# BASC Summer 2023 Weekly Info

## Week #1: Clownin' Around

Come one—come all!! Welcome to Club Connection! We are so excited to introduce to you your first week of summer camp: Clownin' Around! A fantastic mix between a carnival and the circus. Campers will come for the games, but stay for the memories! Throughout our first days together we will get to know our school, camp counselors & fellow campers with some festive staples like Sand Art and BINGO. Students will have the opportunity to be a part of the planning and design of our camp carnival at the end of the week. Creating games, designing booths, and of course practicing some essentials like face painting and balloon animals. Don't forget the exploration of different carnival foods that campers will get to prepare, and also enjoy themselves! We are excited for your students to absorb the value of team work and communication during both our culminating event and individual activities.

## Week #2: #Trending

Like, comment, and subscribe to week two, #Trending! This week will be extra cool, with activities like Meme Makers, Lego Beyblades, and a Squishmallow Zoo Walk. Campers can wear the latest styles when we make DIY Bucket Hats and do some Sharpie Tie Dye. For the foodies out there we've got a Chip Challenge and Is It Cake? cupcake decorating.

## Week #3: Space Camp

Calling all Space Cadets! For week three of Club Connection, we will be joining Space Camp and participating in some out of this world activities. We will be trying astronaut ice cream, painting space themed ceramics, and making our very own alien pet. On Friday, we will graduate from Space Camp and blast off in our very own rocket ships!

## Week #4: Seattle Sports

Welcome to an exciting week of Seattle themed sports. All week long, we will be constructing, creating and playing games themed around The Mariners, Storm, Kraken, Seahawks, & Sounders. To enhance each day we encourage all kids to come dressed in each day's sports theme. We KICK off Monday with SOUNDERS day, where we will be making hacky sacks, team jerseys, and hosting a giant field day for all students to join. Tuesday will be a SLAM DUNK with the SEATTLE STORM!! Kids can make basketball planters, sports themed sun catchers and the 1st and 2nd graders will be headed off campus for a field trip. Wednesday we will COOL down with the KRAKEN. There will be some Ice Hockey Science experiments, make your own ice rinks, and 3rd & 4th graders will take their turn on a field trip. Thursday will be a HOME RUN with the MARINERS!! 5th and 6th graders will get to go to the Mariners Game!!! While back on site kiddos will play whiffle ball, get to make Mariners Pennants, and do a baseball painting class. Friday will of course be BLUE FRIDAY, with the SEAHAWKS!! We have a Seahawks tailgate party planned with lots of fun games and snacks, fleece football scarves, giant 12th Man flags and so much more.

# BASC Summer 2023 Weekly Info

## Week #5: Superheroes

Avengers Assemble! During week 5, campers will become superheroes and participate in activities to hone their skills and abilities. They will make their own masks and capes, make superfood smoothies to fuel their powers, and even get to take home some Kryptonite slime! On Friday, the fate of Club Connection rests in the superheroes' hands with an epic superheroes vs. villains minute-to-win-it competition!

## Week #6: CC Detective Agency

Calling all Secret Agents!! Week 6 Club Connection will be turning into a detective agency. Someone has stolen the goodies that we need for our BBQ party on Friday! Campers will start the week training to be a top notch Secret Agent, designing disguises and putting together their detective kits. Each day there they will have to work together to solve two challenges. Each challenge will leave them with important information to help them catch the culprit by Friday! And don't worry we have plenty of time to play with activities like Secret Agent Tag, a Camp Counselor Scavenger hunt and a blind folded taste test and our Club Connection BBQ!

## Week #7: Adventure Week

Get ready for the Club Connection adventure of a lifetime! During this exciting week at summer camp, kids will get to experience Seattle adventuring, with cycle racing and hunting for sasquatch. They will take on extreme sports with deep sea diving and jumping out of an airplane. Campers will face their fears by snake taming and escaping quicksand. Through a day of camping discoveries, kids will make S'mores in a cup and their very own walking sticks. And as Island Explorers, kids will race pirate ships and search for Pirate Treasure. All this and so much more, without ever leaving Club Connection! So grab your adventure backpack and join us for Adventure Week!

## Week #8: Animal Planet

Welcome to the jungle! For the last week of Club Connection, campers will become Wildlife Rangers and be experts on animals that live all around the globe. Wildlife Rangers will learn about animals through trivia games, make reptile terrarium habitats, and participate in a daring animal rescue activity. Campers will earn pins for their ranger hats to show off their wildlife expertise and become the most knowledgeable rangers out there!
