VI. Administrative Discussion Items, Presentations, and Updates

A. Discontinuing the Online Learning Option for Students in the 2022-2023 School Year: Per the discussion at the March 14, 2022 Wadsworth City School District Board of Education meeting, we will not be offering an online learning option for students starting in the 2022-2023 school year. The letter which appears on the following page was sent to the parent/guardian(s) of students currently enrolled in our online learning option this school year.

March 21, 2022

Dear Parent/Guardian:

You are receiving this letter because you have a child who is currently enrolled in our online learning option this school year (grades K-8 through the Educational Service Center of Medina County; grades 9-12 through our high school APEX Program). As we start to plan for the 2022-2023 school year, we have decided that, at this time, we do not intend to offer an online option for students beginning in the 2022-2023 school year.

While our online option has been an important part of our response to the pandemic, we are at a point where a variety of factors, including those listed below, have led us to conclude that offering an online option moving forward is not what is best overall for our school district:

- Changes in the pandemic protocols we are required to follow;
- Declining enrollment numbers in the online learning option;
- Challenges in the online environment that have led to many students struggling academically and/or with attendance; and
- Finding the best way to allocate our resources (both time and money) to meet the needs of our students.

As your child has remained enrolled in the Wadsworth City School District while attending the online learning option, we will plan on your child returning to one (1) of our school buildings next school year. There is no action you need to take to have your child return to a WCS school building.

If you have any questions on this decision, please contact me at 330-335-1300 or at ahill@wadsworthschools.org. If you have any questions relating to your child's course schedule for next school year (grades 7-12), please contact Mr. Eric Jackson, Wadsworth Middle School Principal, at ejackson@wadsworthschools.org or at 330-335-1410 or Dr. Vincent Suber, Wadsworth High School Principal, at vsuber@wadsworthschools.org or at 330-335-1400.

Thank you for your understanding in this decision and for your continued support of our school district.

Sincerely,

Andrew J. Hill, Ed.D.
Superintendent

VIII. Administrative Items

B. Action Consent Items

5. **Chippewa Local School District and Sacred Heart of Jesus School Memorandum of Understanding (MOU):** The MOU between the Chippewa Local School District, Sacred Heart of Jesus School, and the Wadsworth City School District Board of Education being recommended for approval will allow for Title I services to be provided to a Chippewa Local School District student who is attending Sacred Heart of Jesus School, per the federal Title I dollars received by the Chippewa Local School District.

6. **Independent Contractor Agreement (Shelley Mack):** The Wadsworth City School District Independent Contractor Agreement between Shelley Mack and the Wadsworth City School District Board of Education for the period of August 1, 2022 through July 31, 2023 being recommended for approval will allow Ms. Mack to continue to provide visually impaired services, consultation, inservice activities, and limited braille transcription services to benefit our students who require such services.

7. **Reduction in Student Instructional Hours (2021-2022 School Year):** The reduction in student instructional hours for the 2021-2022 school year being recommended for approval is necessary to officially adjust the board-approved 2021-2022 school calendar to account for the days without student instruction due to the weather conditions. Even with the reduction in instructional hours, we are well above the minimum number of instructional hours required in a school year by Ohio Revised Code (see chart on the following page). The required hours are as follows:

Grade Levels	Hours
K-6	910
7-12	1,001

What is allowed to "count" toward hours of instruction is defined by Ohio Revised Code and is summarized in guidance provided by the Ohio Department of Education. Each elementary school has a building schedule that is a little different. As a result, total hours of instruction vary by building, and in some cases, by grade level as well.

As stated at the March 14 meeting, the materials have been available for public viewing at the Charles R. Parsons Administrative Building.
