**Toward Finals!**

Hello everyone!

I hope this new year is starting out well for you all. I wanted to update you as to how things are going towards finals. I have posted on my website the ANSWER KEY to the review packets we have started reviewing in class. I have also decided to allow the students a 3X5 notecard (hand written unless exceptions have been arraigned) with notes, conjugations etc. to help them with their final. At the start of the next semester: For Spanish 1 we will continue with new verb conjugations adding the past tense at the end of the year. Spanish 2 students will start keeping their own "Spanish Dictionary". We will start each class reading a children's book of their choice. They need to write down the name of the book, and the page number of 3-5 new vocabulary words they learn (and write the definitions). Eventually we will shift then to reading EL Hobbit. At that time, I'll post the PDF I found so students can read on their own if they so choose! I will also be expecting them to start asking questions and using Spanish in class more on a daily basis.

Take care,

**Finalizing the Semester**

Hello everyone,  
I hope this time away from school has been a relaxing time to reconnect with those you hold dear. I just finished correcting all work that I have assigned. The remainder is late work that I will continue to correct and enter into the grade book over the next week.
