographic boundaries of the United States, even if the Sexual Harassment occurs in the District's education programs or activities. Sexual Harassment that occurs outside the geographic boundaries of the United States is governed by the Student Code of Conduct if committed by a student, or by Board policies and administrative guidelines, applicable State and/or Federal laws ~~(-) and/or Employee/Administrator Handbook(s) [END OF OPTION]~~ if committed by a Board employee.

### Definitions

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

**Sexual Harassment:** "Sexual Harassment" means conduct on the basis of sex that satisfies one or more of the following:

- A. A Board employee conditioning the provision of an aid, benefit, or service of the District on an individual's participation in unwelcome sexual conduct (often called "quid pro quo" harassment);
- B. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, **and** objectively offensive that it effectively denies a person equal access to the District's education program or activity; or
- C. "Sexual assault" as defined in 20 U.S.C. 1092(f)(6)A(v), or "dating violence" as defined in 34 U.S.C. 12291(a)(10), "domestic violence" as defined in 34 U.S.C. 12291(a)(8), or "stalking" as defined in 34 U.S.C. 12291(a)(30).

"Sexual assault" means any sexual act directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent, and the "nonforcible" sex offenses of Incest and Statutory Rape. Sexual assault includes rape, sodomy, sexual assault with an object, fondling, incest, and statutory rape.

1. ~~**[DRAFTING NOTE: Select Option 1 or Option 2. While Neola is comfortable with Option 2, given that offenses 2 (sodomy) and 3 (sexual assault with an object) pick up parts of Option 1 that are not included in Option 2, Neola suggests the Board consult with its local legal counsel concerning which definition of "Rape" to adopt. By way of background, Option 1 represents the definition of "Rape" that is required by the Clery Act's regulations—i.e., the definition contained in the Summary Reporting System ("SRS") of the FBI's Uniform Crime Reporting ("UCR") Program. Unfortunately, the SRS is being faded out effective January 2021; at that time, the SRS is being replaced by the National Incident-Based Reporting System (NIBRS), which contains a different definition of "Rape"—i.e., the definition contained in Option 2. Additionally, it is relevant to note that the definitions of the remaining sexual assault offenses are already derived from the NIBRS's definitions. If a Board selects Option 1, it may be necessary to later update the policy to a new definition of "Rape" (i.e., the one contained in Option 2) once the SRS is retired. Alternatively, a Board could include both definitions to hopefully minimize the need to amend this policy—even on a technical amendment basis so soon after it is adopted. If a Board elects to include both definitions, it should include the following parentheticals: (a) at the end of Option 1: "(effective until the FBI retires the Summary Reporting System, which is scheduled for January 2021"; and (b) at the end of Option 2: "(effective upon retirement of the Summary Reporting System, which is scheduled for January 2021."}]**~~

~~**[ ] [OPTION 1]** Rape is penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity. Attempted rape is included. **[END OF OPTION 1]**~~

~~**[ ] [OPTION 2]** Rape is the carnal knowledge of a person (i.e., penetration, no matter how slight, of the genita or anal opening of a person), without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity. **[END OF OPTION 2]**~~

2. Sodomy is oral or anal sexual intercourse with another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.
3. Sexual Assault with an Object is using an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity. An "object" or "instrument" is anything used by the offender other than the offender's genitalia.
4. Fondling is the touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.
5. Incest is nonforcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by State law.

6. Statutory Rape is nonforcible sexual intercourse with a person who is under the statutory age of consent as defined by State law.
7. Consent refers to words or actions that a reasonable person would understand as agreement to engage in the sexual conduct at issue. A person may be incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity. A person who is incapacitated is not capable of giving consent. ~~{DRAFTING NOTE: The Title IX regulations do not require the Board to adopt a particular definition of "consent," but it is advisable to adopt a definition because "consent" is an element of each of the first four terms listed above. Since there are a number of different definitions of consent from which to choose, the Board should consult its local legal counsel concerning selecting a specific definition of consent that represents its position on the topic; the investigator(s) and decision maker(s) will then uniformly apply the adopted definition.}~~
8. Incapacitated refers to the state where a person does not understand and/or appreciate the nature or fact of sexual activity due to the effect of drugs or alcohol consumption, medical condition, disability, or due to a state of unconsciousness or sleep. ~~{DRAFTING NOTE: Depending on the definition of "consent" that the Board adopts, it may be necessary to define "incapacitated" in the policy. If it is not defined in the policy, it should certainly be defined in the Administrative Guideline; even if defined in the policy, the Administrative Guideline provides an opportunity to expand on the concept of "consent" and what the Board means by the term "incapacitated."}~~

D. "Domestic violence" includes felony or misdemeanor crimes of violence committed by:

1. a current or former spouse or intimate partner of the victim;
2. a person with whom the victim shares a child in common;
3. a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner;
4. a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime occurred; or
5. any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime occurred.

E. "Dating violence" means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.

F. "Stalking" means engaging in a course of conduct directed at a specific person that would cause a reasonable person to – (1) fear for the person's safety or the safety of others; or (2) suffer substantial emotional distress.

**Complainant:** "Complainant" means an individual who is alleged to be the victim of conduct that could constitute Sexual Harassment.

**Respondent:** "Respondent" means an individual who has been reported to be the perpetrator of conduct that could constitute Sexual Harassment.

**Formal Complaint:** "Formal Complaint" means a document filed by a Complainant or signed by the Title IX Coordinator alleging Sexual Harassment against a Respondent and requesting that the District investigate the allegation(s) of Sexual Harassment. At the time of filing a Formal Complaint with the District, a Complainant must be participating in or attempting to participate in the District's education program or activity. A "document filed by a complainant" means a document or electronic submission (such as by electronic mail or through an online portal that the Board provides for this purpose) that contains the Complainant's physical or digital signature, or otherwise indicates that the Complainant is the person filing the Formal Complaint. Where the Title IX Coordinator signs a Formal Complaint, the Title IX Coordinator is not a Complainant or a party to the Formal Complaint and must not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

**Actual Knowledge:** "Actual knowledge" means notice of Sexual Harassment or allegations of Sexual Harassment to the District's Title IX Coordinator, or any District official who has authority to institute corrective measures on behalf of the Board, or any Board employee. The mere ability or obligation to report Sexual Harassment or to inform a student about how to report Sexual Harassment, or having been trained to do so, does not qualify an individual as one who has authority to institute corrective measures on behalf of the District. "Notice" includes, but is not limited to, a report of Sexual Harassment to the Title IX Coordinator. This standard is not met when the only District official with actual knowledge is the Respondent.

**Supportive Measures:** "Supportive measures" means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the Complainant or the Respondent before or after the filing of a Formal Complaint or where no Formal Complaint has been filed. Such measures are designed to restore or preserve equal access to the District's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment, or deter Sexual Harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, school/campus escort services, mutual restrictions of contact between the parties, changes in work locations), leaves of absence, increased security and monitoring of certain areas of the campus (including school buildings and facilities), ~~(-) referral to Employee Assistance Program~~ ~~{END-OF-OPTION}~~, and other similar measures.

**Education Program or Activity:** "Education program or activity" refers to all operations of the District, including but not limited to in-person and online educational instruction, employment, extracurricular activities, athletics, performances, and community engagement and outreach programs. The term applies to all activity that occurs on school grounds or on other property owned or occupied by the Board. It also includes locations, events and circumstances that take place off-school property/grounds over which the Board exercises substantial control over both the Respondent and the context in which the Sexual Harassment occurs.

**School District community:** "School District community" refers to students and Board employees (i.e., administrators, and professional and classified staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

**Third Parties:** "Third Parties" include, but are not limited to, guests and/or visitors on School District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

**Inculpatory Evidence:** "Inculpatory evidence" is evidence that tends to establish a Respondent's responsibility for alleged Sexual Harassment.

**Exculpatory Evidence:** "Exculpatory evidence" is evidence that tends to clear or excuse a Respondent from allegations of Sexual Harassment.

**Day(s):** Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).

**Eligible Student:** "Eligible Student" means a student who has reached eighteen (18) years of age or is attending an institution of postsecondary education.

#### **Title IX Coordinator(s)**

The Board designates and authorizes the following individual(s) to oversee and coordinate its efforts to comply with Title IX and its implementing regulations:

~~{DRAFTING NOTE: Neola suggests the Board consider appointing both a male and a female Title IX Coordinator. The Board must list either the Name or Title of the Title IX Coordinator, while the Board may list both the Name and Title, Neola suggests that the Board consider only listing the Title in this policy (so it does not need to revise/amend its policy whenever there is a change in the actual person(s) holding the designated position(s)), but list both the Name and Title in the requisite postings (e.g., website) and publications (e.g., handbooks) (-) and in the Administrative Guideline.}~~

The Board has adopted a grievance process and procedures that provide for the prompt and equitable resolution of student and employee complaints alleging any action that is prohibited by Title IX and/or its implementing regulations. The grievance process and procedures are included in Policy 2266 – Nondiscrimination on the Basis of Sex in Education Programs or Activities, which is available

at: <http://go.boarddocs.com/oh/wadsoh/Board.nsf/goto?open&id=BTCPJZ63C4B6> ~~[insert the web address at which Policy 2266 can be found; or insert a hyperlink tied to the title of the policy]~~ The grievance process and procedures specifically address how to report or file a complaint of sex discrimination, how to report or file a formal complaint of Sexual Harassment, and how the District will respond.

The Superintendent shall also prominently display the Title IX Coordinator's(s') contact information – including name(s) and/or title(s), phone number(s), office address(es), and e-mail address(es) – and this policy on the District's website and in each handbook or catalog that the Board makes available to applicants for admission and employment, students, parents or legal guardians of elementary and secondary school students, Board employees, and all unions or professional organizations holding collective bargaining or professional agreements.

## Grievance Process and Procedures

The Board is committed to promptly and equitably resolving student and employee complaints alleging Sexual Harassment. The District's response to allegations of Sexual Harassment will treat Complainants and Respondents equitably, including providing supportive measures to the Complainant and Respondent, as appropriate, and following this Grievance Process before imposition of any disciplinary sanctions or other actions, other than supportive measures, against the Respondent.

The Title IX Coordinator(s), along with any investigator(s), decision-maker(s), or any person(s) designated to facilitate an informal resolution process, shall not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

If a determination of responsibility for Sexual Harassment is made against the Respondent, the Board will provide remedies to the Complainant. The remedies will be designed to restore or preserve equal access to the District's education program or activity. Potential remedies include, but are not limited to, individualized services that constitute supportive measures. Remedies may also be disciplinary or punitive in nature and may burden the Respondent.

## Report of Sexual Discrimination/Harassment

Any person may report sex discrimination, including Sexual Harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or Sexual Harassment), in person, by mail, by telephone, or by electronic mail, using the Title IX Coordinator's(s') contact information listed above, or by any other means that results in the Title IX Coordinator receiving the person's oral or written report. Reports may be made at any time (including during non-business hours), by using the telephone number(s) or electronic mail address(es), or by mail to the office address(es), listed for the Title IX Coordinator(s). ~~(-) Anonymous reports may be submitted using [-] the online reporting form posted at [insert the web address for the reporting form; or insert a hyperlink tied to the phrase "online reporting form" [or] (-) the hotline reporting number ([insert phone number])].~~

Students, Board members, and Board employees are required, and other members of the School District community, and Third Parties) are encouraged, to report allegations of sex discrimination or Sexual Harassment promptly to the/a Title IX Coordinator or to any Board employee, who will in turn notify the/a Title IX Coordinator. ~~[DRAFTING NOTE: All Board employees are mandatory reporters pursuant to the Title IX regulations. Existing policy, however, also requires students and Board members to report any information they have concerning allegations of sex discrimination or Sexual Harassment. Neola suggests that the Board continue this additional requirement in this policy, along with the language encouraging other individuals to make such reports; this will coincide with similar requirements that are imposed on Board members and students in other nondiscrimination and anti-harassment policies. If the Board decides it does not want to go beyond the scope of the regulations for purposes of this policy, it should replace the first sentence of this paragraph with either of the following: "Board employees are required to report allegations of sex discrimination or Sexual Harassment promptly to the Title IX Coordinator." OR "Board employees are required, and other members of the School District community and Third Parties are encouraged, to report allegations of sex discrimination or Sexual Harassment promptly to the/a Title IX Coordinator or to any Board employee, who in turn will notify the/a Title IX Coordinator."]~~ Reports can be made orally or in writing and should be as specific as possible. The person making the report should, to the extent known, identify the alleged victim(s), perpetrator(s), and witness(es), and describe in detail what occurred, including date(s), time(s), and location(s).

If a report involves allegations of Sexual Harassment by or involving the Title IX Coordinator, the person making the report should submit it to the Superintendent, or another Board employee who, in turn, will notify the Superintendent of the report. The Superintendent will then serve in place of the Title IX Coordinator for purposes of addressing that report of Sexual Harassment. ~~[DRAFTING NOTE: If the Superintendent is the Title IX Coordinator, substitute "Board President" in place of "Superintendent."]~~

The Board does business with various vendors, contractors, and other ~~third parties~~ Third Parties who are not students or employees of the Board. Notwithstanding any rights that a given vendor, contractor, or ~~third party~~ Third Party Respondent may have under this policy, the Board retains the right to limit any vendor's, contractor's, or ~~third party's~~ Third Party's access to school grounds for any

reason. The Board further retains all rights it enjoys by contract or law to terminate its relationship with any vendor, contractor, or ~~third-party~~ Third Party, irrespective of any process or outcome under this policy.

A person may file criminal charges simultaneously with filing a Formal Complaint. A person does not need to wait until the Title IX investigation is completed before filing a criminal complaint. Likewise, questions or complaints relating to Title IX may be filed with the U.S. Department of Education's Office for Civil Rights at any time.

Any allegations of Sexual Misconduct/Sexual Activity not involving Sexual Harassment will be addressed through the procedures outlined in Board policies, ~~(-) and/or administrative guidelines, [END-OF-OPTION]~~ the applicable Student Code of Conduct, applicable collective bargaining agreement, and/or Employee/Administrator Handbook.

Because the Board is considered to have actual knowledge of Sexual Harassment or allegations of Sexual Harassment if any Board employee has such knowledge, and because the Board must take specific actions when it has notice of Sexual Harassment or allegations of Sexual Harassment, a Board employee who has independent knowledge of or receives a report involving allegations of sex discrimination and/or Sexual Harassment must notify the/a Title IX Coordinator within two (2) days of learning the information or receiving the report. **~~DRAFTING NOTE: The regulations do not specify within how many days the Board employee must notify the Title IX Coordinator of receiving a report of Sexual Harassment; Neola suggests "two (2) days". Alternatively, the Board could make this language more open ended — e.g., " \* \* \* must immediately / promptly notify the/a Title IX Coordinator of such information or report."~~** The Board employee must also comply with mandatory reporting responsibilities pursuant to R.C. 2151.412 and Policy 8462 – Student Abuse and Neglect, if applicable. If the Board employee's knowledge is based on another individual bringing the information to the Board employee's attention and the reporting individual submitted a written complaint to the Board employee, the Board employee must provide the written complaint to the Title IX Coordinator.

If a Board employee fails to report an incident of Sexual Harassment of which the Board employee is aware, the Board employee may be subject to disciplinary action, up to and including termination.

When a report of Sexual Harassment is made, the Title IX Coordinator shall promptly (i.e., within two (2) days **~~DRAFTING NOTE: The regulations do not define "promptly" or otherwise specify within how many days the contact has to be made; Neola suggests "two (2) days".~~**) of the Title IX Coordinator's receipt of the report of Sexual Harassment) contact the Complainant (including the parent/guardian if the Complainant is under 18 years of age or under guardianship) to discuss the availability of supportive measures, consider the Complainant's wishes with respect to supportive measures, inform the Complainant of the availability of supportive measures with or without the filing of a Formal Complaint, and explain to the Complainant the process for filing a Formal Complaint. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures. Any supportive measures provided to the Complainant or Respondent shall be maintained as confidential, to the extent that maintaining such confidentiality will not impair the ability of the District to provide the supportive measures.

**Emergency Removal:** Subject to limitations and/or procedures imposed by State and/or Federal law, the District may remove a student Respondent from its education program or activity on an emergency basis after conducting an individualized safety and risk analysis. The purposes of the individualized safety and risk analysis is to determine whether the student Respondent poses an immediate threat to the physical health or safety of any student or other individual arising from the allegations of Sexual Harassment that justifies removal. If the District determines the student Respondent poses such a threat, it will so notify the student Respondent and the student Respondent will have an opportunity to challenge the decision immediately following the removal. See Policy 5610 – Removal, Suspension, Expulsion, and Permanent Exclusion of Student, Policy 5610.03 – Emergency Removal of Students, and Policy 5611 – Due Process Rights. **~~[DRAFTING NOTE: The Board may substitute "Superintendent" or "Title IX Coordinator" in place of "District" in the first sentence. Alternatively, the Superintendent could designate, through the administrative guideline, one or more administrators, including the Title IX Coordinator, to make emergency removal decisions after conducting the individualized safety and risk analysis. In Ohio, emergency removals may only be imposed in the manner delineated in ORC 3313.66. Additionally, emergency removals must be conducted in compliance with the Individuals with Disabilities Education Improvement Act and/or Section 504 of the Rehabilitation Act of 1973.]~~**

If the Respondent is a non-student employee, the District may place the Respondent on administrative leave during the pendency of the grievance process.

For all other Respondents, including other members of the School District community and Third Parties, the Board retains broad discretion to prohibit such persons from entering onto its school grounds and other properties at any time and for any reason, whether after receiving a report of Sexual Harassment or otherwise.

### Formal Complaint of Sexual Harassment

A Formal Complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information set forth above ~~(-) and by \_\_\_\_\_~~ **~~DRAFTING NOTE: The Board may set forth additional method(s) by which a Formal Complaint may be filed (e.g., online portal submission).]~~** If a Formal Complaint involves allegations of Sexual Harassment by or involving the Title IX Coordinator, the Complainant should submit the Formal Complaint to the Superintendent, who will designate another person to serve in place of the Title IX Coordinator for the limited purpose of implementing the grievance

process and procedures with respect to that Formal Complaint. ~~[DRAFTING NOTE: If the Superintendent is the Title IX Coordinator, substitute "Board President" in place of "Superintendent" in the preceding sentence.]~~

When the Title IX Coordinator receives a Formal Complaint or signs a Formal Complaint, the District will follow its Grievance Process and Procedures, as set forth herein. Specifically, the District will undertake an objective evaluation of all relevant evidence – including both inculpatory and exculpatory evidence – and provide that credibility determinations will not be based on a person's status as a Complainant, Respondent, or witness.

It is a violation of this policy for a Complainant(s), Respondent(s), and/or witness(es) to knowingly making false statements or knowingly submitting false information during the grievance process, including intentionally making a false report of Sexual Harassment or submitting a false Formal Complaint. The Board will not tolerate such conduct, which is a violation of the Student Code of Conduct ~~(-) and the Employee/Administrator Handbook. [DRAFTING NOTE: The Board should confirm/verify that its Student Code of Conduct and any Employee/Administrator Handbook(s) include a prohibition against intentionally making a false report, submitting a false Formal Complaint, or making a false statement or submitting false information during a Title IX grievance process. Such misconduct should be a sanctionable offense pursuant to the Student Code of Conduct and Employee/Administrator Handbook(s).]~~

The Respondent is presumed not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.

### Timeline

The District will seek to conclude the grievance process, including resolving any appeals, within sixty (60) days of receipt of the Formal Complaint. ~~[DRAFTING NOTE: The Title IX regulations do not specify a deadline for completing the grievance process; Neola suggests sixty (60) days (i.e., twelve (12) weeks) based on the following considerations: (1) within two (2) days of receipt of the Formal Complaint, the Title IX Coordinator sends requisite notice to parties; (2) two (2) weeks (fourteen (14) calendar days) to investigate (remember the need for advance written notice to a party and adequate time for the party to prepare before any interviews/hearings/meetings; time for parties to present witnesses (including expert witnesses) and other inculpatory or exculpatory evidence); (3) at the conclusion of the investigation and before finalizing the investigative report, two (2) weeks (a minimum of ten (10) calendar days) for the parties to review the evidence and submit their feedback; (4) up to a week (i.e., seven (7) calendar days) for the investigator to consider such feedback and prepare the investigative report; (4) two (2) week (a minimum of ten (10) calendar days) for the parties to review the investigative report and submit questions and receive answers to questions submitted to parties and witnesses (if the Board permits hearings, the hearing cannot occur until the Complainant and Respondent have had a minimum of ten (10) calendar days to review the investigative report); (5) a week (i.e., seven (7) calendar days) for the decision-maker(s) to prepare the decision; (6) up to a week (Neola suggests three to five calendar days) for the parties to review the decision and submit a notice of appeal; (7) a week (seven (7) calendar days) for the parties to submit their written statements in support of or in opposition to the appeal; and (8) a week (seven (7) calendar days) for the appeal decision-maker(s) to prepare a final decision. Any informal resolution process could impact this schedule. Given this fairly aggressive timeline, the Board may want to remove the appeal process from this timeline—i.e., delete the phrase ", including resolving any appeals," from the sentence, which would allow more time for potential use of the informal resolution process. Further, the preceding schedule does not provide time for a hearing that could further extend the timeline needed to complete the grievance process.]~~

If the Title IX Coordinator offers informal resolution processes, the informal resolution processes may not be used by the Complainant or Respondent to unduly delay the investigation and determination of responsibility. The timeline, however, may be subject to a temporary delay of the grievance process or a limited extension for good cause with written notice to the Complainant and the Respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; and the need for language assistance or accommodation of disabilities. ~~[DRAFTING NOTE: The Board should consult with its local legal counsel on a case-by-case basis to determine whether there may be other reasons/good cause for a delay or extension of time—e.g., the complexity and severity of the matter, or school breaks.] (-) The Title IX Coordinator will provide the parties with reasonable updates on the status of the grievance process.~~

Upon receipt of a Formal Complaint, the Title IX Coordinator will provide written notice of the following to the parties who are known:

- A. Notice of the Board's grievance process, including any informal resolution processes;
- B. Notice of the allegations of misconduct that potentially constitutes Sexual Harassment as defined in this policy, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include the identities of the parties involved in the incident, if known, the conduct allegedly constituting Sexual Harassment, and the date and location of the alleged incident, if known. The written notice must:

1. include a statement that the Respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility will be made at the conclusion of the grievance process;
2. inform the parties that they may have an advisor of their choice, who may be, but is not required to be, an attorney, and may inspect and review evidence.
3. inform the parties of any provision in the Student Code of Conduct (X), this policy, ~~(-)~~ and/or Employee/Administrator Handbook **[DRAFTING NOTE: While the Title IX regulations only reference "code of conduct" Neola suggests that the Board reference other applicable documents that expressly prohibit an individual from making false statements or knowingly submitting false information as part of the grievance process]** that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

**~~[DRAFTING NOTE: The Title IX regulations do not define "upon receipt" or otherwise specify within how many days the notice must be sent; Neola suggests the Title IX Coordinator send the notice within "two (2) days" of receipt of the Formal Complaint; this suggestion is memorialized in the corresponding Administrative Guideline. Please note, however, that it could be argued that the notice should be sent sooner. Regardless, the Title IX Coordinator should have a template notice form available that can be quickly completed with the requisite information after receipt of the Formal Complaint.]~~**

If, during the course of the investigation, the investigator becomes aware of allegations about the Complainant or Respondent that are not included in the original notice provided to the parties, the investigator will notify the Title IX Coordinator and the Title IX Coordinator will decide whether the investigator should investigate the additional allegations; if the Title IX Coordinator decides to include the new allegations as part of the investigation, the Title IX Coordinator will provide notice of the additional allegations to the parties whose identities are known.

