

BUILT <sup>T</sup> O LAST

Boyd-Buchanan School offers a loving, Christ-centered environment fully nurturing the spiritual, intellectual, social, and physical potential of each student. Boyd-Buchanan School is a rare and special place for preparing students to walk with the Lord and to embrace life's challenges with joy, courage, and wisdom.

**DR. RENEE MURLEY**  
HEAD OF SCHOOL

As a premier independent Christian school, we desire for our students to know the love of Christ, to show the love of Jesus through their words and actions, and to become lifelong learners. Our prayer is that each student's experience at Boyd-Buchanan provides a foundational spiritual framework as they graduate and move forward in life.

At this time in our history, we have record enrollment, academic and athletic successes, outstanding musical productions, service learning impact, and exciting opportunities to expand our campus through capital-building projects. Over the past ten years, we have completed multiple capital improvements totaling nine million dollars while acquiring minimal new debt. As part of our strategic plan, we have begun the construction of our 21,000 sq. ft. Performing Arts Center and the planning of our expansion of Roland Dining Hall. The Performing Arts Center will provide additional classrooms, office spaces, and an auditorium for not only musical and theatrical performances, but also for weekly Chapel programs.

Our current Dining Hall space was built in 1962 when our enrollment was 176 students. Presently, we serve 1200+ students, staff, and faculty daily. Our plans will include expanding the dining hall, renovating and updating the kitchen facilities, and enhancing the dining experience.

With these new projects, we have a need to raise six million dollars through our ***Built to Last*** Capital Campaign 2023. We commit to continue our practice of effective financial management for expansion and improvement. Your generous giving will impact the students of today and build a lasting legacy for future Buccaneers.

A handwritten signature in black ink, reading "Renee Murley". The script is fluid and cursive, with the first name "Renee" written in a larger, more prominent hand than the last name "Murley".

# BUILT TO LAST

**STUDENT LIFE CENTER (SLC) | \$1.9M**

**GUARD HOUSE AT ENTRANCE | \$55.5K**

**NAVE GYM IMPROVEMENTS/PHILLIPS COURTYARD | \$623K**

**STADIUM/NEW TURF FIELD | \$873K**

**JETT GYM RENOVATION | \$175.5K**

During the renovation of this space, we replaced the outdated rubber floor with a new Prater Flooring designed wood surface. We added retractable bleachers to the North side of the gym, refurbished the walls, and resurfaced the interior roof.

**S.O.A.R. CENTER | \$115K**

The academic support program was enhanced with the addition of a dedicated space that features multiple individual instructional rooms, small group meeting rooms, and an additional testing area.

2014

2016

2017

2018

**WEIGHT ROOM/INDOOR FACILITY | \$945K**

2018

**WHITEHAVEN HOME PURCHASES/CAMPUS EXPANSION | \$1.4M**

We purchased six additional homes that surround our campus which has allowed us to create new instructional spaces, a dedicated maintenance department, and office spaces.

**WHITE HOUSE RENOVATION/INSTRUCTIONAL SPACE | \$114K**

2020

**ADDITIONAL PARKING LOTS | \$217K**

The growth in our Upper School and current building projects have made it necessary to create additional new parking spaces. Two new parking lots with a combined 120+ new spaces have been added to our school campus.

2021

**BUCS STORE & COMMON GROUNDS COFFEE SHOP | \$150K**

**TURF BASEBALL FIELD/SOFTBALL FIELD RENOVATIONS | \$2.2M**

2022

**Boyd-Buchanan School** was foundational in my upbringing and has been a place of encouragement that I've returned to year after year. A visit to campus often serves as a reminder of where I come from and re-centers my heart on what's most important in life. As I watch my boys growing up in the BBS community, my gratitude for our school continues to grow, as does my resolve to further its efforts.

Our campus expansion and improvement initiatives are designed to further promote the development of well rounded young men and women, and to help our campus thrive. The slogan **"Built to Last"** is about optimizing the campus experience for our approximate 1200+ person on-site community. It's a phrase that we have adopted to think about not just this generation, but what campus needs to be to continue to positively impact the lives of children and families in generations to come.

Cultivating and nurturing young minds and hearts is among the noblest of tasks, and as legacies are maintained one generation at a time, the work of guiding young men and women is never done. With the support of friends and family like you, the mission of Boyd-Buchanan will be advanced as we carry it forward for the next generation of Buccaneers. Together, we can do this.

May our legacies of faith and grit and grace carry forward in the lives of our children and children's children. May they still be pointing to the work and grace of Christ in the years to come. And may we model for them a way of life that points to the things that last.

ON BEHALF OF THE BOARD OF TRUSTEES

MATT MATHIS
