Frontline Education's Absence Management Solution Reference Guide for School District Employees

Welcome!

Kelly Education® is pleased to present Frontline Education's Absence Management Solution. The system is available through the Internet or telephone (via Interactive Voice Response system - IVR) creating an easy-to-use system for absence management. Among several other available features, you can use the system to communicate and report on employee absences. For your convenience, the system is available 24 hours a day, 7 days a week. This guide details the functionality for both the Internet and telephone features.

Once you have dismissed your Web Alerts you will be able to view your home page.

If your district uses Time & Attendance, you'll have an arrow next to Absence Management to switch between the applications. This is called the application switcher. B: Side Navigation

The side navigation menu will help you navigate quickly to the different areas in AESOP.

- **Home (house icon):** Takes you back to your home page.
- **Absences:** Takes you to the absence creation page.
- **Account:** Takes you to where you can change your personal info, change your PIN, and view your preference list.
- **Directory:** View your absence approvers (if applicable).

C: Calendar

The main part of the home page is the calendar. The calendar is color coded to show the dates you are scheduled to be absent and the dates your school is closed.

You can view the details for a specific day by clicking on the date. You can scroll to another month by clicking the right/left arrows on either side of the calendar.

D: Absence Tabs

Below the calendar are the Absence Tabs. These tabs allow you to create a new absence, view scheduled, and past absences and view denied absences (if applicable).

- **Create Absence:** Create a basic absence right from the Home Page.
- **Scheduled Absences:** View a list of upcoming absences that you have already scheduled.
- **Past Absences:** View your past absences for the past 30 days.
- **Denied Absences:** View any absence requests that were denied by your approver (if applicable).

D: Recording An Absence

To record an absence, you will need the absence date(s), absence reason(s), and the absence start and end times. Your default start and end times were provided by your school administrator.

Note: If you are attempting to create an absence for today after your school's cutoff time (typically within one hour of the school's scheduled start time), the system will not allow you to record the absence. Please contact your Kelly Education office, KAST Center, or your school administrator to enter the absence.

A screenshot of the 'Create Absence' form. At the top, there are four tabs: 'Create Absence' (active), '0 Scheduled Absences', '0 Past Absences', and '0 Denied Absences'. Below the tabs is a calendar for June 2013, with the date '17' selected. To the right of the calendar is a form with the following fields: 'Substitute Required' (a toggle switch set to 'Yes'), 'Absence Reason' (a dropdown menu set to 'Personal Day'), 'Time' (a dropdown menu set to 'Full Day' with a time range of '07:30 AM to 03:30 PM'), 'Notes to Administrator' (a text area with a 255 character limit), and 'Notes to Substitute' (a text area with a 255 character limit). On the right side of the form is a 'FILE ATTACHMENTS' section with a 'Browse...' button and a 'Shared Attachments' section. At the bottom of the form are three buttons: 'Cancel', 'Create Absence & Assign Sub', and 'Create Absence'.

Step 1: Scroll down to the **Create Absence** tab on your home page.

Step 2: Update the following absence information:

- **Dates:** Using the calendar, select the day(s) you will be absent.
 - If the absence is longer than the threshold set up by your district, please contact your Kelly Education office, KAST Center, or school administrator directly to record the absence.
- **Substitute Required:** Toggle the **Sub Required** slider to No if you do not require a substitute.
- **Absence Reason:** Select the appropriate Absence Reason from the drop-down list.

- **Time:** Select the type of absence from the drop-down list (Full Day, Half Day AM, Half Day PM, or Custom).
- **Notes:** You have the ability to leave notes for the sub, such as the location of the lesson plan.
- **File Attachments:** To attach a Word, Excel, or PDF file to the absence, click the Browse button and locate the file you want to attach. Once you select your file, click the Open button. If you would like to include a description, type the name of the file in the Description field.