### Dismissal of a Formal Complaint

The District shall investigate the allegations in a Formal Complaint, unless the conduct alleged in the Formal Complaint:

- A. would not constitute Sexual Harassment (as defined in this policy) even if proved;
- B. did not occur in the District's education program or activity; or
- C. did not occur against a person in the United States.

If one of the preceding circumstances exist, the Title IX Coordinator shall dismiss the Formal Complaint. If the Title IX Coordinator dismisses the Formal Complaint due to one of the preceding reasons, the District may still investigate and take action with respect to such alleged misconduct pursuant to another provision of an applicable code of conduct, Board policy, and/or Employee/Administrator Handbook.

The Title IX Coordinator may dismiss a Formal Complaint, or any allegations therein, if at any time during the investigation ~~(-)~~ or hearing **[DRAFTING NOTE: Select this option if the Board permits hearings.]**:

- A. a Complainant notifies the Title IX Coordinator in writing that the Complainant would like to withdraw the Formal Complaint or any allegations therein;
- B. the Respondent is no longer enrolled in the District or employed by the Board; or
- C. specific circumstances prevent the District from gathering evidence sufficient to reach a determination as to the Formal Complaint or allegations therein.

If the Title IX Coordinator dismisses a Formal Complaint or allegations therein, the Title IX Coordinator must promptly send written notice of the dismissal and the reason(s) therefor simultaneously to the parties.

### Consolidation of Formal Complaints

The Title IX Coordinator may consolidate Formal Complaints as to allegations of Sexual Harassment against more than one Respondent, or by more than one Complainant against one or more Respondents, or by one party against the other party, where the allegations of Sexual Harassment arise out of the same facts or circumstances.

Where a grievance process involves more than one Complainant or more than one Respondent, references in this policy to the singular "party," "Complainant," or "Respondent" include the plural, as applicable.

~~{DRAFTING NOTE: The Board may adopt provisions, rules, or practices other than those required by the Title IX regulations as part of its grievance process for handling Formal Complaints of Sexual Harassment, provided they apply equally to both parties and do not violate the language in the regulations. The Board should discuss this option with its local legal counsel.}~~

### Informal Resolution Process

Under no circumstances shall a Complainant be required as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, to waive any right to an investigation and adjudication of a Formal Complaint of Sexual Harassment. Similarly, no party shall be required to participate in an informal resolution process.

If a Formal Complaint is filed, the Title IX Coordinator may offer to the parties an informal resolution process. If the parties mutually agree to participate in the informal resolution process, the Title IX Coordinator shall designate a trained individual to facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication. The informal resolution process may be used at any time prior to the decision-maker(s) reaching a determination regarding responsibility.

If the Title IX Coordinator is going to propose an informal resolution process, the Title IX Coordinator shall provide to the parties a written notice disclosing:

- A. the allegations;
- B. the requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a Formal Complaint arising from the same allegations; and
- C. any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared.

Any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the Formal Complaint.

Before commencing the informal resolution process, the Title IX Coordinator shall obtain from the parties their voluntary, written consent to the informal resolution process.

During the pendency of the informal resolution process, the investigation and adjudication processes that would otherwise occur have stayed and all related deadlines are suspended.

The informal resolution process is not available to resolve allegations that a Board employee ~~(-) or another adult member of the School District community or Third Party~~ **[END OF OPTION]** sexually harassed a student. ~~{DRAFTING NOTE: The Title IX regulations prohibit the use of an informal resolution process when the allegations involve a Board employee sexually harassing a student. Neola suggests that it also may not be appropriate to use informal resolution processes when a Third Party is alleged to have sexually harassed a student. Since this is not a requirement, it is offered as an option. If the optional language is not selected, the Board retains the discretion to use informal resolution processes as may be determined appropriate by the Title IX Coordinator on a case-by-case basis.}~~

**[ X ]** The informal resolution process is not available to resolve allegations involving a sexual assault involving a student Complainant and a student Respondent. ~~{DRAFTING NOTE: While this language is not required by the Title IX regulations, Neola suggests the Board select this option because of the severity of this type of Sexual Harassment.}~~

### Investigation of a Formal Complaint of Sexual Harassment

In conducting the investigation of a Formal Complaint and throughout the grievance process, the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility is on the District, not the parties.

In making the determination of responsibility, the decision-maker(s) is(are) directed to use the **(X)** preponderance of the evidence standard ~~(-) clear and convincing evidence standard~~. The decision-maker(s) is charged with considering the totality of all available evidence, from all relevant sources.

~~{DRAFTING NOTE: Neola suggests the Board adopts the "preponderance of the evidence standard." The preponderance of the evidence standard is an equitable standard of proof and the legal standard by which most civil lawsuits, including civil rights claims, are adjudicated in the United States. This standard requires the decision-maker(s) to~~

~~determine that there is a greater than fifty percent (50%) likelihood (i.e., it is more probable/likely than not) that the Respondent engaged in the alleged Sexual Harassment. The “clear and convincing evidence standard,” on the other hand, is a higher standard of evidence, in which the District would need to show to the decision maker(s) that the truth of the allegations is highly probable (i.e., that the contention is substantially more likely to be true than untrue). Some argue that using the clear and convincing standard may skew the playing field toward the Respondent by enhancing protection for the Respondent at the expense of the Complainant. The same standard of evidence must be applied for Formal Complaints against students as is applied to Formal Complaints against employees, and the same standard of evidence must be used for all Formal Complaints of Sexual Harassment.]~~

The District is not permitted to access, consider, disclose, or otherwise use a party’s records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional’s or paraprofessional’s capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the party provides the District with voluntary, written consent to do so; if a student party is not an Eligible Student, the District must obtain the voluntary, written consent of a parent.

Similarly, the investigator(s) and decision-maker(s) may not require, allow, rely upon or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege in writing.

As part of the investigation, the parties have the right to:

- A. present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence; and
- B. have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney. The District may not limit the choice or presence of an advisor for either the Complainant or Respondent in any meeting or grievance proceeding.

~~( ) The District establishes the following restrictions, which apply equally to both parties, regarding the extent to which an advisor may participate in the proceedings:~~

---

---

~~[DRAFTING NOTE: The Board should consult with its local legal counsel concerning any restrictions it may want to place on an advisor’s participation in the proceedings, including rules of decorum. This topic is also addressed in Administrative Guideline 2266.]~~

~~( ) Board Policy 2461 -- Recording of District Meetings Involving Students and/or Parents controls whether a person is allowed to audio record or video record any meeting or grievance proceeding.~~

Neither party shall be restricted in their ability to discuss the allegations under investigation or to gather and present relevant evidence.

The District will provide to a party whose participation is invited or expected written notice of the date, time, location, participants, and purpose of all ~~( ) hearings,~~ **[DRAFTING NOTE: Select this option if the Board permits hearings.]** investigative interviews, or other meetings, with sufficient time for the party to prepare to participate. ( ) The investigator(s) and decision-maker(s) must provide a minimum of three (3) days’ notice with respect to investigative interviews and other meetings. ~~( ) and \_\_\_\_\_ days’ notice with respect to hearings [END OF OPTION]. [DRAFTING NOTE: The Board should consult with its local legal counsel concerning whether to set a minimum amount of advance notice — i.e., define “sufficient time”]. Neola suggests a minimum of three (3) days’ advanced notice for hearings and one (1) day’s advanced notice for investigative interviews and other meetings.]~~

Both parties shall have an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in the Formal Complaint, including the evidence upon which the District does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to the conclusion of the investigation.

Prior to completion of the investigative report, the ~~( ) investigator~~ ( **X** ) Title IX Coordinator will send to each party and the party’s advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties will have at least ten (10) calendar days to submit a written response, which the investigator will consider prior to completion of the investigative

report. ~~[DRAFTING NOTE: The Board should select the following option if it provides for a hearing before the decision-maker] ( )~~ The District will make all such evidence subject to the parties' inspection and review available at any hearing to give each party equal opportunity to refer to such evidence during the hearing, including for purposes of cross examination.

At the conclusion of the investigation, the investigator shall create an investigative report that fairly summarizes relevant evidence and send the report to each party and the party's advisor, if any, for their review and written response. The investigator will send the investigative report in an electronic format or a hard copy, at least ten (10) calendar days prior to ~~[DRAFTING NOTE: Select one of the following two options. ( ☒ ) the decision-maker(s) issuing a determination regarding responsibility.

~~( ) a hearing or the decision-maker(s) issuing a determination regarding responsibility.~~

## Determination of Responsibility

The Title IX Coordinator shall appoint a decision-maker(s) to issue a determination of responsibility. The decision-maker(s) cannot be the same person(s) as the Title IX Coordinator(s) or the investigator(s).

~~[DRAFTING NOTE: The Board may, but need not, provide for a hearing before the decision-maker(s) reaches a determination of responsibility. Neola suggests that the Board not provide for a hearing. If the Board decides not to provide for a hearing, the Board should select OPTION 1; if the Board elects to provide a hearing or to provide the decision-maker(s) with the discretion to conduct a hearing on a case-by-case basis, the Board should select OPTION 2. Additionally, if the Board operates a vocational program [see the Drafting Note contained in the first paragraph of the Introduction for a definition of "vocational program"], Neola suggests that the Board consult its local legal counsel concerning whether it must provide for a live hearing related to Formal Complaints involving parties associated with the vocational program. If the Board determines, in consultation with its legal counsel, that it must provide for a live hearing, it should select Option E of OPTION 2, at least with respect to Formal Complaints involving parties involved in the vocational program (i.e., it does not need to provide for a live hearing for its regular K-12 education programs and activities that it operates.)]~~

### ☒ OPTION 1

After the investigator sends the investigative report to the parties and the decision-maker(s), and before the decision-maker(s) reaches a determination regarding responsibility, the decision-maker(s) will afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. The decision-maker(s) must explain to the party proposing the questions any decision to exclude a question as not relevant.

Questions and evidence about the Complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the Complainant's prior sexual behavior are offered to prove that someone other than the Respondent committed the conduct alleged by the Complainant, or if the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent. The decision-maker(s) must explain to the party proposing the questions any decision to exclude a question as not relevant.

### ~~[END OF OPTION 1]~~

### ~~[ ] OPTION 2~~

~~After the investigator sends the investigative report to the parties and the decision-maker(s), and prior to the decision-maker(s) issuing a determination of responsibility, the decision-maker(s) ( ) may ( ) will conduct a hearing.~~

~~[DRAFTING NOTE: Select Option A or Option B. If the Board selects "may," it should select Option A; if it selects "will," it should select Option B.]~~

### ~~[ ] Option A~~

~~If the decision-maker(s) decides not to conduct a hearing, the decision-maker(s) will state in writing the reason for not conducting a hearing and provide that explanation to the parties. Additionally, before the decision-maker(s) reaches a determination regarding responsibility, the decision-maker(s) will afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. The decision-maker(s) must explain to the party proposing the questions any decision to exclude a question as not relevant. If the decision-maker(s) elects to conduct a hearing, the hearing will proceed as follows:~~

### ~~[END OF OPTION A]~~

### ~~[ ] Option B~~

~~The hearing will proceed as follows:~~

### ~~[END OF OPTION B]~~

~~[DRAFTING NOTE: Select Option C or Option D or Option E; Neola suggests Option C]~~

**~~[ ] Option C~~**

~~At the hearing, the decision-maker(s) will allow each party or each party's advisor to submit relevant questions to the decision-maker(s) who will ask the questions to the other party and any witnesses. Before a Complainant, Respondent, or witness answers a cross-examination or other question, the decision-maker(s) must first determine whether the question is relevant and explain any decision to exclude a question as not relevant. Only relevant cross-examination and other questions, including follow-up questions and questions challenging credibility, will be permitted. Such cross-examination and questioning at the live hearing shall be conducted orally and in real time.~~

~~[ ] If a party does not have an advisor present at the live hearing, the District will provide, without fee or charge to that party, an advisor of the District's choice, who may be, but is not required to be, an attorney, to submit questions on behalf of that party.~~

**~~{END-OF-OPTION-C}~~****~~[ ] Option D~~**

~~Prior to commencing the hearing, the decision-maker(s) will decide whether to allow each party's advisor to ask questions directly of the other party and any witnesses, or instead to have the questions submitted to the decision-maker(s) who will ask the other party and any witnesses the questions.~~

~~If the decision-maker(s) permits each party's advisor to ask the other party and any witnesses relevant questions and follow-up questions, including questions challenging credibility, such cross-examination at the hearing will be conducted directly, orally, and in real time by the party's advisor of choice and never by a party personally. If the decision-maker(s) permit each party's advisor to ask questions directly to the other party and any witnesses, the decision-maker(s) shall not restrict the extent to which advisors may participate in the hearing.~~

~~If, on the other hand, the decision-maker(s) decides to have each party's advisor (or the party, if the party does not have an advisor) submit relevant questions to the decision-maker(s), the decision-maker will ask the questions to the other party and any witnesses. Such cross-examination at the hearing will be conducted orally and in real time by the decision-maker(s) based upon questions submitted by a party's advisor or the party.~~

~~Only relevant cross-examination and other questions may be asked of a party or witness. Before a Complainant, Respondent, or witness answers a cross-examination or other question, the decision-maker(s) must first determine whether the question is relevant and explain any decision to exclude a question as not relevant.~~

~~If the decision-maker(s) permits the parties' advisors to ask the questions directly, and a party does not have an advisor present at the live hearing, the District will provide, without fee or charge to that party, an advisor of the District's choice, who may be, but is not required to be, an attorney, to conduct cross-examination on behalf of that party.~~

~~[ ] If the decision-maker(s) decides not to have the parties' advisors ask the questions directly, and a party does not have an advisor present at the hearing, the District will provide, without fee or charge to that party, an advisor of the District's choice, who may be, but is not required to be, an attorney, to submit questions on behalf of that party.~~

**~~{END-OF-OPTION-D}~~****~~[ ] Option E~~**

~~At the hearing, the decision-maker(s) shall permit each party's advisor to ask the other party and any witnesses all relevant questions and follow-up questions, including those challenging credibility. Such cross-examination at the hearing must be conducted directly, orally, and in real time by the party's advisor of choice and never by a party personally; notwithstanding anything to the contrary in this policy, the decision-maker shall not restrict the extent to which advisors may participate in the hearing.~~

~~Only relevant cross-examination and other questions may be asked of a party or witness. Before a Complainant, Respondent, or witness answers a cross-examination or other question, the decision-maker(s) must first determine whether the question is relevant and explain any decision to exclude a question as not relevant.~~

~~If a party does not have an advisor present at the hearing, the District will provide, without fee or charge to that party, an advisor of the District's choice, who may be, but is not required to be, an attorney, to conduct cross-examination on behalf of that party.~~

**~~{END-OF-OPTION-E}~~**

~~Questions and evidence about the Complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the Complainant's prior sexual behavior are offered to prove that someone other than the Respondent committed the conduct alleged by the Complainant, or if the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent.~~

~~If a party or witness does not submit to cross-examination at the hearing, the decision-maker(s) must not rely on any statement of that party or witness in reaching a determination regarding responsibility; provided, however, that the decision-maker(s) cannot draw an inference about the determination regarding responsibility based solely on a party's or witness's absence from the hearing or refusal to answer cross-examination or other questions.~~

~~Hearings may be conducted with all parties physically present in the same geographic location or, at the discretion of the ~~(-)~~ decision-maker(s) ~~(-)~~ Title IX Coordinator(s), any or all parties, witnesses, and other participants may appear at the hearing virtually, with technology enabling participants simultaneously to see and hear each other. At the request of either party, the decision-maker shall provide for the hearing to occur with the parties located in separate rooms with technology enabling the decision-maker(s) and parties to simultaneously see and hear the party or witness answering questions. The District will create an audio or audiovisual recording, or transcript, of any hearing and make it available to the parties for inspection and review.~~

**~~{END-OF-OPTION-2}~~**

**Determination regarding responsibility:** The decision-maker(s) will issue a written determination regarding responsibility. To reach this determination, the decision-maker(s) must apply the **(X)** preponderance of the evidence standard. ~~(-) clear and convincing evidence standard. [DRAFTING NOTE: Be sure to select the evidence standard selected previously (i.e., above).]~~

The written determination will include the following content:

- A. identification of the allegations potentially constituting Sexual Harassment pursuant to this policy;
- B. a description of the procedural steps taken from the receipt of the Formal Complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, [and] methods used to gather other evidence, ~~( ) and hearings held; [DRAFTING NOTE: The Board should only select this option if it permits hearings.]~~
- C. findings of fact supporting the determination;
- D. conclusions regarding the application of the applicable code of conduct to the facts;
- E. a statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the decision-maker(s) is recommending that the District impose on the Respondent(s), and whether remedies designed to restore or preserve equal access to the District's education program or activity should be provided by the District to the Complainant(s); and
- F. the procedures and permissible bases for the Complainant(s) and Respondent(s) to appeal.

The following disciplinary sanctions/consequences may be imposed on a student Respondent who is determined responsible for violating this policy (i.e., engaging in Sexual Harassment):

A. Informal Discipline

- 1. ☒ writing assignments;
- 2. ☒ changing of seating or location;
- 3. ☒ pre-school, ☒ lunchtime, ☒ after-school detention;
- 4. ☒ in-school discipline;
- 5. ☒ Saturday school;

B. Formal Discipline

- 1. suspension of bus riding/transportation privileges;
- 2. removal from co-curricular and/or extra-curricular activity(ies), including athletics;
- 3. emergency removal;
- 4. suspension for up to ten (10) school days;
- 5. expulsion for up to eighty (80) school days or the number of school days remaining in a semester, whichever is greater;
- 6. expulsion for up to one (1) year;
- 7. permanent exclusion; and
- 8. any other sanction authorized by the Student Code of Conduct.

If the decision-maker(s) determines the student Respondent is responsible for violating this policy (i.e., engaging in Sexual Harassment), the decision-maker(s) will recommend appropriate remedies, including disciplinary sanctions/consequences. The Title IX Coordinator will notify the Superintendent of the recommended remedies, so an authorized administrator can consider the recommendation(s) and implement an appropriate remedy(ies) in compliance with Policy 5600 – Student Discipline, Policy 5605 – Suspension/Expulsion of Students with Disabilities, Policy 5610 – Removal, Suspension, Expulsion, and Permanent Exclusion of Students, Policy 5601.01 – Permanent Exclusion of Nondisabled Students, Policy 5610.02 – In-School Discipline, Policy 5610.03 – Emergency Removal of Students, Policy 5610.04 – Suspension of Bus Riding/Transportation Privileges, Policy 5610.05 – Prohibition

from Extra-Curricular Activities, and Policy 5611 – Due Process Rights. Discipline of a student Respondent must comply with the applicable provisions of the Individuals with Disabilities Education Improvement Act (IDEA) and/or Section 504 of the Rehabilitation Act of 1972, and their respective implementing regulations.

The following disciplinary sanctions/consequences may be imposed on an employee Respondent who is determined responsible for violating this policy (i.e., engaging in Sexual Harassment):

- A. ☒ oral or written warning;
- B. ☒ written reprimands;
- C. ☒ performance improvement plan;
- D. ~~☐ required counseling;~~
- E. ☒ required training or education;
- F. ~~☐ demotion;~~
- G. ~~☐ suspension with pay;~~
- H. suspension without pay;
- I. termination, and any other sanction authorized by any applicable Employee/Administrator Handbook and/or collective bargaining agreement.

If the decision-maker(s) determines the employee Respondent is responsible for violating this policy (i.e., engaging in Sexual Harassment), the decision-maker(s) will recommend appropriate remedies, including disciplinary sanctions/consequences. The Title IX Coordinator will notify the Superintendent of the recommended remedies, so an authorized administrator can consider the recommendation(s) and implement an appropriate remedy(ies) in compliance with applicable due process procedures, whether statutory or contractual. ~~[DRAFTING NOTE: The Board should review applicable policy(ies)/administrative guidelines/employee handbooks to determine whether changes are needed to stated timelines related to imposition of discipline as result of possible delays caused by the Board's obligation to follow this grievance process and procedures; likewise, the Board may need to discuss with union representatives how implementation of this grievance process and procedures may impact any disciplinary provisions contained in applicable collective bargaining (e.g., timelines, permitted attendees at investigative interviews, etc.).]~~

Discipline of an employee will be implemented in accordance with Federal and State law, Board policy, and applicable provisions of any relevant collective bargaining agreement.

