

## Newmark Education Parent Alert

February 28, 2023

### Join Us For A Virtual Seminar By Newmark School Psychologists

Dear Newmark Parents,

As we approach the halfway point of the school year, we would like to offer **"Understanding Your Child's IEP Evaluation," a Virtual Parent Seminar on Thursday, March 23, 2023 from 9:00-10:30 AM.**

The evaluations and assessments conducted as part of the IEP process provide objective data that informs your child's program and goals. However, the assessments can be quite extensive, technical and difficult to absorb if one is not trained to interpret the results. Our Newmark school psychologists would like to provide useful and easy to understand information about how to decipher the assessments and discover how they inform the IEP goals. *The virtual event is free for Newmark parents but registration is required by Monday, March 20, 2023.*
