

**Haynes Northwest Academy
Parent Involvement Policy 2022/2023
Distributed October 10, 2022**

Statement of Purpose

A strong partnership between the school and home is essential if a quality educational program is to be provided to all students.

Haynes Northwest Academy is dedicated to the philosophy that parent involvement is integral to the success of each student. For this reason, parents are actively recruited as our partners for success. The parent involvement policy is reviewed and amended during the annual SBDMT Title I evaluation and planning meeting.

The policy will be distributed at parent teacher conferences. Grade level learning objectives and goals will also be distributed to all parents at the beginning of the school year. All students will be expected to work toward mastering these objectives. Our campus recognizes the fact that some students will need extra assistance to achieve their full potential. The extra assistance is available to all students through the Title I program and various other educational services offered through the district.

Haynes Northwest Academy intends to include parents in all aspects of the Title I program. Students will be given every opportunity for success through the development and enhancement of the home-school partnership.

Parent Involvement Developing Policy

Haynes Northwest Academy's Site-Based Decision Making Team (SBDMT) is comprised of parents, community members, administrators, teachers, and other staff members. This committee will meet annually to discuss the design and implementation of the Parent Involvement Policy. Committee selections will produce a diverse group of stakeholders that represent an array of student populations served by the district.

Meetings will be planned at convenient times and locations for all concerned parties. If a translator is needed, the campus will arrange for one to be present.

Parent Involvement Activities to Improve Academic Achievement and School Performance

One of the primary functions of the SBDM Team will be to identify ways that Haynes Northwest Academy can plan and implement effective parent involvement programs. The campus will also promote and encourage staff development for employees on establishing effective relationships with parents as a means to increase academic achievement.

Home-School Compact: In accordance with Title I regulations, the campus will develop and annually update a home-school compact. This compact will explain how students, parents, and staff will share responsibility for student performance and success, and will enable them to do so. Members of the SBDMT will be consulted in the design and implementation of the compact. All

parents will be given a copy of the compact detailing the responsibilities that teachers, parents and students have in helping students accomplish their goals. Students and parents are encouraged to sign that they are in agreement with the compact and return them to the school; however, parents and/or students are not required to return the compacts to school.

Staff/Parent Communication: Parents will be informed of school activities through various avenues of communication throughout the school year. Newsletters, conferences, class dojo, personal contacts, and written notices will be utilized to establish and maintain an open line of communication.

Staff development will include strategies to promote effective parent involvement activities. Activities will educate all staff members in the value of parent involvement.

Coordination of Parent Involvement Activities: Parent Involvement strategies will be incorporated into Haynes Northwest Academy's curriculum and programs through the Campus Improvement Plan (CIP). Parent Involvement will be a top priority and will be aligned with the entire educational program.

Annual Evaluation: The SBDMT will annually review and evaluate all aspects of the parent involvement program. Parent surveys including questions about the effectiveness of the program will be distributed and results analyzed. Teacher surveys and teacher contact logs will be used to determine the number and kind of interaction between school and parents. The SBDMT will update or revise the campus Parent Involvement Policy and Home-School Compact based on the results of this annual review.

Involving Parents in Activities of Title I Campuses

Haynes Northwest Academy will use Title I funds to provide school wide services to all students of Haynes Northwest Academy. Parents will be involved in a variety of strategies as the campus strives to develop and maintain an optimum learning environment for all students. Parents may contribute through volunteer programs, as well as by creating a supportive home atmosphere. The community may participate through an array of activities that promote student success. The campus and its parents will develop and maintain specific parent involvement activities best suited to meet the individual needs of all stakeholders.