The following disciplinary sanctions/consequences may be imposed on a non-student/non-employee member of the School District community or Third Party who is determined responsible for violating this policy (i.e., engaging in Sexual Harassment):

- A. ☒ oral or written warning;
- B. ☒ suspension or termination/cancellation of the Board's contract with the ~~third-party~~ Third-Party vendor or contractor;
- C. ~~☐ mandatory monitoring of the third-party Third-Party while on school property and/or while working/interacting with students;~~
- D. ☒ restriction/prohibition on the ~~third-party's~~ Third Party's ability to be on school property; and
- E. any combination of the same.

If the decision-maker(s) determines the ~~third-party~~ Third Party Respondent is responsible for violating this policy (i.e., engaging in Sexual Harassment), the decision-maker(s) will recommend appropriate remedies, including imposition of sanctions. The Title IX Coordinator will notify the Superintendent of the recommended remedies, so appropriate action can be taken.

The decision-maker(s) will provide the written determination to the Title IX Coordinator who will provide the written determination to the parties simultaneously.

In ultimately, imposing a disciplinary sanction/consequence, the Superintendent will consider the severity of the incident, previous disciplinary violations (if any), and any mitigating circumstances.

The District's resolution of a Formal Complaint ordinarily will not be impacted by the fact that criminal charges involving the same incident have been filed or that charges have been dismissed or reduced.

At any point in the grievance process and procedures, the Superintendent may involve local law enforcement and/or file criminal charges related to allegations of Sexual Harassment that involve a sexual assault.

The Title IX Coordinator is responsible for effective implementation of any remedies.

## Appeal

Both parties have the right to file an appeal from a determination regarding responsibility, or from the Title IX Coordinator's dismissal of a Formal Complaint or any allegations therein, on the following bases:

- A. Procedural irregularity that affected the outcome of the matter (e.g., material deviation from established procedures);
- B. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
- C. The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against Complainants or Respondents generally or the individual Complainant(s) or Respondent(s) that affected the outcome of the matter.

~~**[DRAFTING NOTE: The Board may insert additional grounds on which an appeal may be filed.]**~~

- D. ~~(-) The recommended remedies (including disciplinary sanctions/consequences) are unreasonable in light of the findings of fact (i.e., the nature and severity of the Sexual Harassment).~~

- E. ~~(-) \_\_\_\_\_~~

~~**[ ] The Complainant(s) may not challenge the ultimate disciplinary sanction/consequence that is imposed.**~~

Any party wishing to appeal the decision-maker(s)'s determination of responsibility, or the Title IX Coordinator's dismissal of a Formal Complaint or any allegations therein, must submit a written appeal to the Title IX Coordinator within three (3) days after receipt of the decision-maker(s)'s determination of responsibility or the Title IX Coordinator's dismissal of a Formal Complaint or any allegations therein. ~~**[DRAFTING NOTE: If the Board indicated above an intent to ordinarily complete the grievance process, including any appeal, within sixty (60) days of receipt of the Formal Complaint, Neola suggests that the deadline for submitting a written appeal be set at "within ( ) three (3) ( ) five (5) days" of the appealing party's receipt of the decision-makers(s') determination of responsibility.]**~~

Nothing herein shall prevent the Superintendent from implementing appropriate remedies, however, excluding imposing any remedy, including disciplinary sanction, while the appeal is pending.

As to all appeals, the Title IX Coordinator will notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties.

The decision-maker(s) for the appeal shall not be the same person(s) as the decision-maker(s) that reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator(s). The decision-maker(s) for the appeal shall not have a conflict of interest or bias for or against Complainants or Respondents generally or an individual Complainant(s) or Respondent(s) and shall receive the same training as required of other decision-makers.

Both parties shall have a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome.

**[DRAFTING NOTE: Select OPTION 1, OPTION 2, OPTION 3, or OPTION 4.]**

**[OPTION 1]** The decision-maker(s) for the appeal shall determine when each party's written statement is due. **[END OF OPTION 1]**

~~**[OPTION 2]** The parties' written statements in support of, or challenging, the determination of responsibility must be submitted within \_\_\_\_\_ days after the Title IX Coordinator provides notice to the non-appealing party of the appeal. **[END OF OPTION 2]**~~

~~**[OPTION 3]** The appealing party's written statement must be submitted within \_\_\_\_\_ days after the Title IX Coordinator receives notice of the appeal. The other party's written statement must be submitted within \_\_\_\_\_ days after the Title IX Coordinator provides that party a copy of the appealing party's written statement. ( ) The appealing party will have \_\_\_\_\_ days to submit a rebuttal to the~~

other party's written statement. ~~[DRAFTING NOTE: Neola does not suggest that the Board select this extra option.][END OF OPTION 3]~~

~~[OPTION 4] Specifically, the appealing party must submit with the notice of appeal a written statement challenging the determination of responsibility. The nonappealing party shall have up to \_\_\_\_\_ days after receipt of the appealing party's written statement to submit his/her written statement in support of the determination of responsibility. [END OF OPTION 4]~~

~~[DRAFTING NOTE: If the Board indicated above an intent to ordinarily complete the grievance process, including any appeal, within sixty (60) days of receipt of the Formal Complaint, Neola suggests that the deadline for both parties to submit a written statement pursuant to OPTION 2 be set at "within five (5) days" of the Title IX Coordinator providing notice to the non-appealing party of the appeal. If the Board selects OPTION 3, Neola suggests that the party's respective written statements be submitted within three (3) days of the triggering event (i.e., submission of the notice of appeal for the appealing party, and receipt of the appealing party's written statement for the nonappealing party); and if the Board selects the extra option in OPTION 3, Neola suggests the appealing party only have two (2) days after receipt of the non-appealing party's written statement to submit the rebuttal. Alternatively, in order to expedite the appeal, the Board could select OPTION 4 and require the appealing party to submit his/her written statement challenging the determination of responsibility at the same time s/he submits his/her notice of appeal. The nonappealing party would then be permitted to submit a written statement in support of the determination of responsibility within the same number of days that the appealing party had to submit the notice of appeal/statement challenging the determination of responsibility (e.g., three or five days, depending on the appeal deadline selected above).]~~

The decision-maker(s) for the appeal shall issue a written decision describing the result of the appeal and the rationale for the result. The original decision-maker(s)' determination of responsibility will stand if the appeal request is not filed in a timely manner or the appealing party fails to show clear error and/or a compelling rationale for overturning or modifying the original determination. The written decision will be provided to the Title IX Coordinator who will provide it simultaneously to both parties. The written decision will be issued within five (5) days of when the parties' written statements were submitted. ~~[DRAFTING NOTE: If the Board indicated above an intent to ordinarily complete the grievance process, including any appeal, within sixty (60) days of receipt of the Formal Complaint, Neola suggests that the deadline for the decision-maker(s) of the appeal to issue the final decision be set at "within five (5) days" of the date the parties submitted their written statements, or the date a last written statement is submitted pursuant to Option 3 or Option 4.]~~

The determination of responsibility associated with a Formal Complaint, including any recommendations for remedies/disciplinary sanctions, becomes final when the time for filing an appeal has passed or, if an appeal is filed, at the point when the decision-maker(s) for the appeal's decision is delivered to the Complainant and the Respondent. ~~(-) No further review beyond the appeal is permitted.~~

## Retaliation

Neither the Board nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, its implementing regulations, or this policy, or because the individual made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sex discrimination or Sexual Harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or Formal Complaint of Sexual Harassment, for the purpose of interfering with any right or privilege secured by Title IX, its implementing regulations, or this policy, constitutes retaliation. Retaliation against a person for making a report of Sexual Harassment, filing a Formal Complaint, or participating in an investigation ~~(-) and/or hearing~~ **[DRAFT NOTE: Select this option if the Board permits hearings.]** is a serious violation of this policy that can result in imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Complaints alleging retaliation may be filed according to the grievance procedures set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this policy shall not constitute retaliation, provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

## Confidentiality

The District will keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a Formal Complaint of Sexual Harassment, any Complainant, any individual who has been reported to be the perpetrator of sex discrimination, any Respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. 1232g, or FERPA regulations, 34 CFR part 99, or as required by law, or to carry out the purposes of 34 CFR part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder (i.e., the District's obligation to maintain confidentiality shall not impair or otherwise affect the Complainant's and

Respondent's receipt of the information to which they are entitled related to the investigative record and determination of responsibility).

### Application of the First Amendment

The Board will construe and apply this policy consistent with the First Amendment to the U.S. Constitution ( ) and the principles of academic freedom as set forth in the applicable collective bargaining agreement. In no case will a Respondent be found to have committed Sexual Harassment based on expressive conduct that is protected by the First Amendment ~~(-) and/or the principles of academic freedom specified in the Board's collective bargaining agreement with its teachers.~~

### Training

The District's Title IX Coordinator, along with any investigator(s), decision-maker(s), or person(s) designated to facilitate an informal resolution process, must receive training on:

- A. the definition of Sexual Harassment (as that term is used in this policy);
- B. the scope of the District's education program or activity;
- C. how to conduct an investigation and implement the grievance process ~~(-) that includes hearings, [DRAFTING NOTE: Select this option if the Board permits hearings.]~~ appeals and informal resolution processes, as applicable; and
- D. how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interests, and bias.

~~[ ] All Board employees will be trained concerning their legal obligation to report Sexual Harassment to the Title IX Coordinator. This training will include practical information about how to identify and report Sexual Harassment. [DRAFTING NOTE: While the Title IX regulations do not specifically require this training, it is critical that the Board train all of the employees concerning this legal obligation since the Board will be considered to have "actual knowledge" of Sexual Harassment if any Board employee has notice of such conduct.]~~

### Recordkeeping

As part of its response to alleged violations of this policy, the District shall create, and maintain for a period of seven (7) calendar years, records of any actions, including any supportive measures, taken in response to a report or Formal Complaint of Sexual Harassment. In each instance, the District shall document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the District's education program or activity. If the District does not provide a Complainant with supportive measures, then the District will document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit the District in the future from providing additional explanations or detailing additional measures taken.

The District shall maintain for a period of seven (7) calendar years the following records:

- A. each Sexual Harassment investigation including any determination regarding responsibility ~~(-) and any audio or audiovisual recording or transcript that is made of any hearing [DRAFTING NOTE: Select this option if the Board permits live hearings.]~~, any disciplinary sanctions recommended and/or imposed on the Respondent(s), and any remedies provided to the Complainant(s) designed to restore or preserve equal access to the District's education program or activity
- B. any appeal and the result therefrom
- C. any informal resolution and the result therefrom, and
- D. all materials used to train Title IX Coordinators, investigators, decisionmakers, and any person who facilitates an informal resolution process.

The District will make its training materials publicly available on its website. ~~(-) If a person is unable to access the District's website, the Title IX Coordinator will make the training materials available upon request for inspection by members of the public.~~

### Outside Appointments, Dual Appointments, and Delegations

The Board retains discretion to appoint suitably qualified persons who are not Board employees to fulfill any function of the Board under this policy, including, but not limited to, Title IX Coordinator, investigator, decision-maker, decision-maker for appeals, facilitator of informal resolution processes, and advisor.

The Board also retains discretion to appoint two or more persons to jointly fulfill the role of Title IX Coordinator, investigator, decision-maker, decision-maker for appeals, facilitator of informal resolution processes, and advisor.

The Superintendent may delegate functions assigned to a specific Board employee under this policy, including but not limited to the functions assigned to the Title IX Coordinator, investigator, decision-maker, decision-maker for appeals, facilitator of informal resolution processes, and advisor, to any suitably qualified individual and such delegation may be rescinded by the Superintendent at any time.

**~~{DRAFTING NOTE: The following option expressly sets forth authority that the Board has regardless of whether it is included in this policy, but is offered for those boards of education that may want to affirmatively communicate to/address these issues for readers of this policy.}~~**

#### **~~{ } Discretion in Application~~**

~~The Board retains discretion to interpret and apply this policy in a manner that is not clearly unreasonable, even if the Board's interpretation or application differs from the interpretation of any specific Complainant and/or Respondent. Despite the Board's reasonable efforts to anticipate all eventualities in drafting this policy, it is possible unanticipated or extraordinary circumstances may not be specifically or reasonably addressed by the express policy language, in which case the Board retains discretion to respond to the unanticipated or extraordinary circumstance in a way that is not clearly unreasonable. The provisions of this policy are not contractual in nature, whether in their own right, or as part of any other express or implied contract. Accordingly, the Board retains discretion to revise this policy at any time, and for any reason. The Board may apply policy revisions to an active case provided that doing so is not clearly unreasonable.~~

### Reports and Complaints of Unlawful Discrimination and Retaliation

Employees are required to ~~encouraged to promptly~~ report incidents of unlawful discrimination and/or retaliation to an administrator, supervisor, or other District-level official so that the Board may address the conduct. Any administrator, supervisor, or other District-level ~~employee or~~ official who receives such a report ~~complaint~~ shall file it with the CO ~~(-) at his/her first convenience (-)~~ within two (2) ~~school~~ days.

Employees who believe they have been unlawfully discriminated/retaliated against are entitled to utilize the complaint process set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the Complainant's ~~complaining~~

~~individual's~~ employment. While there are no time limits for initiating complaints under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

The COs will be available during regular school/work hours to discuss concerns related to unlawful discrimination/retaliation. COs shall accept reports/complaints of unlawful discrimination/retaliation directly from any member of the School District community or a Third Party, or receive reports that are initially filed with another Board employee, visitor to the District, or receive complaints that are initially filed with a school building administrator. ~~Upon receipt of a complaint, either directly or through a school building administrator, a CO will begin either an informal or formal process (depending on the request of the person alleging the discrimination/retaliation or the nature of the alleged discrimination/retaliation).~~ Upon receipt of a report of alleged discrimination/retaliation, the CO will contact the Complainant and begin either an informal or formal complaint process (depending on the Complainant's request and the nature of the alleged discrimination/retaliation), or the CO will designate a specific individual to conduct such a process. The CO will provide a copy of this policy to the Complainant and the Respondent, ~~any person who files a complaint.~~ In the case of a formal complaint, the CO will prepare recommendations for the Superintendent or oversee the preparation of such recommendations by a designee. All members of the School District community must report incidents of discrimination/retaliation that are reported to them to the CO within two (2) business days of learning of the incident/conduct.

Any Board employee who directly observes unlawful discrimination/retaliation is obligated, in accordance with this policy, to report such observations to one of the COs within two (2) business days. Additionally, any Board employee who observes an act of unlawful discrimination/retaliation is expected to intervene to stop the misconduct, unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Board employees and/or local law enforcement officials, as necessary, to stop the misconduct. Thereafter, the CO or designee must contact the ~~employee-Complainant~~ employee-Complainant within two (2) business days to advise ~~him/her~~ of the Board's intent to investigate the alleged wrongdoing.

### Investigation and Complaint Procedure (See Form 3122 F2)

Except for sex discrimination and/or Sexual Harassment that is covered by Policy 2266 - Nondiscrimination on the Basis of Sex Education Programs or Activities, any employee who alleges to have been ~~Any employee who believes that s/he has been~~ subjected to unlawful discrimination or retaliation may seek resolution of ~~the his/her~~ complaint through the procedures described below. The formal complaint procedures involve an investigation of the individual's claims of discrimination/retaliation and a process for rendering a decision regarding whether the charges are substantiated.

Due to the sensitivity surrounding complaints of unlawful discrimination or retaliation, timelines are flexible for initiating the complaint process; however, individuals are encouraged ~~should make every effort~~ to file a complaint within thirty (30) calendar days after the conduct occurs. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of unlawful discrimination or retaliation with the United States Department of Education Office for Civil Rights, the Ohio Civil Rights Commission ("OCRC") or Equal Employment Opportunity Commission ("EEOC").

### Informal Complaint Procedure

The goal of the informal complaint procedure is to promptly stop ~~quickly stop~~ inappropriate behavior and facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for an employee who alleges unlawful discrimination or retaliation, ~~believes s/he has been unlawfully discriminated or retaliated against.~~ This informal procedure is not required as a precursor to the filing of a formal complaint. The informal process is only available in those circumstances where the Complainant and the Respondent mutually ~~parties (the alleged target of the discrimination/retaliation and individual(s) alleged to have engaged in the discrimination)~~ agree to participate in it.

The Complainant ~~Employees who believe that they have been unlawfully discriminated/retaliated against~~ may proceed immediately to the formal complaint process and individuals who participate in ~~seek resolution through~~ the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complaints involving a District employee or any other adult member of the School District community and ~~against~~ a student will be formally investigated.

As an initial course of action, if a Complainant feels comfortable and safe ~~an individual feels that s/he is being unlawfully discriminated/retaliated against and s/he is able and feels safe~~ doing so, the individual should tell or otherwise inform the Respondent that ~~person who engaged in~~ the allegedly discriminatory/retaliatory conduct that it is inappropriate and must stop. The Complainant/complaining individual ~~should~~ address the alleged misconduct as soon after it occurs as possible. The COs are available to support and counsel the Complainant ~~individuals~~ when taking this initial step or to intervene on behalf of the individual if requested to do so. A Complainant ~~An individual~~ who is uncomfortable or unwilling to directly approach the Respondent about the inappropriate conduct may file ~~inform the person who allegedly engaged in the unlawful misconduct of his/her concerns is not prohibited from otherwise filing~~ an informal or a formal complaint. In addition, with regard to certain types of unlawful discrimination (e.g., sex discrimination), ~~such as sexual discrimination,~~ the CO may advise against the use of the informal complaint process.

~~An individual who believes s/he has been unlawfully discriminated/retaliated against~~ A Complainant who alleges unlawful discrimination/retaliation may make an informal complaint, either orally or in writing: 1) to a building administrator; 2) directly to one of the COs; and/or 3) to the Superintendent or other District-level employee.

All informal complaints must be reported to one of the COs who will either facilitate an informal resolution as described below, or appoint another individual to facilitate an informal resolution.

The School District's informal complaint procedure is designed to provide the Complainant ~~employees who believe they are being unlawfully discriminated/retaliated against~~ with a range of options aimed at bringing about a prompt resolution of their concerns. Depending upon the nature of the complaint and the wishes of the Complainant, ~~individual claiming unlawful discrimination/retaliation~~, informal resolution may involve, but not be limited to, one or more of the following:

- A. Advising the Complainant ~~individual~~ about how to communicate ~~his/her~~ concern to the Respondent ~~person who allegedly engaged in the discriminatory/retaliatory behavior~~.
- B. Distributing a copy of Policy 3122 - Non-Discrimination and Equal Employment Opportunity ~~as a reminder~~ to the individuals in the school building or office where the Respondent ~~individual whose behavior is being questioned~~ works.
- C. If both parties agree, the CO may arrange and facilitate a meeting or mediation between the Complainant and the Respondent to work out a mutual resolution ~~between the individual claiming discrimination/retaliation and the individual accused of engaging in the misconduct to work out a mutual resolution~~.

While there are no set time limits within which an informal complaint must be resolved, the CO or designee is directed ~~will exercise his/her authority~~ to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint. If the Complainant is ~~Parties who are~~ dissatisfied with ~~the results of~~ the informal complaint process, the Complainant may proceed to file a formal complaint and, as stated above, either party ~~parties~~ may request that the informal process be terminated at any time to move to the formal complaint process.

### Formal Complaint Procedure

If a complaint is not resolved through the informal complaint process, if one of the parties requested that the informal complaint process be terminated to move to the formal complaint process, or if the Complainant, from the outset, elects to file a formal complaint, or the Compliance Officer(s) determines the allegations are not appropriate for resolution through the informal process, ~~individual elects to file a formal complaint initially~~, the formal complaint process shall be implemented.

A Complainant ~~An individual who believes s/he has been subjected to unlawful discrimination/retaliation (hereinafter referred to as the "Complainant")~~, may file a formal complaint, either orally or in writing, with a Principal, the CO, Superintendent, or other District official-level employee. Due to the sensitivity surrounding complaints of unlawful discrimination and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a formal complaint within thirty (30) calendar days after the conduct occurs. If a Complainant informs a Principal, Superintendent, or other District official-level employee, either orally or in writing, about any complaint of discrimination or retaliation, that employee must report such information to the CO within two (2) business days.

Throughout the course of the process, the CO should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All formal complaints must include the following information to the extent known ~~it is available~~: the identity of the Respondent ~~individual believed to have engaged in, or be engaging in, the discriminatory/retaliatory conduct~~; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter, the CO will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a formal complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the Complainant from further discrimination or retaliation, including, but not limited to, a change of work assignment or schedule for the Complainant and/or the Respondent ~~person who allegedly engaged in the misconduct~~. In making such a determination, the CO should consult the Complainant to assess whether the individual agrees with his/her agreement to the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO may still take whatever actions s/he deemed ~~deems~~ appropriate in consultation with the Superintendent.

Within two (2) business days of receiving the complaint, the CO or designee will initiate a formal investigation to determine whether the Complainant has been subjected to unlawful discrimination/retaliation.

Simultaneously, the CO will inform the Respondent that a formal individual alleged to have engaged in the discriminatory or retaliatory conduct (hereinafter referred to as the "Respondent"), that a complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including Policy 3122 - Non-Discrimination and Equal Employment Opportunity. The Respondent must also be informed of the opportunity to submit a written response to the complaint within five (5) business days.

Although certain cases may require additional time, the CO or a designee will attempt to complete an investigation into the allegations of discrimination/retaliation within fifteen (15) business days of receiving the formal complaint. The investigation will include:

- A. interviews with the Complainant;
- B. interviews with the Respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations;
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the CO or the designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provide recommendations based on the evidence and the definition of unlawful discrimination/retaliation as provided in Board policy and State and Federal law as to whether the Respondent has engaged in unlawful discrimination/retaliation of the Complainant. ~~Complainant has been subjected to unlawful discrimination/retaliation.~~ The CO's recommendations must be based upon the totality of the circumstances. In determining if discrimination or retaliation occurred, a preponderance of evidence standard will be used. ~~(-)~~ The CO may consult with the Board's legal counsel before finalizing the report to the Superintendent.

