## Quarterly Newsletter of the Shannon Park Site Council

### Thank You, Shannon Park Community!

#### The Site Council awards Student Impact Grants.

The Shannon Park Site Council (SPSC) has had the amazing opportunity to award two rounds of Student Impact Grants so far this school year. They have been able to do this because of the generous contributions made by families and the greater community last year through the Silent Auction. Teachers submit grant requests that are then reviewed by the Site Council and granted based upon available funds. Requests can be submitted by classroom and specialist teachers, administrators, support staff, janitorial staff, and anyone else that works in our school community. The awarded grants have provided numerous opportunities for both hands-on classroom enhancements as well as environmental upgrades that make Shannon Park an even more amazing place to learn. Below is a list of awarded grants from our November and February grant rounds. Teachers and building staff will have one additional opportunity to submit grant requests for this school year.

- ClassKick Learning Application
- Weather Unit: Thermometer Craft Kit
- Donation Project Supplies: Fleece to Make Blankets
- Library Book Scanners and Scanner Stands
- Mouse Pads
- Cultural Music Immersion Performance
- Staff Walkie-Talkies
- Multi-Day Artist Residence with Author: Lara Zielin
- Unit of Study: Forces in Motion
- Alternative Creativity Supplies
- 5th Grade Graduation Experience
- Coding Robots
- iPad Charging Stations
- Headphones
- Stylus Pens

## Culver's Share Night

### Shannon Park Families Are Incredible!

On February 27th, Culver's Restaurant in Rosemount hosted a "Share Night", giving a portion of their profits to Shannon Park school. Shannon Park's very own 5th Grade Kindness Council helped to serve the food and clean tables during the event - they loved seeing so many parents, students, and staff during the evening. With your help, Shannon Park raised over \$500 which will go toward supporting additional classroom needs and teacher appreciation opportunities. Watch for more of these fun events throughout the school year.

## Save the Date: Spring Picnic

### The Shannon Park Picnic is coming soon!

The SPSC is looking forward to welcoming all students and their families to the Annual Spring Picnic at Shannon Park on May 16th at 5:30 PM!

The seasonal event will include longtime favorites like the Junk Food Walk and activities with Shannon Park teachers & staff as well as newer additions like food trucks with a variety of dining options available and the Kindness Council Beverage tent.

The Site Council has been working hard on preparing the Silent Auction and are excited to showcase the items available for bidding. In years past, items like Yeti Coolers, front row seats to music shows, and overnight hotel stays have been some of the most sought after items. The ever popular raffle will also return with your chance to enter to win a gaming system, arts and crafts, and outdoor fun equipment.

Volunteers are still needed for this event. If you would like to help, please reach out to our Volunteer Coordinator at: [SPEVolunteerCoordinator@gmail.com](mailto:SPEVolunteerCoordinator@gmail.com)

We are also accepting Silent Auction donations and business sponsorships. To participate, please reach out to the Site Council at: [SPBooster@gmail.com](mailto:SPBooster@gmail.com)

We hope to see you May 16th!
