# PARKWAY PANTHER PRESS

I want to thank families for their ongoing flexibility and grace as we made the last minute change to conduct virtual family conferences. This is a reminder that our Spring break will take place March 27-31, 2023. School will resume on Monday, April 3, 2023. -Dr. Smith

## TO OUR STUDENTS & THEIR FAMILIES

Our EC/PALS friends and their families enjoyed movement activities, songs, and treats.

Our K4 friends are learning about animals and their habitats.

## March 17th PD

Our district is committed to providing the staff with opportunities to come together to collaborate and communicate with each other, increasing student achievement and refining our practices.

## Save the Date

This year's Summer Academy will take place between June 26th and July 27, 2023

This 5 week program will take place four days a week.

Mondays - Thursdays from 8:30am - 12:00pm. Students will not be in attendance July 3rd & 4th.

If you are interested in this year's SA program, it's free and registration will occur between May 1-15.

## First grade students went to the Schlitz Audubon Nature Center

to learn more about Maple Sugaring. Students traveled through the stages of making syrup, from tapping trees to boiling sap. The first graders learned about how trees make sugar through photosynthesis and why spring in Wisconsin is such a special time and place for maple syrup. Then the students ventured outside to visit maple trees and wake up the sleepy Sugar Farmer at the evaporator. Finally, they topped it all off with real syrup over pancakes!

Our students did an amazing job recognizing African Americans and their contributions to society. Please take a moment to enjoy our slideshow. **PARKWAY'S BLACK HISTORY SLIDESHOW**