Absent extenuating circumstances, within five (5) business days of receiving the report of the CO or the designee, the Superintendent must either issue a written final decision regarding whether the charges have been substantiated or request further investigation. A copy of the Superintendent's final decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the Superintendent must issue a final written decision as described above.

If the Superintendent determines the Respondent engaged in unlawful discrimination/retaliation toward the Complainant, the Superintendent ~~Complainant was subjected to unlawful discrimination/retaliation, s/he~~ must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate, and effective, and tailored to the specific situation.

~~[ ] The decision of the Superintendent shall be final.~~  
**OR**

**[X]** A Complainant or Respondent who is dissatisfied with the final decision of the Superintendent may appeal through a signed written statement to the Board within five (5) business days of the party's his/her receipt of the Superintendent's ~~final~~ decision. The written statement of appeal must be submitted to the Treasurer/CFO.

In an attempt to resolve the complaint, the Board shall meet with the concerned parties and their representatives within twenty (20) business days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each concerned party within ten (10) business days of this meeting. The decision of the Board will be final.

#### **~~{END OF OPTIONS}~~**

The Board reserves the right to investigate and resolve a complaint or report of unlawful discrimination/retaliation regardless of whether the employee alleging the misconduct pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

The parties ~~Complainant~~ may be represented, at their ~~his/her~~ own cost, at any of the above-described meetings/hearings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies. ~~The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights or the filing of a court case. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.~~

### Privacy/Confidentiality

The ~~School~~ District will employ all reasonable efforts to protect the rights of the Complainant, the Respondent(s), and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the Respondent must be provided the Complainant's identity. ~~All Complainants proceeding through the formal investigation process will be advised that their identities may be disclosed to the Respondent(s).~~

During the course of a formal investigation, the CO or designee will instruct each person who is interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to third parties any information that is learned or provided ~~s/he learns and/or provides~~ during the course of the investigation.

### Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against unlawful discrimination by taking appropriate action reasonably calculated to stop and prevent further misconduct. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter. In those cases where unlawful discrimination/retaliation is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).

Where the Board becomes aware that a prior remedial action has been taken against an employee, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effect.

### Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

~~Retaliation against a person who makes a report or files a complaint alleging unlawful discrimination/retaliation, or participates as a witness in an investigation is prohibited. Specifically, the Board will not retaliate against, coerce, intimidate, threaten or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a charge, testified, assisted or participated in any manner in an investigation, proceeding, or hearing under those laws, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws.~~

### Education and Training

In support of this policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Superintendent ~~or designee~~ shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District students and staff where appropriate.

All training, as well as all information provided regarding the Board's policy and discrimination in general, will be age and content appropriate.

### Retention of Investigatory Records and Materials

The Compliance Officer(s) is responsible for overseeing retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy shall retain all documents, electronically stored information ("ESI"), and electronic media (as defined in Policy 8315) created and/or received as part of an investigation, which may include but not be limited to:

- A. all written reports/allegations/complaints/grievances/statements/responses pertaining to an alleged violation of this policy;
- B. any narratives that memorialize oral reports/allegations/complaints/grievances/statements/responses pertaining to an alleged violation of this policy;
- C. any documentation that memorializes the actions taken by District personnel or individuals contracted or appointed by the Board to fulfill its responsibilities related to the investigation and/or the District's response to the alleged violation of this policy;
- D. written witness statements;

### 3123 - **SECTION 504/ADA PROHIBITION AGAINST DISABILITY DISCRIMINATION IN EMPLOYMENT**

The Board of Education prohibits discrimination against any employee or applicant based upon his/her disability. As such, the Board will not engage in employment practices or adopt policies that discriminate on the basis of disability, or otherwise discriminate against qualified individuals with disabilities in regard to job application procedures, the hiring, advancement or discharge of employees, employee compensation, job training, or other terms, conditions and privileges of employment. The Board further will not limit, segregate or classify applicants or employees in any way that adversely affects their opportunities or status because of disability. Additionally, the Board will not participate in any contractual or other relationships that have the effect of subjecting qualified individuals with disabilities who are applicants or employees to discrimination on the basis of disability.

"An individual with a disability" means a person who has, had a record of, or is regarded as having, a physical or mental impairment that substantially limits one or more major life activities. Major life activities are functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, eating, sleeping, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, sitting, reaching, interacting with others, and working.

Major life activities also include the operation of a major bodily function, including, but not limited to, functions of the immune system, special sense organs and skin, normal cell growth, and digestive, genitourinary, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, hemic, lymphatic, musculoskeletal and reproductive functions. The operation of a major bodily function includes the operation of an individual organ within a body system.

An impairment that is episodic in nature or in remission is considered a disability if it would substantially limit a major life activity when active.

The determination of whether an impairment substantially limits a major life activity must be made without regard to the ameliorative effects of mitigating measures such as medication, medical supplies, equipment or appliances, low-vision devices (defined as devices that magnify, enhance, or otherwise augment a visual image, but not including ordinary eyeglasses or contact lenses), prosthetics (including limbs and devices), hearing aid(s) and cochlear implant(s) or other implantable hearing devices, mobility devices, oxygen therapy equipment or supplies, use of assistive technology, reasonable accommodations or "auxiliary aids or services," learned behavioral or adaptive neurological modifications, psychotherapy, behavioral therapy, or physical therapy.

A qualified person with a disability means the individual satisfies the requisite skill, experience, education and other job-related requirements of the employment position such individual holds or desires and, with or without reasonable accommodation, can perform the essential functions of the job in question.

The Board will provide a reasonable accommodation to a qualified individual who has an actual disability or who has a record of a disability, unless the accommodation would impose an undue hardship on the operation of the District's program and/or activities. A reasonable accommodation is not required for an individual who is merely regarded as having a disability.

#### **Compliance Officer(s)**

The Board designates the following individual(s) to serve as the District's 504 Compliance Officer(s)/ADA Coordinator(s) (hereinafter referred to as the "District Compliance Officer(s)").

**~~DRAFTING [NOTE: Neola suggests the Board appoint School Districts may want to consider appointing both a male and a female District Compliance Officer in order to provide complainants with the option to report their concerns to an individual of the gender with which they feel most comfortable. ## Complaint Procedures

If a person believes that s/he has been discriminated against on the basis of his/her disability, the person may utilize the following complaint procedures as a means of reaching, at the lowest possible administrative level, a prompt and equitable resolution of the matter.

In accordance with Section 504 of the Rehabilitation Act of 1973 and its implementing regulations ("Section 504"), employees will be notified of their right to file an internal complaint regarding an alleged violation, misinterpretation or misapplication of Section 504. In addition, employees will be notified of their right to file a complaint with the U.S. Department of Education's Office for Civil Rights.

Internal complaints must be put in writing and must identify the specific circumstances or areas of dispute that have given rise to the complaint, and offer possible solutions to the dispute. The complaint must be filed with a District Compliance Officer within the time limits specified below. The District's Compliance Officer is available to assist individuals in filing a complaint.

Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).

## Internal Complaint Procedure

The following internal complaint procedure is available to employees for the prompt and equitable resolution of complaints alleging discrimination based upon disability. This complaint procedure is not available to unsuccessful applicants. Use of the internal complaint procedure is not a prerequisite to the pursuit of other remedies, including the filing of a complaint with the U.S. Department of Education's Office for Civil Rights.

- A. An employee with a complaint based on alleged discrimination on the basis of disability may first discuss the problem with the District Compliance Officer.
- B. If the informal discussion does not resolve the matter, or if the employee skips Step A, the individual may file a formal written complaint with the District Compliance Officer. The written complaint must contain the name and address of the individual or representative filing the complaint, be signed by the complainant or someone authorized to sign for the complainant, describe the alleged discriminatory action in sufficient detail to inform the District Compliance Officer of the nature and date of the alleged violation, and propose a resolution. The complaint must be filed within thirty (30) calendar days of the circumstances or event giving rise to the complaint, unless the time for filing is extended by the District Compliance Officer for good cause.
- C. The District Compliance Officer will conduct an independent investigation of the matter (which may or may not include a hearing). This complaint procedure contemplates informal, but thorough investigations, affording all interested persons and their representatives, if any, an opportunity to present witnesses and other evidence relevant to the complaint. The District Compliance Officer will provide the complainant with a written disposition of the complaint within ten (10) ~~work~~ days. If no decision is rendered within ten (10) ~~work~~ days, or the decision is unsatisfactory in the opinion of the complainant, the employee may file, in writing, an appeal with the Superintendent. The District Compliance Officer shall maintain the District's files and records relating to the complaint.
- D. The Superintendent will, within ten (10) ~~work~~ days of receiving the written appeal, conduct a hearing with all parties involved in an attempt to resolve the complaint.

The Superintendent will render his/her decision within ten (10) ~~work~~ days of the hearing.

E. The employee may be represented, at his/her own cost, at any of the above-described meetings/hearings.

F. The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights or the filing of a court case. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.

If it is determined that the complainant was subjected to unlawful discrimination, the CO must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate and effective, and tailored to the specific situation.

### OCR Complaint

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

The Compliance Officer(s) ~~is~~ (x) are responsible for coordinating the District's efforts to comply with applicable Federal and State laws and regulations, including the District's duty to address in a prompt and equitable manner any inquiries or complaints regarding harassment.

The Compliance Officer(s) will be available during regular school/work hours to discuss concerns related to unlawful harassment, to assist students, other members of the District community, and third parties who seek support or advice when informing another individual about "unwelcome" conduct, or to intercede informally on behalf of the individual in those instances where concerns have not resulted in the filing of a formal complaint and where all parties are in agreement to participate in an informal process.

Compliance Officers shall accept reports of unlawful harassment directly from any member of the School District community or a Third Party or receive reports that are initially filed with an administrator, supervisor, or other District-level official. Upon receipt of a report of alleged harassment, the Compliance Officer(s) will contact the Complainant and begin either an informal or formal complaint process (depending on the request of the Complainant or the nature of the alleged harassment), or the Compliance Officer(s) will designate a specific individual to conduct such a process. In the case of a formal complaint, the Compliance Officer(s) will prepare recommendations for the Superintendent or will oversee the preparation of such recommendations by a designee. All Board employees must report incidents of harassment that are reported to them to the Compliance Officer within two (2) days of learning of the incident.

Any Board employee who directly observes unlawful harassment is obligated, in accordance with this policy, to report such observations to the Compliance Officer(s) within two (2) days. Initiating a complaint, whether formally or informally, will not adversely affect the ~~Complainant's/complaining individual's~~ employment or participation in educational or extra-curricular programs. While there are no time limits for initiating complaints of harassment under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

~~The Compliance Officers will be available during regular school/work hours to discuss concerns related to unlawful harassment, to assist students, other members of the District community, and third parties who seek support or advice when informing another individual about "unwelcome" conduct, or to intercede informally on behalf of the individual in those instances where concerns have not resulted in the filing of a formal complaint and where all parties are in agreement to participate in an informal process. Compliance Officers shall accept complaints of unlawful harassment directly from any member of the School District community or a visitor to the District, or receive complaints that are initially filed with a school building administrator. Upon receipt of a complaint either directly or through a school building administrator, a Compliance Officer will begin either an informal or formal process (depending on the request of the person alleging the harassment or the nature of the alleged harassment), or the Compliance Officer will designate a specific individual to conduct such a process. In the case of a formal complaint, the Compliance Officer will prepare recommendations for the Superintendent or will oversee the preparation of such recommendations by a designee. All members of the School District community must report incidents of harassment that are reported to them to the Compliance Officer within two (2) business days of learning of the incident. Any Board employee who directly observes unlawful harassment of a student is obligated, in accordance with this policy, to report such observations to one of the Compliance Officers within two (2) business days. Additionally, any Board employee who observes an act of unlawful harassment is expected to intervene to stop the harassment, unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Board employees and/or local law enforcement officials, as necessary, to stop the harassment. Thereafter, the Compliance Officer or designee must contact the student, if age eighteen (18) or older, or the student's parents if under the age eighteen (18), within two (2) business days to advise s/he/them of the Board's intent to investigate the alleged misconduct, including the obligation of the Compliance Officer or designee to conduct an investigation following all the procedures outlined for a formal complaint.~~

### Investigation and Complaint Procedure (See Form 3362 F1)

~~Except for Sexual Harassment that is covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities, any~~ Any employee or other member of the School District community or ~~Third Party~~ third party (e.g., visitor to the District) who believes that ~~they have~~ s/he has been subjected to unlawful harassment or retaliation may seek resolution of ~~the his/her~~ the complaint through ~~the procedures described below. The formal complaint process involves an investigation of the Complainant's claims of harassment or retaliation and a process for rendering a decision regarding whether the charges are substantiated. either the informal or formal procedures as described below. Further, a process for investigating claims of harassment or retaliation and a process for rendering a decision regarding whether the claim of legally prohibited harassment or retaliation was substantiated are set forth below.~~

Due to the sensitivity surrounding complaints of unlawful harassment, or retaliation timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) ~~calendar~~ days after the conduct occurs while the facts are known and potential witnesses are available. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

The ~~informal and formal~~ procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of unlawful harassment or retaliation with the United States Department of Education Office for Civil Rights, the Ohio Civil Rights Commission ("OCRC") and/or Equal Employment Opportunity Commission ("EEOC").

### Informal Complaint Procedure

The goal of the informal complaint procedure is promptly to stop inappropriate behavior and to ~~investigate and~~ facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for a student, other member of the School District community, or Third Party who alleges unlawful harassment or retaliation. ~~third party who believes s/he has been unlawfully harassed or retaliated against.~~ This informal procedure is not required as a precursor to the filing of a formal complaint. The informal process is only available in those circumstances where the Complainant and the Respondent mutually agree to participate in it. ~~and will only be utilized where the parties (alleged target of harassment and alleged harasser(s)) agree to participate in such process.~~

The Complainant ~~Employees, other members of the School District community, or third parties who believe that they have been unlawfully harassed or retaliated against~~ may proceed immediately to the formal complaint process and individuals who seek resolution through the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complainants involving a District employee, any other adult member of the School District community, or a Third Party and a student will be formally investigated. ~~However, all complaints of harassment involving a District employee, any other adult member of the School District community, or a third party against a student will be formally investigated. Similarly, any allegations of sexual violence will be formally investigated.~~

As an initial course of action, if a Complainant feels comfortable and safe ~~an individual feels that s/he is being unlawfully harassed and s/he is able and feels safe~~ doing so, the individual should tell or otherwise inform the Respondent that the alleged harassing harasser that the ~~conduct is unwelcome and must stop. Such direct communication should not be utilized in circumstances involving sexual violence.~~ The Complainant ~~complainant individual~~ should address the allegedly harassing conduct as soon after it occurs as possible. The Compliance Officers are available to support and counsel individuals when taking this initial step or to intervene on behalf of the Complainant ~~individual~~ if requested to do so. A Complainant ~~An individual~~ who is uncomfortable or unwilling to directly approach the Respondent about the alleged inappropriate conduct may file ~~inform the harasser of his/her complaint is not prohibited from otherwise filing~~ an informal or a formal complaint. In addition, with regard to certain types of unlawful harassment, such as sexual harassment, the Compliance Officer may advise against the use of the informal complaint process.

A Complainant ~~An individual who believes s/he has been unlawfully harassed~~ may make an informal complaint, either orally or in writing: 1) to a teacher, other employee, or building administrator; 2) directly to one of the Compliance Officers; and/or 3) to the Superintendent or other District-level employee.

All informal complaints must be reported to one of the Compliance Officers who will either facilitate an informal resolution as described below ~~on his/her own~~, or appoint another individual to facilitate an informal resolution.

The Board's ~~School District's~~ informal complaint procedure is designed to provide employees, other members of the School District community, or third parties who believe they are being unlawfully harassed with a range of options designed to bring about a resolution of their concerns. Depending upon the nature of the complaint and the wishes of the Complainant ~~individual claiming unlawful harassment~~, informal resolution may involve, but not be limited to, one or more of the following:

- A. Advising the Complainant ~~individual~~ about how to communicate the unwelcome nature of the behavior to the Respondent ~~alleged harasser~~.
- B. Distributing a copy of this ~~the anti-harassment~~ policy as a reminder to the individuals in the school building or office where the Respondent works or attends ~~individual whose behavior is being questioned works or attends~~.
- C. If both parties agree, the Compliance officer may arrange and facilitate a meeting or mediation between the Complainant and the Respondent to work out a mutual resolution ~~between the student claiming harassment and the individual accused of harassment to work out a mutual resolution. Such a meeting is not appropriate in circumstances involving sexual harassment.~~

While there are no set time limits within which an informal complaint must be resolved, the Compliance Officer ~~or designee~~ is directed ~~will exercise his/her authority~~ to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint. If the Complainant is ~~Parties who~~ dissatisfied with the results of the ~~informal complaint process, the~~ Complainant may proceed to file a formal complaint. And, as stated above, either party ~~parties~~ may request that the informal process be terminated at any time to move to the formal complaint process.

## Formal Complaint Procedure

If a complaint is not resolved through the informal complaint process, if one of the parties has requested that the informal complaint process be terminated to move to the formal complaint process, or the Complainant, from the outset, elects to file a formal complaint, or the CO determines the allegations are not appropriate for resolution through the informal process, ~~if the individual elects to file a formal complaint initially,~~ the formal complaint process shall be implemented.

The Complainant ~~An individual who believes s/he has been subjected to offensive conduct/harassment/retaliation hereinafter referred to as the "Complainant",~~ may file a formal complaint, either orally or in writing, with a teacher, Principal, the Compliance Officer, Superintendent, or other District official ~~employee~~. Due to the sensitivity surrounding complaints of unlawful harassment and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a formal complaint within thirty (30) ~~calendar~~ days after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a teacher, Principal, Superintendent, or other District official ~~employee~~, either orally or in writing, about any complaint of harassment or retaliation, that employee must report such information to the Compliance Officer ~~or designee~~ within two (2) business days.

Throughout the course of the process, the Compliance Officer should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All formal complaints must include the following information to the extent known ~~it is available~~: the identity of the Respondent ~~individual believed to have engaged in, or be engaging in, offensive conduct/harassment/retaliation~~; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the Compliance Officer shall ask for such details in an oral interview. Thereafter, the Compliance Officer will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a formal complaint, the Compliance Officer will consider whether any action should be taken in the investigatory phase to protect the Complainant from further harassment or retaliation, including, but not limited to, a change of work assignment or schedule for the Complainant and/or the ~~Respondent alleged harasser~~. In making such a determination, the Compliance Officer should consult the Complainant to assess ~~whether the individual agrees with his/her agreement to~~ the proposed action. If the Complainant is unwilling to consent to the proposed change, the Compliance Officer may still take whatever actions ~~deemed s/he deems~~ appropriate in consultation with the Superintendent.

Within two (2) business days of receiving the complaint, the Compliance Officer/~~or a~~ designee will initiate a formal investigation to determine whether the Complainant has been subjected to offensive conduct/harassment/retaliation. ~~(-) A~~ The Principal will not conduct an investigation unless directed to do so by the Compliance Officer.

Simultaneously, the Compliance Officer will inform the Respondent that a formal individual alleged to have engaged in the harassing or retaliatory conduct, hereinafter referred to as the "Respondent", that a complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including the Board's Anti-Harassment policy. The Respondent must also be informed of the opportunity to submit a written response to the complaint within five (5) business days.

Although certain cases may require additional time, the Compliance Officer/~~or a~~ designee will attempt to complete an investigation into the allegations of harassment/retaliation within fifteen (15) business days of receiving the formal complaint. The investigation will include:

- A. interviews with the Complainant;
- B. interviews with the Respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations;
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the Compliance Officer or the designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful harassment as provided in Board policy and State and Federal law as to whether the Complainant has been subjected to unlawful harassment. The Compliance Officer's recommendations must be based upon the totality of the circumstances, including the ages and maturity levels of those involved. In determining if discriminatory harassment or retaliation occurred, a preponderance of evidence standard will be used. ~~(-) The~~ Compliance Officer may consult with the Board's legal counsel before finalizing the report to the Superintendent.

Absent extenuating circumstances, within five (5) business days of receiving the report of the Compliance Officer/~~or the~~ designee, the Superintendent must either issue a ~~final~~ written decision regarding whether the complaint of harassment has been substantiated or request further investigation. A copy of the Superintendent's final decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the Superintendent must issue a ~~final~~ written decision as described above.

~~[ ] The decision of the Superintendent shall be final.~~  
**OR**

**[X ]** A Complainant or Respondent who is dissatisfied with the final decision of the Superintendent may appeal through a signed written statement to the Board within five (5) business days of the party's his/her receipt of the Superintendent's ~~final~~ decision. The written statement of appeal must be submitted to the Treasurer/CFO.

In an attempt to resolve the complaint, the Board shall meet with the concerned parties and their representatives within twenty (20) business days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each ~~concerned~~ party within ten (10) business days of this meeting. The decision of the Board will be final.

**{END OF OPTIONS}**

The Board reserves the right to investigate and resolve a complaint or report of unlawful harassment/retaliation regardless of whether the member of the School District community or ~~Third Party~~third party alleging the unlawful harassment/retaliation pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

The parties may be represented, at their own cost, at any of the above-described meetings/hearings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies.

### Privacy/Confidentiality

The ~~School~~ District will employ all reasonable efforts to protect the rights of the Complainant, the ~~Respondent individual(s) against whom the complaint is filed~~, and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. All records generated under the terms of this policy and related administrative guidelines shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the Respondent must be provided the Complainant's identity. ~~All Complainants proceeding through the formal investigation process will be advised that their identities may be disclosed to the Respondent.~~

During the course of a formal investigation, the Compliance Officer ~~/or his/her~~ designee will instruct all members of the School District community and third parties who are interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of a harassment investigation is expected not to disclose any information that is learned or provided ~~s/he learns or that s/he provides~~ during the course of the investigation.

### Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against unlawful harassment/retaliation by taking appropriate action reasonably calculated to stop the harassment and prevent further such harassment. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter, including the ages and maturity levels of those involved. In those cases where unlawful harassment is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).

