 - Casa Night April - Tina V is communicating with Casa to settle on a date.
 - Traveling Toilet Fundraiser - Proposed fundraiser. Lynn can donate toilets, which are then decorated and placed on someone's front lawn. That person has to pay to have it removed and can suggest where it should travel to next. There will also be an option to pay a higher "fee" to ensure it never shows up on your lawn. All in attendance liked this light hearted fundraising idea.
 - Balloon Bouquets for graduation. Melissa Myers has worked with Jojo's Creations to offer balloon bouquets at graduation. Jojo's creates an online ordering page, they handle all the money collection and delivery/set-up at graduation. We made a per order amount. Will send proposal to WHS Administration for approval.
