Reason and Purpose for School Council Meeting

Satisfies A.R.S. 15-351 and provides opportunities for local school improvement through teaming with principal to address meaningful issues.

Agenda:

- Explorer Staffing 23/24

Annually PVUSD is losing student enrollments. We are currently staffed for 800 which was maintained through Covid in hopes students would return to PVUSD. Explorer's expected enrollment for 2023-24 is 650. Affects 8 positions and 6 teachers. Surplus staff will have positions available elsewhere in district.

- Update on PVUSD Four Initiatives

District level committees still working on the 4 initiatives.

- Good of the order

Next meeting: March 21, 2023