Where the Board becomes aware that a prior remedial action has been taken against a member of the School District community, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effect.

### Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil right law, or because that individual made a report, formal complaint testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or the policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

~~Any act of retaliation against a person who has made a report or filed a complaint alleging unlawful harassment, or who has participated as a witness in a harassment investigation is prohibited.~~

### Allegations Constituting Criminal Conduct: Child Abuse/Sexual Misconduct

State law requires any school teacher or school employee who knows or suspects that a child with a disability under the age of twenty-one (21) or that a child under the age of eighteen (18) has suffered or faces a threat of suffering a physical or mental wound, disability or condition of a nature that reasonably indicates abuse or neglect of a child to immediately report that knowledge or suspicion to the county children's services agency. If, during the course of a harassment investigation, the Compliance Officer or a designee has reason to believe or suspect that the alleged conduct reasonably indicates abuse or neglect of the Complainant, a report of such knowledge must be made in accordance with State law and Board Policy.

State law defines certain contact between a teacher and a student as "sexual battery." If the Compliance Officer or a designee has reason to believe that the Complainant has been the victim of criminal conduct as defined in Ohio's Criminal Code, such knowledge should be immediately reported to local law enforcement.

Any reports made to a county children's services agency or to local law enforcement shall not terminate the Compliance Officer or a designee's obligation and responsibility to continue to investigate a complaint of harassment. While the Compliance Officer or a designee may work cooperatively with outside agencies to conduct concurrent investigations, in no event shall the harassment investigation be inhibited by the involvement of outside agencies without good cause after consultation with the Superintendent.

### **Allegations Involving Conduct Unbecoming the Teaching Profession/Suspension**

The Superintendent will report to the Ohio Department of Education, on forms provided for that purpose, matters of misconduct on the part of licensed professional staff members convicted of sexual battery, and will, in accordance with Policy 8141, suspend such employee from all duties that concern or involve the care, custody, or control of a child during the pendency of any criminal action for which that person has been arrested, summoned and/or indicted in that regard.

### **Education and Training**

In support of this Anti-Harassment Policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Superintendent ~~or designee~~ shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District students and staff where appropriate. All training, as well as all information provided regarding the Board's policy and harassment in general, will be age and content appropriate.

### **Retention of Investigatory Records and Materials**

#### 4122 - **NONDISCRIMINATION AND EQUAL EMPLOYMENT OPPORTUNITY**

The Board of Education does not discriminate on the basis of race, color, national origin, sex (including sexual orientation and ~~trans~~gender identity), disability, age, religion, military status, ancestry, genetic information (collectively, "Protected Classes"), or any other legally protected category, in its programs and activities, including employment opportunities.

##### **Definitions:**

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

**Complainant** is the individual who alleges, or is alleged, to have been subjected to unlawful discrimination/retaliation, regardless of whether the person files a formal complaint or is pursuing an informal resolution to the alleged discrimination/retaliation.

**Respondent** is the individual who has been alleged to have engaged in unlawful discrimination/retaliation, regardless of whether the Reporting Party files a formal complaint or is seeking an informal resolution to the alleged discrimination/retaliation.

**School District community** means students and Board employees (i.e., administrators, and professional and classified staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

**Third Parties** include, but are not limited to, guests and/or visitors on School District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with, the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

**Day(s):** Unless expressly stated otherwise, the term "day" or "days" as used in this policy means a business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday - Friday, excluding State-recognized holidays).

It also includes the period of time for which a person is absent from employment for the purpose of an examination to determine the fitness of the person to perform any such duty as listed above.

##### **District Compliance Officers**

The Board designates the following individuals to serve as the District's "Compliance Officers" (also known as "Civil Rights Coordinator") (hereinafter referred to as the "COs").

~~**DRAFTING [NOTE: Neola suggests the Board School Districts are advised to appoint both a male and a female CO in order to provide complainants with the option to report their concerns to an individual of the gender with which they feel most comfortable. The COs may also serve as the District's Section 504 Compliance Officer/ADA Coordinator and Title IX Coordinator. Additionally, by appointing two COs, there should always be a CO available to investigate a claim of discrimination/retaliation that pertains to the other CO.]**~~

### Reports and Complaints of Unlawful Discrimination and Retaliation

Employees are required to ~~encouraged to promptly~~ report incidents of unlawful discrimination and/or retaliation to an administrator, supervisor, or other District-level official so that the Board may address the conduct. Any administrator, supervisor, or other District-level ~~employee or~~ official who receives such a report ~~complaint~~ shall file it with the CO ~~( ) at his/her first convenience ( )~~ within two (2) ~~school~~ days.

Employees who believe they have been unlawfully discriminated/retaliated against are entitled to utilize the complaint process set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the Complainant's ~~complaining~~

~~individual's~~ employment. While there are no time limits for initiating complaints under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

The COs will be available during regular school/work hours to discuss concerns related to unlawful discrimination/retaliation. COs shall accept reports/complaints of unlawful discrimination/retaliation directly from any member of the School District community or a Third Party, or receive reports that are initially filed with another Board employee, visitor to the District, or receive complaints that are initially filed with a school building administrator. ~~Upon receipt of a complaint, either directly or through a school building administrator, a CO will begin either an informal or formal process (depending on the request of the person alleging the discrimination/retaliation or the nature of the alleged discrimination/retaliation).~~ Upon receipt of a report of alleged discrimination/retaliation, the CO will contact the Complainant and begin either an informal or formal complaint process (depending on the Complainant's request and the nature of the alleged discrimination/retaliation), or the CO will designate a specific individual to conduct such a process. The CO will provide a copy of this policy to the Complainant and the Respondent, ~~any person who files a complaint.~~ In the case of a formal complaint, the CO will prepare recommendations for the Superintendent or oversee the preparation of such recommendations by a designee. All members of the School District community must report incidents of discrimination/retaliation that are reported to them to the CO within two (2) business days of learning of the incident/conduct.

Any Board employee who directly observes unlawful discrimination/retaliation is obligated, in accordance with this policy, to report such observations to one of the COs within two (2) business days. Additionally, any Board employee who observes an act of unlawful discrimination/retaliation is expected to intervene to stop the misconduct, unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Board employees and/or local law enforcement officials, as necessary, to stop the misconduct. Thereafter, the CO or designee must contact the ~~employee-Complainant~~ employee-Complainant within two (2) business days to advise ~~him/her~~ of the Board's intent to investigate the alleged wrongdoing.

### Investigation and Complaint Procedure (See Form 4122 F2)

Except for sex discrimination and/or Sexual Harassment that is covered by Policy 2266 - Nondiscrimination on the Basis of Sex Education Programs or Activities, any employee who alleges to have been ~~Any employee who believes that s/he has been~~ subjected to unlawful discrimination or retaliation may seek resolution of ~~the his/her~~ complaint through the procedures described below. The formal complaint procedures involve an investigation of the individual's claims of discrimination/retaliation and a process for rendering a decision regarding whether the charges are substantiated.

Due to the sensitivity surrounding complaints of unlawful discrimination or retaliation, timelines are flexible for initiating the complaint process; however, individuals are encouraged ~~should make every effort~~ to file a complaint within thirty (30) calendar days after the conduct occurs. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of unlawful discrimination or retaliation with the United States Department of Education Office for Civil Rights, the Ohio Civil Rights Commission ("OCRC") or Equal Employment Opportunity Commission ("EEOC").

### Informal Complaint Procedure

The goal of the informal complaint procedure is to promptly stop ~~quickly stop~~ inappropriate behavior and facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for an employee who alleges unlawful discrimination or retaliation, ~~believes s/he has been unlawfully discriminated or retaliated against.~~ This informal procedure is not required as a precursor to the filing of a formal complaint. The informal process is only available in those circumstances where the Complainant and the Respondent mutually ~~parties (the alleged target of the discrimination/retaliation and individual(s) alleged to have engaged in the discrimination)~~ agree to participate in it.

The Complainant ~~Employees who believe that they have been unlawfully discriminated/retaliated against~~ may proceed immediately to the formal complaint process and individuals who participate in ~~seek resolution through~~ the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complaints involving a District employee or any other adult member of the School District community and ~~against~~ a student will be formally investigated.

As an initial course of action, if a Complainant feels comfortable and safe ~~an individual feels that s/he is being unlawfully discriminated/retaliated against and s/he is able and feels safe~~ doing so, the individual should tell or otherwise inform the Respondent that ~~person who engaged in~~ the allegedly discriminatory/retaliatory conduct that it is inappropriate and must stop. The Complainant/complaining individual ~~should~~ address the alleged misconduct as soon after it occurs as possible. The COs are available to support and counsel the Complainant ~~individuals~~ when taking this initial step or to intervene on behalf of the individual if requested to do so. A Complainant ~~An individual~~ who is uncomfortable or unwilling to directly approach the Respondent about the inappropriate conduct may file ~~inform the person who allegedly engaged in the unlawful misconduct of his/her concerns is not prohibited from otherwise filing~~ an informal or a formal complaint. In addition, with regard to certain types of unlawful discrimination (e.g., sex discrimination), ~~such as sexual discrimination,~~ the CO may advise against the use of the informal complaint process.

~~An individual who believes s/he has been unlawfully discriminated/retaliated against~~ A Complainant who alleges unlawful discrimination/retaliation may make an informal complaint, either orally or in writing: 1) to a building administrator; 2) directly to one of the COs; and/or 3) to the Superintendent or other District-level employee.

All informal complaints must be reported to one of the COs who will either facilitate an informal resolution as described below, or appoint another individual to facilitate an informal resolution.

The School District's informal complaint procedure is designed to provide the Complainant ~~employees who believe they are being unlawfully discriminated/retaliated against~~ with a range of options aimed at bringing about a prompt resolution of their concerns. Depending upon the nature of the complaint and the wishes of the Complainant, ~~individual claiming unlawful discrimination/retaliation~~, informal resolution may involve, but not be limited to, one or more of the following:

- A. Advising the Complainant ~~individual~~ about how to communicate ~~his/her~~ concern to the Respondent ~~person who allegedly engaged in the discriminatory/retaliatory behavior~~.
- B. Distributing a copy of Policy 4122 - Non-Discrimination and Equal Employment Opportunity ~~as a reminder~~ to the individuals in the school building or office where the Respondent ~~individual whose behavior is being questioned~~ works.
- C. If both parties agree, the CO may arrange and facilitate a meeting or mediation between the Complainant and the Respondent to work out a mutual resolution ~~between the individual claiming discrimination/retaliation and the individual accused of engaging in the misconduct to work out a mutual resolution~~.

While there are no set time limits within which an informal complaint must be resolved, the CO or designee is directed ~~will exercise his/her authority~~ to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint. If the Complainant is ~~Parties who are~~ dissatisfied with ~~the results of~~ the informal complaint process, the Complainant may proceed to file a formal complaint and, as stated above, either party ~~parties~~ may request that the informal process be terminated at any time to move to the formal complaint process.

### Formal Complaint Procedure

If a complaint is not resolved through the informal complaint process, if one of the parties requested that the informal complaint process be terminated to move to the formal complaint process, or if the Complainant, from the outset, elects to file a formal complaint, or the Compliance Officer(s) determines the allegations are not appropriate for resolution through the informal process, ~~individual elects to file a formal complaint initially~~, the formal complaint process shall be implemented.

A Complainant ~~An individual who believes s/he has been subjected to unlawful discrimination/retaliation (hereinafter referred to as the "Complainant")~~, may file a formal complaint, either orally or in writing, with a Principal, the CO, Superintendent, or other District official-level employee. Due to the sensitivity surrounding complaints of unlawful discrimination and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a formal complaint within thirty (30) calendar days after the conduct occurs. If a Complainant informs a Principal, Superintendent, or other District official-level employee, either orally or in writing, about any complaint of discrimination or retaliation, that employee must report such information to the CO within two (2) business days.

Throughout the course of the process, the CO should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All formal complaints must include the following information to the extent known ~~it is available~~: the identity of the Respondent ~~individual believed to have engaged in, or be engaging in, the discriminatory/retaliatory conduct~~; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter, the CO will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a formal complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the Complainant from further discrimination or retaliation, including, but not limited to, a change of work assignment or schedule for the Complainant and/or the Respondent ~~person who allegedly engaged in the misconduct~~. In making such a determination, the CO should consult the Complainant to assess whether the individual agrees with his/her agreement to the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO may still take whatever actions s/he deemed ~~deems~~ appropriate in consultation with the Superintendent.

Within two (2) business days of receiving the complaint, the CO or designee will initiate a formal investigation to determine whether the Complainant has been subjected to unlawful discrimination/retaliation.

Simultaneously, the CO will inform the Respondent that a formal individual alleged to have engaged in the discriminatory or retaliatory conduct (hereinafter referred to as the "Respondent"), that a complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including Policy 4122 - Non-Discrimination and Equal Employment Opportunity. The Respondent must also be informed of the opportunity to submit a written response to the complaint within five (5) business days.

Although certain cases may require additional time, the CO or a designee will attempt to complete an investigation into the allegations of discrimination/retaliation within fifteen (15) business days of receiving the formal complaint. The investigation will include:

- A. interviews with the Complainant;
- B. interviews with the Respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations;
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the CO or the designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provide recommendations based on the evidence and the definition of unlawful discrimination/retaliation as provided in Board policy and State and Federal law as to whether the Respondent has engaged in unlawful discrimination/retaliation of the Complainant. ~~Complainant has been subjected to unlawful discrimination/retaliation.~~ The CO's recommendations must be based upon the totality of the circumstances. In determining if discrimination or retaliation occurred, a preponderance of evidence standard will be used. ~~(-)~~ The CO may consult with the Board's legal counsel before finalizing the report to the Superintendent.

Absent extenuating circumstances, within five (5) business days of receiving the report of the CO or the designee, the Superintendent must either issue a written final decision regarding whether the charges have been substantiated or request further investigation. A copy of the Superintendent's final decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the Superintendent must issue a final written decision as described above.

If the Superintendent determines the Respondent engaged in unlawful discrimination/retaliation toward the Complainant, the Superintendent ~~Complainant was subjected to unlawful discrimination/retaliation, s/he~~ must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate, and effective, and tailored to the specific situation.

~~[ ] - The decision of the Superintendent shall be final.~~  
**OR**

**[X ]** A Complainant or Respondent who is dissatisfied with the final decision of the Superintendent may appeal through a signed written statement to the Board within five (5) business days of the party's his/her receipt of the Superintendent's ~~final~~ decision. The written statement of appeal must be submitted to the Treasurer/CFO.

In an attempt to resolve the complaint, the Board shall meet with the concerned parties and their representatives within twenty (20) business days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each concerned party within ten (10) business days of this meeting. The decision of the Board will be final.

#### **~~{END OF OPTIONS}~~**

The Board reserves the right to investigate and resolve a complaint or report of unlawful discrimination/retaliation regardless of whether the employee alleging the misconduct pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

The parties ~~Complainant~~ may be represented, at their ~~his/her~~ own cost, at any of the above-described meetings/hearings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies.  
~~The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights or the filing of a court case. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.~~

### Privacy/Confidentiality

The ~~School~~ District will employ all reasonable efforts to protect the rights of the Complainant, the Respondent(s), and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the Respondent must be provided the Complainant's identity.  
~~All Complainants proceeding through the formal investigation process will be advised that their identities may be disclosed to the Respondent(s).~~

During the course of a formal investigation, the CO or designee will instruct each person who is interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to third parties any information that is learned or provided  
~~s/he learns and/or provides~~ during the course of the investigation.

### Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against unlawful discrimination by taking appropriate action reasonably calculated to stop and prevent further misconduct. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter. In those cases where unlawful discrimination/retaliation is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).

Where the Board becomes aware that a prior remedial action has been taken against an employee, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effect.

### Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

~~Retaliation against a person who makes a report or files a complaint alleging unlawful discrimination/retaliation, or participates as a witness in an investigation is prohibited. Specifically, the Board will not retaliate against, coerce, intimidate, threaten or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a charge, testified, assisted or participated in any manner in an investigation, proceeding, or hearing under those laws, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws.~~

### Education and Training

In support of this policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Superintendent ~~or designee~~ shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District students and staff where appropriate.

All training, as well as all information provided regarding the Board's policy and discrimination in general, will be age and content appropriate.

### Retention of Investigatory Records and Materials

#### 4123 - **SECTION 504/ADA PROHIBITION AGAINST DISABILITY DISCRIMINATION IN EMPLOYMENT**

The Board of Education prohibits discrimination against any employee or applicant based upon his/her disability. As such, the Board will not engage in employment practices or adopt policies that discriminate on the basis of disability, or otherwise discriminate against qualified individuals with disabilities in regard to job application procedures, the hiring, advancement or discharge of employees, employee compensation, job training, or other terms, conditions and privileges of employment. The Board further will not limit, segregate or classify applicants or employees in any way that adversely affects their opportunities or status because of disability. Additionally, the Board will not participate in any contractual or other relationships that have the effect of subjecting qualified individuals with disabilities who are applicants or employees to discrimination on the basis of disability.

"An individual with a disability" means a person who has, had a record of, or is regarded as having, a physical or mental impairment that substantially limits one or more major life activities. Major life activities are functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, eating, sleeping, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, sitting, reaching, interacting with others, and working.

Major life activities also include the operation of a major bodily function, including, but not limited to, functions of the immune system, special sense organs and skin, normal cell growth, and digestive, genitourinary, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, hemic, lymphatic, musculoskeletal and reproductive functions. The operation of a major bodily function includes the operation of an individual organ within a body system.

An impairment that is episodic in nature or in remission is considered a disability if it would substantially limit a major life activity when active.

The determination of whether an impairment substantially limits a major life activity must be made without regard to the ameliorative effects of mitigating measures such as medication, medical supplies, equipment or appliances, low-vision devices (defined as devices that magnify, enhance, or otherwise augment a visual image, but not including ordinary eyeglasses or contact lenses), prosthetics (including limbs and devices), hearing aid(s) and cochlear implant(s) or other implantable hearing devices, mobility devices, oxygen therapy equipment or supplies, use of assistive technology, reasonable accommodations or "auxiliary aids or services," learned behavioral or adaptive neurological modifications, psychotherapy, behavioral therapy, or physical therapy.

A qualified person with a disability means the individual satisfies the requisite skill, experience, education and other job-related requirements of the employment position such individual holds or desires and, with or without reasonable accommodation, can perform the essential functions of the job in question.

The Board will provide a reasonable accommodation to a qualified individual who has an actual disability or who has a record of a disability, unless the accommodation would impose an undue hardship on the operation of the District's program and/or activities. A reasonable accommodation is not required for an individual who is merely regarded as having a disability.

## Complaint Procedures

If a person believes that s/he has been discriminated against on the basis of his/her disability, the person may utilize the following complaint procedures as a means of reaching, at the lowest possible administrative level, a prompt and equitable resolution of the matter.

In accordance with Section 504 of the Rehabilitation Act of 1973 and its implementing regulations ("Section 504"), employees will be notified of their right to file an internal complaint regarding an alleged violation, misinterpretation or misapplication of Section 504. In addition, employees will be notified of their right to file a complaint with the U.S. Department of Education's Office for Civil Rights.

Internal complaints must be put in writing and must identify the specific circumstances or areas of dispute that have given rise to the complaint, and offer possible solutions to the dispute. The complaint must be filed with a District Compliance Officer within the time limits specified below. The District's Compliance Officer is available to assist individuals in filing a complaint.

Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).

## Internal Complaint Procedure

The following internal complaint procedure is available to employees for the prompt and equitable resolution of complaints alleging discrimination based upon disability. This complaint procedure is not available to unsuccessful applicants. Use of the internal complaint procedure is not a prerequisite to the pursuit of other remedies, including the filing of a complaint with the U.S. Department of Education's Office for Civil Rights.

- A. An employee with a complaint based on alleged discrimination on the basis of disability may first discuss the problem with the District Compliance Officer.
- B. If the informal discussion does not resolve the matter, or if the employee skips Step A, the individual may file a formal written complaint with the District Compliance Officer. The written complaint must contain the name and address of the individual or representative filing the complaint, be signed by the complainant or someone authorized to sign for the complainant, describe the alleged discriminatory action in sufficient detail to inform the District Compliance Officer of the nature and date of the alleged violation, and propose a resolution. The complaint must be filed within thirty (30) calendar days of the circumstances or event giving rise to the complaint, unless the time for filing is extended by the District Compliance Officer for good cause.
- C. The District Compliance Officer will conduct an independent investigation of the matter (which may or may not include a hearing). This complaint procedure contemplates informal, but thorough investigations, affording all interested persons and their representatives, if any, an opportunity to present witnesses and other evidence relevant to the complaint. The District Compliance Officer will provide the complainant with a written disposition of the complaint within ten (10) ~~work~~ days. If no decision is rendered within ten (10) ~~work~~ days, or the decision is unsatisfactory in the opinion of the complainant, the employee may file, in writing, an appeal with the Superintendent. The District Compliance Officer shall maintain the District's files and records relating to the complaint.
- D. The Superintendent will, within ten (10) ~~work~~ days of receiving the written appeal, conduct a hearing with all parties involved in an attempt to resolve the complaint.

The Superintendent will render his/her decision within ten (10) ~~work~~ days of the hearing.

E. The employee may be represented, at his/her own cost, at any of the above-described meetings/hearings.

F. The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights or the filing of a court case. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.

If it is determined that the complainant was subjected to unlawful discrimination, the CO must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate and effective, and tailored to the specific situation.

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Such harassment may occur where conduct is directed at the characteristics of a person's ~~disability~~ ~~disabling condition~~, such as negative comments about speech patterns, movement, physical impairments or defects/appearances, or the like. Such harassment may further occur where conduct is directed at or pertains to a person's genetic information.

The Compliance Officer(s) will be available during regular school/work hours to discuss concerns related to unlawful harassment, to assist students, other members of the District community, and third parties who seek support or advice when informing another individual about "unwelcome" conduct, or to intercede informally on behalf of the individual in those instances where concerns have not resulted in the filing of a formal complaint and where all parties are in agreement to participate in an informal process.

