Conference Room

3:30 pm

I. Welcome and Agenda Review

Members Present: Vicky Raymond, Cristina Gary, Michelle Storcz, Staci Bryant-Liang, and Cara Rosenstein.

II. Principal Update

Q4 Coffee Chat: The April 28th topic will be PBIS.

Summer Construction: Improvements to the outside of our building will take place this Summer. Small rock will be added to the front of the school from the staff parking lot to the K - 2nd gate. The NW corner of Utopia and 34th St will remain the same, as this is a retention area. Paint colors are in the brown/tan hues with QR blue as accent for Administration and QR wording. Three cameras will be installed. The "Snagon" will be removed.

Thanks to our Taxpayers for approving Bonds and Overrides

III. Community Feedback

Art Masterpiece: Council members are concerned about the cost of this combined with the lack of volunteers we have. This would require a lot of prep work. Maybe we can look into this at another time.

IV. Tax Credit Approvals

Tax Credit funding can now be used to pay for character incentive programs. After reviewing the quote from 58designs LLC for PBIS cards, Council has decided this would worth moving forward with. The \$425 cost is only a one time setup fee.

The meeting was adjourned at 3:54 pm. The next meeting will be May 17, 2023 at 3:30 pm.
