KEVIN O'CONNELL

MINNESOTA VIKINGS HEAD COACH

The STA community has an exclusive opportunity to hear from one of the most innovative and inspiring leaders in the NFL!

Coach Kevin O'Connell played quarterback at San Diego State University followed by a four-year NFL playing career. Since 2015, he's held various coaching roles in the NFL, including as Offensive Coordinator of the 2021 Super Bowl Champion LA Rams. In his first year as Head Coach, the Vikings achieved a 13-4 record and won the NFC North.

The Wall Street Journal recently noted that the Vikings are “a shining example of what is possible when a concerted investment is made in both staffing and facilities.” Coach O'Connell helps lead that success through his own faith and determination to succeed.
