

**Authorization for Self-Administration of Asthma Medication by Minor Children at School**

Student Name: \_\_\_\_\_ Date of Birth: \_\_\_\_\_ Grade: \_\_\_\_\_

I, \_\_\_\_\_, Parent/Legal Guardian of the above-named student hereby request authorization for self-administration and possession of asthma medication by this student while in school, at a school-sponsored activity, while under supervision of school personnel, and while in before-school or after-school care on school-operated property. The student demonstrates full understanding of the proper use of his/her asthma medication.

**I understand that:**

- Glascock County Consolidated School, its employees, and agents, shall incur no liability for:
- any injury to the student caused by his or her self-administration of medication except for injury caused by willful or wanton misconduct;
- the student’s use, misuse, overuse, or neglected or failed use of his or her asthma medication;
- lost, misplaced, outdated, inaccessible, empty, or faulty asthma medication and asthma devices;
- the school may choose to require supervision of medication administration in the event that the student does not demonstrate appropriate use or proper technique with asthma medication;
- the school has the authority to enforce rules and consequences for inappropriate behavior demonstrated by the student in association with the possession and/or self-administration of asthma medication;
- the school has the authority to require supervision of medication use as deemed appropriate for the safety of all students and staff.

**I take sole responsibility for:**

- the monitoring of asthma medication, medication use, and refilling of prescriptions for asthma medication as the school will not be responsible for the supervising, recording, and monitoring of self-administered asthma medication.
- ensuring the student always carries his/her asthma medication on his/her person.
- deciding if back-up medication will be kept at the school and providing the school with the back-up medication.
- informing school staff in writing of any changes in the student’s treatment or asthma management.
- informing the school of any asthma exacerbations, hospital visits, and/or new or changed student medical information.
- informing school staff in writing of any medication side effects that warrant communication to the parent/guardian
- coordinating distribution of the student’s asthma management and emergency plan to school staff.

**I understand and agree to the conditions of the school system policy. I permit the school to seek emergency medical treatment for the student when deemed necessary and appropriate. I accept legal responsibility should the medication be misused or given or taken by a person other than the above-named student. I release Glascock County Consolidated School, its employees, and agents of any legal responsibility related to the above-named student’s possession and self-administration of his/her asthma medication.**