Compliance Officers shall accept reports of unlawful harassment directly from any member of the School District community or a Third Party or receive reports that are initially filed with an administrator, supervisor, or other District-level official. Upon receipt of a report of alleged harassment, the Compliance Officer(s) will contact the Complainant and begin either an informal or formal complaint process (depending on the request of the Complainant or the nature of the alleged harassment), or the Compliance Officer(s) will designate a specific individual to conduct such a process. The Compliance Officer(s) will provide a copy of this policy to the Complainant and Respondent. In the case of a formal complaint, the Compliance Officer(s) will prepare recommendations for the Superintendent or will oversee the preparation of such recommendations by a designee. All Board employees must report incidents of harassment that are reported to them to the Compliance Officer within two (2) days of learning of the incident.

Any Board employee who directly observes unlawful harassment is obligated, in accordance with this policy, to report such observations to the Compliance Officer(s) within two (2) days. ## Reports and Complaints of Harassing Conduct

Members of the School District community, ~~which includes all staff, and third parties~~ along with Third Parties are encouraged to promptly report incidents of harassing conduct to an administrator, supervisor or other School District official so that the Board may address the conduct before it becomes severe, pervasive, or persistent. Members of the School District community ~~or third parties~~ and Third Parties who believe they have been unlawfully harassed by another member of the School District community or a ~~Third Party~~ third party are entitled to utilize the Board's complaint process that is set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the ~~Complainant's/complaining individual's~~ employment or participation in educational or extra-curricular programs. While there are no time limits for initiating complaints of harassment under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

If, during an investigation of alleged bullying, aggressive behavior and/or harassment in accordance with Policy 5517.01 - Bullying and Other Forms of Aggressive Behavior, the Principal believes that the reported misconduct may have created a hostile work environment and may have constituted unlawful discriminatory harassment based on a Protected Class, the Principal shall report the act of bullying, aggressive behavior and/or harassment to ~~the one of the Anti-Harassment~~ Compliance Officer(s) who shall investigate the allegation in accordance with this policy. If the alleged harassment involves Sexual Harassment as defined by Policy 2266, the matter will be handled in accordance with the grievance process and procedures outlined in Policy 2266. While the Compliance Officer investigates the allegation, or the matter is being addressed pursuant to Policy 2266, the Principal shall suspend ~~the his/her~~ Policy 5517.01 investigation to await the Compliance Officer's written report or the determination of responsibility pursuant to Policy 2266. The Compliance Officer shall keep the Principal informed of the status of the Policy 4362 investigation and provide the Principal ~~him/her~~ with a copy of the resulting written report. Likewise, the Title IX Coordinator will provide the Principal with the determination of responsibility that results from the Policy 2266 grievance process.

~~The Compliance Officers will be available during regular school/work hours to discuss concerns related to unlawful harassment, to assist students, other members of the District community, and third parties who seek support or advice when informing another individual about "unwelcome" conduct, or to intercede informally on behalf of the individual in those instances where concerns have not resulted in the filing of a formal complaint and where all parties are in agreement to participate in an informal process. Compliance Officers shall accept complaints of unlawful harassment directly from any member of the School District community or a visitor to the District, or receive complaints that are initially filed with a school building administrator. Upon receipt of a complaint either directly or through a school building administrator, a Compliance Officer will begin either an informal or formal process (depending on the request of the person alleging the harassment or the nature of the alleged harassment), or the Compliance Officer will designate a specific individual to conduct such a process. In the case of a formal complaint, the Compliance Officer will prepare recommendations for the Superintendent or will oversee the preparation of such recommendations by a designee. All members of the School District community must report incidents of harassment that are reported to them to the Compliance Officer within two (2) business days of learning of the incident. Any Board employee who directly observes unlawful harassment of a student is obligated, in accordance with this policy, to report such observations to one of the Compliance Officers within two (2) business days. Additionally, any Board employee who observes an act of unlawful harassment is expected to intervene to stop the harassment, unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Board employees and/or local law enforcement officials, as necessary, to stop the harassment. Thereafter, the Compliance Officer or designee must contact the student, if age eighteen (18) or older, or the student's parents if under the age eighteen (18), within two (2) business days to advise s/he/them of the Board's intent to investigate the alleged misconduct, including the obligation of the Compliance Officer or designee to conduct an investigation following all the procedures outlined for a formal complaint.~~

### Investigation and Complaint Procedure (See Form 4362 F1)

Except for Sexual Harassment that is covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities, any~~Any~~ employee or other member of the School District community or Third Party~~third party~~ (e.g., visitor to the District) who believes that they have~~s/he has~~ been subjected to unlawful harassment or retaliation may seek resolution of the~~his/her~~ complaint through the procedures described below. The formal complaint process involves an investigation of the Complainant's claims of harassment or retaliation and a process for rendering a decision regarding whether the charges are substantiated.~~either the informal or formal procedures as described below. Further, a process for investigating claims of harassment or retaliation and a process for rendering a decision regarding whether the claim of legally prohibited harassment or retaliation was substantiated are set forth below.~~

Due to the sensitivity surrounding complaints of unlawful harassment, or retaliation timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) ~~calendar~~ days after the conduct occurs while the facts are known and potential witnesses are available. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

The ~~informal and formal~~ procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of unlawful harassment or retaliation with the United States Department of Education Office for Civil Rights, the Ohio Civil Rights Commission ("OCRC") and/or Equal Employment Opportunity Commission ("EEOC").

### Informal Complaint Procedure

The goal of the informal complaint procedure is promptly to stop inappropriate behavior and to ~~investigate and~~ facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for a student, other member of the School District community, or Third Party who alleges unlawful harassment or retaliation.~~third party who believes s/he has been unlawfully harassed or retaliated against.~~ This informal procedure is not required as a precursor to the filing of a formal complaint. The informal process is only available in those circumstances where the Complainant and the Respondent mutually agree to participate in it.~~and will only be utilized where the parties (alleged target of harassment and alleged harasser(s)) agree to participate in such process.~~

The Complainant~~Employees, other members of the School District community, or third parties who believe that they have been unlawfully harassed or retaliated against~~ may proceed immediately to the formal complaint process and individuals who seek resolution through the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complainants involving a District employee, any other adult member of the School District community, or a Third Party and a student will be formally investigated.~~However, all complaints of harassment involving a District employee, any other adult member of the School District community, or a third party against a student will be formally investigated. Similarly, any allegations of sexual violence will be formally investigated.~~

As an initial course of action, if a Complainant feels comfortable and safe ~~an individual feels that s/he is being unlawfully harassed and s/he is able and feels safe~~ doing so, the individual should tell or otherwise inform the Respondent that the alleged harassing harasser that the ~~conduct is unwelcome and must stop. Such direct communication should not be utilized in circumstances involving sexual violence.~~ The Complainant ~~complainant individual~~ should address the allegedly harassing conduct as soon after it occurs as possible. The Compliance Officers are available to support and counsel individuals when taking this initial step or to intervene on behalf of the Complainant individual if requested to do so. A Complainant ~~An individual~~ who is uncomfortable or unwilling to directly approach the Respondent about the alleged inappropriate conduct may file ~~inform the harasser of his/her complaint is not prohibited from otherwise filing~~ an informal or a formal complaint. In addition, with regard to certain types of unlawful harassment, such as sexual harassment, the Compliance Officer may advise against the use of the informal complaint process.

A Complainant ~~An individual who believes s/he has been unlawfully harassed~~ may make an informal complaint, either orally or in writing: 1) to a teacher, other employee, or building administrator; 2) directly to one of the Compliance Officers; and/or 3) to the Superintendent or other District-level employee.

All informal complaints must be reported to one of the Compliance Officers who will either facilitate an informal resolution as described below ~~on his/her own~~, or appoint another individual to facilitate an informal resolution.

The Board's ~~School District's~~ informal complaint procedure is designed to provide employees, other members of the School District community, or third parties who believe they are being unlawfully harassed with a range of options designed to bring about a resolution of their concerns. Depending upon the nature of the complaint and the wishes of the Complainant individual claiming unlawful harassment, informal resolution may involve, but not be limited to, one or more of the following:

- A. Advising the Complainant individual about how to communicate the unwelcome nature of the behavior to the Respondent alleged harasser.
- B. Distributing a copy of this ~~the anti-harassment~~ policy as a reminder to the individuals in the school building or office where the Respondent works or attends. ~~individual whose behavior is being questioned works or attends.~~
- C. If both parties agree, the Compliance officer may arrange and facilitate a meeting or mediation between the Complainant and the Respondent to work out a mutual resolution. ~~between the student claiming harassment and the individual accused of harassment to work out a mutual resolution. Such a meeting is not appropriate in circumstances involving sexual harassment.~~

While there are no set time limits within which an informal complaint must be resolved, the Compliance Officer ~~or designee is directed will exercise his/her authority~~ to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint. If the Complainant is ~~Parties who~~ dissatisfied with the results of the ~~informal complaint process, the~~ Complainant may proceed to file a formal complaint. And, as stated above, either party ~~parties~~ may request that the informal process be terminated at any time to move to the formal complaint process.

## Formal Complaint Procedure

If a complaint is not resolved through the informal complaint process, if one of the parties has requested that the informal complaint process be terminated to move to the formal complaint process, or the Complainant, from the outset, elects to file a formal complaint, or the CO determines the allegations are not appropriate for resolution through the informal process, if the individual elects to file a formal complaint initially, the formal complaint process shall be implemented.

The Complainant ~~An individual who believes s/he has been subjected to offensive conduct/harassment/retaliation hereinafter referred to as the "Complainant",~~ may file a formal complaint, either orally or in writing, with a teacher, Principal, the Compliance Officer, Superintendent, or other District official employee. Due to the sensitivity surrounding complaints of unlawful harassment and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a formal complaint within thirty (30) ~~calendar~~ days after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a teacher, Principal, Superintendent, or other District official employee, either orally or in writing, about any complaint of harassment or retaliation, that employee must report such information to the Compliance Officer ~~or designee~~ within two (2) business days.

Throughout the course of the process, the Compliance Officer should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All formal complaints must include the following information to the extent known ~~it is available~~: the identity of the Respondent individual believed to have engaged in, or be engaging in, offensive conduct/harassment/retaliation; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the Compliance Officer shall ask for such details in an oral interview. Thereafter, the Compliance Officer will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a formal complaint, the Compliance Officer will consider whether any action should be taken in the investigatory phase to protect the Complainant from further harassment or retaliation, including, but not limited to, a change of work assignment or schedule for the Complainant and/or the ~~Respondent alleged harasser~~. In making such a determination, the Compliance Officer should consult the Complainant to assess ~~whether the individual agrees with his/her agreement to~~ the proposed action. If the Complainant is unwilling to consent to the proposed change, the Compliance Officer may still take whatever actions ~~deemed s/he deems~~ appropriate in consultation with the Superintendent.

Within two (2) business days of receiving the complaint, the Compliance Officer/~~or a~~ designee will initiate a formal investigation to determine whether the Complainant has been subjected to offensive conduct/harassment/retaliation. ~~(-) A~~ The Principal will not conduct an investigation unless directed to do so by the Compliance Officer.

Simultaneously, the Compliance Officer will inform the Respondent that a formal individual alleged to have engaged in the harassing or retaliatory conduct, hereinafter referred to as the "Respondent", that a complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including the Board's Anti-Harassment policy. The Respondent must also be informed of the opportunity to submit a written response to the complaint within five (5) business days.

Although certain cases may require additional time, the Compliance Officer/~~or a~~ designee will attempt to complete an investigation into the allegations of harassment/retaliation within fifteen (15) business days of receiving the formal complaint. The investigation will include:

- A. interviews with the Complainant;
- B. interviews with the Respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations;
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the Compliance Officer or the designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful harassment as provided in Board policy and State and Federal law as to whether the Complainant has been subjected to unlawful harassment. The Compliance Officer's recommendations must be based upon the totality of the circumstances, including the ages and maturity levels of those involved. In determining if discriminatory harassment or retaliation occurred, a preponderance of evidence standard will be used. ~~(-) The~~ Compliance Officer may consult with the Board's legal counsel before finalizing the report to the Superintendent.

Absent extenuating circumstances, within five (5) business days of receiving the report of the Compliance Officer/~~or the~~ designee, the Superintendent must either issue a ~~final~~ written decision regarding whether the complaint of harassment has been substantiated or request further investigation. A copy of the Superintendent's final decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the Superintendent must issue a ~~final~~ written decision as described above.

~~[ ] The decision of the Superintendent shall be final.~~  
**OR**

**[X ]** A Complainant or Respondent who is dissatisfied with the final decision of the Superintendent may appeal through a signed written statement to the Board within five (5) business days of the party's his/her receipt of the Superintendent's ~~final~~ decision. The written statement of appeal must be submitted to the Treasurer/CFO.

In an attempt to resolve the complaint, the Board shall meet with the concerned parties and their representatives within twenty (20) business days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each ~~concerned~~ party within ten (10) business days of this meeting. The decision of the Board will be final.

**{END OF OPTIONS}**

The Board reserves the right to investigate and resolve a complaint or report of unlawful harassment/retaliation regardless of whether the member of the School District community or ~~Third Party~~third party alleging the unlawful harassment/retaliation pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

The parties may be represented, at their own cost, at any of the above-described meetings/hearings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies.

### Privacy/Confidentiality

The ~~School~~ District will employ all reasonable efforts to protect the rights of the Complainant, the ~~Respondent individual(s) against whom the complaint is filed~~, and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. All records generated under the terms of this policy and related administrative guidelines shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the Respondent must be provided the Complainant's identity. ~~All Complainants proceeding through the formal investigation process will be advised that their identities may be disclosed to the Respondent.~~

During the course of a formal investigation, the Compliance Officer ~~/or his/her~~ designee will instruct all members of the School District community and third parties who are interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of a harassment investigation is expected not to disclose any information that is learned or provided ~~s/he learns or that s/he provides~~ during the course of the investigation.

### Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against unlawful harassment/retaliation by taking appropriate action reasonably calculated to stop the harassment and prevent further such harassment. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter, including the ages and maturity levels of those involved. In those cases where unlawful harassment is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).

Where the Board becomes aware that a prior remedial action has been taken against a member of the School District community, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effect.

### Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil right law, or because that individual made a report, formal complaint testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or the policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

~~Any act of retaliation against a person who has made a report or filed a complaint alleging unlawful harassment, or who has participated as a witness in a harassment investigation is prohibited.~~

### Allegations Constituting Criminal Conduct: Child Abuse/Sexual Misconduct

State law requires any school teacher or school employee who knows or suspects that a child with a disability under the age of twenty-one (21) or that a child under the age of eighteen (18) has suffered or faces a threat of suffering a physical or mental wound, disability or condition of a nature that reasonably indicates abuse or neglect of a child to immediately report that knowledge or suspicion to the county children's services agency. If, during the course of a harassment investigation, the Compliance Officer or a designee has reason to believe or suspect that the alleged conduct reasonably indicates abuse or neglect of the Complainant, a report of such knowledge must be made in accordance with State law and Board Policy.

State law defines certain contact between a teacher and a student as "sexual battery." If the Compliance Officer or a designee has reason to believe that the Complainant has been the victim of criminal conduct as defined in Ohio's Criminal Code, such knowledge should be immediately reported to local law enforcement.

Any reports made to a county children's services agency or to local law enforcement shall not terminate the Compliance Officer or a designee's obligation and responsibility to continue to investigate a complaint of harassment. While the Compliance Officer or a designee may work cooperatively with outside agencies to conduct concurrent investigations, in no event shall the harassment investigation be inhibited by the involvement of outside agencies without good cause after consultation with the Superintendent.

### **Allegations Involving Conduct Unbecoming the Teaching Profession/Suspension**

The Superintendent will report to the Ohio Department of Education, on forms provided for that purpose, matters of misconduct on the part of licensed classified staff members convicted of sexual battery, and will, in accordance with Policy 8141, suspend such employee from all duties that concern or involve the care, custody, or control of a child during the pendency of any criminal action for which that person has been arrested, summoned and/or indicted in that regard.

### **Education and Training**

In support of this Anti-Harassment Policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Superintendent ~~or designee~~ shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District students and staff where appropriate. All training, as well as all information provided regarding the Board's policy and harassment in general, will be age and content appropriate.

### **Retention of Investigatory Records and Materials**

The Compliance Officer(s) is responsible for overseeing retention of all records that must be maintained pursuant to this policy. ### Investigation and Complaint Procedure

Except for Sexual Harassment that is covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities, any ~~Any~~ student who believes that they have s/he has ~~they have s/he has~~ been subjected to unlawful harassment may seek resolution of the his/her ~~the his/her~~ complaint through the procedures described below. The formal complaint process involves an investigation of the Complainant's claims of harassment or retaliation and a process for rendering a decision regarding whether the charges are substantiated. ~~either the informal or formal procedures as described below. Further, a process for investigating claims of harassment or retaliation and a process for rendering a decision regarding whether the claim of legally prohibited harassment or retaliation was substantiated are set forth below.~~

Due to the sensitivity surrounding complaints of unlawful harassment or retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) ~~calendar~~ days after the conduct occurs while the facts are known and potential witnesses are available. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

The ~~informal and formal~~ procedures set forth below are not intended to interfere with the rights of a student to pursue a complaint of unlawful harassment or retaliation with the United States Department of Education Office for Civil Rights.

### Informal Complaint Procedure

The goal of the informal complaint procedure is promptly to stop inappropriate behavior and to ~~investigate and~~ facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for a student who believes s/he has been unlawfully harassed or retaliated against. This informal procedure is not required as a precursor to the filing of a formal complaint. The informal process is only available in those circumstances where the Complainant and the Respondent mutually agree to participate in it.

Students who believe that they have been unlawfully harassed may initiate their complaint through this informal complaint process, but are not required to do so. The informal process is only available in those circumstances where the parties (alleged target of harassment and alleged harasser(s)) agree to participate in the informal process.

The Complainant ~~Students who believe that they have been unlawfully harassed~~ may proceed immediately to the formal complaint process and individuals who seek resolution through the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complainants involving a District employee, any other adult member of the School District community, or a Third Party and a student will be formally investigated. ~~However, all complaints of harassment involving a District employee or any other adult member of the School District community against a student will be formally investigated. Similarly, any allegations of sexual violence will be formally investigated.~~

As an initial course of action, if a Complainant feels comfortable and safe in ~~a student feels that s/he is being unlawfully harassed and s/he is able and feels safe~~ doing so, the individual should tell or otherwise inform the Respondent that the alleged

~~harassing harasser that the~~ conduct is unwelcome and must stop. ~~Such direct communication should not be utilized in circumstances involving sexual violence.~~ The Complainant~~complaining individual~~ should address the allegedly harassing conduct as soon after it occurs as possible. The Compliance Officers are available to support and counsel individuals when taking this initial step or to intervene on behalf of the Complainant~~individual~~ if requested to do so. A Complainant~~An individual~~ who is uncomfortable or unwilling to directly approach the Respondent about the alleged inappropriate conduct may file~~inform the harasser of his/her complaint is not prohibited from otherwise filing~~ an informal or a formal complaint. In addition, with regard to certain types of unlawful harassment, such as sexual harassment, the Compliance Officer may advise against the use of the informal complaint process.

A Complainant~~A student who believes s/he has been unlawfully harassed~~ may make an informal complaint, either orally or in writing: 1) to a teacher, other employee, or building administrator in the school the student attends; 2) to the Superintendent or other District-level employee; and/or 3) directly to one of the Compliance Officers.

All informal complaints must be reported to one of the Compliance Officers who will either facilitate an informal resolution as described below ~~on his/her own~~, or appoint another individual to facilitate an informal resolution.

The ~~Board's School District's~~ informal complaint procedure is designed to provide students who believe they are being unlawfully harassed with a range of options designed to bring about a resolution of their concerns. Depending upon the nature of the complaint and the wishes of the Complainant~~student claiming unlawful harassment~~, informal resolution may involve, but not be limited to, one or more of the following:

- A. Advising the Complainant~~student~~ about how to communicate the unwelcome nature of the behavior to the Respondent~~alleged harasser~~.
- B. Distributing a copy of ~~this~~the anti-harassment policy as a reminder to the individuals in the school building or office where the Respondent works or attends~~individual whose behavior is being questioned works or attends~~.
- C. If both parties agree, the Compliance Officer may arrange and facilitate a meeting or mediation between the Complainant and the Respondent to work out a mutual resolution~~between the student claiming harassment and the individual accused of harassment to work out a mutual resolution. Such a meeting is not appropriate in circumstances involving sexual violence~~.

While there are no set time limits within which an informal complaint must be resolved, the Compliance Officer ~~/or designee is~~ directed~~will exercise his/her authority~~ to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint. If the Complainant is~~Parties who are~~ dissatisfied with the ~~results of the~~ informal complaint process, the Complainant may proceed to file a formal complaint. And, as stated above, either party~~parties~~ may request that the informal process be terminated at any time to move to the formal complaint process.

### Formal Complaint Procedure

If a complaint is not resolved through the informal complaint process, if one of the parties has requested that the informal complaint process be terminated to move to the formal complaint process, or the Complainant, from the outset, elects to file a formal complaint, or the CO determines the allegations are not appropriate for resolution through the informal process~~, if the student elects to file a formal complaint initially~~, the formal complaint process shall be implemented.

The Complainant~~A student who believes s/he has been subjected to offensive conduct/harassment/retaliation hereinafter referred to as the "Complainant"~~, may file a formal complaint, either orally or in writing, with a teacher, principal, or other District employee at the student's school, the Compliance Officer, Superintendent, or another District official~~employee~~ who works at another school or at the district level. Due to the sensitivity surrounding complaints of unlawful harassment, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a formal complaint within thirty (30) ~~calendar~~ days after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a teacher, principal, or other District employee at the student's school, Superintendent, or other District official~~employee~~, either orally or in writing, about any complaint of harassment, that employee must report such information to the Compliance Officer ~~or designee~~ within two (2) business days.