Step 3: Save the absence by selecting one of the following options:

- **Create Absence:** Click the Create Absence button to save the absence and allow the system to find a substitute for you (if one is required).
- **Create Absence and Assign Sub (if applicable):** Click the Create Absence and Assign Sub button to save the absence and assign a pre-agreed upon substitute. Use the search box to search for subs that are qualified and available to fill your absence. Once you start typing in a last name into the search box, matches will drop down below the box.
 - When assigning a specific substitute, you must first contact the substitute directly to verify their availability. When a substitute is manually assigned, they are not notified by the system, so it is imperative they are directly contacted.

Once the absence is saved you will see a message at the top of your screen which will include the confirmation number. The confirmation number ensures that you completed the process correctly, and can be used later to retrieve the absence details.

E: Viewing Your Absence History

The system will keep a list of your absences from the past 30 days under the **Past Absences** tab on your home page.

Substitutes who are included on your Preferred Substitutes list are given preferential treatment by Kelly Education when attempting to find a substitute for an absence that you register.

Your ability to view and edit the Preferred Substitutes list is determined by your school district. Please contact your school district or Kelly Education office if you have questions regarding your ability to view or edit the Preferred Substitutes list.

Viewing Your Preferred Substitutes List

Step 1: Click **Account>Preferred Substitutes** from your home page to display your preferred substitutes.

General Information

S: Troubleshooting

Resetting Passwords

Administrators cannot view or change users' passwords. To change your password, you must select the **"I forgot my PIN or password"** link on the Frontline Absence Management login page.

You will be asked to provide your Frontline username, and the system will then email you a link to click on. The link will redirect you to a password reset page where you can create a new password.

If you receive an error that your Frontline username cannot be found, go to <http://app.frontlineeducation.com> and try the "Forgot Password" link on that login page.

The image shows the Frontline Absence Management login page. At the top is the Frontline Education logo. Below it, the text "Sign in with a Frontline ID" is displayed. There are two input fields: "Frontline Username" and "Frontline Password". Below these fields is a blue button labeled "Sign In with Frontline ID". At the bottom, there are two links: "Forgot Username" and "Forgot Password".

The image shows the Frontline password reset page. At the top is the Frontline Education logo. Below it, the text "Forgot your password?" is displayed. There is a section for "New Frontline Password" with a green checkmark icon and a "Show" link. Below this is a blue button labeled "Save Change".

The image shows the Frontline password reset confirmation page. At the top, it says "Forgot your password, Bob?". Below that, it says "Please click the link below to change your password." and there is a blue button labeled "Change Password". At the bottom, there is a small disclaimer: "If you did not request to change your account password, you can disregard this email. If you believe someone may have accessed your account, you should update your Account Settings."

Recovering Usernames

Users can recover their Frontline username(s) by selecting the **"I forgot my ID or username"** link on the Frontline Absence Management login page.

You will be asked to provide the email address associated with your account, and the system will then email you a list of your usernames.

If you receive an error that your Frontline username cannot be found, go to <http://app.frontlineeducation.com> and try the "Forgot Username" link on that login page.

The image shows the Frontline Absence Management login page. At the top is the Frontline Education logo. Below it, the text "Absence Management Formerly Aesop" is displayed. Below that, the text "Sign In" is displayed. There are two input fields: "ID or Username" and "PIN or Password". Below these fields is a blue button labeled "Sign In". At the bottom, there are two links: "I forgot my ID or username" and "I forgot my PIN or password". At the very bottom, there is a link: "Having trouble signing in?".

Merging Multiple Frontline Accounts

Some users may accidentally create more than one new Frontline ID account. If this occurs, you can simply sign in through one of these new Frontline ID accounts, select the dropdown beside your name in the top right corner of the page, and click **Account Settings**. Then, select the **Applications** link from the side menu.

This page lists any applications currently associated with the Frontline ID account. You can click the **merge your accounts** link to associate any additional accounts you use.

A pop-up box displays. Enter the username and password for the additional Frontline ID account(s) you created and click **Verify & Add Account**.

This action merges that secondary account (and the application(s) associated with that account) into this single account. Once complete, you will have the ability to switch between applications while remaining signed in.
