VIII. Administrative Items

B. Action Consent Items

- 27. Lintel Project Bid:** The recommendation to advertise bids for the lintel project at the Wadsworth Transportation Department bus garage is necessary for lintel work that needs to be completed as a proactive measure, as the lintels are important to the structural stability of the bus garage.
- 28. Tennis Court Bid:** The recommendation to advertise bids for the tennis court project at Wadsworth High School is necessary to fix the ongoing issue with water seeping through cracks and onto the surface of the tennis courts. The goal is to start the project after the boys' season ends this spring and for the project to be completed prior to the girls' season starting in August.