Throughout the course of the process, the Compliance Officer should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All formal complaints must include the following information to the extent known~~it is available~~: the identity of the Respondent~~individual believed to have engaged in, or be engaging in, offensive conduct/harassment/retaliation~~; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the Compliance Officer shall ask for such details in an oral interview. Thereafter, the Compliance Officer will prepare a written summary of the oral

interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a formal complaint, the Compliance Officer will consider whether any action should be taken in the investigatory phase to protect the Complainant from further harassment or retaliation, including, but not limited to, a change of work assignment or schedule for the Complainant and/or the ~~Respondent alleged harasser~~. In making such a determination, the Compliance Officer should consult the Complainant to assess whether the individual agrees with his/her agreement to the proposed action. If the Complainant is unwilling to consent to the proposed change, the Compliance Officer may still take whatever actions deemed/he ~~deem~~ appropriate in consultation with the Superintendent.

Within two (2) business days of receiving the complaint, the Compliance Officer/~~or a~~ designee will initiate a formal investigation to determine whether the Complainant has been subjected to offensive conduct/harassment/retaliation. ~~(-) A~~The Principal will not conduct an investigation unless directed to do so by the Compliance Officer.

Simultaneously, the Compliance Officer will inform the Respondent that a formal~~individual alleged to have engaged in the harassing or retaliatory conduct, hereinafter referred to as the "Respondent", that a~~ complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including the Board's Anti-Harassment policy. The Respondent must also be informed of the opportunity to submit a written response to the complaint within five (5) business days.

Although certain cases may require additional time, the Compliance Officer/~~or a~~ designee will attempt to complete an investigation into the allegations of harassment/retaliation within fifteen (15) business days of receiving the formal complaint. The investigation will include:

- A. interviews with the Complainant;
- B. interviews with the Respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations;
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the Compliance Officer or the designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful harassment as provided in Board policy and State and Federal law as to whether the Complainant has been subjected to unlawful harassment. The Compliance Officer's recommendations must be based upon the totality of the circumstances, including the ages and maturity levels of those involved. In determining if discriminatory harassment or retaliation occurred, a preponderance of evidence standard will be used. ~~(-) The~~ Compliance Officer may consult with the Board's legal counsel before finalizing the report to the Superintendent.

Absent extenuating circumstances, within ten (10) school days of receiving the report of the Compliance Officer/~~or the~~ designee, the Superintendent must either issue a written~~final~~ decision regarding whether the complaint of harassment has been substantiated or request further investigation. A copy of the Superintendent's final decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within ten (10) school days. At the conclusion of the additional investigation, the Superintendent shall issue a ~~final~~ written decision as described above.

~~[ ] The decision of the Superintendent shall be final.~~  
**OR**

**[X ]** A Complainant or Respondent who is dissatisfied with the final decision of the Superintendent may appeal through a signed written statement to the Board within five (5) business days of the party's~~his/her~~ receipt of the Superintendent's ~~final~~ decision. The written statement of appeal must be submitted to the Treasurer/CFO.

In an attempt to resolve the complaint, the Board shall meet with the concerned parties and their representatives within twenty (20) business days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each ~~concerned~~ party within ten (10) business days of this meeting. The decision of the Board will be final.

**[END OF OPTIONS]**

The Board reserves the right to investigate and resolve a complaint or report of unlawful harassment/retaliation regardless of whether the student alleging the unlawful harassment/retaliation pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

The parties may be represented, at their own cost, at any of the above-described meetings/hearings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies.

### **Privacy/Confidentiality**

The ~~School~~ District will employ all reasonable efforts to protect the rights of the Complainant, the ~~Respondent individual(s) against whom the complaint is filed~~, and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. All records generated under the terms of this policy and related administrative guidelines shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the Respondent must be provided the Complainant's identity. ~~All Complainants proceeding through the formal investigation process will be advised that their identities may be disclosed to the Respondent.~~

During the course of a formal investigation, the Compliance Officer ~~/or his/her~~ designee will instruct all members of the School District community and third parties who are interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of a harassment investigation is expected not to disclose any information that is learned or provided s/he learns or that s/he provides during the course of the investigation.

### **Sanctions and Monitoring**

The Board shall vigorously enforce its prohibitions against unlawful harassment/retaliation by taking appropriate action reasonably calculated to stop the harassment and prevent further such harassment. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter, including the ages and maturity levels of those involved. In those cases where unlawful harassment is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).

Where the Board becomes aware that a prior remedial action has been taken against a member of the School District community, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its reoccurrence, and remedy its effects.

### **Retaliation**

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a report, formal complaint testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person from making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in imposition of disciplinary sanction/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

~~Any act of retaliation against a person who has made a report or filed a complaint alleging unlawful harassment, or who has participated as a witness in a harassment investigation is prohibited.~~

### **Allegations Constituting Criminal Conduct: Child Abuse/Sexual Misconduct**

State law requires any school teacher or school employee who knows or suspects that a child with a disability under the age of twenty-one (21) or that a child under the age of eighteen (18) has suffered or faces a threat of suffering a physical or mental

wound, disability or condition of a nature that reasonably indicates abuse or neglect of a child to immediately report that knowledge or suspicion to the county children's services agency. If, during the course of a harassment investigation, the Compliance Officer or a designee has reason to believe or suspect that the alleged conduct reasonably indicates abuse or neglect of the Complainant, a report of such knowledge must be made in accordance with State law and Board Policy.

State law defines certain contact between a teacher and a student as "sexual battery." If the Compliance Officer or a designee has reason to believe that the Complainant has been the victim of criminal conduct as defined in Ohio's Criminal Code, such knowledge should be immediately reported to local law enforcement.

Any reports made to a county children's services agency or to local law enforcement shall not terminate the Compliance Officer or a designee's obligation and responsibility to continue to investigate a complaint of harassment. While the Compliance Officer or a designee may work cooperatively with outside agencies to conduct concurrent investigations, in no event shall the harassment investigation be inhibited by the involvement of outside agencies without good cause after consultation with the Superintendent.

### **Allegations Involving Conduct Unbecoming the Teaching Profession/Suspension**

The Superintendent will report to the Ohio Department of Education, on forms provided for that purpose, matters of misconduct on the part of licensed professional staff members convicted of sexual battery, and will, in accordance with Policy 8141, suspend such employee from all duties that concern or involve the care, custody, or control of a child during the pendency of any criminal action for which that person has been arrested, summoned and/or indicted in that regard.

### **Education and Training**

In support of this Anti-Harassment Policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Superintendent ~~or designee~~ shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District students and staff where appropriate. All training, as well as all information, provided regarding the Board's policy and harassment in general, will be age and content appropriate.

### **Retention of Investigatory Records and Materials**

The Compliance Officer(s) is responsible for overseeing retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy shall retain all documents, electronically stored information ("ESI"), and electronic media (as defined in Policy 8315) created and/or received as part of an investigation, which may include but not be limited to:

contact orders were issued, and the dates the parties acknowledged receipt of the no contact orders;

- K. documentation of all actions taken, both individual and systemic, to stop the discrimination or harassment, prevent its recurrence, eliminate any hostile environment, and remedy its discriminatory effects;
- L. copies of the Board policy and/or procedures/guidelines used by the District to conduct the investigation, and any documents used by the District at the time of the alleged violation to communicate the Board's expectations to students and staff with respect to the subject of this policy (e.g., Student Code of Conduct and/or Employee Handbooks ~~or Codes of Conduct~~);

#### 6114 - COST PRINCIPLES - SPENDING FEDERAL FUNDS

The Superintendent is responsible for the efficient and effective administration of grant funds through the application of sound management practices. Such funds shall be administered in a manner consistent with all applicable Federal, State and local laws, the associated agreements/assurances, program objectives, and the specific terms and conditions of the grant award.

#### Cost Principles

Except where otherwise authorized by statute, costs shall meet the following general criteria in order to be allowable under Federal awards:

- A. Be necessary and reasonable for proper and efficient performance and administration of the Federal award and be allocable thereto under these principles.

To determine whether a cost is reasonable, consideration shall be given to:

1. whether a cost is a type generally recognized as ordinary and necessary for the operation of the District or the proper and efficient performance of the Federal award;
2. the restraints or requirements imposed by such factors as sound business practices, arm's length bargaining, Federal, State, local, tribal, and other laws and regulations;
3. market prices for comparable goods or services for the geographic area;
4. whether the individuals concerned acted with prudence in the circumstances considering their responsibilities; and
5. whether the cost represents any significant deviation from the established practices or Board of Education policy which may unjustifiably increase the expense.

While Federal regulations do not provide specific descriptions of what satisfies the "necessary" element beyond its inclusion in the reasonableness analysis above, whether a cost is necessary is determined based on the needs of the program. Specifically, the expenditure must be necessary to achieve an important program objective. A key aspect in determining whether a cost is necessary is whether the District can demonstrate that the cost addresses an existing need, and can prove it.

When determining whether a cost is necessary, consideration may be given to whether:

1. the cost is needed for the proper and efficient performance of the grant program;
2. the cost is identified in the approved budget or application;
3. there is an educational benefit associated with the cost;
4. the cost aligns with identified needs based on results and findings from a needs assessment;
5. the cost addresses program goals and objectives and is based on program data.

A cost is allocable to the Federal award if the goods or services involved are chargeable or assignable to the Federal award in accordance with the relative benefit received. This standard is met if the cost: is incurred specifically for the Federal award; benefits both the Federal award and other work of the District and can be distributed in proportions that may be approximated using reasonable methods; and is necessary to the overall operation of the District and is assignable to the Federal award in accordance with cost principles mentioned here.

- B. Conform to any limitations or exclusions set forth ~~in the~~ cost principles in Part 200 or in the terms and conditions of the Federal award.
- C. Be consistent with policies and procedures that apply uniformly to both Federally-financed and other activities of the District.
- D. Be ~~accorded~~~~afforded~~ consistent treatment. A cost cannot be assigned to a Federal award as a direct cost if any other cost incurred for the same purpose in like circumstances has been allocated to a Federal award~~assigned~~ as an indirect cost under another award.
- E. Be determined in accordance with generally accepted accounting principles.
- F. Be representative of actual cost, net of all applicable credits, or offsets.

The term "applicable credits" refers to those receipts or reductions of expenditures that operate to offset or reduce expense items allocable to the Federal award. Typical examples of such transactions are: purchase discounts; rebates or allowances; recoveries or indemnities on losses; and adjustments of overpayments or erroneous charges. To the extent that such credits accruing to or received by the State relate to the Federal award, they shall be credited to the Federal award, either as a cost reduction or a cash refund, as appropriate.

- G. Be not included as a match or cost-share, unless the specific Federal program authorizes Federal costs to be treated as such.
- H. Be adequately documented:
  1. in the case of personal services, the Superintendent shall implement a system for District personnel to account for time and efforts expended on grant-funded programs to assure that only permissible personnel expenses are allocated;
  2. in the case of other costs, all receipts and other invoice materials shall be retained, along with any documentation identifying the need and purpose for such expenditure if not otherwise clear.

I. Be incurred during the approved budget period.

The budget period means the time interval from the start date of a funded portion of an award to the end date of that funded portion during which recipients are authorized to carry out authorized work and expend the funds awarded, including any funds carried forward or other revisions pursuant to the law. Prior written approval from the Federal awarding agency or State pass through entity may be required to carry forward unobligated balances to subsequent budget periods, unless waived.

## Selected Items of Cost

The District shall follow the rules for selected items of cost at 2 C.F.R. Part 200, Subpart E when charging these specific expenditures to a Federal grant. When applicable, District staff shall check costs against the selected items of cost requirements to ensure the cost is allowable. In addition, State, District, and program-specific rules, including the terms and conditions of the award, may deem a cost as unallowable and District personnel shall follow those rules as well.

## Cost Compliance

The Superintendent shall require that grant program funds are expended and are accounted for consistent with the requirements of the specific program and as identified in the grant application. Compliance monitoring includes accounting for direct or indirect costs and reporting them as permitted or required by each grant. Costs incurred for the same purpose in like circumstances shall be treated consistently as either direct or indirect costs, but may not be double charged or inconsistently charged as both.

## Determining Whether a Cost is Direct or Indirect:

- A. Direct costs are those costs that can be identified specifically with a particular final cost objective, such as a Federal award, or other internally or externally funded activity, or that can be directly assigned to such activities relatively easily with a high degree of accuracy.

These costs may include: salaries and fringe benefits of employees working directly on a grant-funded project; purchased services contracted for performance under the grant; travel of employees working directly on a grant-funded project; materials, supplies, and equipment purchased for use on a specific grant; program evaluation costs or other institutional service operations; and infrastructure costs directly attributable to the program (such as long-distance telephone calls specific to the program, etc.).

- B. Indirect costs are those that have been incurred for a common or joint purpose benefitting more than one (1) cost objective, and not readily assignable to the cost objectives specifically benefitted, without effort disproportionate to the results achieved. Costs incurred for the same purpose in like circumstances shall be treated consistently as either direct or indirect costs.

These costs may include: general data processing, human resources, utility costs, maintenance, accounting, etc.

Federal education programs with supplement not supplant provisions must use a restricted indirect cost rate. In a restricted rate, indirect costs are limited to general management costs. General management costs do not include divisional administration that is limited to one (1) component of the District, the governing body of the District, compensation of the Superintendent, compensation of the chief executive officer of any component of the District, and operation of the immediate offices of these officers.

The salaries of administrative and clerical staff should normally be treated as indirect costs. Direct charging of these costs may be appropriate only if all of the following conditions are met:

1. Administrative or clerical services are integral to a project or activity.
2. Individuals involved can be specifically identified with the project or activity.
3. Such costs are explicitly included in the budget or have the prior written approval of the Federal awarding agency.
4. The costs are not also recovered as indirect costs.

Where a Federal program has a specific cap on the percentage of administrative costs that may be charged to a grant, that cap shall include all direct administrative charges as well as any recovered indirect charges.

Effort should be given to identify costs as direct costs whenever practical, but allocation of indirect costs may be used where not prohibited and where indirect cost allocation is approved ahead of time by the Ohio Department of Education ("ODE") or the pass-through entity (Federal funds subject to 2 C.F.R. Part 200 pertaining to determining indirect cost allocation).

### Timely Obligation of Funds

Financial obligations ~~Obligations~~ are orders placed for property and services, contracts and subawards made, and similar transactions ~~during a given period~~ that require payment. This term is used when referencing a recipient's or subrecipient's use of funds under a Federal award. ~~by the non-Federal entity during the same or a future period.~~

The following table illustrates when funds are determined to be obligated under the U.S. Department of Education regulations:

If the obligation is for:

- A. Acquisition of property - on the date which the District makes a binding written commitment to acquire the property.
- B. Personal services by an employee of the District - when the services are performed.
- C. Personal services by a contractor who is not an employee of the District - on the date which the District makes a binding written commitment to obtain the services.
- D. Performance of work other than personal services - on the date when the District makes a binding written commitment to obtain the work.
- E. Public utility services - when the District receives the services.
- F. Travel - when the travel is taken.
- G. Rental of property - when the District uses the property.

- H. A pre-agreement cost that was properly approved by the Secretary under the cost principles in 2 C.F.R. Part 200, Subpart E - Cost Principles - on the first day of the project period.

## Period of Performance

All financial obligations must occur ~~during on or between the beginning and ending dates of the grant project. This period of time is known as~~ the period of performance. Period of performance means the total estimated time interval between the start of an initial Federal award when the District is permitted to carry out the work authorized by the grant and the planned end date. The period of performance may include one or more funded portions or budget periods. The period of performance is dictated by statute and will be indicated in the Grant Award Notification ("GAN"). As a general rule, State-administered Federal funds are available for obligation within the year that Congress appropriates the funds for. However, given the unique nature of educational institutions, for many Federal education grants, the period of performance is twenty-seven (27) months. This maximum period includes a fifteen (15) month period of initial availability, plus a twelve (12) month period for carryover. For direct grants, the period of performance is generally identified in the GAN.

In the case of a State-administered grant, financial obligations under a grant may not be made until the application is approved or is in substantially approvable form, ~~grant funding period begins or all necessary materials are submitted to the granting agency,~~ whichever is later. In the case of a direct grant, a grantee may use grant funds only for obligations it makes during the grant period, ~~obligations may begin when the grant is,~~ unless an agreement exists with the awarding agency or the pass-through entity (e.g., ODE), ~~ODE or the pass through entity~~ to reimburse for pre-approval expenses.

If a Federal awarding agency or pass-through entity approves an extension, or if the District extends under C.F.R. 200.308(e)(2), the Period of Performance will be amended to end at the completion of the extension. If a termination occurs, the Period of Performance will be amended to end upon the effective date of termination. If a renewal is issued, a distinct Period of Performance will begin.

For both State-administered and direct grants, regardless of the period of availability, the District shall liquidate all financial obligations incurred under the award not later than ninety (90) days after the end of the funding period unless an extension is authorized. Any funds not obligated within the period of performance or liquidated within the appropriate timeframe are said to lapse and shall be returned to the awarding agency. Consequently, the District shall closely monitor grant spending throughout the grant cycle.

- F. the Ohio Subdivision Fund (STAR Ohio).

Under no circumstances may the Treasurer invest in a derivative as defined by the Revised Code, reverse repurchase agreements, or other funds prohibited by law. The Treasurer shall also not make investments which s/he does not reasonably believe can be held until the maturity date or leverage any investment.

No investment shall be made under division (D), as described above, unless the Treasurer has completed additional training that has been approved by the Treasurer of State and is either conducted by or provided under the supervision of the Treasurer of State.

The Treasurer is also authorized to enter into written repurchase agreements with any eligible institution in accordance with R.C. 135.03 provided that under the terms of the agreement the eligible institution agrees unconditionally to repurchase any of the securities listed in divisions (A) through (E), above. Such agreements may be either overnight or within a time not to exceed thirty (30) days and must comply with the requirements of R.C. 135.14(E).

Upon a two-thirds (2/3's) vote of its members, the Board may authorize the Treasurer to invest up to a maximum of forty percent (40%) of the District's interim funds in either of the following:

- A. Commercial paper notes issued by a for-profit corporation, business trust or association, real estate investment trust, common-law trust, unincorporated business, or general or limited partnership which has assets exceeding \$500,000,000. Such notes must:

- B. Bankers acceptances of banks that are insured by the Federal Deposit Insurance Corporation ("FDIC") and that matures no later than 180 days after purchase.

~~Except as provided in Section D above or as otherwise provided by law,~~ investments made by the Treasurer must mature within five (5) years from the date of settlement, unless they are matched to a specific obligation or debt of the District.

The Treasurer shall prepare annually and submit to the Board, the Superintendent of Public Instruction, and the Auditor of State, on or before August 31st, a report listing each investment made pursuant to (A) and (B) above, during the preceding fiscal year, income earned from such investments, fees and commissions paid in connection with the investments, and any other information required by the Board, Superintendent, and the Auditor of State.

~~The purpose of the investments is to maximize the returns on the District's excess cash balances consistent with safety of those monies and with the desired liquidity of the investments.~~

~~In making investments authorized by R.C. 135.14, the Treasurer may retain the services of an investment advisor, provided the advisor is licensed by the Division of Securities under R.C. 1707.141, or is registered with the Securities and Exchange Commission and possesses experience in public funds investment management, specifically in the area of State and local government investment portfolios, or the advisor is an eligible institution in accordance with R.C. 135.03.~~

Whenever the Treasurer classifies public money as interim funds, the Treasurer must notify the Board within thirty (30) days. If the Board does not agree with the Treasurer's classification or investment(s), the Board may order the Treasurer to sell or liquidate any investment(s) or deposits. The Board's order will specifically describe the investment(s) or deposit(s) and fix the date upon which they are to be sold or liquidated for cash at the current market price. Neither the Treasurer nor the members of the Board will be held accountable for any loss occasioned by sales or liquidations of investment(s) or deposit(s) at prices lower than their cost. Any loss or expense incurred in making such sales or liquidation is payable as other expenses of the Treasurer's office.

Unless the District's annual portfolio of investments is \$100,000 or less, the Treasurer must place on file with the Auditor of State a written investment policy that has been approved by the Board of Education and signed by all entities conducting investment business with the Board. Earnings on an investment may become a part of the fund from which the investment was made, unless otherwise specified by law.

The Treasurer, acting in accord with the law, may withdraw funds from approved public depositories or sell negotiable instruments prior to maturity.

Provided the Board has no outstanding obligation(s) with respect to a loan received under the authority of R.C. 3313.483, the Treasurer of State and the Board issuing obligations under R.C. Chapter 133 that mature within one (1) year from the original date of issuance may enter into an agreement providing for:

- A. the purchase of those obligations by the Treasurer of State on terms and subject to conditions set forth in the agreement;
- B. the payment by the Board to the Treasurer of State of a reasonable fee as consideration for the agreement of the Treasurer of State to purchase those obligations.

## 6325 - **PROCUREMENT - FEDERAL GRANTS/FUNDS**

Procurement of all supplies, materials, equipment, and services paid for from Federal funds or District matching funds shall be made in accordance with all applicable Federal, State, and local statutes and/or regulations, the terms and conditions of the Federal grant, Board of Education policies, and administrative procedures.

The Superintendent shall ~~have and use~~~~maintain~~ a procurement and contract administration system in accordance with the USDOE requirements (2 C.F.R. 200.317-.326), including affirmative steps for small and minority businesses and women's business enterprises, for the administration and management of Federal grants and Federally-funded programs. The District shall maintain ~~oversight~~~~a contract administration system~~ that requires contractors to perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders. Except as otherwise noted, procurement transactions shall conform to the provisions of the District's documented general purchasing Policy 6320 ~~and AG-6320A~~.

All District employees, officers, and agents who have purchasing authority shall abide by the standards of conduct covering conflicts of interest and governing the actions of its employees, officers, and agents engaged in the selection, award, and administration of contracts as established in Policy 1130, Policy 3113 and Policy 4113 - Conflict of Interest.

The District will avoid acquisition of unnecessary or duplicative items. Additionally, consideration shall be given to consolidating or breaking out procurements to obtain a more economical purchase and, where appropriate, an analysis shall be made of lease versus purchase alternatives, and any other appropriate analysis to determine the most economical approach. These considerations are given as part of the process to determine the allowability of each purchase made with Federal funds.

To foster greater economy and efficiency, the District may enter into State and local intergovernmental agreements where appropriate for procurement or use of common or shared goods and services.

### **Competition**

All procurement transactions for the acquisition of property or services required under a Federal award paid for from Federal funds or District matching funds shall be conducted in a manner that encourages full and open competition and that is in accordance with good administrative practice and sound business judgment. In order to promote objective contractor performance and eliminate unfair competitive advantage, the District shall exclude any contractor that has developed or drafted specifications, requirements, statements of work, or invitations for bids or requests for proposals from competition for such procurements.

Some of the situations considered to be restrictive of competition include, but are not limited to, the following:

- A. unreasonable requirements on firms in order for them to qualify to do business
- B. unnecessary experience and excessive bonding requirements
- C. noncompetitive pricing practices between firms or between affiliated companies
- D. noncompetitive contracts to consultants that are on retainer contracts
- E. organizational conflicts of interest
- F. specification of only a "brand name" product instead of allowing for an "or equal" product to be offered and describing the performance or other relevant requirements of the procurement

## G. any arbitrary action in the procurement process

Further, the District does not use statutorily or administratively imposed State, local, or tribal geographical preferences in the evaluation of bids or proposals, unless 1) an applicable Federal statute expressly mandates or encourages a geographic preference; or 2) the District is contracting for architectural and engineering services, in which case geographic location may be a selection criterion provided its application leaves an appropriate number of qualified firms, given the nature and size of the project, to compete for the contract.

To the extent that the District uses a pre-qualified list of persons, firms or products to acquire goods and services that are subject to this policy, the pre-qualified list includes enough qualified sources as to ensure maximum open and free competition. The District allows vendors to apply for consideration to be placed on the list during the solicitation period. ~~insert frequency. See Drafting Note}~~

~~{Drafting Note: The District shall allow vendors not on the pre-qualified list to apply for placement on the list periodically. The District may determine how frequently the pre-qualified list becomes open for new vendors or whether it is open continuously.}~~

The District shall require that all prequalified lists of persons, firms, or products which are used in acquiring goods and services are current and include enough qualified sources to provide maximum open and free competition. The District shall not preclude potential bidders from qualifying during the solicitation period.

## Solicitation Language (Purchasing Procedures)

The District shall have written procurement procedures that require that all solicitations made pursuant to this policy incorporate a clear and accurate description of the technical requirements for the material, product, or service to be procured. Such description shall not, in competitive procurements, contain features which unduly restrict competition. The description may include a statement of the qualitative nature of the material, product or service to be procured and, when necessary, shall set forth those minimum essential characteristics and standards to which it shall conform if it is to satisfy its intended use. Detailed product specifications should be avoided if at all possible.

When it is impractical or uneconomical to make a clear and accurate description of the technical requirements, a "brand name or equivalent" description may be used as a means to define the performance or other salient requirements of procurement. The specific features of the named brand which shall be met by offers shall be clearly stated; and identify all requirements which the offerors shall fulfill and all other factors to be used in evaluating bids or proposals.

The Board will not approve any expenditure for an unauthorized purchase or contract.

## Procurement Methods

The District shall have and use documented procedures, consistent with the standards described above, ~~for~~ ~~utilize~~ the following methods of procurement:

### A. Informal Procurement Methods

When the value of the procurement for property or services under a Federal award does not exceed the simplified acquisition threshold, or a lower threshold established by the State, formal procurement methods are not required. The District may use informal procurement methods to expedite the completion of its transactions and minimize the associated administrative burden and cost. The informal methods used for procurement of property or services at or below the simplified acquisition threshold include:

#### 1. ~~(↔)~~ Micro-purchases

Procurement by micro-purchase is the acquisition of supplies or services, the aggregate dollar amount of which does not exceed \$ 10,000.00 **[not to exceed \$10,000]**. To the maximum extent practicable, the District ~~should~~ ~~shall~~ distribute micro-purchases equitably among qualified suppliers. Micro-purchases may be made without soliciting competitive quotations if the Superintendent considers the price to be reasonable based on research, experience, purchase history or other relevant information and documents are filed accordingly. The District shall maintain ~~The District maintains~~ evidence of this reasonableness in the records of all purchases made by this method.

~~Unless otherwise defined by State or local law, Districts are responsible for determining and documenting an appropriate micro-purchase threshold based on internal controls, an evaluation of the risk, and its documented procurement procedures. The micro-purchase threshold used by the District shall be authorized or not prohibited~~

~~under State, local, or tribal laws or regulations. A District which is qualified as a low-risk auditee for the most recent audit (C.F.R. 200.520) may increase the micro-purchase threshold up to \$50,000. An eligible District may self-certify the increased micro-purchase threshold on an annual basis after completing the annual internal institutional risk assessment to identify, mitigate, and manage financial risks. The self-certification, in accordance with C.F.R. 200.334, must include a justification, clear identification of the threshold, and supporting documentation of the qualifications listed above. [DRAFTING NOTE: The Federal regulation allows for a \$50,000 threshold. While this authority is allowed for an entity qualified as a low-risk auditee, Neola does not suggest its use due to the complexity and subjectivity of the mechanism.]]~~

## 2. ~~(-)~~ **Small Purchases**

~~Small purchase procedures provide for relatively simple and informal procurement methods for securing services, supplies, and other property that does not exceed the competitive bid. Small purchases include the acquisition of property or services, the aggregate dollar amount of which is higher than the micro-purchase threshold but does not exceed the simplified acquisition threshold of \$ 250,000.00 [not to exceed \$250,000]. Small purchase procedures require that price or rate quotations shall be obtained from ( ) more than one (1) qualified source (-) an adequate number of [END-OF-OPTION] qualified sources. [Drafting Note: Unless the pass-through entity or State law defines the number of quotes required, the District may define in policy how many quotations are adequate. The number must be greater than one (1).]~~

Districts are responsible for determining an appropriate simplified acquisition threshold based on internal controls, an evaluation of risk, and its documented procurement procedures which must not exceed the threshold established in the Federal Acquisition Regulations (FAR). When applicable, a lower simplified acquisition threshold used by the non-Federal entity must be authorized or not prohibited under State, local, or tribal laws or regulations.

## B. **Formal Procurement Methods**

When the value of the procurement for property or services under a Federal award exceeds the simplified acquisition threshold, or a lower threshold established by the State, formal procurement methods are required. Formal procurement methods require following documented procedures. Formal procurement methods also require public advertising unless a non-competitive procurement method can be used in accordance with the standards on competition in 200.319 or non-competitive procurement. The formal methods of procurement are:

### 1. ~~(-)~~ **Sealed Bids**

Sealed, competitive bids shall be obtained when the purchase of, and contract for, single items of supplies, materials, or equipment which amounts to more than \$ 250,000.00 ~~[the lesser of the established Small Purchase threshold or \$250,000]~~ and when the Board determines to build, repair, enlarge, improve, or demolish a school building/facility the cost of which will exceed \$50,000.

In order for sealed bidding to be feasible, the following conditions shall be present:

- a. a complete, adequate, and realistic specification or purchase description is available;
- b. two (2) or more responsible bidders are willing and able to compete effectively for the business; and
- c. the procurement lends itself to a firm fixed price contract and the selection of the successful bidder can be made principally on the basis of price.

When sealed bids are used, the following requirements apply:

- a. Bids shall be solicited in accordance with the provisions of State law and Policy 6320. Bids shall be solicited from ~~(-)~~ **( X )** an adequate number of qualified suppliers, providing sufficient response time prior to the date set for the opening of bids. The invitation to bid shall be publicly advertised. The invitation for bids will include product/contract specifications and pertinent attachments and shall define the items and/or services required in order for the bidder to properly respond.
- b. All bids will be opened at the time and place prescribed in the invitation for bids; bids will be opened publicly.
- c. A firm fixed price contract award will be made in writing to the lowest responsible bidder. Where specified in bidding documents, factors such as discounts, transportation cost, and life cycle costs shall be considered in determining which bid is lowest. Payment discounts may only be used to determine the low bid when prior experience indicates that such discounts are usually taken.

d. The Board reserves the right to reject any or all bids for sound documented reason.

## 2. ~~(-) Competitive~~ Proposals

~~Procurement by competitive proposal, normally conducted with more than one source submitting an offer, is~~  
Procurement by proposals is a method in which either a fixed price or cost-reimbursement type contract is awarded.  
Proposals are generally used when conditions are not appropriate for the use of sealed bids or in the case of a recognized exception to the sealed bid method. ~~{Drafting Note: Federal law does not require a competitive proposal unless the procurement is for over \$250,000. The State/District may set a lower threshold for sealed bids and competitive proposals. Ohio law requires sealed bids when the Board seeks to build, repair, enlarge, improve, or demolish a school building/facility if the cost will exceed \$50,000 (see Policy 6320).}~~

If this method is used, the following requirements apply:

- a. Requests for proposals shall be publicized and identify all evaluation factors and their relative importance. Any response to the publicized requests for proposals shall be considered to the maximum extent practical.
- b. Proposals shall be solicited from ~~(-)~~ (X) an adequate number of sources.
- c. The District shall use its written method for conducting technical evaluations of the proposals received and for selecting recipients.
- d. Contracts shall be awarded to the responsible firm whose proposal is most advantageous to the program, with price and other factors considered.

The District may use competitive proposal procedures for qualifications-based procurement of architectural/engineering (A/E) professional services whereby competitors' qualifications are evaluated and the most qualified competitor is selected, subject to negotiation of fair and reasonable compensation. The method, where price is not used as a selection factor, can only be used in procurement of A/E professional services. It cannot be used to purchase other types of services though A/E firms are a potential source to perform the proposed effort.

## 3. ~~(-) Noncompetitive~~ Procurement ~~Proposals~~

Procurement by noncompetitive proposals allows for solicitation of a proposal from only one source and may be used only when one or more of the following circumstances apply:

- a. micro-purchases
- b. the item is available only from a single source
- c. the public exigency or emergency for the requirement will not permit a delay resulting from publicizing a competitive solicitation
- d. the Federal awarding agency or pass-through entity expressly authorizes noncompetitive proposals in response to a written request from the District
- e. after solicitation of a number of sources, competition is determined to be inadequate

## 4. (X) Noncompetitive Purchases Through Educational Service Centers (ESCs)

Under State law, the Board may enter into a contract with an educational service center (ESC) that authorizes the ESC to make purchases for supplies, materials, equipment, and services or the delivery of services on the District's behalf. These contracts promote operational efficiency and cost savings, and further enhance the educational experience for our students. Purchases made through such contracts are exempt from competitive bidding. ~~{DRAFTING NOTE: this provision applies to 3313.843, 3313.844, and 3313.845 contracts. A District with student enrollment of less than 16k must enter into a contract with an ESC in accordance with 3313.843.}~~

The District may apply for approval from ODE to use a noncompetitive purchasing method to procure personnel-based services from an ESC only when the following criteria are met:

- a. the ESC posts a list of all services it provides including costs of these services on its website;

b. the ESC has been designated as "high performing" by the Ohio Department of Education, and

c. ODE as the passthrough state entity has determined that the ESC was substantially in compliance with all audit rules and guideline during the most recent audit conducted by the Auditor of State

The Treasurer/CFO will submit an application and any required documentation to ODE on the designated form requesting approval for use of a noncompetitive purchasing method for personnel services. Purchases will not be made until the application is approved. Notice of approval will be maintained by the Treasurer/CFO.

### **Domestic Preference for Procurement**

As appropriate and to the extent consistent with law, the District shall, to the extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States. Such requirements shall be included in all subawards including all contracts and purchase orders for work or products under the Federal award.

### **Contract/Price Analysis**

The District shall perform a cost or price analysis in connection with every procurement action in excess of \$250,000, including contract modifications. A cost analysis generally means evaluating the separate cost elements that make up the total price, while a price analysis means evaluating the total price, without looking at the individual cost elements.

The method and degree of analysis is dependent on the facts surrounding the particular procurement situation; however, the District shall come to an independent estimate prior to receiving bids or proposals.

When performing a cost analysis, the District shall negotiate profit as a separate element of the price. To establish a fair and reasonable profit, consideration is given to the complexity of the work to be performed, the risk borne by the contractor, the contractor's investment, the amount of subcontracting, the quality of its record of past performance, and industry profit rates in the surrounding geographical area for similar work.

### **Time and Materials Contracts**

The District uses a time and materials type contract only 1) after a determination that no other contract is suitable; and 2) if the contract includes a ceiling price that the contractor exceeds at its own risk. Time and materials type contract means a contract whose cost to the District is the sum of the actual costs of materials, and direct labor hours charged at fixed hourly rates that reflect wages, general and administrative expenses, and profit.

Since this formula generates an open-ended contract price, a time-and-materials contract provides no positive profit incentive to the contractor for cost control or labor efficiency. Therefore, the District sets a ceiling price for each contract that the contractor exceeds at its own risk. Further, the District shall assert a high degree of oversight in order to obtain reasonable assurance that the contractor is using efficient methods and effective cost controls.

### **Suspension and Debarment**

The District will award contracts only to responsible contractors possessing the ability to perform successfully under the terms and conditions of the proposed procurement. All purchasing decisions shall be made in the best interests of the District and shall seek to obtain the maximum value for each dollar expended. When making a purchasing decision, the District shall consider such factors as 1) contractor integrity; 2) compliance with public policy; 3) record of past performance; and 4) financial and technical resources.

The Superintendent shall have the authority to suspend or debar a person/corporation, for cause, from consideration or award of further contracts. The District is subject to and shall abide by the nonprocurement debarment and suspension regulations implementing Executive Orders 12549 and 12689, 2 C.F.R. Part 180.

Suspension is an action taken by the District that immediately prohibits a person from participating in covered transactions and transactions covered under the Federal Acquisition Regulation (48 C.F.R. Chapter 1) for a temporary period, pending completion of an agency investigation and any judicial or administrative proceedings that may ensue. A person so excluded is suspended. (2 C.F.R. Part 180 Subpart G)

Debarment is an action taken by the Superintendent to exclude a person from participating in covered transactions and transactions covered under the Federal Acquisition Regulation (48 C.F.R. Chapter 1). A person so excluded is debarred. (2 C.F.R. Part 180 Subpart H)

The District shall not subcontract with or award subgrants to any person or company who is debarred or suspended. For contracts over \$25,000, the District shall confirm that the vendor is not debarred or suspended by either checking the Federal government's System for Award Management, which maintains a list of such debarred or suspended vendors at [www.sam.gov](http://www.sam.gov); collecting a

certification from the vendor; or adding a clause or condition to the covered transaction with that vendor. (2 C.F.R. Part 180 Subpart C)

**Bid Protest**

The District maintains the following protest procedures to handle and resolve disputes relating to procurements and, in all instances, discloses information regarding the protest to the awarding agency.

A bidder who wishes to file a bid protest shall file such notice and follow procedures prescribed by the Request For Proposals (RFPs) or the individual bid specifications package, for resolution. Bid protests shall be filed in writing with the Superintendent within seventy-two (72) hours of the opening of the bids in protest.

Within five (5) days of receipt of a protest, the Superintendent shall review the protest as submitted and render a decision regarding the merits of the protest and any impact on the acceptance and rejection of bids submitted. Notice of the filing of a bid protest shall be communicated to the Board and shall be so noted in any subsequent recommendation for the acceptance of bids and awarding of contracts.

Failure to file a notice of intent to protest, or failure to file a formal written protest within the time prescribed, shall constitute a waiver of proceedings.

**Maintenance of Procurement Records**

The District ~~shall maintain~~**maintains** records sufficient to detail the history of all procurements. These records will include but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price (including a cost or price analysis).

#### 6600 - **DEPOSIT OF PUBLIC FUNDS: CASH COLLECTION POINTS**

Monies received at cash collection points throughout the District must be deposited in accordance with this policy. Cash collection points are any areas within a school where money flows into the District. Currently identified cash collection points are admission fees to athletic events, lunchroom sales, classroom fees, student activities/fundraisers, and miscellaneous money coming through the Treasurer's Office such as grants, interest, donations, sale of fixed assets, and taxes.

~~Persons who receive monies at cash collection points shall identify any discrepancies in cash receipts or ticket sales. Each seller shall provide a written explanation of each discrepancy to their immediate supervisor, who shall report all findings to the Treasurer. All discrepancies, even those rectified, shall be reported to the Treasurer. Such reported information shall be used in performance evaluation and adjudicated in accordance with District procedures or as provided by law.~~

#### Acceptance of check or credit card overpayment to provide cash back is prohibited.

Persons who receive monies at cash collection points in the District are required to deposit all monies received with the Treasurer on the next business day after the day of receipt if the total amount of monies exceeds \$1,000. If the monies received do not exceed \$1,000, the person shall deposit such monies ~~with the Treasurer (X)~~ not more than three ( 3 ) business days following the day of receipt. **[NOTE: This number cannot exceed three (3).]** Persons who receive money at cash collection points are responsible for its safekeeping until the money is deposited with the Treasurer. Ordinarily, the money should be secured in a locked desk, file cabinet, safe or other secure room on school property, and it should not be taken home. If an employee believes it is safer to take the money home, s/he must obtain permission to do so from his/her supervisor, building principal, or other appropriate administrator. The Treasurer is directed to develop, distribute, and implement procedures addressing the provision of receipts (where applicable) to the payee(s), and proper segregation of duties for the receipting, depositing, recording, and reporting of cash. These procedures should be particularized to each cash collection point and should include flowcharts as appropriate. The procedures should further address the need for completion of timely bank reconciliations so that "unreconciled differences" can be identified and resolved.

#### 7455 - ACCOUNTING SYSTEM FOR CAPITAL ~~FIXED~~ ASSETS

##### Capital ~~Fixed~~ Assets

It is the policy of the Board of Education to maintain a capital ~~fixed~~ asset accounting system that maintains sufficient information to permit the following:

- A. preparation of year-end financial statements in accordance with Generally Accepted Accounting Principles (GAAP) and Governmental Accounting Standards Board (GASB)
- B. control and accountability
- C. adequate insurance coverage

The Treasurer's office is responsible for the development and maintenance of the capital ~~fixed~~ asset accounting system. To insure control over District property, an individual in each building or department shall be assigned the responsibility of tagging assets and working with the Treasurer's office to assure the assets are properly reported.

Capital ~~Fixed~~ assets are defined as those tangible assets of the District with a useful life in excess of one (1) year, ~~and~~ an initial cost of \$5,000 or greater (cost not to include shipping, but may include finance charges or set up fees), which are capitalized in accordance with GAAP and which the District intends to hold or continue in use over an extended period of time. Items placed into service prior to January 1, 1996 do not qualify under the reduced dollar amount. The Treasurer's office or a department head will identify items that, although may not meet all capital ~~fixed~~ asset criteria, are recorded on the asset system to maintain control. Items that become part of the physical plant (i.e., water heaters, boilers, roofs) will not be tagged, but will be included in the building and building improvement classification. The cost of the demolished portion of a building or the replaced item will be removed from the capital ~~fixed~~ asset classification.

Capital ~~Fixed~~ assets are to be classified as follows:

- A. land and improvements
- B. building and building improvements
- C. furniture, fixtures, and equipment
- D. vehicles – buses and other school vehicles
- E. construction in progress

Lease items (with the intention to purchase) and assets that are jointly owned shall be identified and recorded on the fixed asset system.

Capital ~~Fixed~~ assets shall be recorded at historical costs or, if that is not practically determinable, at estimated cost. The method to be used to estimate historical costs shall be determined by the Treasurer. Donated fixed assets shall be valued at their (estimated)

fair market value on the date received.

Capital Fixed assets will be assigned an inventory number and tagged when applicable (buildings, additions, etc. will not be physically tagged). Inventory numbers will be used to insure that assets can be identified.

Purchases of capital fixed assets, transfer of capital fixed assets between buildings or department, and disposal of capital fixed assets shall be initiated by the ~~Business Manager~~, principal, or department head and require prior written approval of the Treasurer's office. The Treasurer or his/her designee at his/her discretion may require an asset intended for replacement or disposal, regardless of value, to be sold.

Depreciation shall be recorded for capital fixed assets using the appropriate method of depreciation based on the classification of the asset. The useful life of all capital fixed assets will be determined by the following schedule:

## 8510 - WELLNESS

As required by law, the Board of Education establishes the following wellness policy for the Wadsworth City School District as a part of a comprehensive wellness initiative.

The Board recognizes that good nutrition and regular physical activity affect the health and well-being of the District's students. Furthermore, research suggests that there is a positive correlation between a student's health and well-being and his/her ability to learn. Moreover, schools can play an important role in the developmental process by which students establish their health and nutrition habits by providing nutritious meals and snacks through the schools' meal programs, by supporting the development of good eating habits, and by promoting increased physical activity both in and out of school.

Schools alone, however, cannot develop in students healthy behaviors and habits with regard to eating and exercise. It will be necessary for not only the staff, but also parents and the public at large to be involved in a community-wide effort to promote, support, and model such healthy behaviors and habits.

The Board sets the following goals in an effort to enable students to establish good health and nutrition habits:

A. With regard to nutrition education, the District shall:

**[Select one or more of the following:]**

- ~~1. ( ) Nutrition education shall be included in the Health curriculum so that instruction is sequential and standards-based and provides students with the knowledge, attitudes, and skills necessary to lead healthy lives.~~
- ~~2. ( ) Nutrition education shall be included in the sequential, comprehensive Health curriculum in accordance with the curriculum standards and benchmarks established by the State.~~

- (X) Nutrition education shall extend beyond the classroom by engaging and involving the school's food service staff.
- (X) Nutrition education posters, such as the Food Pyramid Guide, will be displayed in the cafeteria.
- (X) The school cafeteria shall serve as a learning lab by allowing students to apply the knowledge, attitudes, and skills taught in the classroom when making choices at mealtime.
